Erst die Begegnung mit dem jungen Referendar Katsuya Honda hatte ihr Leben mit einem Mal verändert...

Fruits Basket Collector's Edition, Vol. 6

Fruits Basket

Fan-favorite Fruits Basket is back with more Sohma-filled adventures! Except this time, it's set in the same world, years later. Find out more in this new volume! School's no longer an endless pit of anxiety and solitary lunches for Sawa thanks to the Sohmas. She's joined the student council and made new friends who don't abandon her no matter how painfully awkward or useless she is--they don't even get angry when she screws up or starts blabbering gibberish! Though social interactions are still daunting, people don't seem to be as scary anymore--at least, until another Sohma appears?!

Fruits Basket Another, Vol. 2

When she was living in a tent pitched on the Sohma family's land, Tohru Honda's primary concerns were dirt and slugs. But now that she's living with the Sohmas, she's gotten a crash course in magical powers and ancient curses! And as if keeping the Sohma clan secret wasn't bad enough, Tohru has to work overtime to prevent all the jealous girls from finding out that she's living under the same roof as the school prince, Yuki, and the school hothead, Kyo! What new drama will Valentine's Day bring into Tohru's life?!

Fruits Basket Collector's Edition, Vol. 2

Secrets of the curse revealed! Dive deep into the twisted relationship between Akito and Kureno, the most elusive member of the Sohma zodiac. Tohru tries to help, but finds herself in even deeper trouble. Good thing she has steadfast friends who will save the day! Elsewhere, something is going on with Machi! When Yuki and Kakeru pay a visit to her home, will the secrets of her past be revealed? And trouble is on the horizon when Hatsuharu finally learns what Akito did to Rin. Will anything be able to stop his wrath, or will he do something he can't take back?!

Fruits Basket Collector's Edition

Their curse might be broken, but big questions still lie ahead for the Sohma family. Now that Kyo is free to dream of his future, what will he make of it? Does growing up mean growing apart, or will his bond with Tohru only strengthen with time? Perhaps their first date will decide! And at long last, the meaning of Kyoko's ominous words "I'll never forgive you..." becomes clear. Fans of the series won't want to miss this thrilling conclusion! In addition to the new translation and color illustrations this volume also contains over 150 pages of bonus material, including a never before published interview with Natsuki Takaya-sensei, character profiles, a timeline of the series, and much, MUCH more!!!

Fruits Basket Collector's Edition, Vol. 12

The much-loved series winds down to the homestretch. Tohru's feelings for Kyo come to the forefront as she desperately searches for a way to break the curse. If she can't find a cure in time, Kyo will be locked away by the Sohma for the rest of his life! Graduation is fast approaching, meaning major decisions that will affect not only Tohru and Kyo but all of the members of the Sohma Zodiac. After all of this heartbreak, is a happy ending even possible...?

Fruits Basket Collector's Edition

Tohru Honda is an orphaned teenager who comes to live with the Sohma family in exchange for housekeeping duties, but she soon comes to know the family secret.

Fruits Basket

At the height of summer vacation, Yuki is busy making preparations for the new semester as student council president! But will he be able to handle the eccentricities of the new vice-president, let alone get along with him for the rest of the school term? Hearts go aflutter as Uotani falls for a man with a past yet unknown to her; and even Kyo is feeling the heat of summer upon him, as the day to his graduation and his inevitable future draws close. Granted, life is not always a bed of roses, but if one hangs on and waits, good things are sure to come their way!

Fruits Basket

Spring is in the air, and with spring comes break! When Shigure takes Tohru, Yuki, and Kyo to the Sohma's vacation home to make the most of Golden Week, the inevitable game of cat and rat is already underway, with sparks flying between Yuki and Kyo. But leave it to Tohru to smooth things over! The peace doesn't last, however, when another Sohma (or two?!) drops in! And even a vacation can't shake the rainy day that awaits the group upon their return. When a face from Kyo's past makes an appearance, he lets a shocking secret about the cat out of the bag...

Fruits Basket Collector's Edition, Vol. 3

Yuki's childhood was a long period of solitary darkness. Years later, he met Tohru, but what does he want from her? Yuki reveals to Kakeru what he can tell no one else. Meanwhile, Tohru's class is going to put on a play for the school festival, but miscasting makes it rough going for rehearsal. Will there be chaos on stage when the curtain finally rises?! Later, Kyo recalls meeting Tohru's mother as a child and talking to her about her experiences. Persevering through a rough adolescence, one that lacked any love from her parents, she one day encountered teacher-in-training Katsuya Honda... At long last, the moving story of Katsuya and Kyoko is revealed!! Then, it's business as usual for Tohru and the others, but something is eating at Kyo?!

Fruits Basket

Just when the Sohma household seems at peace again, Hiro Sohma, the smart-mouthed grade school kid with an attitude problem that outrials Kyo, decides to show up and make his presense felt. And he certainly isn't going to allow himself to be assimilated into the 'sheep mentality' of the other Sohma members who have been 'brainwashed' by Tohru's (niceness... especially when she's his rival for Kisa's affection! Still, Tohru's) kindness has always been infectious, as was her mother Kyoko... (who was a former gang member leader!) Obviously, role models don't always need to look the part!

Fruits Basket Collector's Edition, Vol. 8

As summer vacation inches closer, Tohru spends her days in anxious anticipation, Yuki meets a new student council member on the way to school...and Uo-chan is in love?! Who is the object of her affections?! Once summer break is in full swing, Tohru and the others take a trip to the Sohma family cottage at Momiji's invitation. Even though they're enjoying summer activities like swimming in the ocean and catching stag beetles, Yuki and Tohru have an ominous premonition! Meanwhile, Shigure pays a visit to the main house, where he makes a proposal to Akito--?!

Fruits Basket

A companion to the long running manga series, this book has character profiles, quizzes, story recaps through volume 17, and more.

Fruits Basket Collector's Edition, Vol. 5

The curse is crumbling, and Akito is doing anything to clutch at the broken threads that remain. Does the end of the curse mean catastrophe for the members of the zodiac, or will it bring the much needed healing they've all dreamed of? Tohru's bright love and generosity will become a beacon of hope in the dark...!

Fruits Basket Fan Book - Cat -

Sawa Mitoma, a nervous, skittish girl who prefers minimal human contact, has just started high school, and it's already not going well...until she meets the "it" boys-the "prince-like" Mutsuki and the sharp-tongued Hajime. But little does she know, they're Sohmas!? It's Fruits Basket...again!

Fruits Basket Collector's Edition, Vol. 11

As the Fruits Basket saga continues, the relationship between Tohru and Kyo becomes increasingly complicated, especially since most of the members of the Zodiac seem to look down on him. Tohru comes to the realization that if she wants to save Kyo, she'll have to create some sort of trigger to break his curse. But what, if anything, can cure Kyo?

Fruits Basket Another, Vol. 1

Jealousy, rage, regret--the members of the Sohma family are no strangers to these emotions. Tohru Honda's cheerful optimism, however, is like a balm to them. Unfortunately, not every Sohma feels that way! Kisa and Tohru have become fast friends, but Hiro Sohma isn't too happy about this turn of events and decides to take out his anger on...Tohru?! And when the normally docile Hatsuharu snaps and pulls a Black Haru at school, will Tohru's brand of magic have any effect at all?!

Fruits Basket

Yuki-alongside his mother, who already has his life after high school all mapped out-confronts his future at a parent-teacher conference. To make matters worse, when Yuki recalls buried memories, he becomes speechless! Meanwhile, Tohru pays a visit to the Sohma compound in order to confirm if Kureno Sohma is really the same man with whom her best friend, Uo-chan, is in love! Love isn't in the air for Isuzu and Hatsuharu, however, as the two have broken up. Desperately in search of something, Isuzu visits Shigure's house as if driven there, but collapses upon arrival. A shocked Tohru happens to be on the scene, but all she can do is comfort Isuzu in her pain. But Isuzu seems to know all about Tohru fighting the Sohma curse on her own...!?

Fruits Basket Collector's Edition, Vol. 4

Tohru Honda, an orphaned high school freshman, is invited to stay with the mysterious Sohma family in exchange for cooking and cleaning. She soon discovers the family's great secret. . .its members are possessed by the spirits of the Chinese Zodiac, and when they are hugged by members of the opposite sex, they transform into their Zodiac animal! Charming. . .Highly recommended. -Library Journal.

Fruits Basket Collector's Edition, Vol. 7

A surprise run-in with Akito leads to a tragic accident and Tohru's life hangs precariously in the balance. Fruits Basket 22

Jane Grigson's Fruit Book includes a wealth of recipes, plain and fancy, ranging from apple strudel to watermelon sherbet. Jane Grigson is at her literate and entertaining best in this fascinating compendium of recipes for forty-six different fruits. Some, like pears, will probably seem homely and familiar until you've tried them ¾ la chinoise. Others, such as the carambola, described by the author as looking like a small banana gone mad, will no doubt be happy discoveries. ø You will find new ways to use all manner of fruits, alone or in combination with other foods, including meats, fish, and fowl, in all phases of cooking from appetizers to desserts. And, as always, in her brief introductions Grigson will both educate and amuse you with her pithy comments on the histories and varieties of all the included fruits. ø All ingredients are given in American as well as metric measures, and this edition includes an extensive glossary, compiled by Judith Hill, which not only translates unfamiliar terminology but also suggests American equivalents for British and Continental varieties where appropriate.

Fruits Basket Another, Vol. 3

With secrets revealed and confrontations resolved, no obstacles remain in the budding romance between Shiki and Sawa-or do they? During the Sohma's annual fall picnic, the hidden feelings of the mysterious, stoic heir to the Sohma family are unveiled...

The Basic Elements of Filmmaking

Lady Ballers is a... comedy?

Their political obsessions undermine the film.

The character arcs are all over the place or nonexistent.

They don't understand what they're attempting to satirize.

Lady Ballers is bad even at being propaganda.

This movie really hates women.

The whole thing is based on a false premise.

Here's some other dumb shit in the movie.

BROTHER IN ICE

'She thought that it was precisely when things get uncomfortable or can't be shown that something interesting comes to light. That is the point of no return, the point that must be reached, the point you reach after crossing the border of what has already been said, what has already been seen. It's cold out there.' This hybrid novel--part research notes, part fictionalised diary, and part travelogue--uses the stories of polar exploration to make sense of the protagonist's own concerns as she comes of age as an artist, a daughter, and a sister to an autistic brother. Conceptual and emotionally compelling, it advances fearlessly into the frozen emotional lacunae of difficult family relationships. Deserving winner of multiple awards upon its Catalan and Spanish publication, *Brother in Ice* is a richly rewarding journey into the unknown.

Brothers on Ice

Troy and Trent, who are brothers, both love hockey. When Trent turns out to be a natural in net, Troy finds he has to compete just to get a turn on the ice.

The Ice Palace

Ivan lives in a land where the winter is dark and fearful. Starjik, King of Winter, steals Ivan's little brother and Ivan braves the bitter cold to find him.

Ice Brothers

A young man of 22 is drawn almost impetuously to the Coast Guard by the onset of war in December 1941. He serves, first as executive officer, then as captain of the Arluk, a converted fishing trawler refitted to serve during World War 2 in the icy waters and coast of Greenland. Paul Schuman, the young hero, is shown at the beginning of the story as unsure in his life and marriage, and we watch him during the novel, while continuing to fight internal uncertainties, growing in confidence and competence.

The Virgin in the Ice

Ivan lives in a land where the winter is dark and fearful. Starjik, King of Winter, steals Ivan's little brother and Ivan braves the bitter cold to find him.

The Ice Palace

"It seemed as though nothing could stop Jordin Tootoo on the ice. The captain of Canada's Under-18, a fan favourite on the World Junior squad, and a WHL top prospect who could intimidate both goalies and enforcers, he was always a leader. And when Tootoo was drafted by Nashville in 2000 and made the Predators out of camp in 2003, he became a leader in another way: the first player of Inuk descent to suit up in the NHL.

All the Way

My teammate's incredibly sweet and gorgeous younger sister should have been off-limits, but my hockey stick didn't get that memo. After our team won the championship, and plenty of alcohol, our flirting turned physical and I took her to bed. Shame sent her running the next morning from our catastrophic mistake. She thinks I don't remember that night—but every detail is burned into my brain so deeply, I'll never forget. The feel of her in my arms, the soft whimpers of pleasure I coaxed from her perfect lips... And now I've spent three months trying to get her out of my head. Which has been futile, because I'm starting to understand she's the only girl I'll ever want. I have one shot to show her I can be exactly what she needs, but Elise won't be easily convinced. That's okay, because I'm good under pressure, and this time, I'm playing for keeps. Get ready to meet your new favorite hot jocks in this series of stand-alone novels. If you like sexy, confident men who know how to handle a stick (on and off the ice), and smart women who are strong enough to keep all those big egos in check, this series of athlete romances is perfect for you!

Playing for Keeps

The year is 1868, and fourteen-year-old Aliká and his younger brother, Sulu, are hunting for seals on an ice floe attached to their island in the Arctic. Suddenly the ice starts to shake, and they hear a loud crack--the terrible sound of the floe breaking free from land. The boys watch with horror as the dark expanse of water between the ice and the shore rapidly widens, and they start drifting south--away from their home, their family, and everything they've ever known. Throughout their six-month-long journey down the Greenland Strait, the brothers face bitter cold, starvation, and most frightening of all, vicious polar bears. But they still remain hopeful that one day they'll be rescued. This thrilling new adventure story from bestselling author Theodore Taylor is a moving testament to the bond between brothers--and to the strength of the human spirit. Includes a map, a glossary of Inuit words and phrases, and an author's note..

Fifty years after *Where the Wild Things Are* was published comes the last book Maurice Sendak completed before his death in May 2012, *My Brother's Book*. With influences from Shakespeare and William Blake, Sendak pays homage to his late brother, Jack, whom he credited for his passion for writing and drawing. Pairing Sendak's poignant poetry with his exquisite and dramatic artwork, this book redefines what mature readers expect from Maurice Sendak while continuing the lasting legacy he created over his long, illustrious career. Black Ice

It's no secret I've always had a crush on Damon Strickland. My best friend's older brother and the center of every single one of my fantasies. He's a walking, talking temptation. That cocky grin and those broad, athletic shoulders. You know what they say about a man with big hands right? Growing up, we always tormented one another. I was the nagging, annoying little girl he hated. And he was the man-whoring, douchebag I couldn't seem to get over. Now as adults he actually came through and helped me land a job at my dream company. How the hell am I supposed to focus when all I can think about is tearing that tight suit from his tempting body! What's even worse? He forgot to mention he's my boss.

My Best Friend's Brother

An epic debut novel about a lovelorn eighteenth-century Russian noble, cursed with longevity and an immunity to cold, whose quest for the truth behind his condition spans two thrilling centuries and a stunning array of historical events. The Empress Anna Ioannovna has issued her latest eccentric order: construct a palace out of ice blocks. Inside its walls her slaves build a wedding chamber, a canopy bed on a dais, heavy drapes cascading to the floor—all made of ice. Sealed inside are a disgraced nobleman and a deformed female jester. On the empress's command—for her entertainment—these two are to be married, the relationship consummated inside this frozen prison. In the morning, guards enter to find them half-dead. Nine months later, two boys are born. Surrounded by servants and animals, Prince Alexander Velitzyn and his twin brother, Andrei, have an idyllic childhood on the family's large country estate. But as they approach manhood, stark differences coalesce. Andrei is daring and ambitious; Alexander is tentative and adrift. One frigid winter night on the road between St. Petersburg and Moscow, as he flees his army post, Alexander comes to a horrifying revelation: his body is immune to cold. J. M. Sidorova's boldly original and genrebending novel takes readers from the grisly fields of the Napoleonic Wars to the blazing heat of Afghanistan, from the outer reaches of Siberia to the cacophonous streets of nineteenth-century Paris. The adventures of its protagonist, Prince Alexander Velitzyn—on a lifelong quest for the truth behind his strange physiology—will span three continents and two centuries and bring him into contact with an incredible range of real historical figures, from Mary Shelley, the author of *Frankenstein*, to the licentious Russian empress Elizaveta and Arctic explorer Joseph Billings. *The Age of Ice* is one of the most enchanting and inventive debut novels of the year.

Thirteen-year-old Helen is not entirely sure she is looking forward to spending the next six months on board the *Karluk*, a ship headed on an Arctic expedition. But with the recent death of her father, it is the only work her seamstress mother can find. Helen's nine year-old brother, Michael, is delighted to be off on a real adventure but neither he nor Helen could have realized just how extraordinary this trip would be. But will Bartlett's knowledge of the unpredictable and treacherous Arctic be enough to save his passengers? In the pages of her diary, Helen records the fate of the crew and her family as they leave the ship and try to make their way across shifting ice flows, through blinding blizzards and past polar bears to safety on solid land. As the trek proceeds, Helen learns a few things about her family, about friendship and about a remarkable strength she never knew she had. Cursed by Ice

"A masterpiece."-- The Guardian "Superb."-- The New York Times Review of Books Older brother is a driver for an app-based car service. Closed off for eleven hours every day in his cab, constantly tuned in to the radio, he ruminates about his life and the world that is waiting just on the other side of the windshield. Younger brother set out for Syria several months ago, full of idealism. Hired as a nurse by a Muslim humanitarian organization, he has recently stopped sending any news back home. This silence eats away at his father and brother, who ask themselves over and over again: why did he leave? One evening, the intercom rings. Little brother has come home. In this incisive first novel, Mahir Guven alternates between lively humour and the gravity imposed by the threat of terrorism. He explores a world of Uberized workers, weighed down by loneliness, struggling to survive, but he also describes the universe of those who are actors in the global jihad: indoctrination, combat, their impossible return . . . This is the poignant story of a Franco-Syrian family whose father and two sons try to integrate themselves into a society that doesn't offer them many opportunities.

Older Brother

Set in the years 1914 to 1918, *An Ice Cream War* follows the fortunes of two English brothers who enlist and fight in German East Africa. Contrasting the vibrant chaos of East Africa with the quiet gentility of Edwardian England, the novel tracks the brothers' very different but equally tragic experiences in the war and the pressures and sorrows of those they leave at home.

WINNER OF THE BOOKER INTERNATIONAL PRIZE 2020* *ONE OF THE GUARDIAN'S BEST BOOKS OF 2020 'One of the best debut novels I have ever read. Shockingly good ... A classic.' Max Porter 'Haunting ... reminded me a lot of Iain Banks. It's incredible that it's a debut.' Douglas Stuart The sensational Dutch bestseller: 'Exceptional' (Financial Times) ' Exhilarating' (Independent) ' Luminous' (Observer) 'Beautifully wild' (Guardian) I asked God if he please couldn't take my brother Matthies instead of my rabbit. 'Amen.' Ten-year-old Jas has a unique way of experiencing her universe: the

feeling of udder ointment on her skin as protection against harsh winters; the texture of green warts, like capers, on migrating toads; the sound of 'blush words' that aren't in the Bible. But when a tragic accident ruptures the family, her curiosity warps into a vortex of increasingly disturbing fantasies - unlocking a darkness that threatens to derail them all. A bestselling sensation in the Netherlands, Lucas Rijneveld's radical debut novel is studded with images of wild, violent beauty: a world of language unlike any other, exquisitely captured in Michele Hutchison's translation.
