Revelation

What does Revelation really mean? Writers in the past have tried to use their own understanding to explain Revelation instead of using the Bible. The result is complicated, confusing and difficult to understand. The explanation in this book relies on the scriptures. There are no complicated verses to connect together, no going here and there for answers. This book puts the scriptures right in front of you so you can see for yourself if what is said is right.

Revelation

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Book of Revelations Revealed

Our journey doesn't end in this world. It begins in this world, and this world is fast coming to an end. The journey to the end of time is what this book aims at revealing, according to the book of Revelation. This book unravels a lot about the last days till the very last day of man on the present earth. It demystifies the mysteries of the book of Revelation and carefully explains all that seem to have been written in codes and parables. Very importantly, it uncovers the plans and devices with which the enemy intends to deceive many in these last days and the silent orchestrations by the agents of the enemy here on earth, to prepare for the fight against God and against the saints. Through this book, we will be able to tell who mystery Babylon is, who and what will give rise to the beast, and where the beast would come from. It is not a regular book as everything was written by the inspiration of the Holy Spirit and through dreams and visions from Him.

Revelation Revealed

Centuries before anyone could make sense of these fantastic warnings, the prophets declared that the mysteries of Revelation would not be understood until the Last Days. Verse by verse and chapter by chapter, Jack Van Impe, reviews John's portrait of history's final claims.

The Book of Revelation Revealed

The book of Revelation is one of the most mysterious books in the Holy Bible. Many have attempted to unlock its secrets. This book is the author's contribution to this task. The Book of Revelation Revealed is an in depth journey into the Book of Revelation's extraordinary prophecies. Author Michael B. Dale applies tools of wisdom, divine revelation and personal insight, studious reflection combined with a historical perspective, and guidance from the Holy Spirit to gain insight into some of these mysteries. This is another addition to the 'Revealed Series' that every student of prophecy can gain some amount of insight from.

The Revelation of Revelation

The Revelation of Revelation is a story never told before now because it wasn't to be told until now according to scriptures. It didn't happen in a vision, not in a sudden rush of a mighty wind but instead a gentle but profound inspiration.

Revelation: the Gospel Era Finale

The book of Revelation is not as mysterious as many believe. It was written with a specific chronological architecture, a presentation that unfolds the end-time in a way that all in the body of Christ can comprehend, take to heart. The architecture of this narrative is centered on a step by step building of a time line chart that forms a big picture of God's end time agenda. Christ Jesus sent an angel to visit the apostle John, in order to signify that the words of John were words spoken directly to him from Christ. Christ did not use an angel's intervention to write any other New Testament book. He worked through the Holy Spirit only. Revelation is a unique presentation to the body of Christ by Jesus. Christ Jesus placed a boundary on reading and studying Revelation because of the chronology of content. The book is to be read and taught in an "as is" format, so that the blessing in Rev. 1:3 can be received. Teaching and preaching the book of Revelation is a serious endeavor - "I warn everyone who hears the words of the prophecy of this book: If anyone adds anything to them, God will add to him the plagues described in this book. And if anyone takes words away from this book of prophecy, God will take away from him his share in the tree of life and in the holy city, which are described in this book" (Rev. 22: 18-19 NIV). No apostle other than John understood what was revealed in the book of Revelation! Apostle Paul, as well as all other apostles, was not alive when Apostle John was visited by the angel and instructed on the contents of Revelation. Therefore, venturing into a study of Revelation using a preconceived bias formed with scriptures from the other apostles has created a great diversity of opinion about the rapture of the body of Christ. The diversity of opinions from Bible scholars causes the body of Christ to be apathetic about the end-time because of all the controversy. Would you like to understand Revelation with clarity and no confusion? Revelation can be easily understood only by study of its end-time chronology. Forming ideas about the end-time judgment and rapture of the body of Christ using other New Testament books has led to controversy and confusion about the end-time agenda of God. Let the book of Revelation reveal to you a visual conception of the end-time and be blessed. Revelation needs to be understood exactly as it is written without adding or taking away words from Revelation's prophecy. There must be a common understanding in the body of Christ concerning the end-time, in order for the body of Christ to advance beyond the existing end-time controversies. Christians need to comprehend the end-time judgment seat of Christ and the rapture of the corporate church. Are all Christians raptured in a single event? Are there multiple raptures? How can I know when I will be raptured if I am alive when the midnight cry is heard? Do all Christians receive the same reward? These and many other questions will be answered when God's end time agenda is understood. This book was written based on the chronological order and narrative sequential presentation of the book of Revelation. There are end-time controversial perspectives that have existed for many years. However, chronological truth will cut through all controversy and form a common understanding for the body of Christ. This book presents a theological and chronological sound perspective of the end-time for all Christians. If so, it will conflict with existing controversial perspectives that Christians might believe. Throughout the time of writing this book I have looked for logical sensible reasons to not believe what I was writing. I tested the writing of the book with scriptural screening looking for theological conflicts. I have found none. For me to dismiss any part of this book is to dismiss my understanding of the

chronology of the book of Revelation and the many supporting scriptures of the Bible. --Donald P. Moss, Author

Jesus alone can unlock the meaning of its symbols, visions and descriptions...Christ reveals its meaning. He unlocks its seals. But how does He do it?" "How will the two witnesses and their message be received?" "The book of Revelation reveals, from more than one perspective, the emergence of this vast end-time empire governed from a great city God labels "Babylon the great", the reference here being to Rome." The Mysteries of God Revealed

This Book of Redemption is God's master plan to redeem his children back from the fall of sin caused by the serpent (Satan) in the beginning. Satan has deceived the whole world with his lies and has caused the people to sin against their creator. This book will reveal that Jesus is both Lord and Christ, Father, Son, and Holy Ghost, in One PERSON, manifested in flesh, and existed from eternity past to eternity future and that He is Supreme, not God in three persons, blessed trinity, but One God, One Person, who created the heavens and the earth in the beginning with three major titles, with three Dispensations manifesting those titles.

THE BOOKS OF DANIEL AND REVELATION: UNSEALED AND REVEALED

One of the Great Reset's goals is to destroy foundational beliefs and make us fearful, so we depend more on government, and in the process, we are losing more personal freedom because of their

increased regulations. The News seems to convey everything as a crisis, but what is important to us doesn't seem to be a crisis to news reporters or the government. Rioting has caused much damage in some cities. Some district attorneys verbally attack the police methods, and they want to prosecute them for doing their job to protect citizens. Global warming is presented as a crisis, but the Bible says summer and winter will continue as long as the earth remains. Because many people believe in evolution and others feel God, if He exists, has deserted this world, nothing seems definite that we can count on. We feel isolated and unsafe; crime has increased. People are looking for a leader who will bring peace and safety. Many different things have been said about what will happen at the end of this world and Armageddon, and in this book, you will learn what the Bible actually says about it. The Lord sent His words through the prophets to be recorded for us, and the books of Daniel and Revelation have some future events told to us in symbols. If you were ever curious and wanted a comprehensive understanding of the meaning of what will happen, the symbols and the timeline are explained in detail with the Bible verses to confirm what is written. These questions are answered by the Bible: • What is the tribulation and how long does it last? Did the Bible give us exact days? What event will start the tribulation period? What happens during it? • Did God provide an escape? What is the Rapture? • What happens after Armageddon? Because the meaning of the two books have been sealed and kept secret, important Bible verses have been overlooked, and personal beliefs caused more than one misinterpretation. Now they are unsealed and revealed because we are in the time period which will bring the return of Jesus Christ our Savior!

The Antichrist Revealed in Revelation 12

The book The Antichrist Revealed in Revelation 12 has been written as a teaching syllabus to inform mankind about a certain spirit being enemy. This spirit being enemy has caused catastrophic events upon the earth and mankind for eons. The history of this spirit being enemy is written in the book called the Bible. Most people think of the Bible as a fairy tale, but it is the accurate account of all spirit beings in the universe. God, the angels, and man are all spirit beings. God the Creator, created the angels and man in His spirit image. In the beginning, the God of heaven created the heaven and the earth, with all their spirit beings. Lucifer is a created being who lived in heaven as an archangel. Scripture passages of the bible reveal that the angel Lucifer, a servant of the God of heaven, was assigned as a covering for the spirit beings of mankind upon the earth. During the course of his duty upon the earth, Lucifer desired a lifestyle outside the realm of the kingdom of God for himself and fulfilled it by way of trafficking. Trafficking became the sin of Lucifer's downfall from the status of an angel created perfectly in his ways by God, to an angel full of iniquity, rebellion, and violence, which lead to his outcast from heaven to the earth. Lucifer uses his state of iniquity, rebellion and violence to wreak havoc upon mankind with the intent to annihilate the man from the face of the earth by any means possible. The God of heaven has revealed Lucifer to be the great dragon, the serpent called the Devil, and Satan. Satan means adversary, or enemy. Lucifer made himself an enemy to his Creator, the God of heaven. During the short time that the God of heaven has given the man to redeem himself through His Christ, Lucifer aka Satan will take this opportunity to deceive the whole world. Man must redeem himself from Lucifer, because Lucifer usurped control over the earth and Adam's posterity in the garden of Eden to cause his iniquity, rebellion and violence to prosper through the man. The creation of man began in Iraq, in the garden of Eden (Genesis 2:7-14). Lucifer rules the earth and man from the invisible spirit realm and has set up his spiritual headquarters over the Media-Persian nations (Isaiah 14:13-14, Psalm 48:2). Lucifer aka Satan, the destroyer in the kingdom of God, is the Savior of mankind, and the man of God. Lucifer will bring upon the earth his fourth catastrophe, the tribulation war of the seals, that will be certainly located in the Media-Persian nations. Lucifer will be fighting against the eviction from the earth realm and using men as arsenals of warfare for their own destruction. The stage for the tribulation war is being set imminently. This war will bring destruction and desolation to all nations upon the earth. The events of this catastrophe have been outlined from beginning to end in the scriptures. Lucifer has been sentenced in the past as the destroyer of the earth and mankind by the God of heaven for his iniquities, rebellions and violence. The book "The Antichrist Revealed in Revelation 12" puts this generation of the world in the know about their foretold present and future upon the earth. The prophecies of God, or foretold present and future upon the earth. The prophecies of God, or foretold messages of God were sent to mankind through the prophets, to reveal the endtime for all nations.

One God One People

"Daniel 12:4 But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased." Have you ever wondered when in time

this verse from Daniel would be fulfilled? When would this book be opened? This would be a time when a greater understanding of the End Times would be revealed that not even Daniel understood. This is what this book is all about. Over the last 3.5 years the books or scriptures have been opening to me. Revealing the greater picture of the End Times with clarity such as never been understood before, up until now. Here are a few questions that have been asked when it comes to the End Times: Which one is right? Pre-tribulation, Mid-tribulation or Post-tribulation rapture? What happens to the "sleeping church" if it is Pre-tribulation rapture? How does all the tribulation fit into 7 years, could it actually be more? How will the 7 churches in Revelation play out in the end? What does it really mean "as in the days of Noah"? Does Daniel 9 actually tell us 7 years? Why did the tribulation not begin when Israel was 70 years old? Are we to be baptized in Jesus Christ's name or the Father, Son and Holy Ghost? Why does everyone go to Matthew 24 to teach the End Times? Why do the gospels speak differently from each other about the same events? For example, the color of Jesus' robe at the crucifixion in each gospel, the resurrection accounts, the Olivet Discourse, and more? Who is the White Horse Rider and who are the Beasts spoken of in Revelation 6? This book will not only answer all these questions, but many more that have been asked for generations. It will also give answers to questions you may not even have considered. A whole new understanding and revelation of God's perfect plan through the ages will be opened up to your consideration and will drastically change your view of how it all fits perfectly together. I invite you to walk with me as we, together with the Holy Spirit, go from Genesis to Revelation in the opening of the End Time scriptures, like never before. A journey you will not regret. Shall we begin?

The End Times Revealed Like Never Before

This book has been written at a timely moment when many indeed lack the true knowledge of the person of Jesus Christ. The times which we are in is comparable to the event that occurred at Caesarea Philippi in Matthew 16 when Jesus asked His disciples who men and they thought He was. It was clear from the answers given that the public including the disciples of Jesus lacked the true revelation of who Jesus was. It took divine revelation imparted to Peter to reveal who Jesus was to the disciple. Bro. Osmond, a prolific writer and a matured believer in Christ inspired by the Holy Spirit has revealed in this book Jesus as a gift to humankind, His deity and attributes as Governor, Counselor, Mighty God as stated in Isaiah 9:6. He reminds believers that Jesus as a gift must be received and the recipient must grow in His knowledge and operate by His operational principles. It is at this point that the gift will be of full benefit to the recipient. Understanding the role and attributes of Jesus as Governor, Wonderful, Counselor, Mighty God, Everlasting Father and Prince of peace will enrich one's Christian life and equip the believer to access the benefits that go with His person. Another fascinating revelation expounded by Bro. Osmond is the fact that the increase of His government shall know no end. This means that anyone associated with Him and submitting to His Lordship will experience limitless favor and blessings. The message in this book has been made so simple and presented in a manner that one can use it as a Bible study guide. I recommend this book for Bible schools and Ministers of the gospel who will want to teach their flock extensively on Christ. In fact, this book should be a must for every believer. I wish to commend the author for this great work well done and pray it will bless people as it has done to me.

The Gift Called Jesus Christ

In the Bible, Genesis is the first book, the book of beginning; and Revelation is the last book, the book of closing, like the grand finale of the Bible, although you may not picture it that way. Like most people, I thought Revelation was all about things that were hard to understand. But with the Lord's help, nothing is impossible with Him, and that is what He has done for me. If you ever put a jigsaw puzzle together, you know each piece must be put in its correct place before you have a completed picture, and Revelation is like that. As we go through Revelation, puzzle pieces will be found in its chapters, beginning with seven churches. Then more pieces are found in God's wrath, starting with the seven seals, seven trumpets, seven vials, seven worship celebrations, and seven beatitudes. And each of those sevens will form a completed picture of how the end-times are revealed in Revelation. The thousand-year Millennium is next, with Jesus Christ ruling and reigning on the earth as the King of kings. And after that, Satan and sin is finished forever, and eternity begins without end! In this study of Revelation, we will see it is an amazing book with a wonderful ending! So why study Revelation? Because in Revelation 1:3, we are told, "Blessed is he that readeth, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand."

The Little Book of Methodist Faith and Tradition

The end of this world as we know it is near. The book of Revelation is the most prominent book in the Bible when it comes to revealing the events of the end times. Revelation has been misunderstood by ministers and laymen alike since its canonization in the Bible. It has been interpreted in so many ways that it is confusing to the average Bible student, therefore, many today make very little or no attempt to understand its truths. This book, however, uses a different method of interpreting the Revelation. It uses the 39 books of the Old Testament and 27 books of the New Testament in the Bible to interpret the book of Revelation -- Scripture interpreting Scripture. You see, God has hidden the symbols and mysteries of Revelation within the Bible itself. When we make this amazing discovery we will have more...Understanding Revelation, the title of this book. Jack Hilliard received his BS and MBA from California Coast University. He has been a student of the Bible since his salvation experience in 1978. He has taught a class in Revelation, a walk through the Old and New Testament of the Bible, Teaching teachers, etc. He has served the Lord in many ways since 1978 including service as a Sunday School Teacher, Chairman of the Personnel Committee, Member of the Finance Committee, Deacon, and Chairman of the Deacons, etc. He retired in 2005 after serving 35 years in the utility industry where he received many awards and commendations from superiors and peers. Jack heard the calling from the Holy Spirit approximately 7 years ago to write a book on Revelation. This book is an answer to that call. Within the Bible are passages from the Old and New Testament that reveals the mysteries and symbols of the book of Revelation. There are many of those passages defined in this book.

The End Times Revealed in Revelation

Some key points revealed in this Book are: *The seven horns and seven eyes of the Lamb, what are they? *The dangerous beast, popularly known as the anti-Christ. Who is he? How can he be recognised? When will he be revealed? *Who is the great harlot? *Who is the woman who rides the dangerous beast? *When will the wrath of the God be poured upon the whole earth? *The three Woes. What are they? *How many people on the earth will be killed by the outpouring of the wrath of the God? *When will the anti-Christ start to kill one quarter of the population of the earth? Who are those to be killed by the anti-Christ? *The geography of the whole earth will be changed. When will this happen? *How can true believers be saved during the times of the great tribulations? *How can other mankind upon the earth be saved from the wrath of the God and the killing of the anti-Christ? WHY THE RELEASE OF THIS BOOK? The book of Revelation, the last book of the Bible is perhaps the most difficult book to understand because of the intrigues and changes of scenes and requires an in-depth understanding of the gospel of salvation. It can only be understood through the revelation of the Holy Spirit. The author started to write about the book of Revelation in 2008 but left unfinished because certain key revelations were not known; but was able to complete in 2010 when the remaining key revelations were understood. Many authors through the years have attempted to unravel the true meanings of the book of Revelation but with little degree of success. Understanding the book of Revelation becomes CRITICALLY IMPORTANT to all mankind in the last days which we are in. WHY? Because toward the last days the anti-Christ will reveal himself and also the wrath of the God will also be poured upon the whole earth. Unless we understand the workings of the anti-Christ and the requirement to escape from the wrath of the God, we may not be saved. The beginning and end of the book of Revelation contain the same warning and encouragement from the God to those who read it - that those who keep the word of the prophecy in the book of Revelation would be supremely blest ("makarios"). Whenever the Lord Jesus Christ used the word "makarios" in the Bible, it always means that those who are "makarios" will receive everlasting life. The contents of this Book - Understanding the Book of Revelation should be tested against the unadulterated Word of the God(the original texts of the Holy Bible) to prove and or disprove its veracity.

Judgment Begins With the House of God

God has revealed himself to his servant to write this great revelation about the signs of the End Times according to the biblical prophecy and its fulfilment in these last evil days of mass media as predicted by the Lord Jesus Christ there will be wars, famine, earthquakes, and a false Messiah. This book is the result of ten years of studying and meditation of the book of Matthew, chapter 24, as directed by the Holy Spirit to make people aware of the End Times signs and to awaken humanity about the End Times and get people ready for the coming of the Lord Jesus Christ. Signs of the End Times as Predicted by Christ The destruction of the temple foretold. Many shall come in my name, saying, I am Christ. Rumours of wars. Famines and pestilences. Earthquakes in diverse places. False prophets shall rise. False prophets. The Gospel must be preached as a witness. Great tribulation. The fulfilment of the biblical prophecy.

Jesus Christ Returns in This Generation!: Following the Bible, the Greatest Book Under the Sun.

The book of Revelation is unlike any other book in scripture, filled with symbols and apocalyptic language. It has become a magnet for some, and confusion for others; while still others ignore it altogether. There are many today who believe and hold that the book of Revelation is not about the future, but rather the past, fulfilled with the destruction of the Jewish Temple and city of Jerusalem in 70 A.D. by the Roman armies. While many others hold that the book of Revelation is prophetic and was written for a future time beyond the judgment that fell on the Jewish nation in 70 A.D.; and continues to be debated today between these two Christian camps: the Preterists and Futurists. It is vital that the people of God are given the truth about prophetic scripture. Today it is a fact that false teachers are everywhere in the body of Christ, and have all but snuffed out the light of Christ's prophetic truth. We of the body of Christ cannot continue to sit on the sidelines and remain silent. We must, as good soldiers in Christ arise and go forth in battle to defeat our Lord's enemies wherever they may be found. As soldiers of Christ we do this with the weapons at our disposal that God gave us; the Sword of Christ, the Sword of Truth, the Holy Scriptures. Many times the question has arisen, "What difference does it make?" Our response is; a proper view of eschatology (a study of end of the age times) is important because God has revealed his truth to us and it is our responsibility to be diligent students in understanding that truth. Disregarding or minimizing any part of it is poor stewardship. It is never acceptable to say "I could be wrong, but I remain comfortable on my views, and don't want to bother with other views." It is a fact today that someone has to be wrong and is teaching error! And it certainly is not the Holy Spirit teaching those errors of scripture in the body of Christ! Therefore, if one view is correct, the others are wrong. The failure to study this issue, and others, forces us to hold one position or another, that is one's doctrines, as a matter of tradition, rather than the Inspired Doctrine of Scripture. While a lot of people go to church, very few actually know the Bible and take Jesus Christ our Lord seriously. Secular Christianity has been watered down, especially in the area of God's Word and its meaning; resulting in great division and confusion concerning many passages seen throughout scripture. The New Testament authors did write about prophecy but a good percentage of their prophetic messages dealt with the immediate fate and future of national Israel. Thus, when they wrote prophetically they wrote primarily about Israel's last days (i.e. end of OC age) while writing prophecy about the early Church's end of the age to come for them, as we read in Hebrews: "So Christ was once offered to bear the sins of many and unto them that look for him shall he appear a second time without sin unto salvation" (Heb. 9-28). The last days are different from the end times. The last days refer to the last days (age) of Old Covenant Israel; as the body of Christ was being brought in during that 40 year transition period. It was to be the last days for national Israel, but not for the New Covenant Church; its age had

just begun, because of God's Grace and the Blood of Jesus Christ our Lord; brought about for the salvation of mankind. In our day, there have come many scoffers both inside and outside of the church, saying that the return of Christ is many, many years away, and others doubt or even deny his coming at all. At present, to most in the world, they do not appear to be threatened by the return of Christ despite the world's present condition in its moral standing with God. Despite the war in Afghanistan and Iraq, as well as the Israeli-Palestinian conflict, despite North Korea and Iran's nuclear stance, a world economy in a near total collapse; many in the secular media procla

Signs of the End Time 21st Century Fulfilment of the Bible Prophecy Matthew 24

In his second book, "A Revelation Story Revealed", Dr. T.R. Lawson reveals why he chose to write his first book, "A Revelation Story", as he did. He takes the reader through each chapter of his previous book, explaining his thinking behind the writing choices he made and providing back up scriptures for them. While his first book was a fictional story, this book addresses much of the scripture which has to do with end-time events. Because the Book of Revelation is much like a jig saw puzzle with many pieces that must be properly fitted together, Dr. Lawson takes the reader on a line-by-line, chapter-by-chapter journey through it. "A Revelation Story Revealed" includes 28 Microstudies which are a treasure trove of scripturally backed studies that go into detail about various subjects including: "All About 666"; "Demotion Theory"; "The Great Tribulation"; "The Parable of 10 Virgins"; "Nebuchadnezzar's Dream and Mystery Babylon"; "The Doctrine of Balaam"; "Spiritual Switchism"; "Spiritual Maturity Theory", and more. Dr. Lawson also includes his personal testimony, and the special sign God gave him which reveals a hidden trend throughout the Bible. Believing that as of December 6th, 2017, when the U.S. officially recognized Jerusalem as the official capital of Israel, the timeclock for the last generation has started, he feels called of God to be a specific voice to this last generation, as validated by his God-given sign. For any who don't know the Lord, he invites you to come and know Him, and to personally experience His free gift of salvation. For those who do know the Lord, he encourages you to learn how to walk in spiritual maturity and overcome the evil one. This will be especially important in the coming days as we draw closer to the coming of the Lord and stand against the ever-increasing spiritual darkness that seeks to overtake the world.

A Revelation Story Revealed

In fifteen thorough chapters David Ewert surveys the whole range of New Testament authors to discover what they have to say on the Holy Spirit and what this means for the life of the believer and for the church. To add another book on the Holy Spirit to the great number available is a daunting undertaking, the author admits. One can only hope that by ordering the biblical materials in a new way, familiar truths will shine with new luster. Perhaps by bringing the relevant biblical passages to bear on the life of the church in our day old truths can be seen in a new light. The material is organized in three parts: (1) The Promise of the Spirit, considering all the passages of the Gospels that speak of the Holy Spirit; (2) The Coming of the Spirit, dealing with the Pentecostal outpouring of the Spirit in the book of Acts and the continual overflow of the Spirit in the expansion of the church; and (3) The Spirit in the Life of the Believer, studying what the apostles have to say about the Holy Spirit in the epistles. Many have instinctively sensed that the teaching of the New Testament on the Holy Spirit is a key that unlocks many doors, the author notes. Jesus likened the Spirit to the wind, with its mysterious and numinous character. Just as we can hear and feel the blowing of the wind, by God's grace we can experience the presence and the power of the Spirit, if we are willing to get in the path of God's wind.

The Bible Bathroom Book

Any study in the book of Revelation must focus upon one key theme. The first five words of this book, "THE REVELATION OF JESUS CHRIST"

The Holy Spirit in the New Testament

And God said to me: "If you are a preacher, evangelist, pastor, bishop, prophet or prophetess, man, or woman of God, and you have preached or you preach in all over the world but your preaching do

not or doesn't achieve the elements or the components of PREACH--preach, repentance, end times, atonement, confession, Holy Spirit--then you haven't preached yet because this is exactly what I meant to my followers (disciples) when I urged and authorized them to 'Go into the entire world and preach and publish openly the good news (the Gospel) to every creature of the whole human race. He who believes (who adheres to and trusts in and relies on the Gospel and him whom it sets forth) and is baptized will be saved (from the penalty of eternal death); but he who does and trust in and rely on the Gospel and he whom it sets forth will be condemned. And these attesting signs will accompany those who believe: in my will speak in new language; they will pick up serpent; and (even) if they drink anything deadly, it will not hurt them; they will lay their hand on the sick, and they will get well (Mark 16:15-18)."

UNLOCKING REVELATION Chapter FOUR Volume 4 of 22

Revelation meaning the Greek word: Apocalypse - to reveal, to uncover and to unveil. Who is God speaking to in the book of Revelation? Are we living in the days that the book of Revelation is talking about? The next greatest event on God's calendar is about to come to pass. Prophecy is history written before hand. Revelation is history in reverse. This book is simply the effort to eliminate the fears and misunderstanding of the concept of the book of Revelation. People say that the book of Revelation cannot be understood and in essence do not attempt to read it. God meant for us to understand the book of Revelation and He had to have it written so that it would be applicable to the people four thousand years ago as well as the people of today. When you are writing about something in the future, events, technology and things will change; so you would have to write it in a way that it could be for all times. It is called Revelation because God therein discovers those things, which could have never been sifted out by the reasoning of human understanding. These are the deep things of God, which no man knows, but the Spirit of God, and those to whom He reveals them to. I am a servant in the ministry of the Lord Jesus Christ. I am deeply indebted to all who have laid the foundation before me. I have sought to give credit to whom credit is due. This book reflects the toils and tears of writers whose efficiency and eloquence have inspired me. It is my desire and endeavor to inspire others to explore in the reading of the scriptures. May the grace of our Lord and Savior Jesus Christ and the sweet communion of the Holy Spirit, rule, rest and abide from henceforth and forever more. Amen! Evangelist Linda

PREACH

The Bible as the complete divine revelation is profound. Although it reveals many truths, in The Basic Revelation in the Holy Scriptures, Witness Lee points out that the Bible's essential revelation is embodied in seven truths. They are God's plan, Christ's redemption, the Spirit's application, the believers, the church, the kingdom, and the New Jerusalem.

The Book of Revelation

All of God's physical Creation reflects a higher spiritual Reality. In that Creation, light is synonymous with Truth or God; who is the source of Truth. It should surprise no one that when you unwrap light to find the Rainbow, the Rainbow gives a detailed account of what God is all about. He is about loving and saving mankind by wooing them into the Rainbow Covenant of Marriage. From the red blood sacrifice of the Gospel Truth of Jesus, to the purple royalty of the Holy Spirit; God's constant and repeated message is that there is only one way to attain the purple royalty that is God's. That way is through faith in the red blood sacrifice of Jesus as the propitiation for our sins. He is the only gate or door into the Rainbow Covenant. We are all spiritual Cinderella's, enslaved to the 3 evil stepsisters of the world, the flesh and the Devil. But the Prince can raise us up out of the ashes and into the beauty of a royal mansion. There is another option, however. We can reject God's suit and pursue a life of self-will. We know that marriage means the death of self-will. This book describes the Dark Path of Separation from God that is the shadow opposite of the Rainbow Covenant of Marriage. Cain was the first to tread this path to its bitter end; which for mankind in this Age of Engagement, is incontrovertible sentencing or engagement to separation from God in the Lake of Fire. But it is God's will that all be saved. There's more than enough room in the lifeboat that I choose to call, "The Rainbow Covenant".

The Basic Revelation in the Holy Scriptures

The revelation of Christ reveals, brings and talks about Christ and his personal nature. It talks about how Christ has been in existence, even before the foundation of the earth as the Son of the living God. How he manifested in the person of Jesus Christ to reveal the Father to the world. It also throws

light on some of the purposes for which he was sent by the Father, being, to destroy the works of the devil by the Power of the Holy Ghost, reconcile mankind to God; and how he has entrusted the same power unto the Body of Christ, the Church. The church of Jesus Christ needs to rise up, manifest and demonstrate for Christ to be seen in and through their lives as a witness by the power entrusted to them through the Holy Ghost. Revelation of Christ reveals Christ as never before and needs to be read by both Christians to strengthen their faith and to build intimacy with the Father. The writing of this book is purely by the inspiration of the Holy Spirit and the living Word of God. All credits go to the heavenly Father. Dedications and appreciations First and foremost to the Almighty God who inspired and has made this project a success and to the Body of Christ for whom this book is written, my wonderful wife, Hilde Van Eetvelde and our three children; Leroy, Lewis and Lloyd. To the brethren in Belgium who have stood together with me in prayer all these years; Pastors Richmond Quarcoe, Michael Acheampong, Nicholas Amoh, Emmanuel Otoo, Erik Schobbens and families; God bless you all richly. Let us believe for the Body of Christ in Belgium to rise up in faith, in love, unity and harmony.

The Revelation of Christ

The divine revelation in the holy Scriptures follows a central line concerning the person and plan of our unique Triune God. This revelation is progressive, beginning with God in Genesis 1:1 and culminating in the all-inclusive Christ in Revelation. The sixty-six books of the Bible reveal that the center and highest point of the divine revelation is Christ, who today is realized in our experience as the life-giving and indwelling Spirit. In this Spirit we have everything related to the Triune God, including the all-inclusive death, the powerful resurrection, and all the unsearchable riches of Christ. The central line of the Bible reveals that our wonderful Triune God, who is our portion and day-by-day supply, desires to impart all that He is into us to constitute and build us up as the Body of Christ. In The Central Line of the Divine Revelation, Witness Lee fully unveils this central truth, beginning from Genesis and concluding in Revelation with the New Jerusalem.

God's Grand Finale

Churches the world over are claiming to embrace Christianity while they embrace the world with a consuming passion. Biblical wickedness is at astounding levels and being embraced by the professing church. A religion which denies that Jesus is the Christ is rising on the world scene like a raging inferno. The cries of our slain unborn are crying out to God like the blood of righteous Able. Armies are massing around the borders of Israel. The world is embracing a doctrine of "Every man has a right to do what is right in their own eyes". Mothers are killing their own children leaving the natural affection of motherhood. Persecution against the church is on the rise. Are we in the last days spoken of by our Lord Jesus Christ? The love of many has grown cold toward God but immorality in the church is fueling the flames of sin. We must be about our Fathers business and trim the wicks so that we can witness, live and preach in the power of the Holy Spirit in these trying times. This book is an appeal to the Christian. It is laying bare the truth that we are at the midnight hour. It is not an explanation of the Book of Revelation. It is an exhortation to turn to Christ with all of our hearts that we may be found in him with our whole heart. I hope you get the blessing and exhortation in Christ that is the driving force behind this book. It was my fingers that typed but it is Gods burden, The Holy Ghost guidance and the Lord Jesus Christ love that compelled me to write. May God bless you abundantly in the Spirit of Christ as you read. In Christ wonderful and everlasting service, Rev. RonnieHixon

Amazing Concepts

This thrilling volume will help readers prepare their hearts in expectation, be watchful for the approaching work of God, and build a deeper relationship with Him. Through Spirit-inspired teaching, respected scholar and theologian R. T. Kendall uses Jesus's parable of the ten virgins to describe the condition of the church in the last days. Many Charismatics and Pentecostals assume that what we have seen in the one hundred years since Azusa Street is the final movement of God before the Second Coming. Kendall explains that this is not so and reveals that a movement of the Holy Spirit, which is one hundred times greater than anything yet experienced — indeed the greatest since Pentecost — is about to unfold. It's time to wake up! 'A timely warning . . . written with passion and conviction' Ken Costa, Churchwarden, Holy Trinity Brompton, London 'R. T. Kendall rightly calls us to hope and work for the day when the Word and Spirit will come together—and what a revival that will be!'
