Christmas Gifts

When the elementary school's annual Christmas talent show rolls around, Ben has trouble finding his place in all of the activities. As he struggles to find his talent, he wonders if God even made him good at anything. Inspiration comes from an unexpected source, and Ben's part in the show turns out to be the most life-changing talent of all. For a cast of 8+ Approx. 25 minutes running time.

The Forgotten Gift

After a Christmas concert, members of a children's church choir gloat about how well they have done. Their attitudes reflect overall issues their choir director has started to notice in them. As they talk, they return to the choir room to pick up Christmas gifts left for them by Director Smith. However, the gifts she gives them are unexpected. In each gift box, the children find pieces of paper featuring the non-tangible aspects of Jesus, such as patience, hope, and courage. Angry at what they have received, the children vent, crumple the papers, and throw them to the floor. After throwing the papers on the floor, one child notices that there is more on the back of the papers and discovers why the choir director has chosen to give the gifts. Gaining understanding, the child reflects. The others follow suit. Finally, one of the children realizes that there is still one gift left on the table. On the box, it says, "To everyone." The children open the box to discover the final and most important gift -- the gift of Jesus.

No Time for Christmas

PJ and his friends are learning that Christmas can be busy. But what happens when they get too busy to celebrate the real reason for the season? Find out in this fun, easy-to-produce play for any size church! Approx. 25 minutes running time.

A Beastly Christmas

Centering around the theme of the familiar song "The Friendly Beasts," this intriguing program depicts what the animals who witnessed Jesus' birth might really have been thinking -- if they had human minds. There's humorous interplay among camels, sheep, cows, and the donkey that carried the pregnant Mary as they share their unique perspective on the nativity. This complete presentation allows many different parts of the congregation to participate; speaking roles can be performed in a readers' theater format by adults or youth, young children can portray the humans at the manger in a silent tableau, and musical selections allow the choir to be involved as well. A special feature is more than 70 reproducible drawings that can be projected for audience viewing. (Purchase of this book includes access to a downloadable PowerPoint file for use in performances.) A additional five-copy package of supplementary coloring books for young children is also available.

The Christmas Star

The Christmas Star is a potpourri of holiday gifts for those planning worship -- this charming collection includes three plays and five brief meditations suitable for reading during services or for use in bulletins and newsletters. The play *The Gifts Of Christmas* is a humorous take on the traditional Christmas pageant in which three teenagers try to decide what to get their grandmother for Christmas, only to discover that the gift she really desires is the Christmas story (enacted in the customary fashion). The "Did Someone Forget To Plan" *The Christmas Pageant!* provides you with the ultimate no-fuss, no-hassle way for your children to simply share the nativity story without the usual headaches. For older youth and adults there's *The Fourth Wise Man*, an offbeat piece imagining what an additional wise man might have been like. Each presentation is simple for small churches to produce, with minimal costumes and props required. Insightful and scripturally sound, *The Christmas Star* is a wonderful package that you won't be able to resist! Frank Ramirez is an author and pastor in the Church of the Brethren who has written numerous books, articles, and short stories. A graduate of LaVerne College and Bethany Theological Seminary, Ramirez has served congregations in Indiana and California. His other CSS titles include *A Call To Worship*, *Coming Home*, and *He Took A Towel*.

Christmas Plays for Children.

Three Christmas Plays Many thoughts come to mind when the word Christmas is mentioned. Snowmen, Elves, and Nutcrackers are not only three images fondly connected to Christmas, but a collection of three Christmas plays that illustrate how those three words have become synonymous with Christmas around the world. A DIFFERENT KIND OF NUTCRACKER - Children s show / 8m, 9f, extras / Simple sets It s Christmas Eve, Godfather Hoffmann has some special gifts for Fritz and Marie, including a Nutcracker. As Marie tucks in the handsome prince for the night, the room fills with mice, led by the Mouse King, who seems to be at war with the Nutcracker. Is it all a dream or is the story real as Godfather Hoffmann explains to Marie how the Nutcracker became the way he is. The ballet only tells half the story of Godfather Hoffmann s wonderful toys and the strange adventures of Marie on Christmas Eve, when the toys come to life and she finds herself in another world, where she must save her Nutcracker Prince from a terrible curse. ELSON, THE FIRST CHRISTMAS ELF - Children s show / 9m, 7f / Simple sets Is Christmas about to end? Santa Claus is considering no longer building and delivering toys to the good children around the world. The job has just become too big for him and Mrs. Claus. A call for help is sent out by Mrs. Claus via the reindeer to all dwarfs and elves. Elson wants to be the first to the North Pole to help Santa, but he must first get permission to leave his elf colony. When the Elder Elf refuses permission Elson s Elf Grande goes against the Elder Elf s decision and helps Elson put together an expedition team to the North Pole. Getting there isn t going to be easy as the Elder Elf has also put together a team to beat Elson there. And the evil elfin Spirit, Excy, will have a say in who becomes the first Christmas Elf and whether Christmas will even survive. CRYSTAL AND THE CHRISTMAS SNOWMAN - Children s show / 4m, 3f / Simple sets Lauren is stuck spending Christmas with her father, stepmother, and her half brother and sister. She learns the importance of family from a snow angel, a Christmas snowman, a TV weather man, and Santa Claus."

A Christmas Gift for Santa

A picture book for young children based on a school nativity play. Told by one of the children, it details the event from casting the play, through rehearsals, to the nativity play itself. And the reader can see, through a child's eyes, all the things that can go wrong (and right).

Snowmen, Elves and Nutcrackers

This cozy, cuddly Christmas story tells how Santa makes sure he leaves the perfect gift for each child—with a little help from their favorite toys! It is Christmas Eve and Noah's toy elephant, Fanfan, has gone missing! Little does he know that Fanfan has crept out of the house to join other soft toys on their annual Christmas journey: to see Santa Claus! Just in case letters don't reach Santa, toys all around the world make this trip so they can tell Santa what their child wants most of all. (After all, who knows a child better than their best-loved toy?) Will Fanfan return in time for Christmas morning? And will Noah get the present that he so longs for? Perfect to curl up with at bedtime, this sweet and magical tale is illustrated by Genevieve Godbout, the artist behind Apple Cake.

Our Christmas Play

Here's a collection of humorous, down-to-earth plays that bring a fresh perspective to the Christmas story through such creative devices as imagining the thoughts and feelings of fringe characters (like an innkeeper or a servant to one of the magi) or by updating the story with contemporary settings and characters. No Stable Too Small offers a variety of practical material for any situation, ranging from shorter plays with small casts and lines that can be easily mastered by younger children to more elaborate pieces with sophisticated themes for older children and adults. And they're ideal for use with today's young people -- the dialogue reflects the way they really talk, yet never detracts from the biblical message. These flexible scenes offer a mix of speaking parts for all age groups, from preschool through adult, and are especially valuable for small congregations that lack the resources to mount large-scale productions. No sets are required, and only simple costumes and minimal props are needed. The plays can be performed by smaller churches with as few as 8-10 cast members, or parts can be easily divided to accommodate groups as large as 25-30. And with a running time of approximately 20-25 minutes

each, it's easy to fit them within a Christmas Eve or Advent Sunday worship service. The Toys' Christmas

All of the savanna animals are excited to audition for the school Christmas Play, except Raffi the giraffe. He's too tall to play baby Jesus, or Joseph, or even a manger animal. He feels discouraged, until he realizes that he's just the right size to play the most important part. This endearing Christmas story for ages 4 to 8 will resonate with children who are still learning to be comfortable in their own skin.

No Stable Too Small

Did you know that in Italy a kindly old witch called Le Befana delivers presents to the children? That in Holland Saint Nicholas arrives by steamboat in November? And that here in Australia we have some weird and wonderful traditions of our own? Christmas is celebrated in many ways around the world, and this book is full of interesting and surprising facts about how it's done. Roland Harvey has loads of stories to tell, easy and delicious Christmas recipes to prepare, and clever ideas for making thoughtful, eco-friendly presents and decorations. There's so much to keep you busy in the Big Book of Christmas, and when everyone is together on the big day, you can put on a puppet show, play some excellent games, and belt out your favourite Christmas carols!

The Star in the Christmas Play

This book contains four 20-30 minute dramas, including one by the name, The Night the Angels Sang. A simple drama that uses familiar carols and Scripture along with dialog for seven shepherds to tell the Christmas story. Small churches can combine the shepherd speeches and use as few as two speaking parts. An angel chorus, a choir or the congregation can sing the carols. As few as two speaking parts up to seven with as many non-speaking parts as you wish. Simple sets and costumes. Running time 20 minutes. The Christmas Card. This play lets children make use of their individual talents to present short skits using various Christmas card scenes. Unlimited non-speaking parts, musical numbers for children who play a musical instrument, speaking parts that can be combined or added to so that everyone who wishes can speak. Running time 30 minutes. Get Back in Your Box. Children and older youth play the parts of family members and Christmas gifts in boxes to share the story of Christ's birth. Ten speaking parts, unlimited non-speaking. Running time 20 minutes. The Jazzy, Snazzy Shepherd Boy. This play tells the story of Ethan, an unruly shepherd boy who hears the angels' message and goes to visit the baby Jesus. Ten speaking parts, which include older and younger children. Running time 20 minutes.

Let's Play I Spy Christmas

This second book of Christmas stories by Glenn W. Martin is not intended to be a sequel to his first book, Christmas Stories My Grandpa Wrote For Me, which was written for children, and had religious themes. This book shows another side of the Christmas holiday, as seen through the eyes of characters like Santa and the elves at the North Pole, of children who love the excitement that Christmas brings, and of animals and others who watch humans celebrate, and want to celebrate, too. You will see what happens when Santa decides to wear a green suit, when Mrs. Claus delivers the presents one Christmas Eve, and when the elves decide to throw Santa a big party. You will find out if Peter Pine Tree gets his Christmas wish, see what happens when the animals in the forest decide to go caroling, and hear how the squirrels solve the Christmas crisis. And you will experience Amber's Christmas Parade, hear about Marty Mouse's obsession with cheese, and learn about a very special Christmas gift, especially for Browser. This book of Christmas stories was written to be enjoyed by people of all ages.

Christmas Stories for Children of All Ages

Cows, oxen, sheep, and birds prepare a manger for the birth of Jesus Christ and an angel announces the birth to the shepherds tending their sheep nearby.

Busy Day: Father Christmas

Have you ever thought what the world would be like if I didn't carry that sack and make that sleigh ride each year? I know one thing; there wouldn't be a need for a Naughty and Nice list anymore. Can you imagine all those children and their sad little faces? I could never give up this cause because the children are so angelic with those bright and cheery smiles when they look at you or the presents you leave on Christmas morning. -- Santa Claus

It's Christmas!

One Rehearsal Christmas Plays is the answer to gaining an extra hour or two, feeling less harried and focusing on Christ while directing the church Christmas program! With One Rehearsal Christmas Plays, your Sunday school department will encourage, entertain, and enlighten the congregation as they follow the "Footsteps to the Manager" or as they present a slightly altered version of "T'was the Night before Christmas." One Rehearsal Christmas Plays features these productions and ten others with a Scriptural message and minimal preparation! Completely Reproducible!

The Gifts of the Animals

"On the first day of Christmas My true love gave to me A partridge in a pear tree." For many centuries young and old alike have been singing about the maids a-milking, the lords a-leaping, and a partridge in a pear tree. A Christmas carol, a parlor game, and a delightful counting song-The Twelve Days of Christmas- is indeed a favorite of the holiday season. In this book, sumptuously illustrated by Jan Brett, all the splendid images of The Twelve Days of Christmas come joyously alive. Look closely and you'll see not only the extravagant gifts given by a suitor to his lady, but a love story, a family's busy Christmas preparations, "Merry Christmas" in eleven languages, and a veritable menagerie of charming creatures. Jan Brett's exquisitely detailed illustrations so rich in traditional folk motifs, make this book a visual treat to be enjoyed over and over again.

A Christmas Picture Book: Season Four

For a few years now, I've been adding tin-figure characters with their tin-figure tales to my mantel village each Christmas. After the holiday -- sometimes way too long after it -- I carefully pack everything and everyone away. And the following year, my little village of antique cardboard houses reappears and the tales continue. Most of the stories are happy ones, because, after all, most people are happy. But

as in life, sometimes a deep sadness occurs. Recently the village lost the original inspiration behind it: Ted Althof, a brilliant man who became a mentor not only to me in this hobby but to a host of people around the country and the world who are charmed by the little cardboard collectibles, mostly built in Japan before WWII. It was Ted who gathered what scarce information exists about them and created an irresistible website called "Papa Ted's Place." Ted's website is filled with his thoughtful and wistful musings about childhood and Christmas, sprinkled among an astonishing array of vintage cardboard houses. You can spend whole days being enchanted in this online museum; I have a link in the introduction to this eBook that will take you there.. Papa Ted was Papa Christmas to many of us, and he is and will be dearly missed. My 2012 Christmas mantel is devoted to Ted, in fond memory. NOTE: This pictorial eBook contains large images and is designed to be viewed on an actual tablet, such as an Android based tablet or an iPad with the Google Play App installed. Viewing it on a tablet will allow the images to be enlarged and explored. The best way to view this pictorial eBook is in landscape mode with two columns displayed. In a two column display the images are quite small initially, but can be expanded to full screen size by tapping on them.
