The Falls of Niagara

Excerpt from The Falls of Niagara, or Tourist's Guide to This Wonder of Nature: Including Notices of the Whirlpool, Islands, &C., And a Complete Guide Thro' the Canadas The author's views have been principally directed to Niagara Falls; yet, at the same time, as fitting for such a publication, he has thought proper to take in other matters, seemingly, from their contiguity, alike interesting. The books that have been published as Guides to the Falls, are quite competent for the object they have in view; and every visitor who desires to know all about them, by a little expense in purchasing such publications, will add much to his stock of information. This book is not calculated to come in competition with those, or any other publication; though it is, indeed, a Guide to the Falls, in a new form. The subject is made very familiar, and every inquiry is answered that is usually made by strangers. It is intended to amuse as well as to inform; to treat of some subjects not touched upon by previous publishers; to preserve from oblivion the names of some individuals of notoriety; and to furnish some incidents of border warfare, and descriptions peculiar to this country. In doing this, the author thinks that his small publication will form an agreeable present from those who visit the Falls, to their friends and children at home, when they return refreshed from their pleasant and amusing tour. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Falls of Niagara

This is a facsimile reprint of the original book by Thomas Nelson, rebuilt using the latest technology. There are no poor, missing or blurred pages and all photographic images have been professionally restored. At Yokai Publishing we believe that by restoring this title to print it will live on for generations to come.

The Falls of Niagar

The Falls of Niagara - Being a complete guide to all the points of interest around and in the immediate neighbourhood of the great cataract: with views taken from sketches by Washington Friend, Esq., and from photographs is an unchanged, high-quality reprint of the original edition of 1860. Hansebooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. As a publisher we focus on the preservation of

historical literature. Many works of historical writers and scientists are available today as antiques only. Hansebooks newly publishes these books and contributes to the preservation of literature which has become rare and historical knowledge for the future.

The Falls of Niagara

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Falls of Niagara

Hardcover reprint of the original 1839 edition - beautifully bound in brown cloth covers featuring titles stamped in gold, 8vo - 6x9". No adjustments have been made to the original text, giving readers the full antiquarian experience. For quality purposes, all text and images are printed as black and white. This item is printed on demand. Book Information: De Veaux, S. (Samuel). The Falls Of Niagara: Or, Tourist's Guide To This Wonder Of Nature, Including Notices Of The Whirlpool, Islands, Etc. And A Complete Guide Thro' The Canadas. Indiana: Repressed Publishing LLC, 2012. Original Publishing: De Veaux, S. (Samuel). The Falls Of Niagara: Or, Tourist's Guide To This Wonder Of Nature, Including Notices Of The Whirlpool, Islands, Etc. And A Complete Guide Thro' The Canadas, . Buffalo: W.B. Hayden, 1839.

The Falls of Niagara

Excerpt from The Complete: Illustrated Guide to Niagara Falls and Vicinity For the reason that the task of describing any scene in nature is difficult in proportion to its rarity, and that we derive our conception of the same from the comparison it will bear with other works of nature, and for the further reason that Niagara Falls is unique and totally unlike any other scene on the face of the earth, it is a most onerous task to produce such a pen-picture of the Falls as can convey to the minds of readers who have never seen them an accurate idea of their grandeur. Many minds have essayed to reproduce Niagara literally, many pens have recorded the impression of visitors respecting it, without even faintly describing it; for there is no known rhythm whose cadence will attune itself to the tremendous hymn of this sound as of many waters, neither will blank verse serve to rehearse its attributes in song. The best specimen of the latter was written by a gifted poet who visited this locality especially to set forth its beauties in verse, but who recorded only the following words: "I came to see! I thought to wrst! I am but dumb!" There is but one way to record poetically the fascinations o Niagara; that is, to tell its glories in that plain language which is the Creators greatest gift to man, and to describe it as a part of that stupendous and eternal poem whose strophes and lines are the rivers, mountains, glens, caves and rainbows of the universe; for of nature in its grandest and most varied forms Niagara is a condensation and an exemplification. Above the Falls, Niagara has, in her rapids, examples of many of the most remarkable combinations of Natures work; and those who visit here can experience all the pleasure of the mariner in standing on the Goat Island Bridge, knowing that an almost irresistible billowy force is fighting against that structure, situated at the very edge of the gulf into which the river pours, and that they are still as safe as they could be on term firma. It is a feeling that could not be reproduced in any other situation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Falls of Niagara

Originally published in 1881, this travel guide provides a detailed look at one of America's most iconic natural wonders. In addition to information about the falls themselves, the author includes descriptions of nearby cities and attractions, as well as historical context about the region. Illustrated with dozens of engravings, this book offers a timeless look at Niagara Falls and its surrounding areas. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization

as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Falls of Niagara

Illustrated with 77 spectacular photographs, this guide offers an up-close view of more than 50 sites on both sides of the border. Picturesque canals, stately mansions, wineries and forests are showcased in a book by Hans and Allyson Tammemagi.

4 SEÑALES Únicas de que Tienes DONES ESPECIALES - 4 SEÑALES Únicas de que Tienes DONES ESPECIALES by MERIDIANO84 1,820,301 views 1 year ago 8 minutes, 38 seconds - ¿Sientes que tienes un don especial que te diferencia del resto? ¿Sientes que naciste con dones especiales que no entiendes?

Inicio

Esto más que un don es como una constante sed de conocimiento

No se puede negar que hay algo fascinante en explorar lo desconocido

La naturaleza siempre ha sido una fuente de magia y maravilla
