The Truth About The Lord's Supper

But a man must examine himself, and in so doing he is to eat of the bread and drink of the cup. But in giving this instruction, I do not praise you, because you come together not for the better but for the worse.

For, in the first place, when you come together as a church, I hear that divisions exist among you; and in part I believe it.

For there must also be factions among you, so that those who are approved may become evident among you.

... you meet together, it is not to eat **the Lord's**, Supper ...

for in your eating each one takes his own supper first; and one is hungry and another is drunk.

For I received from **the Lord**, that which I also delivered ...

In the same way He took the cup also after supper, saying, "This cup is the new covenant in My blood; do this, as often as you drink it, in remembrance of Me."

... the cup, you proclaim **the Lord's**, death until He comes.

... shall be guilty of the **body**, and the blood of **the Lord**,.

... to himself if he does not judge the **body**, rightly.

For this reason many among you are weak and sick, and a number sleep.

But if we judged ourselves rightly, we would not be judged.

... when we are judged, we are disciplined by **the Lord**, so ...

So then, my brethren, when you come together to eat, wait for one another.

If anyone is hungry, let him eat at home, so that you will not come together for judgment. The remaining matters I will arrange when I come.

Others were drinking all the wine.

Others were passing out or maybe even dying from alcohol addiction.

Paul instructed them to be considerate-to examine their rude practices and to wait for one another.

God was not killing Christians or making them sick.

Jesus Christ took all punishment for sins on the Cross.

Some were rightly pointing out the selfishness and abuses going on.

God was making His appeal through them to bring discipline to His church.

The Lord's Supper is a celebration.
