The Sand Fish

A novel of Dubai, The Sand Fish by Maha Gargash offers readers a fascinating glimpse into another corner of the world. Set in the 1950s in what is now the United Arab Emirates, The Sand Fish tells the poignant and powerful story of a rebellious young woman trapped in a repressive society—as richly atmospheric a look at Middle Eastern life and culture as The Kite Runner by Khaled Hosseini and Alaa Al Aswany's The Yacoubian Building.

That Other Me

From the #1 internationally bestselling author of The Sand Fish, an exhilarating look at Khaleeji (Gulf-Arab) culture that explores the way secrets and betrayal consume three members of a prominent Emirati family. The head of the Naseemy family, Majed, is proud to be one of the wealthiest businessmen in Dubai. But he's suddenly plagued by nightmares about the dead brother whose business he stole, and he feels his control erode with the discovery that his niece and daughter are defying his orders. Mariam concentrates on her college education in Cairo, carving a path that will lead her away from her hated uncle's controlling grip. But she falls for a brash fellow student named Adel, who might just prove to be her downfall. Meanwhile the rebellious Dalal, largely abandoned by Majed as the daughter of a second, secret marriage, strives to become a singer. It's a career looked down on in Khaleeji societies, and one she is rightfully certain will humiliate her father. As Majed increasingly tries to exert his authority over Dalal and Mariam, both girls resist, with explosive consequences. Set against the backdrop of the glamorous world of Arab showbiz, That Other Me explores the ties that bind one corroded family... and the tantalizing possibility of freedom.

Hungry Woman in Paris

In this heartwarming story of food, friendship, and family, cooking school is the sensual and spiritual reawakening that brings back a woman's hunger for life. A journalist and activist, Canela believes

passion is essential to life; but lately passion seems to be in short supply. It has disappeared from her relationship with her fiancé, who is more interested in controlling her than encouraging her. It's absent from her work, where censorship and politics keep important stories from being published. And while her family is full of outspoken individuals, the only one Canela can truly call passionate is her cousin and best friend Luna, who just took her own life. Canela can't recover from losing Luna. She is haunted by her ghost and feels acute pain for the dreams that went unrealized. Canela breaks off her engagement, and uses her now unnecessary honeymoon ticket, to escape to Paris. Impulsively, she sublets a small apartment and enrolls at Le Coq Rouge, Paris's most prestigious culinary institute. With a series of new friends and lovers, she learns to once again savor the world around her.

Just one month after his 21st birthday, Peter Rudiak-Gould moved to Ujae, a remote atoll in the Marshall Islands located 70 miles from the nearest telephone, car, store, or tourist, and 2,000 miles from the closest continent. He spent the next year there, living among its 450 inhabitants and teaching English to its schoolchildren. At first blush, *Surviving Paradise* is a thoughtful and laugh-out-loud hilarious documentation of Rudiak-Gould's efforts to cope with daily life on Ujae as his idealistic expectations of a tropical paradise confront harsh reality. But Rudiak-Gould goes beyond the personal, interweaving his own story with fascinating political, linguistic, and ecological digressions about the Marshall Islands. Most poignant are his observations of the noticeable effect of global warming on these tiny, low-lying islands and the threat rising water levels pose to their already precarious existence. An *Eat, Pray, Love* as written by Paul Theroux, *Surviving Paradise* is a disarmingly lighthearted narrative with a substantive emotional undercurrent.

In this landmark dictionary, Roy Armes details the scope and diversity of filmmaking across the Arab Middle East. Listing more than 550 feature films by more than 250 filmmakers, and short and documentary films by another 900 filmmakers, this volume covers the film production in Iraq, Jordan, Lebanon, Palestine, Syria, and the Gulf States. An introduction by Armes locates film and filmmaking traditions in the region from early efforts in the silent era to state-funded productions by isolated filmmakers and politically engaged documentarians. Part 1 lists biographical information about the filmmakers and their feature films. Part 2 details key feature films from the countries represented. Part 3 indexes feature-film titles in English and French with details about the director, date, and country of origin.

Nearly two decades later, a friendship grows between Mariam and a local teenager, Laila, as strong as the ties between mother and daughter. When the Taliban take over, life becomes a desperate struggle against starvation, brutality and fear. Yet love can move a person to act in unexpected ways, and lead them to overcome the most daunting obstacles with a startling heroism.

A Thousand Splendid Suns

This book is a transnational study of how contemporary fiction writers from the United States and Canada to Nigeria to India to Dubai have conceptualized the emergent social spaces of the diverse corners of the neoliberal world system. Over the span of the past three to four decades, free market economic policies have been sold to or pushed upon every society on the globe in some way, shape, or form. The upshot of this has been a world system structured in terms of a vast shift of power and resources from government to private enterprise, dwindling civic life replaced by rising consumerism, an emerging oligarchic rentier class, large segments of population faced with meager material conditions of existence and few prospects of socio-economic mobility, and a looming sense of a near future dominated by further economic collapses and mounting social strife. This book analyses a wide cultural array of some of the most poignant narrative engagements with neoliberalism in its various localized manifestations throughout the world.

Afghanistan, 1975: Twelve-year-old Amir is desperate to win the local kite-fighting tournament and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives. After the Russians invade and the family is forced to flee to America, Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him: redemption.

This work offers a photographic record, along with an accompanying commentary, of the seven shaikhdoms of Dubai, Abu Dhabi, Sharjah, Umm al Quwain, Fujairah, Ras al Khaima and Ajman before they combined to form the modern sophisticated state of the United Arab Emirates. Up to the exploitation of oil in the 1960s, the traditional pattern of life had remained largely undisturbed for hundreds of years.

"Dubai" is a remarkable success story. From its origins as a small fishing and pearling community, the emirate has gone from strength to strength, having established itself as the premier trading entrepot of the Arabian Gulf and, in more recent years, having boomed into a massive metropolis of some two or more million people, most of whom are expatriates engaged in an increasingly diversified economy that has become synonymous with startling and innovative architecture. Following a detailed historical background, Davidson's in-depth study demonstrates how Dubai's pioneering post-oil development strategies were implemented against a carefully managed backdrop of near complete political stability, despite the lack of democratisation and genuine civil society. He then addresses the problems that may surface as the need for sustained foreign direct investment encourages far-reaching socio-economic reforms, many of which may affect the ideological, religious, and cultural legitimacy of the traditional monarchy. He also analyses Dubai's awkward relationship with its federal partners in the United Arab Emirates, before highlighting some of the hidden costs of being the region's most successful free port - namely its attractiveness to international criminal fraternities, the global black money economy and terrorist networks.

Nearly two decades before the rest of the world ever envisioned an Arab Spring, Emirati author Thani Al-Suwaidi saw a cultural shift on the horizon. Critically shunned when it was first published in 1994, his story is now a revelation for the modern world a stream-of-consciousness dissection of our orthodox past and the perilous future we can no longer prevent. The power of petroleum may be greater than any society could have ever imagined, especially in the Middle Eastern communities where it's actually produced.

Winner of the Restless Books Prize for New Immigrant Writing "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, starred review In the United Arab Emirates, foreign nationals constitute over 80 percent of the population. Brought in to construct and serve the towering monuments to wealth that punctuate the skylines of Abu Dhabi and Dubai, this labor force is not given the option of citizenship. Some ride their luck to good fortune. Others suffer different fates. Until now, the humanitarian crisis of the so-called "guest workers" of the Gulf has barely been addressed in fiction. With his stunning, mind-altering debut novel *Temporary People*, Deepak Unnikrishnan delves into their histories, myths, struggles, and triumphs. Combining the linguistic invention of Salman Rushdie and the satirical vision of George Saunders, Unnikrishnan presents twenty-eight linked stories that careen from construction workers who shapeshift into luggage and escape a labor camp, to a woman who stitches back together the bodies of those who've fallen from buildings in progress, to a man who grows ideal workers designed to live twelve years and then perish—until they don't, and found a rebel community in the desert. With this polyphony of voices, Unnikrishnan maps a new, unruly global English and gives personhood back to the anonymous workers of the Gulf. "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, Starred Review "Inventive, vigorously empathetic, and brimming with a sparkling, mordant humor, Deepak Unnikrishnan has written a book of Ovidian metamorphoses for our precarious time. These absurdist fables, fluent in the language of exile, immigration, and bureaucracy, will remind you of the raw pleasure of storytelling and the unsettling nearness of the future." —Alexandra Kleeman, author of *You Too Can Have a Body Like Mine* "Inaugural winner of the

Restless Books Prize for New Immigrant Writing, this debut novel employs its own brand of magical realism to propel readers into an understanding and appreciation of the experience of foreign workers in the Arab Gulf States (and beyond). Through a series of almost 30 loosely linked sections, grouped into three parts, we are thrust into a narrative alternating between visceral realism and fantastic satire.... The alternation between satirical fantasy, depicting such things as intelligent cockroaches and evil elevators, and poignant realism, with regards to necessarily illicit sexuality, forms a contrast that gives rise to a broad critique of the plight of those known euphemistically as 'guest workers.' VERDICT: This first novel challenges readers with a singular inventiveness expressed through a lyrical use of language and a laserlike focus that is at once charming and terrifying. Highly recommended." —Henry Bankhead, *Library Journal*, Starred Review "Unnikrishnan's debut novel shines a light on a little known world with compassion and keen insight. The Temporary People are invisible people—but Unnikrishnan brings them to us with compassion, intelligence, and heart. This is why novels matter." —Susan Hans O'Connor, *Penguin Bookshop* (Sewickley, PA) "Deepak Unnikrishnan uses linguistic pyrotechnics to tell the story of forced transience in the Arabian Peninsula, where citizenship can never be earned no matter the commitment of blood, sweat, years of life, or brains. The accoutrements of migration—languages, body parts, passports, losses, wounds, communities of strangers—are packed and carried along with ordinary luggage, blurring the real and the unreal with exquisite skill. Unnikrishnan sets before us a feast of absurdity that captures the cruel realities around the borders we cross either by choice or by force. In doing so he has found what most writers miss: the sweet spot between simmering rage at a set of circumstances, and the circumstances themselves." —Ru Freeman, author of *On Sal Mal Lane* "Deepak writes brilliant stories with a fresh, passionate energy. Every page feels as if it must have been written, as if the author had no choice. He writes about exile, immigration, deportation, security checks, rage, patience, about the homelessness of living in a foreign land, about historical events so strange that, under his hand, the events become tales, and he writes tales so precisely that they read like history. Important work. Work of the future. This man will not be stopped." —Deb Olin Unferth, author of *Revolution* "From the strange Kafka-esque scenarios to the wholly original language, this book is amazing on so many different levels. Unlike anything I've ever read, *Temporary People* is a powerful work of short stories about foreign nationals who populate the new economy in the United Arab Emirates. With inventive language and darkly satirical plot lines, Unnikrishnan provides an important view of relentless nature of a global economy and its brutal consequences for human lives. Prepare to be wowed by the immensely talented new voice." —Hilary Gustafson, *Literati Bookstore* (Ann Arbor, MI) "Absolutely preposterous! As a debut, author Unnikrishnan shares stories of laborers, brought to the United Arab Emirates to do menial and everyday jobs. These people have no rights, no fallback if they have problems or health issues in that land. The laborers in *Temporary People* are sewn back together when they fall, are abandoned in the desert if they become inconvenient, and are even grown from seeds. As a collection of short stories, this is fantastical, imaginative, funny, and even more so, scary, powerful, and ferocious." —Becky Milner, *Vintage Books* (Vancouver WA)

Temporary People

Please Come Back To Me is another remarkable collection by an author the New York Times has called "a writer with an unsparing bent for the truth." In "The Nurse and the Black Lagoon" a woman tries to understand why her teenage son has been accused of a disturbing crime. In "Testimony" an adult daughter visiting her father does everything she can to keep herself from remembering what she believes she cannot bear. A man returns to his hometown in "Dear Nicole" to face the realization that he married the wrong woman out of misplaced guilt. "Oregon" portrays the internal struggle of a woman who, having years ago betrayed a secret entrusted to her by her best friend, is tempted to repeat the mistake with the same friend's daughter. And in the collection's novella, "Please Come Back To Me," a young widow seeks faith and comfort—in both natural and supernatural realms—after her husband's death leaves her alone to care for their infant son. On the surface, Jessica Treadway's stories offer realistic portrayals of people in situations that make them question their roles as family members, their ability to do the right thing, and even their sanity. But Treadway's psychic landscapes are tinged with a sense of the surreal, inviting readers to recognize—as her characters do—that very little is actually as it seems.

Please Come Back to Me

The beloved characters of Chitra Banerjee Divakaruni's bestselling novel *Sister of My Heart* are reunited in this powerful narrative that challenges the emotional bond between two lifelong friends, as the husband of one becomes dangerously attracted to the other. Anju and Sudha formed an astounding,

almost psychic connection during their childhood in India. When Anju invites Sudha, a single mother in Calcutta, to come live with her and her husband, Sunil, in California, Sudha foolishly accepts, knowing full well that Sunil has long desired her. As Sunil's attraction rises to the surface, the trio must struggle to make sense of the freedoms of America—and of the ties that bind them to India and to one another.

This winner of the 2019 Man Booker International Prize and national bestseller is “an innovative reimagining of the family saga . . . Celestial Bodies is itself a treasure house: an intricately calibrated chaos of familial orbits and conjunctions, of the gravitational pull of secrets” (The New York Times Book Review). In the village of al-Awafi in Oman, we encounter three sisters: Mayya, who marries after a heartbreak; Asma, who marries from a sense of duty; and Khawla, who chooses to refuse all offers and await a reunion with the man she loves, who has emigrated to Canada. These three women and their families, their losses and loves, unspool beautifully against a backdrop of a rapidly changing Oman, a country evolving from a traditional, slave-owning society into its complex present. Through the sisters, we glimpse a society in all its degrees, from the very poorest of the local slave families to those making money through the advent of new wealth. The first novel originally written in Arabic to ever win the Man Booker International Prize, and the first book by a female Omani author to be translated into English, Celestial Bodies marks the arrival in the United States of a major international writer.

Today, Dubai is a city of shimmering skyscrapers attracting thousands of tourists every year. Yet just sixty years ago Dubai's population scraped a living by picking dates, diving for pearls, or sailing in wooden dhows to trade with Iran and India. Dubai is everything the rest of the Arab world is not. Until recently it was the fastest-growing city in the world, with an economy whose growth outpaced China's while luring more tourists than all of India. The city has become a metaphor for the lush life, where the wealthy mingle in gilded splendour and luxury cars fill the streets, yet it is also beset by a backwash of bad design, environmental degradation and controversial labour practices. Dubai tells its unique story.

Full of people who aim to combine the ancient and the modern, the UAE is an extremely rewarding place to visit. Set on the southeastern coast of the Arabian Gulf, the country was once a poor desert land, a confederation of tribal sheikhdoms on the periphery of the Arab world, subsisting on pearl diving and fishing. It was a British protectorate until independence in 1971, after which seven of the sheikhdoms united to form a federation, the UAE. The discovery of oil in the 1950s transformed the country's fortunes, and the UAE today is a land of contrasts—embracing skyscrapers, high-tech communications, and luxury hotels, while conservative values and religion remain strong. The UAE is a major player in the shifting alliances of the Middle East and the war against radical Islam, simultaneously seeking a global leadership position while maintaining its social systems and slowly integrating women into public life without violating its core beliefs.

UAE - Culture Smart!

Sugar escapes the UK in an attempt to escape her past. Lady Luxe, the rebellious Emirati heiress, scoffs at everything her culture holds sacred. Until the day her double life starts unravelling at the seams. Set against a backdrop of luxury hotels and manmade islands, Desperate in Dubai tells the tale of four desperate women as they struggle to find truth, love, and themselves.

Nabati poetry, though composed in an artistic variant of ordinary Bedouin speech, historically descends from the pre-Islamic Classical Arabic poetry of antiquity, and its modern exponents still compose in the traditional genres of boasting, praise, satire, elegy, advice and guidance, love and lyric poetry.

[Http://www.biblicalperspectives.com/books/sabbath_new_testament/](http://www.biblicalperspectives.com/books/sabbath_new_testament/) Many sincere Christians believe that the New Testament teaches that Christ brought to an end the principle and practice of Sabbath keeping, and instituted Sunday keeping instead. To test the validity of this popular view, Dr. Samuele Bacchiocchi has devoted many years of painstaking research in Vatican libraries in Rome, examining the earliest Christian documents. The results of his investigation are found in his dissertation first published in 1977 by the Pontifical Gregorian University Press, in Rome, Italy. In the book *The Sabbath in the New Testament* Dr. Bacchiocchi summarizes and updates his extensive research by presenting four basic reasons for his belief in the permanence of the principle and practice of Sabbath keeping in the New Testament. These reasons are presented in a simple and clear way which ordinary people can understand. In the second half of the book Dr. Bacchiocchi answers a wide variety of questions people have often asked him in conjunction with his popular Lord's Day Seminar. The questions deal with historical, theological and practical aspects of Sabbath keeping. This section, entitled "Answers to Questions," makes the book a most valuable reference manual to deal with the most frequently asked questions about the Sabbath. To the delight of many the new and enlarged edition includes also a chapter prepared by Mrs. Bacchiocchi which contains a selection of 20 of her family's favorite Italian Sabbath recipes. - Preface; Part I: VIEWS ON THE SABBATH IN THE NEW TESTAMENT; 1. Speeches Against Catilina...

A commentary for students on the four speeches delivered by Cicero during the crisis of 63 BC, when, as consul, he faced a conspiracy to overthrow the Roman state launched by the frustrated consular candidate Lucius Sergius Catilina. They show him at the height of his oratorical powers and political influence.

Quae Fertur Oratio IV. in Catilinam

It's an essay on old age and death. Its rational and philosophical subject matter is embellished by beautiful language. This book is a luminous substantiation of Cicero's meticulous emblematic style. It is still popular as Cicero's powerful commentary over a very momentous issue of growing age with explanatory notes is astounding. Timeless!

Catiline Orations

On Obligations (*De officiis*) was written by Cicero in late 44 BC after the assassination of Julius Caesar to provide principles of behaviour for aspiring politicians. It explores the apparent tensions between honourable conduct and expediency in public life, and the right and wrong ways of attaining political leadership. The principles of honourable behaviour are based on the Stoic virtues of wisdom, justice, magnanimity, and propriety; in Cicero's view the intrinsically useful is always identical with the honourable. Cicero's famous treatise has played a seminal role in the formation of ethical values in western Christendom. Adopted by the fourth-century Christian humanists, it became transmuted into the moral code of the high Middle Ages. Thereafter, in the Renaissance from the time of Petrarch, and in the Age of Enlightenment that followed, it was given central prominence in discussion of the government of states. Today, when corruption and conflict in political life are the focus of so much public attention, *On Obligations* is still the foremost guide to good conduct.

The Speeches

De Officiis (*On Duties*) was Cicero's last philosophical work. In it he made use of Greek thought to formulate the political and ethical values of Roman Republican society as he saw them, revealing incidentally a great deal about actual practice. Writing at a time of political crisis after the assassination of Julius Caesar in 44BC, when it was not clear how much of the old Republican order would survive, Cicero here handed on the insights of an elder statesman, adept at political theory and practice, to his son, and through him, to the younger generation in general. *De Officiis* has often been treated merely as a key to the lost Greek works that Cicero used. This volume aims to render *De Officiis*, which was such an important influence on later masterpieces of Western political thought, more intelligible by explaining its relation to its own time and place. A wholly new translation is accompanied by a lucid introduction and all the standard features of Cambridge Texts in the History of Political Thought, including a chronology, select bibliography, and notes on the vocabulary and significant individuals mentioned in the text.

On Old Age

Orations were speeches given in 63 BC by Marcus Tullius Cicero, the consul of Rome to expose to the Roman Senate the plot to overthrow the Roman government, purportedly led by Lucius Sergius Catilina and his allies. There is scholarly debate about the trustworthiness of Cicero's speeches, including questions as to how factually true they are, with some ancient historians such as Sallust hinting that Catiline is a more complex and sympathetic character than Cicero's writings suggest. These accounts took place almost a hundred years or more after the orations, but portray Catiline in a more sympathetic light, even going so far as to excuse him of any involvement at all, leading to questions of whether the Catilinarians were political propaganda designed to solidify Cicero's position in the political sphere rather than a factual account of the events of 63. However, most accounts of the events come from Cicero's pen himself. This is one of, if not the most, well documented events taking place in the ancient world, and has set the stage for classic political struggles pitting homeland security against civil liberties. As political orations go, it was relatively short, some 3,400 words, and to the point. The opening remarks are still widely remembered and used after 2000 years: *Quo usque tandem abutere, Catilina, patientia nostra? Quam diu etiam furor iste tuus nos eludet? Quem ad finem sese effrenata iactabit audacia?* When, O Catiline, do you mean to cease abusing our patience? How long is that madness of yours still to mock us? When is there to be an end of that unbridled audacity of yours, swaggering about as it does now? Also remembered is the famous exasperated exclamation, *O tempora, o mores!* (Oh the

times! Oh the customs!). Catiline was present when the speech was delivered. He replied to it by asking people not to trust Cicero because he is Homo Novus and to trust Catiline because of the history of his family.

Cicero: In Catilinam I and II

'Two things alone I long for: first, that when I die I may leave the Roman people free...and second, that each person's fate may reflect the way he has behaved towards his country.' Cicero (106-43 BC) was the greatest orator of the ancient world and a leading politician of the closing era of the Roman republic. This book presents nine speeches which reflect the development, variety, and drama of his political career, among them two speeches from his prosecution of Verres, a corrupt and cruel governor of Sicily; four speeches against the conspirator Catiline; and the Second Philippic, the famous denunciation of Mark Antony which cost Cicero his life. Also included are On the Command of Gnaeus Pompeius, in which he praises the military successes of Pompey, and For Marcellus, a panegyric in praise of the dictator Julius Caesar. These new translations preserve Cicero's rhetorical brilliance and achieve new standards of accuracy. A general introduction outlines Cicero's public career, and separate introductions explain the political significance of each of the speeches. Together with its companion volume, Defence Speeches, this edition provides an unparalleled sampling of Cicero's oratorical achievements.

On Obligations

Pro Murena is a speech delivered by Cicero in defense of Lucius Licinius Murena. The speech can be dated to late November of 63 BCE. Four candidates stood for the next year's consulship. Murena was one of the victors.

Cicero: On Duties

The Republic of Cicero by Marcus Tullius Cicero. The imperfect manuscript, a translation of which is now presented to the public, was discovered in the Library of the Vatican, by Professor Angelo Mai; a person of singular ingenuity in the detection of those Palimpsests whose contents were written upon ancient writings partially erased. A fac simile of part of the MSS. accompanies this work. The Republic of Cicero was greatly cherished by those who lived in and near his times; of which occasional evidences are found in the writings of antiquity. But the tyranny of the emperors bridled the Romans so soon after its appearance, that Horace, Virgil, Seneca, Quintilian, Pliny, and even Tacitus, have not dared to praise it, lest they should bring down vengeance upon themselves. It is remarkable that while despotism was rapidly extinguishing philosophy and letters, and the very existence of these precious monuments of better times was scarcely thought of; the Christian religion was gradually raising up amidst the persecutions of the primitive church, new champions for truth and justice; to whose works we are indebted for many valuable fragments of the best writers of antiquity, and for almost all the passages of Cicero's Republic which we were acquainted with, until the late discovery of professor Mai.

Cicero

How long, Catilina, will you abuse our patience? Can you not read the signs of public excitement which show that your designs are known to all of us? Yet you dare to come here, and we hesitate to inflict upon you the death you deserve. Your predecessors in revolution were summarily dealt with; we have allowed the Senate's decree to lie idle for twenty days.

Orations

As consul in 63 BC Cicero faced a conspiracy to overthrow the Roman state launched by the frustrated consular candidate Lucius Sergius Catilina. Cicero's handling of this crisis would shape foreverafter the way he defined himself and his statesmanship. The four speeches he delivered during the crisis show him at the height of his oratorical powers and political influence. Divided between deliberative speeches given in the senate (1 and 4) and informational speeches delivered before the general public (2 and 3), the Catilinarians illustrate Cicero's adroit handling of several distinct types of rhetoric. Beginning in antiquity, this corpus served as a basic text for generations of students but fell into neglect during the past half-century. This edition, which is aimed primarily at advanced undergraduates and graduate

students, takes account of recently discovered papyrus evidence, recent studies of Cicero's language, style and rhetorical techniques, and the relevant historical background.

Political Speeches

Benjamin Patrick Newton's translation of Cicero's *On Duties* is the most complete edition of a text that has been considered a source of moral authority throughout classical, medieval, and modern times. Marcus Tullius Cicero was a preeminent Roman statesman, orator, and philosopher who introduced philosophy into Rome, and through Rome, into Christendom and the modern world. *On Duties* was championed by important thinkers including Thomas Aquinas, Montesquieu, and Voltaire, and it was one of the earliest books printed on the Gutenberg press. The true significance of *On Duties* lies in its examination of several fundamental problems of political philosophy, the most important being the possible conflict between the honorable and the useful. The honorable encompasses the virtues of human beings, which include justice and concern for the common good. The useful refers to the needs of living beings, which includes certain necessities and concern for private good. Only by understanding the possible conflict between these two sides of human nature, Cicero declares, may we understand our duties to our community and to ourselves. This new edition of *On Duties* aims to provide readers who cannot read Latin but wish to study the book with a literal yet elegant translation. It features an introduction, outline, footnotes, interpretative essay, glossary, and indexes, making Cicero's thought accessible to a general audience.

The Republic of Cicero

Though his name does not appear on the titlepage, any merit discoverable in the translation of *De Oratore*, Book I is largely due to my friend Mr. Charles Stuttaford, sometime of Amersham Hall School. Originally entrusted with the execution of both these volumes, he had done much preliminary work on the text and translation of Book I, when reasons of health compelled him to relinquish his task. I most gratefully acknowledge my heavy indebtedness to his labours...

Speeches against Catilina

An accessible 2001 translation of Cicero's important work on ethics.

Cicero: Catilinarians

This famous oration by the Roman statesman and philosopher Cicero is a scathing indictment of the senator Catiline, who is accused of plotting against the Roman Republic. Cicero's speech is a masterful work of rhetoric, widely regarded as one of the greatest speeches in the history of the Latin language. This edition includes the original Latin text, along with a new English translation and extensive notes on the historical and literary context of the speech. Speeches Against Catilina

In his youth, in preparation for a public career, Cicero devoted himself with ardour and success to the study of philosophy, and, during the whole of an exceptionally busy life, spent all his spare moments in reading and in the society of the learned. As a relaxation from public employment he produced in 55 B.C. his *De oratore*, in 54 his *De republica* and in 52 his *De legibus*. His choice of literature as his chief pursuit was due to political causes.

On Duties

Oratio in Catilinam Prima in Senatu Habita

De Officiis Or on Duties on Obligations

Marcus Tullius Cicero (106 BC-43 BC) was a Roman statesman, lawyer, political theorist, philosopher, and Roman constitutionalist. He is widely considered one of Rome's greatest orators and prose stylists. He is generally perceived to be one of the most versatile minds of ancient Rome. He introduced the Romans to the chief schools of Greek philosophy and created a Latin philosophical vocabulary, distinguishing himself as a linguist, translator, and philosopher. An impressive orator and successful lawyer, he probably thought his political career his most important achievement. Today, he is appreciated primarily for his humanism and philosophical and political writings. Although a great master of Latin rhetoric and composition, Cicero was not Roman in the traditional sense, and was quite self-conscious of this for his entire life. He was declared a "righteous pagan" by the early Catholic Church, and therefore many of his works were deemed worthy of preservation. Saint Augustine and others quoted liberally from his works *On the Republic* and *On the Laws*, and it is due to this that we are able to recreate much of the work from the surviving fragments.

Cicero: On Moral Ends

CICERO (Marcus Tullius, 3rd Jan. 106-7th Dec. 43 B.C.), Roman lawyer, orator and politician (and even philosopher), of whom we know more than of any other Roman, lived through the stirring era which saw the rise, dictatorship, and death of Julius Caesar in a tottering republic. In his political speeches especially and in his correspondence we see the excitement, tension and intrigue of politics and the part he played in the turmoil of the time. Of about 106 Speeches, delivered before the Roman people or the Senate if they were political, before jurors if judicial, 58 survive (a few of them incompletely). In

A.D. 1345 Petrarch discovered copies of a collection of more than 900 Letters of which more than 800 were written by Cicero and nearly 100 by others to him. These afford a revelation of the man and all the more striking because they were not written for publication. Six Rhetorical works survive and another in fragments. Philosophical works include seven extant major compositions and a number of others; and some lost. There is also poetry, some original, some as translations from the Greek.

In Chancery

John Galsworthy was born at Kingston Upon Thames in Surrey, England, on August 14th 1867 to a wealthy and well established family. His schooling was at Harrow and New College, Oxford before training as a barrister and being called to the bar in 1890. However, Law was not attractive to him and he travelled abroad becoming great friends with the novelist Joseph Conrad, then a first mate on a sailing ship. In 1895 Galsworthy began an affair with Ada Nemesis Pearson Cooper, the wife of his cousin Major Arthur Galsworthy. The affair was kept a secret for 10 years till she at last divorced and they married on 23rd September 1905. Galsworthy first published in 1897 with a collection of short stories entitled "The Four Winds." For the next 7 years he published these and all works under his pen name John Sinjohn. It was only upon the death of his father and the publication of "The Island Pharisees" in 1904 that he published as John Galsworthy. His first play, *The Silver Box* in 1906 was a success and was followed by "The Man of Property" later that same year and was the first in the Forsyte trilogy. Whilst today he is far more well know as a Nobel Prize winning novelist then he was considered a playwright dealing with social issues and the class system. Here we publish *Villa Rubein*, a very fine story that captures Galsworthy's unique narrative and take on life of the time. He is now far better known for his novels, particularly *The Forsyte Saga*, his trilogy about the eponymous family of the same name. These books, as with many of his other works, deal with social class, upper-middle class lives in particular. Although always sympathetic to his characters, he reveals their insular, snobbish, and somewhat greedy attitudes and suffocating moral codes. He is now viewed as one of the first from the Edwardian era to challenge some of the ideals of society depicted in the literature of Victorian England. In his writings he campaigns for a variety of causes, including prison reform, women's rights, animal welfare, and the opposition of censorship as well as a recurring theme of an unhappy marriage from the women's side. During World War I he worked in a hospital in France as an orderly after being passed over for military service. He was appointed to the Order of Merit in 1929, after earlier turning down a knighthood, and awarded the Nobel Prize in 1932 though he was too ill to attend. John Galsworthy died from a brain tumour at his London home, Grove Lodge, Hampstead on January 31st 1933. In accordance with his will he was cremated at Woking with his ashes then being scattered over the South Downs from an aeroplane.

The White Monkey

Fleur and Michael Mont entertain the glittering society characters of the day in their new, elegant, and fashionable house. As always, Fleur's father—Soames Forsyte—is constantly by the side of his daughter, spoiling and watching over her. But London after the war is a place of carefree attitudes that

are alarming and baffling to old Soames. Just when he thinks he is protecting his daughter, he finds himself triggering a major social scandal.

To Let

First published in Germany in 1929, *The End and the Beginning* is a lively personal memoir of a vanished world and of a rebellious, high-spirited young woman's struggle to achieve independence. Born in 1883 into a distinguished and wealthy aristocratic family of the old Austro-Hungarian Empire, Hermynia Zur Muhlen spent much of her childhood travelling in Europe and North Africa with her diplomat father. After five years on her German husband's estate in czarist Russia she broke with both her family and her husband and set out on a precarious career as a professional writer committed to socialism. Besides translating many leading contemporary authors, notably Upton Sinclair, into German, she herself published an impressive number of politically engaged novels, detective stories, short stories, and children's fairy tales. Because of her outspoken opposition to National Socialism, she had to flee her native Austria in 1938 and seek refuge in England, where she died, virtually penniless, in 1951. This revised and corrected translation of Zur Muhlen's memoir - with extensive notes and an essay on the author by Lionel Gossman - will appeal especially to readers interested in women's history, the Central European aristocratic world that came to an end with the First World War, and the culture and politics of the late nineteenth and early twentieth centuries.

The White Monkey

The Forsyte Saga – Complete is a story by John Galsworthy. It tells the tale of the Forsyth family in several generations, and delves into the essence of what being English means.

A Modern Comedy (Esprios Classics)

Soames Forsyte, a rapacious and materialistic man by nature – and his most prized possession is his wife, Irene. But as sparks fly upon her meeting with indigent architect Philip Bosinney, her adulterous affair tears through the family bringing shame, scandal and struggle. 'The Man of Property' (1906) was written by English author and playwright John Galsworthy, and is the first novel in his masterpiece 'The Forsyte Saga'. *The Forsyte Saga* (1922) is a series of three novels and two interludes published between 1906 and 1921, all of which have been adapted for television. John Galsworthy (1867-1933) was an English novelist and playwright, best known for his masterpiece 'The Forsyte Saga', which won him the Nobel Prize in Literature in 1932. The trilogy depicts an upper-class English family in the years 1886-1926. It was adapted for TV in 2002 for the ITV network starring Damian Lewis, Rupert Graves and Gina McKee. In his stories, Galsworthy addresses social issues, family life, and the upper-middle class, in which he strongly criticised the morals and ideals of Victorian England. Among his other prominent works are 'From the Four Winds', 'The Silver Box', 'The Country House', and 'The Skin Game'.

THE FORSYTE COLLECTION - Complete 9 Books

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

In Chancery

Subtitled "A Novel of Many Manners," Evelyn Waugh's notorious first novel lays waste the "heathen idol" of British sportsmanship, the cultured perfection of Oxford, and the inviolable honor codes of the English gentleman.

A Modern Comedy

A book for book lovers, *The Last Bookshop* is a uplifting novel that reminds us never to underestimate the power of people who love books. Cait is a bookshop owner and book nerd whose social life revolves around her mobile bookselling service hand-picking titles for elderly clients, particularly the

grandmotherly June. After a tough decade for retail, Book Fiend is the last bookshop in the CBD, and the last independent retailer on a street given over to high-end labels. Profits are small, but clients are loyal. When James breezes into Book Fiend, Cait realises life might hold more than her shop and her cat, but while the new romance distracts her, luxury chain stores are circling Book Fiend's prime location, and a more personal tragedy is looming.

The Forsyte Collection - Complete 9 Books

This book discusses John Galsworthy's compassion for people and animals, in his fiction, non-fiction and drama. Initial chapters explore compassion in The Forsyte Saga and The Modern Comedy, and his parents' influence. Other chapters examine his works helping prison reform, men and children disabled during the First World War, and people whose relatives were interned as war-time alien enemies. Two chapters focus on slum clearance and labour unrest during the twentieth century's first three decades. Another two concentrate on animal welfare and vivisection. The final chapter attempts to appraise Galsworthy as a writer by looking at what commentators past and present have said, and at what constitutes literature.
