A Theory of Craft

What is craft? How is it different from fine art or design? In *A Theory of Craft*, Howard Risatti examines these issues by comparing handmade ceramics, glass, metalwork, weaving, and furniture to painting, sculpture, photography, and machine-made design from Bauhaus to the Memphis Group. He describes craft's unique qualities as functionality combined with an ability to express human values that transcend temporal, spatial, and social boundaries. Modern design today has taken over from craft the making of functional objects of daily use by employing machines to do work once done by hand. Understanding the aesthetic and social implications of this transformation forces us to see craft as well as design and fine art in a new perspective, Risatti argues. Without a way of understanding and valuing craft on its own terms, the field languishes aesthetically, being judged by fine art criteria that automatically deny art status to craft objects. Craft must articulate a role for itself in contemporary society, says Risatti; otherwise it will be absorbed by fine art or design and its singular approach to understanding the world will be lost. *A Theory of Craft* is a signal contribution to establishing a craft theory that recognizes, defines, and celebrates the unique blend of function and human aesthetic values embodied in the craft object.

Radio's Digital Dilemma

Radio's Digital Dilemma is the first comprehensive analysis of the United States' digital radio transition, chronicling the technological and policy development of the HD Radio broadcast standard. A story laced with anxiety, ignorance, and hubris, the evolution of HD Radio pitted the nation's largest commercial and public broadcasters against the rest of the radio industry and the listening public in a pitched battle over defining the digital future of the medium. The Federal Communications Commission has elected to put its faith in "marketplace forces" to govern radio's digital transition, but this has not been a winning strategy: a dozen years from its rollout, the state of HD Radio is one of dangerous malaise, especially as newer digital audio distribution technologies fundamentally redefine the public identity of "radio" itself. Ultimately, *Radio's Digital Dilemma* is a cautionary tale about the overarching influence of economics on contemporary media policymaking, to the detriment of notions such as public ownership and access to the airwaves—and a call for media scholars and reformers to engage in the continuing struggle of radio's digital transition in hopes of reclaiming these important principles.

Clinical Electromyography

Artists, critics, curators, and scholars develop theories of craft in relation to art, chronicle how fine art institutions understand and exhibit craft media, and offer accounts of activist crafting.

What are idioms

What does u rock mean

You rock

Calm before the storm

Under the weather

Rain or shine

Every cloud has a silver lining

Go with the flow

Down to earth

Tip of the iceberg

Nip it in the bud

Beat around the bush

Best of both worlds

Get wind of something

Plain as day

Up in the air

Call it a day

Go cold turkey

Go on a wild goose chase

Cry wolf

Bring home the bacon

Two peas in a pod

Butter me up

Spill the beans

Take it with a grain of salt

Spice things up

Lose your touch

Rule of thumb

By the skin of my teeth

Get something off your chest

Put your foot in your mouth

Bite the bullet

Get out of hand

I cant imagine

To play something by ear

A blessing in disguise

To break the bank

Give you a run for your money

Having a toddler and a newborn

Up the ante
Cut someone some slack
Draw a line
Play devils advocate
Rings a bell
Go the extra mile
Make a long story short
Jump on that bandwagon
On the ball
All the time
Easier said than done
Better late than never
So far so good
A little bird told me
As the crow flies
Kill two birds with one stone
Curiosity killed the cat
Cat got your tongue
Bark up the wrong tree
Packed like sardines
Farm idioms
Put all your eggs in one basket
Dont count your chickens before they hatch
Dont put the cart before the horse
Straight from the horses mouth
A needle in a haystack
To hit the hay
Body parts
break a leg
pulling my leg
black bear
keep an eye out
keep your eyes peeled
see eye to eye
bigger than stomach
more than you can chew
keep your chin up
chip on your shoulder
bend over backwards
insult to injury
rub salt in the wound
go behind someones back
work productivity
burn the candle
burn the midnight oil
running on fumes
cut corners
