How Non Profits Can Leverage Social Media To Drive Measurable Business Results - How Non Profits Can Leverage Social Media To Drive Measurable Business Results by Good Influence 132 views 11 years ago 59 minutes - Presented **by**, Yale Levey, VP of Business Development.

To better understand how you are doing relative to other non-profits, there is an incredibly valuable study called the 4 Annual Non-Profit Social Network Report

The bottom line is that today, there aren't a lot of organizations driving a lot of donations through Social Media

However, there is value in creating awareness and getting additional supporters.
