

Child Of Creation

[#child of creation](#) [#divine origin](#) [#cosmic offspring](#) [#genesis being](#) [#spiritual awakening](#)

Explore the profound concept of a Child of Creation, an entity embodying divine origin and the very essence of cosmic beginnings. This unique being often symbolizes a spiritual awakening, representing the genesis child or the incredible journey of a cosmic offspring into existence. Discover the deep significance of this title across mythologies, philosophies, and narratives of self-discovery.

4 Evidences for a Young Earth - 4 Evidences for a Young Earth by Creation Ministries International 30,371 views 4 months ago 32 minutes - Everybody has heard—REPEATEDLY—that the earth is billions of years old. People are led to believe that this is an unassailable ...

Teaser

Introduction: Four (of MANY) evidences the earth is young

Evidence 1:* Soft tissue and other fragile organic compounds in fossils

1.1 In dinosaurs

1.2 In things said to be much older than dinosaurs

1.3 How do we know organic compounds can't last that long?

1.4 How have long-age believers explained the discrepancies?

1.4.1 Rescue Device #1: Bacterial biofilms

1.4.2 Rescue Device #2: Iron from red blood cells

1.4.3 Rescue Device #3: Toast theory

Evidence 2:* Carbon-14 in things said to be millions of years old

2.1 What is carbon-14?

2.2 How does carbon-14 provide evidence for a young Earth?

2.2.1 Example #1: Fossil wood from Crinum Coal Mine

2.2.2 Example #2: Fossil wood from Hawkesbury Sandstone

2.2.3 Example #3: Carbon-14 throughout the fossil record

Evidence 3:* Not enough sedimentation to form the fossil record

3.1 Average yearly sedimentation rate throughout the fossil record

3.2 How much sediment, deposited how fast, is needed to form fossils?

Evidence 4:* Absence of bioturbation in the rock record

4.1 What is bioturbation?

4.2 Even secular experts acknowledge the problem

Long ages don't fit the evidence, but people are brainwashed to believe they MUST

Conclusion: Why does any of this even matter?

Why the Earth Can't be Old! - Why the Earth Can't be Old! by Creation Ministries International

883,618 views 7 months ago 51 minutes - Is the Earth 4.5 billion years old? How can we measure

age with certainty? What about radiometric dating methods—don't they ...

Introduction

Mark's story: How origins affected his faith (An old Earth undermines the Gospel narrative)

How do we determine the age of something? (You can't measure age!)

The dripping tap example (Dating methods rely on assumptions!)

Radiometric dates aren't definitive – assumptions rule

The importance of witness testimony

The importance of worldview / starting assumptions

So, how old is the Earth?

Evidence from radiometric dating / rocks

Evidence from sedimentation / erosion

Evidence from our solar system

Evidence from Earth's population

Evidence from carbon-14 in fossils

Summary: You can't measure age! (Everything depends on your assumptions!)

An old Earth calls God's character into question

An old Earth calls the inerrancy of Scripture into question

Conclusion: Three reasons the age of the Earth matters to a Christian

The Lords of Creation

"The story of the immense financial and corporate expansion which took place in the United States between the depression of the eighteen-nineties and the crisis of the nineteen-thirties."--Preface

Lords of Creation

Offers a unique perspective on Mayan culture, documenting the

The Queens of Creation

Marc Vitrac was born in Louisiana in the early 1960's, about the time the first interplanetary probes delivered the news that Mars and Venus were teeming with life—even human life. At that point, the "Space Race" became the central preoccupation of the great powers of the world. Now, in 1988, Marc has been assigned to Jamestown, the US-Commonwealth base on Venus, near the great Venusian city of Kartahown. Set in a countryside swarming with sabertooths and dinosaurs, Jamestown is home to a small band of American and allied scientist-adventurers. But there are flies in this ointment – and not only the Venusian dragonflies, with their yard-wide wings. The biologists studying Venus's life are puzzled by the way it not only resembles that on Earth, but is virtually identical to it. The EastBloc has its own base at Cosmograd, in the highlands to the south, and relations are frosty. And attractive young geologist Cynthia Whitlock seems impervious to Marc's Cajun charm. Meanwhile, at the western end of the continent, Teesa of the Cloud Mountain People leads her tribe in a conflict with the Neanderthal-like beastmen who have seized her folk's sacred caves. Then an EastBloc shuttle crashes nearby, and the beastmen acquire new knowledge... and AK47's. Jamestown sends its long-range blimp to rescue the downed EastBloc cosmonauts, little suspecting that the answer to the jungle planet's mysteries may lie there, among tribal conflicts and traces of a power that made Earth's vaunted science seem as primitive as the tribesfolk's blowguns. As if that weren't enough, there's an enemy agent on board the airship... Extravagant and effervescent, *The Sky People* is alternate-history SF adventure at its best. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Lords of Creation

Lords of Creation: Woman Suffrage Drama in Three Acts, has been considered important throughout human history. In an effort to ensure that this work is never lost, we have taken steps to secure its preservation by republishing this book in a modern format for both current and future generations. This complete book has been retyped, redesigned, and reformatted. Since these books are not scans of the authors' original publications, the text is readable and clear.

Lords of Creation

The story of God's request to Tangaroa to find six species that deserve to survive the destruction of all other life is presented in the form of a Balinese folk-tale. The action takes place in a jungle clearing, which can be as elaborate or as simple as conditions dictate. There is also plenty of scope for the cast to make their own accompanying oriental music with the aid of finger xylophones, gongs and bells.

The Lords of Creation

Being assassinated once may be an accident. Being assassinated twice is enemy action. Aeneas Tell of the House of Tell is one of the youngest Lords of Creation. More gods than men, the Lords of Creation have cheated Death itself. But even a quasi-immortal god will take exception to being assassinated. Twice.

Lords of Creation

Lords of Creation, the eagerly anticipated finale in S.M. Stirling's acclaimed *Lords of Creation* series, promises to be a masterful conclusion to a saga that has captivated readers worldwide. Following the remarkable adventures in "*The Sky People*" and "*In the Courts of the Crimson Kings*," this third installment is set to weave the intricate tales of alternate Venus and Mars into a climactic narrative. In this series conclusion, the richly imagined worlds of a habitable Venus and Mars, each with their own unique civilizations and ecosystems, come alive again. Stirling, known for his meticulous world-building and deep character development, is set to intertwine the fates of characters from both planets, exploring

the culmination of their struggles and triumphs. As is common of all of this award winning author's works, readers can expect an extremely well narrated version of science fiction adventure, political intrigue, and speculative history, all while providing a satisfying resolution to the overarching narrative. Lords of Creation promises to be the epic conclusion of the journey through Stirling's imaginative and richly detailed versions of Venus and Mars. It is a must-read for fans of the series and science fiction in general.

Lords of Creation

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Little Lords of Creation

At first, it appeared to be a sun, forming in space where none had existed before. It kindled as an atomic fire, sustaining itself by the breakdown of fusion energies. Then, even as the Cosmic Crusaders watched, the newly-created sun was no longer just a ball of fire: it was gyrating, like a stupendous Catherine Wheel, a flaming mass spewing filaments from its edges. Then they realized the amazing truth: they were witnessing the creation of planets, flaming streamers of incandescent matter that would condense into worlds! In this latest full-length novel, the Golden Amazon and her fellow Crusaders grapple with the very forces of creation in their most astounding adventure to date!

LORDS OF CREATION

Every page in this book has been designed to help you mark a very important journey. Step by step it will help you to learn all about belonging to God's family. So it's about you and God. You can fill in the pages by yourself, or with the help of a grown-up. If you are using this activity book as part of your church's Welcome to the Lord's Table programme you will have the opportunity to offer it at your first Holy Communion as a sign that you belong to God and are part of his family.

Lords of Creation

The ship was to be seven miles long, a third of a mile in diameter and have a wing-spread of three and a half miles. It would take two and a half centuries to construct. Its announced purpose: to carry humanity away from its ruined world, from the world that had become a perpetual purgatory. To build this vast ship would require the undivided activity of an entire nation and would mean carrying out a ruthless program of war and conquest, of annihilation and reconstruction, and of education and rediscovery. But was this starship really what it was claimed to be? Or was there a greater secret behind its incredible cost - a secret so strange that no man dared reveal it?

The Sky People

THIS HAS HAPPENED BEFORE. The current financial crisis has only one parallel: the Wall Street Crash of 1929 and subsequent Great Depression of the 1930s, which crippled the future of an entire generation and set the stage for the horrors of the Second World War. Yet the economic meltdown could have been avoided, had it not been for the decisions taken by a small number of central bankers. In Lords of Finance, we meet these men, the four bankers who truly broke the world: the enigmatic Norman Montagu of the Bank of England, Benjamin Strong of the NY Federal Reserve, the arrogant yet brilliant Hjalmar Schacht of the Reichsbank and the xenophobic Emile Moreau of the Banque de France. Their names were lost to history, their lives and actions forgotten, until now. Liaquat Ahmed tells their story in vivid and gripping detail, in a timely and arresting reminder that individuals - their ambitions, limitations and human nature - lie at the very heart of global catastrophe.

Exalted Dreams of the First Age

Uncovers fascinating and sometimes shocking truths about the nature of power, sexuality and government. The author - wife of former Foreign Secretary, Robin Cook, who left her publicly for his secretary - scrutinizes the behaviour of a wide range of public personalities.

Lords of Creation

Imagine, if you can, the world of business - without corporate strategy. Remarkably, fifty years ago that's the way it was. Businesses made plans, certainly, but without understanding the underlying dynamics of competition, costs, and customers. It was like trying to design a large-scale engineering project without knowing the laws of physics. But in the 1960s, four mavericks and their posses instigated a profound shift in thinking that turbocharged business as never before, with implications far beyond what even they imagined. In *The Lords of Strategy*, renowned business journalist and editor Walter Kiechel tells, for the first time, the story of the four men who invented corporate strategy as we know it and set in motion the modern, multibillion-dollar consulting industry: Bruce Henderson, founder of Boston Consulting Group Bill Bain, creator of Bain & Company Fred Gluck, longtime Managing Director of McKinsey & Company Michael Porter, Harvard Business School professor Providing a window into how to think about strategy today, Kiechel tells their story with novelistic flair. At times inspiring, at times nearly terrifying, this book is a revealing account of how these iconoclasts and the organizations they led revolutionized the way we think about business, changed the very soul of the corporation, and transformed the way we work.

Lords of Creation

Transcribed from the original Mayan hieroglyphs, the Popol Vuh relates the mythology and history of the Kiché people of the Guatemalan Highlands of Central America. As is often the case with ancient texts, the Popol Vuh's significance lies in the scarcity of early accounts of Mesoamerican cultures, largely due to the purging of documents by the Spanish conquistadors. Today there remains no document of greater importance to the study of pre-Columbian mythology. This text of the Popol Vuh — which is translated variously as "Book of the Community," "Book of Counsel," or, more literally, "Book of the People" — begins as pure mythology and gradually develops into pure history, progressing from heroic legends to the deeds of authentic historical figures. It tells of the gods who created mankind, as well as a great flood and other stories with intriguing parallels to the myths of different cultures. This edition features the classic translation by the distinguished folklorist Lewis Spence.

Superluminary

'The Fellowship of the Ring' is the first part of JRR Tolkien's epic masterpiece 'The Lord of the Rings'. This 50th anniversary edition features special packaging and includes the definitive edition of the text.|PB

Lords of Creation

Do you know what the image of the antichrist is? Do you know what the symbolism of the number 666 of the antichrist means? When Jesus writes the letters to the churches in Revelation, He is writing to us now. Do you understand what He is expecting in us? Do you know what is His view of an overcomer in Him? Come, learn the great adventure of knowing what the symbolism is in this great book of the Bible. Understand God's ways for us in Jesus Christ so that when the counterfeit spirit shows up, you won't be deceived and fall prey to Satan's dark ways. Learn from the Holy Spirit to see through the darkness with His discernment.

Lords of Creation

"* * * * *! The most incredible story in the history of music ... a heavyweight book."—Kerrang! "An unusual combination of true crime journalism, rock and roll reporting and underground obsessiveness, *Lords of Chaos* turns into one of the more fascinating reads in a long time."—Denver Post A narrative feature film based on this award-winning book has just gone into production.

Lords of Creation

Intense, erotic, and enigmatic, Jim Morrison's persona is as riveting now as the lead singer/composer "Lizard King" was during The Doors' peak in the late sixties. His fast life and mysterious death remain controversial more than twenty years later. *The Lords and the New Creatures*, Morrison's first published volume of poetry, is an uninhibited exploration of society's dark side -- drugs, sex, fame, and death --

captured in sensual, seething images. Here, Morrison gives a revealing glimpse at an era and at the man whose songs and savage performances have left their indelible impression on our culture.

Lords of Creation

The Lords of Creation

JENNIE. Here is Mr. Eugene's bouquet, and now where is Mr. Eugene? Not here, of course, and I must be running all over the house to find him. All a body has to do is to wait on him, that is what he thinks! For he is a lord of creation, he is! And he must have his buttonhole bouquet, and his hair parted in the middle, and his mustache waxed, and everybody must bow down and worship him! But after all, he isn't as bad as his father. Oh! isn't he just awful! Dear me, what a terrible thing it must be to think yourself so superior, all on account of your sex!

Welcome to the Lord's Table Activity Book

LEARN TO TAP INTO YOUR INNER DIVINITY FOR PRACTICAL PURPOSES. Most of us would like our lives to change in some way but don't know what to do about it. This book contains very practical rituals that we can carry out, focusing the power of our inner divinity to set in motion the changes we would like to see. Thirteen Ascended Masters (including Saint Germain, Mary, Jesus and Kwan Yin) provide us with simple rituals to improve various aspects of our lives. These rituals will also strengthen our connection with the Source and awaken our dormant powers. The Ascended Masters reach out their hands full of love and want to give us a glimpse of the splendor of the Divine. This book helps us to find the way back. „The rituals and ceremonies have been created and designed in order for you to become more aware of your own divine presence, your own godly power, in order that you may utilize it to bring transformation and change into your life, to your consciousness or to the consciousness of others.“ Saint Germain „A remarkable little gem of a book. Every word is measured and contributes to a seamless, elegant conception with passages of serene and universal application. An extraordinary distillation of spiritual teaching.“ Colourama Magazine

The Lords of Creation

An insider's tour through the construction of invented languages from the bestselling author and creator of languages for Legendary's Dune, the HBO series Game of Thrones and the Syfy series Defiance From master language creator David J. Peterson comes a creative guide to language construction for sci-fi and fantasy fans, writers, game creators, and language lovers. Peterson offers a captivating overview of language creation, covering its history from Tolkien's creations and Klingon to today's thriving global community of conlangers. He provides the essential tools necessary for inventing and evolving new languages, using examples from a variety of languages including his own creations, punctuated with references to everything from Star Wars to Janelle Monáe. Along the way, behind-the-scenes stories lift the curtain on how he built languages like Dothraki for HBO's Game of Thrones and Shiväisith for Marvel's Thor: The Dark World, and an included phrasebook will start fans speaking Peterson's constructed languages. The Art of Language Invention is an inside look at a fascinating culture and an engaging entry into a flourishing art form—and it might be the most fun you'll ever have with linguistics. The Art of Language Invention includes a new chapter on phrases, specifically, word order, negation, question formation, pragmatic concerns, relativization, and subordination, providing a complete introduction to language creation and linguistics. Invented languages featured in the book now include Chakobsa from Legendary's Dune, Trigedasleng (or

Grounder) from The 100, Ménishè language from Motherland: Fort Salem and Ravkan from the Netflix series Shadow and Bone.

Lords of the Starship

Out-of-this-world magical adventure series for teens from the award-winning, New York Times best-selling author of Sabriel and the Old Kingdom series. Seven days. Seven keys. One very unlikely hero. The house is falling apart, and when it is destroyed, all existence will be destroyed with it. Arthur Penhaligon and his friends Leaf and Suzy are caught in the chaos, separated by events but drawn together in their fight to survive. They must use every power at their disposal - magical or practical - to defeat the enemies attacking them from all sides. For Arthur, the most formidable challenge comes from Lord Sunday, the most elusive of the Trustees of the Will. Lord Sunday's magic is unlike anything Arthur has encountered before - and his secrets have the potential to destroy not only Arthur but also all the people he holds dear.

The Dragon's Child

Dando, a young dragon who cannot fly, is captured by dangerous humans, but a kind slave-girl, an orphaned bird, and the melancholy son of the dragon's captors help him escape his imprisonment and learn to fly.

The Children of the Dragon

In the mythical kingdom of Gallardia, the Dragonlord's three children must fight to save themselves and the one remaining egg of the guardian dragon.

A Landscape with Dragons

The Harry Potter series of books and movies are wildly popular. Many Christians see the books as largely if not entirely harmless. Others regard them as dangerous and misleading. In his book *A Landscape with Dragons*, Harry Potter critic Michael O'Brien examines contemporary children's literature and finds it spiritually and morally wanting. His analysis, written before the rise of the popular Potter books and films, anticipates many of the problems Harry Potter critics point to. *A Landscape with Dragons* is a controversial, yet thoughtful study of what millions of young people are reading and the possible impact such reading may have on them. In this study of the pagan invasion of children's culture, O'Brien, the father of six, describes his own coming to terms with the effect it has had on his family and on most families in Western society. His analysis of the degeneration of books, films, and videos for the young is incisive and detailed. Yet his approach is not simply critical, for he suggests a number of remedies, including several tools of discernment for parents and teachers in assessing

the moral content and spiritual impact of this insidious revolution. In doing so, he points the way to rediscovery of time-tested sources, and to new developments in Christian culture. If you have ever wondered why a certain children's book or film made you feel uneasy, but you couldn't figure out why, this book is just what you need. This completely revised, much expanded second edition also includes a very substantial recommended reading list of over 1,000 books for kindergarten through highschool.

The Dragon's Child

Dando, a young dragon who cannot fly, is captured by dangerous humans, but a kind slave-girl, an orphaned bird, and the melancholy son of the dragon's captors help him escape his imprisonment and learn to fly.

The Rainbow Dragon

Kid-Tested and Judge-Certified by Story Monster Ink!The Story Monster Approved book designation recognizes and honors accomplished authors in the field of children's literature. The Rainbow Dragon is a beautifully illustrated, fun story for children that encourages imagination and learning about others and appreciating the good things we have. In the Valley of the Rainbow lives a little dragon named Redtail Smalltooth. Though happy, Redtail knows only dragons that fly and blow smoke from their noses - and even fireballs into the night sky. Redtail is unimpressed and doesn't care to learn their silly tricks. He longs for the days of old when human children lived in the valley doing such magical things as flying kites and sipping tea. One day while out for a walk flying his imaginary kite, Redtail encounters a rainbow and when he touches it an amazing thing happens - a child appears! Excellent on every level - The Rainbow Dragon has all the elements of a great fantasy, rendered in a fresh, alluring, well-crafted world, with sympathetic characters and tons of mystery.

The Dragons' Child

The Dragons' Child Ten years ago, Dagnan Te Daelan was given a gift by the Dragons. That gift was a child, Draega, who was gifted with extraordinary power. Heralding her birth was a prophecy that promised both hope and danger. Now, it seems, that prophecy is about to be fulfilled. The Dragons' child is changing, becoming both a young woman, and something else. And her father's enemies are determined to make sure that whatever it is she's becoming, that it never happens. Who will pay the ultimate price for the Dragons' gift?

Trial by Dragons

It's hard to save the world when you are in jail. Dantar and Velza, children of the warlock Calbaras, need to escape from jails six hundred miles apart to stop their father unleashing a catastrophically dangerous spell. Both will soon learn that they are not just special, they are also very dangerous.

Komodo Dragons

With exciting full-color photos, Nature's Children brings you face-to-face with some of the world's most intriguing animals-from chimpanzees to pandas to tarantulas. Each title reveals how these creatures survive in the wild, how they raise their young, what's being done to protect them, and more wild facts.

Dragons for Kids: Mythology Books for Children | Children's Fantasy Books Edition

Dragons are known antagonists in many fairytales. They need to be defeated by knights in order rescue princesses. But there are so much more to learn about these enchanting creatures. That is why this

educational book is filled with random information that all children must know about dragons. It's a great book to have and is a definite source of edu-tainment for your child too!

Child of Dragons

The Leather Book Tales is a fantasy series that takes place in a North American landscape in an ancient world. Two young people, a sister and brother, discover magical powers which lead them into adventure. In book two, Child of Dragons, 16-year-old Rowan finds that she is not happy with her newly discovered father and brother. She undertakes a journey to find a couple of missing children. Two mysterious young men vie for her attention and an enigmatic foreign soldier appoints himself her protector. Can she learn to trust in the magical silver bracelet that she's been reluctant to use, and learn to wield power in order to save, rather than to kill? Will she find her way back to her family and a home where she can stay?

The Legend of the Dragon Child

She had stumbled across his path long ago, in a time when two moons lit the night sky. She had been on one of her excursions, collection Dragon scales for armor when she saw his eyes. Piercing eyes lurking between the boulders that guarded the mouth of a cave. Their eyes locked. Neither moved. Ah, but first you should know something about her, of the Legend. You see, she carries a mark across her left shoulder, four deep slashing scars - the mark of the Dragon. The villagers found her in the forest, alone and bleeding, curled around a Dragon's scale of Blue and Gold. She was no more than five years of age. No parents were ever found. They took her in, half out of fear and half out of pity. They heard the stories. She might be the one they were told would be found.

Who Wants a Dragon?

A baby dragon, looking for someone to love and cuddle him, finally encounters his mother.

Things We Should All Know about Dragons

A wise and friendly dragon sits down to write a special incantation to all children, revealing the magnificent true nature of dragons in the charming children's tale Things We Should All Know About Dragons, by Leonard Ericks. A Dragons Letter: Dear Children, I admit that dragons can be very scary at times. They roar and laugh out loud, but I ask you to stick around awhile and see what they are really like. They're always hungry, that is true, but their favorite food is flowers, now does that sound scary to you? ... The wise dragon continues to write, explaining to the children of the world how some dragons can fly, sing and play, hoping against hope that they will understand how sweet and friendly dragons truly are. So whenever you see a dragon, don't be afraid, just give a friendly smile and a wave.

When a Dragon Meets a Baby

When a new baby comes home with Mummy and Daddy one day, will a dragon share her squishiest toy, fetch the changing mat and help to tidy the house while Mummy has a nap? Or will she refuse to say hello, and bash and crash her toys at bedtime? It's going to be hard to behave herself... she is a dragon after all!

Aqualene the Water Dragon

According to Dragon Lore, the Great Dragon's first born child is always a son. Well, sometimes nature doesn't follow the rules. Sometimes, a child is born different. Enter Aqualene, the little girl dragon who breathes not fire, but water. Aqualene grows into a beautiful teenager, struggling to learn her place in a world that expected her to be something else. This is a cute story that many children will relate to. Beautifully written in classic verse, the prose is structured to appeal to a child's imagination. Easy to read but challenging enough to encourage learning. A mystical tale, punctuated with humour but with a strong message. Ultimately it is Aqualene's story and she would love to share it with you. As the visitors knelt, so began the tradition As father to son passed the great fire ignition For that is how dragons all get their flame From father to son, they all start the same His father breathed in, preparing to blow His mother just smiled, enjoying the show The guests all gasped in excitement and awe Then the Great Dragon father let out a huge roar

The Book of Dragons

A dragon is a legendary creature, featured in the myths of many cultures. Join us for a classic collection of eight magical and engaging stories by the author of "The Railway Children," each containing a different and unpredictable dragon, facing a predicament that they and their human companions are forced to resolve. Edith Nesbit shows how dragons shape the destinies of queens, princes and children alike.

Children of the Dragon

In the evening when it gets dark, a daddy dragon, a mommy dragon, and dragon children breathe fire into the night. They see who can breathe their fire the farthest and they sing out, "Fire is life, and life is fire!" But one night Mommy has trouble making a flame. As she grows sicker, it's up to Daddy and the dragon children to love and take care of her. And when Mommy's flame goes out completely, Daddy and the dragon children give her one last hug, one last kiss, and find a way to say good-bye. Eventually Daddy and the dragon children decide to try breathing fire into the night again. They do not breathe their flames very far, but something special happens. High in the sky a sparkling star flashes like a flame in the dark. "Mama!" the dragon children cry, and it is so beautiful that Daddy announces, "Mama wins this time." Dragon Fire is a picture book about cancer and what it means for a family. Geert De Kockere's gentle text tells the true story of An Dom and her family, and Tineke Van Hemeldonck's simple paintings allow raw emotion into her illustrations. This is a must-have book for any family dealing with a parent with terminal illness. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Dragon Fire

This is a fabulous bedtime stories book to read to your child. It is filled with lovely stories that young children can relate to and learn from. It can also be used by early readers to practice their reading skills. These 12 Short Stories explore the fears that many young children experience. The stories focus on Dan the Dragon, so that you and your child can read about his fears and how he overcame them. The little boy in the story often doesn't admit he is scared or that he has made a mistake, instead he blames the dragon. I have written the stories from this point of view because sometimes when parents try to help their child to overcome problems, the child is too close to the situation and cannot rationally identify and solve the problem. This slightly disconnected action where the dragon has the problem...allows young children to focus on solving that problem. The Stories include: "Where's My Mommy?" A New Baby Brother My Friend the Dragon Throws Tantrums My Friend the Dragon is Scared of the Dark My Friend the Dragon has a Messy Room "It's Not My Fault!" My Friend the Dragon Says Bad Words My Friend the Dragon Won't Eat That! My Friend the Dragon has Accidents My Friend the Dragon is Very Shy My Friend the Dragon Meets a Bully My Friend the Dragon Has Bad Dreams At the end of the book there is a Bonus Section on Strategies for Solving Toddler Fears.

My Dragon Is Scared: 12 Rhyming Stories to Help with Toddler Fears

Did you want to go to America? Pop: Sure. I didn't have a choice. My father said I had to go. So I went. Were you sad when you left your village? Pop: Maybe a little . . . well, maybe a lot. Ten-year-old Gim Lew Yep knows that he must leave his home in China and travel to America with the father who is a stranger to him. Gim Lew doesn't want to leave behind everything that he's ever known. But he is even more scared of disappointing his father. He uses his left hand, rather than the "correct" right hand; he stutters; and most of all, he worries about not passing the strict immigration test administered at Angel Island. The Dragon's Child is a touching portrait of a father and son and their unforgettable journey from China to the land of the Golden Mountain. It is based on actual conversations between two-time Newbery Honor author Laurence Yep and his father and on research on his family's immigration history by his niece, Dr. Kathleen S. Yep.

The Dragon's Child

Martha and Arthur have a wonderful time, spending their lives in a world of rhyme. The gentle dragons are on a quest to always improve and be their best. Today, while eating some tasty grapes, they realize

they must learn their shapes. In this book, our delightful dragon friends are tucking in to some fruit, when they happen upon a grape and wonder about its shape. Realizing they need to expand their knowledge, they fashion their own cute little book containing catchy rhymes to help them (and of course, their friend, your child) understand basic constructs (lines, squiggles and curves), and then learn and remember basic shapes (circle, oval, triangle, etc.) Being such helpful little dragons, they also include examples of everyday objects that match each of the shapes they cover - look out for the adorable Martha clock on the "Circular things" page. Features of this kids' picture book: - Martha and Arthur are super-cute, friendly, dragons. - The illustrations cover every page and are big, bold, brightly colored, and simply adorable! - The text is large and accessible. - Simple, easy-to-read, rhyme is used throughout - not only is this fun for you and your child; there is a wealth of study supporting the educational benefits of this for early learning. (Way too much to list here.) - The example objects will further assist your child with shape association and committing the shapes to their long-term memory. - The content is suitable for reading to babies, preschool, and kindergarten children. - The book has been reviewed, approved, and praised by a professional child psychologist and several primary school teachers, each with over 20 years of experience. - This book is part of a series of Martha and Arthur educational works, which have been crafted to teach basic early learning skills to children and can be read in any order. - Whether you are looking for bedtime stories or books that can help you to entertain and educate your child during the daytime, the Martha and Arthur series is here to help! Please take advantage of the introductory price and treat your child today!

Martha and Arthur Make Shapes

For use in schools and libraries only. When a princess who behaves like a dragon meets a dragon who behaves like a princess, there are unexpected results! This is suitable for discussion of preconceptions and gender roles.

Princess And The Dragon

Boy. Warrior. King. King Arthur: Dragon's Child tells the compelling story of Arthur as he grows from boyhood to manhood and is trained for leadership and a future he cannot yet know. M.K. Hume's trilogy will enthral fans of Bernard Cornwell and Ian Ross. 'It's a slice of history that's totally, utterly believable. Magnificent' - www.booksmothly.co.uk The Dark Ages: a time of chaos and bloodshed... The Roman legions have long deserted the Isles and the despotic Uther Pendragon, High King of Celtic Britain, is nearing death, his kingdom torn apart by the jostling for his throne. Of unknown parentage, Artorex is growing up in the household of his foster father Lord Ector. One day, three strangers arrive and arrange for Artorex to be taught the martial skills of the warrior; blade and shield, horse and fire, pain and bravery. When they return, years later, Artorex is not only trained in the arts of battle, he is also a married man. But, if he is to fulfil his destiny and become the High King of the Britons, Artorex must find Uther's crown and sword. What readers are saying about King Arthur: Dragon's Child: 'Excellent read, grounding all the legendary stories about Arthur and his times in a very convincing historical context' 'A quality take on the hostilities, history and structure of England as we know it. Well written, beautifully researched and accurate' 'This is a book that educates while it entertains. Here is a tale that is woven with intricacy and detail that is unrivalled'

King Arthur: Dragon's Child (King Arthur Trilogy 1)

Number one baby dragon is a protector dragon. His job is to look after Katie at night. When she goes to sleep, he practises his dragon lessons until one night he faces his first real monster. How does he deal with it? There are more challenges to come. This tale of a protective dragon will appeal to all young children, whether or not they are

The Dragon's Child

Number One Baby Dragon

Edith (E.) Nesbit was a master at weaving imagination and real life into timeless fairy tales, with fantastic mythical creatures, princes and princesses, magic, and just the right touch of silliness. This is a collection of nine of her fairy tales with a common theme - Dragons! For children from five to 95, these stories are not to be taken seriously. Let your imagination run wild! The Book of Beasts - A young king finds a magical book once owned by his great-great-great-great-great-grandfather and unwittingly sets a wicked beast loose in his kingdom. Now he must find a way to best the beast and win back the love of his subjects. Uncle James - The island kingdom of Rotundia is normal in every way but one - all the animals are the wrong sizes. And when a purple dragon finds its way to the island and desires the princess as a birthday present, young Tom the gardener's son, along with his lap dog sized elephant Fido, must find a way to save her. The Deliverers of Their Country - "It all started when Effie got something in her eye..." and before the week was out, the country was overrun with dragons of all sizes. Effie and Harry decide something must be done, so they set out to wake St. George. The Ice Dragon - Have you ever wanted to travel to the North Pole? See the Aurora Borealis up close and personal? Well, make sure you catch up to George and Jane, two disobedient children, who on December 11th, set out to do just that, finding adventure and a dragon on the way. The Island of the Nine Whirlpools - When the King and Queen were ready to have a child, the Queen did what all good queens do; she visited the local witch. But she forgot to specify the King wanted a boy child. The Fiery Dragon - Poor Sabrinetta, granddaughter to brave St. George the dragonslayer, has been banished to her dragon-proof tower while her evil cousin rules her kingdom. But when the dragon wakes, Prince Tiresome runs to the safety of her tower, throwing her out to fend off the dragon by herself. Can she and Elfin the pigkeeper save her people before the dragon has his way with them? The Dragon Tamers - John the Blacksmith doesn't know what is at the bottom of the stairs leading down from the dungeon. With any luck, he'll never find out. But one day when he goes into the dungeon to fetch more coal, he comes face to face with the dragon that has risen from the depths. It looks like today John's luck may have run out. Or is it just beginning? Kind Little Edmond - Edmund is not fond of learning but he loves to find out. One day he finds out about the creatures living in the mountain near his village and thinks maybe he doesn't like finding out about things so much after all. But once the creatures have been found, there is nothing to do but find a way to save the village before it's too late. The Last of the Dragons - As tradition holds, on her 16th birthday, the Princess must be tied to a post and left for the dragon. Of course, the Prince has always slain the dragon and saved the Princess. But this Princess is none too confident in the Prince's ability to save her. She's much better at her fencing lessons than he. So why can't the Prince be tied up and saved by the Princess? And, why must the last dragon in England be slain at all?

The GOOD Or the BAD Dragon?

Long ago, in a world where dragons were the world's protectors, a beautiful girl dragon named Ellam lived in a cool, misty cave. Although Ellam liked to have fun with her friends, she had a secret. She liked to pull out her scales. Ellam was always careful to cover her body-she didn't want anyone to see that she was missing her scales. That is, until one day when Everwynn, the great king of the dragons, needed someone for a special mission. Someone without scales. Join Ellam on her exciting journey as she discovers that everyone's wounds have purpose, and the storms we travel through are part of a greater plan. Note to parents: Although this book is intended for children struggling with the effects of trichotillomania-compulsive pulling out of one's hair-it is ideal for any child (or adult) who needs to be reminded that our differences do not decrease our value.

The Book of Dragons (Children's Classic Book)

Martha and Arthur have a wonderful time, spending their lives in a world of rhyme. The gentle dragons are on a quest to always improve and be their best. Today our friends are at it again, as they flex their wings and count to ten. In this book, we find our super-cute dragon friends dreaming up their perfect healthy pie. They decide that it needs to contain berries but realize they cannot count well enough to know how many. Not to be deterred, they leap into action and find fun things to practice counting - from "one noisy drum" all the way to "ten happy hens". Look out, along the way, for adorable toy shops,

frogs, roller skates, etc. Features of this kids' picture book: - Martha and Arthur are super-cute, friendly, dragons. - The illustrations cover every page and are big, bold, brightly colored, and simply adorable! - The text is large and accessible. - Simple, easy-to-read, rhyme and alliteration is used throughout - not only is this fun for you and your child; there is a wealth of study supporting the educational benefits of this for early learning. (Way too much to list here.) - The content is suitable for reading to babies, preschool, and kindergarten children. - The book has been reviewed, approved, and praised by a professional child psychologist and several primary school teachers, each with over 20 years of experience. - This book is part of a series of Martha and Arthur educational works, which have been crafted to teach basic early learning skills to children and can be read in any order. - Whether you are looking for bedtime stories or books that can help you to entertain and educate your child during the daytime, the Martha and Arthur series is here to help! Please take advantage of the introductory price and treat your child today!

The Dragon Who Pulled Her Scales

In *The Book of Dragons* of Edith Nesbit invites us to experience the world of dragons. One of the most beautiful young fiction books written in English language. Edith Nesbit (married name Edith Bland; 15 August 1858 - 4 May 1924) was an English author and poet; she published her books for children under the name of E. Nesbit. She wrote or collaborated on over 60 books of fiction for children. She was also a political activist and co-founded the Fabian Society, a socialist organisation later affiliated to the Labour Party.

Martha and Arthur Count to Ten

Follow Lucy on her path to becoming The Dragon Child. When Lucy Clare goes on a school trip to Scotland without her parents' permission, the last thing she expects to find out is that she's the key in an age-old prophecy. The Morrigan, an ancient Celtic goddess, is coming and Lucy is the only one who can stop her from destroying the worlds. When the Morrigan accidentally kidnaps Lucy's best friend instead, saving the multiverse becomes personal. Lucy must embark on a journey that will bring her face to face with evil. But destiny is not a paved path and Lucy must fight through a world of darkness, magic and old gods before she can rise as the Dragon Child. One day all dark shall reach full power. All light will fade while the dark devours. All shall be lost until the child is born, The one for whom the Dragons mourn. This book is comparable to a mix of Percy Jackson and Eragon, for aspects like Gods in the real world and dragons.

The Book of Dragons

"I Thought I Saw A Dragon Late Last Night" is a simple story about the wonder of a child's vivid imagination. Follow a young boy as he goes in search of an elusive Dragon. Is the Dragon real or imaginary??? You be the judge... It is sure to bring out the child in us all...

The Dragon Child

A Dragon Book About Autism. A Cute Children Story to Explain the Basics of Autism at a Child's Level.

I Thought I Saw a Dragon Late Last Night!!!

Dragons and humans... can they live together? An epic tale/tail of dragons and humans that can't seem to get along, but this time, it's all from the dragon's perspective. It's a reversed world with ethics being discussed. Conversations about peace or war rage in the hearts of the giant beasts. Will the main character find the mercy and courage he is looking for to connect with the humans and team up to defeat the real enemy?

Dragon and His Friend

Did you want to go to America? Pop: Sure. I didn't have a choice. My father said I had to go. So I went. Were you sad when you left your village? Pop: Maybe a little . . . well, maybe a lot. Ten-year-old Gim Lew Yep knows that he must leave his home in China and travel to America with the father who is a stranger to him. Gim Lew doesn't want to leave behind everything that he's ever known. But he is even more scared of disappointing his father. He uses his left hand, rather than the "correct" right hand; he stutters; and most of all, he worries about not passing the strict immigration test administered at Angel Island. *The Dragon's Child* is a touching portrait of a father and son and their unforgettable journey

from China to the land of the Golden Mountain. It is based on actual conversations between two-time Newbery Honor author Laurence Yep and his father and on research on his family's immigration history by his niece, Dr. Kathleen Yep.

Dragon Book for Kids

There comes a time in life where the stars begin to call someone to their destiny. It will start as a fleeting dream, a glimpse of what could be, as you are staring out of a window doing the dishes. Now, it is your life to do with, as you please. For Bridget and Kai, two ordinary children from very different backgrounds, destiny called one afternoon after school. Soon, pony-loving bolshy Bridget and the shy studious Kai find themselves travelling to Dragonreach, home to the last two dragons on earth. Once they arrive in the islands capital, Zomak, and where they hear of a nest of dragon eggs being kept temple of a mysterious mountain known as the Shard. Bridget and Kai have to learn to read the Dragons Code, so they are able to pass the wisdom and magic of dragons onto the rest of mankind. But there are those who are intent on destroying magic. One night, the Iron Queen strikes. Bridget and Kai are separated, Zomak is destroyed and the eggs are lost. The outlook is bleak. But there is talk of a Prophecy, where dragons rule the skies once more. Lead by strange and powerful dreams, Kai finds himself plunging into the waters of Keplar's Wish to recover an amulet that opens up a whole new realm of magic. Bridget heads to Alryne and finds work for its beautiful queen Lady Oksana but before long realises all is not what it seems, and soon uncovers a terrifying secret. Will she have the courage to leave Alryne and find Kai? Only if Bridget and Kai can find each other again. Only if the dragon eggs are found and the Iron Queen defeated can the Prophecy be fulfilled. The Dragon Children: The Prophecy is the début fantasy adventure from British author, Hannah Brynes. Hannah is committed to all things magical, which is why she has pledged 100% of the royalties from the sale of this book (at least £5000) to Make-A-Wish(r) UK Charity Registration Nos. 295672/SC037479 to help grant magical wishes to children and young people living with life-threatening conditions. www.hannahbrynes.co.uk

The Dragon's Child

Featuring stories written by professional children's authors from around the world, this collection of Princess and Dragon stories will inspire and delight both you and your child. Adventures, love, mysteries, magic, and more await in this exciting collection. Designed to be read aloud to children of all ages, these stories will teach and instill a love of reading - the most important aspect in developing literacy - as well as create many magical moments spent together in each others arms. Join the action in this collection of 31 original princess and dragon stories - one for every day of the month!

The Dragon Children

On the island of Arcosi, dragons and their riders used to rule the skies. But now they are only legends, found in bedtime stories, on beautiful murals and ancient jewellery. Then servant girl Milla witnesses a murder and finds herself caring for the last four dragon eggs. Forced to keep them secret amidst the growing tensions in the city, she begins to fear that the island's ruler, Duke Olvar, isn't all that he seems. But how can Milla and her friends keep the eggs safe when it means endangering everything she's ever loved? Fiery friendships, forgotten family and the struggle for power collide as Milla's fight to save the dragons leads her to discover her own hidden past.
