Maid Without Honor

It isn't that hard to be a good maid of honor. Always support your bride-to-be, co-host a gorgeous bridal shower, And never ever sleep with the father of your bride. In my defense, I didn't know who he truly was when we met. My best friend's father was more like a myth or a legend, Yet the silver-haired fox I met after a cancelled flight was charming, courteous, And oh-so-clever enough to get me to fall for the weekend. It was never supposed to be 'til death do us part. That's how I preferred it. No strings. No rings. No heartbreak. Now, I'm faced with the consequences of my actions again and again. There's the engagement party, the family dinners, the wedding preparations... Southern society weddings are so much work, and the sinful look in his eyes is too tempting. I'm a maid of honor for now, but if people knew the truth, they might realize "maid" and "honor" are two words that will never describe me again. Even if there's love, marriage, or a baby carriage, promises made in the dark should never be kept. Or should they? Sofia T Summers brings to you another sizzling hot, and oh so full of heat and heart series. Each book is a standalone and comes with the Sofie promise of a very satisfying happily ever after and no cliffhanger -EVER.

Always a Bridesmaid (for Hire)

In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about one New York City Millennial's journey to find herself, her dream career, and true love, all while juggling a truly unique job as the world's only professional bridesmaid. After moving to New York City in her mid-twenties to pursue her dream of writing—and not living on the “Upper East Side” of her parents' house anymore—Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, "Jen, I have something exciting to tell you!" and ended with, "I'd be honored if you would be my bridesmaid." At first she was delighted, but it wasn't long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn't do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen—and more insight into the meaning of love than she was getting from OKCupid—as she walked down the aisle at stranger after stranger's wedding. Fresh, funny, and surprisingly sweet, Always a Bridesmaid (For Hire) is an entertaining reminder that even if you don't have everything together, you can still be a total boss—or, at the very least, a BFF to another girl in need.

For the Best Maid of Honor The Maid of Honor Planner

The wedding is probably one of the most beautiful moments in life. However, it also requires some preparations for the bridal couple but also for the witnesses. This planner is the perfect companion for every maid of honor to make the bride and groom's day unforgettable! The planner is divided into two parts, because the maid of honor also wants to plan the hen party. The following are the contents of the planner: Planning and checking off To-Do's with Dateline Planning speeches Planning the process Gift planning Planning of surprises Plenty of room for notes and thoughts Planning of the stag party The planner is in a handy 6" x 9" (15.24cm x 22.86cm) format. This corresponds to an approximate Din A 5 format. The cover is a glossy softcover. If you want to ask your girlfriend to be your maid of honor, this is the perfect gift for her.

Kissing the Maid of Honor

Kissing her best friend's brother never felt so right...Sela Sullivan is resolved to be the best maid of honor ever, even if it means tolerating the best man. Insufferable, too-handsome Luke Watters is not only the guy who humiliated her at a kissing booth in high school, but he also happens to be her best friend's older brother. Positive he's the same arrogant jock, Sela vows to focus on her duties and steer clear of the frustrating—and frustratingly tempting—Luke. As a world-renowned extreme-sports photographer, Luke is used to undertaking life-risking adventures. But risking his heart for the beautiful Sela Sullivan, who clearly still hates him for his rejection all those years ago? He didn't see that coming. Sela inspires a passion he's never known, and the more time they spend together, the more he craves her. But can he prove to the maid of honor he's become a man of honor?

The Bridesmaid's Best Man

Every bachelorette party has a surprise... Angie Lawson is in Bridesmaid Hell—if Hell was a strip club filled with screaming women in stilettos. But her night's about to get a whole lot worse. Now her ex-boyfriend is standing right in front of her—every sexy, delicious inch of him—and Cole Foster isn't the kind of guy that any woman can just ignore.... Cole's working undercover, but he certainly wasn't expecting the intimate reminder of the wicked heat that he and Angie always shared. But when the maid of honor—silver stilettos and all—is knocked unconscious, Cole realizes he needs Angie's help to get into the bridal party. And if getting there means getting her in bed, too, then he's definitely the best man for the job!

Never a Bridesmaid

They've helped orchestrate the perfect day for countless couples. Now twelve new couples will find themselves in the wedding spotlight in the second Year of Weddings novella collection. Mari wants her sister Crystal's wedding to be perfect. But a poorly-chosen maid of honor may turn it into a disaster. Mari Hays's older sister Crystal is getting married, and Mari is ecstatic to be part of the wedding. But she soon finds her expected role of maid of honor has been delegated to the worst possible choice: Sienna Jameson. She's catty, selfish, and totally into herself, and when Sienna discovers handsome professional baseball player Derrick Richardson is the best man, she sets her sights on her next boyfriend instead of on the wedding plans. Meanwhile, Mari is determined to keep the glamorous event afloat. Wrapped up in dress fittings, bridal showers, and baking teacup-shaped cookies, she is shocked when Derrick has taken notice of her. In fact, he treats her like she's a home run. With the wedding day looming, an emotional and sensitive sister, a selfish maid of honor, and intense pressure from Crystal's soon-to-be in-laws, Mari fears her attempts to make her sister's wedding perfect will be for naught. Can Mari keep the waters calm until the bride and groom jet off for their honeymoon? And will she allow herself to be caught by Houston's most eligible bachelor?

Green Card Marriage

There's a lot of shame coming from being an immigrant. Shame that I don't think anyone should feel but it's still there. For months I've been ashamed of not being able to get a job without a work permit or having my fiancé to sign every document for me on daily basis. I thought that being an au pair was hard but as it turns out not being an au pair is even harder. If that wasn't enough being in love complicates everything even more. When I left London almost two years ago I could never expect all of this to happen. But hey, I still believe my story is a beautiful one and I can't wait to share it with you.

Wedding Toasts 101

Write and present a memorable wedding toast with this light-hearted, humorous guide that gives you all the tools you'll need for a successful speech—the perfect gift for any best man or maid of honor. As much as it's an honor to be chosen as the best man or maid of honor at a wedding, giving the perfect speech can sometimes be nerve-wracking. Delivering a crowd-pleasing toast at the reception that has the right amount of humor and sentimentality is a daunting undertaking, no matter how advanced your public speaking skills are. Pete Honsberger's guide to giving the perfect wedding toast provides even the most nervous of public speakers with all the tools and advice they need for writing and presenting the best toast ever. After witnessing speeches both good and bad, Honsberger shares a few bits of wisdom he's learned along the way, providing building blocks to creating an unforgettable story along with helpful speech prompts, and the perfect checklist that will turn a potentially scary obligation into a golden opportunity. Wedding Toasts 101 presents a fun and simple way to write a successful wedding toast without all the stress so you can spend less time worrying and more time celebrating the happy couple.

The Cash Machine

Can a novel transform your financial destiny? This one can. The Cash Machine is unlike any other personal finance book ever written. Not only will you get sucked into the rollercoaster relationship of Amber and Dylan, but you'll learn hundreds of money lessons along the way, giving you the tools to drive your financial destiny. As the book begins, Amber thinks her finances are under control, but her worldview crumbles when she encounters her college flame, Dylan, and his unusual perspective on money. While Amber and her friends were finishing their degrees, Dylan dropped out to pursue a different goal: Financial Independence. Amber doesn't even know what Financial Independence means when she reconnects with Dylan seven years later. What she does know is that there's nothing exciting about his lifestyle. At first she writes him off as a bum, but the more she questions, the more she realizes that how calculated his financial choices are. He's not struggling for money; he's building a Cash Machine. Amber wants to give Dylan another chance, but realizes she can never build a life with him until she understands his financial path. So she asks Dylan to teach her how to build a Cash Machine of her own. Unlike other personal finance books, that are normally written by finance experts and that only cover the areas of their expertise, The Cash Machine was not written by financial experts. Just the opposite. Before starting The Cash Machine, Dave and Chana Mason found themselves deeply in debt, despite having earned significant amounts of money in their careers. They came to realize that what they didn't understand about money really was hurting them, and that the time had come to get themselves a strong financial education. And when Dave and Chana want to grow in some area, they find that there's no better way than to research and write a novel on the subject. The result is a novel that has more financial lessons than any personal finance book they've ever seen, all taught through a story to make the lessons really stick. The lessons taught inside include: Discover hundreds of financial lessons, seamlessly taught within a novel you won't want to put down. The Cash Machine isn't just another money book. This page-turning love story teaches hundreds of financial lessons, giving you the tools to drive your financial destiny.
