Acquainted with the Night Poem Summary and Analysis

The speaker of Robert Frost's "Acquainted with the Night" describes a lonely nighttime walk throughout a city. During this aimless wandering, the speaker grapples with a sense of overwhelming despair that seems to cut the speaker off from the world that surrounds them.

Acquainted with the Night Summary & Analysis by Robert Frost

In this poem, the speaker tells his readers that he knows the night well. It is during the night that he has taken many long walks, even when it has been raining. He has walked past other people, never meeting their gaze because he does not want to have to explain why he is out walking alone in the middle of the night.

Acquainted with the Night Full Text and Analysis - Owl Eyes

31 Aug 2020 — To summarise: 'Acquainted with the Night' is a lyric poem in which the speaker (who may or may not be Frost himself) tells us that he has been one of those people 'acquainted with the night', who has walked outside, and home again, in the rain. He has walked far, out to the farthest edges of the city, ...

What Is the Figurative Language in the Poem "Acquainted With the Night"?

9 Nov 2023 — This short poem takes the reader into the mind of a speaker looking back at their life with a certain chill detachment. Here is someone who has journeyed deep into their own psyche and discovered darkness, despite being in a city surrounded by many others.

Acquainted with the night - UK Essays

As the speaker describes his literal journey walking through the night, his experience becomes a metaphor for a journey through a different kind of darkness. The poem's tone is personal and conversational, drawing readers into the speaker's emotional life. The structure of the poem contributes to the journey motif.

Frank Lentricchia: On "Acquainted with the Night"

5 Apr 2024 — "Acquainted with the night" quite literally means to know the night as if it were a close friend. This unfortunate metaphor best describes the mental status of the speaker. He knows the night very well, but it is nothing more than time to mend a broken ...

Theme of a Poem | Definition, Significance & Examples - Lesson

It represents the darkness and troubles he had in his life. He sees city lanes as "sad". He assumes that sound of cries comes from further places or another street. Actually that is the reflection of his emotions and mood. He sees city lanes as sad because he is sad and depressed.

Night (poem) - Wikipedia

The poem comprises the narrator's experience with depression, an ordinary idea of isolation, and his nocturnal strolls. It also explains how separation cuts people off society. However, the popularity of the poem lies in the fact that it deals with the phenomenon of insurmountable depression and anxiety.

Is the central idea of a poem and the message of the poem both the same?

Summary and analysis It is a very negative picture of the isolation that one can feel even in the middle of a city. The speaker says that he has been 'acquainted with the night'. The use of the word 'acquainted' is interesting. It is a word that implies knowledge of but no affection for the night.
