Round-up

Grammarway is a series of four grammar books in full colour. Designed for learners of English at beginner to intermediate level, they systematically practise and revise English grammar structures. The series can be used to supplement any main coursebook at secondary level and is suitable both for self-study and classroom use.

Primary Grammar and Word Study: Ages 5-6

Grammarway is a series of four grammar books in full colour. Designed for learners of English at beginner to intermediate level, they systematically practise and revise English grammar structures. The series can be used to supplement any main coursebook at secondary level and is suitable both for self-study and classroom use.

Round-up

Are standards of English alright - or should that be all right? To knowingly split an infinitive or not to? And what about ending a sentence with preposition, or for that matter beginning one with 'and'? We learn language by instinct, but good English, the pedants tell us, requires rules. Yet, as Oliver Kamm demonstrates, many of the purists' prohibitions are bogus and can be cheerfully disregarded. ACCIDENTS WILL HAPPEN is an authoritative and deeply reassuring guide to grammar, style and the linguistic conundrums we all face. 'A unique and indispensable guide to usage' STEVEN PINKER 'An immensely intelligent and playful polemic, cheeky and erudite by turns...certainly gets the blood pumping, so do read it' THE TIMES 'A superb book' INDEPENDENT

New Round Up 5 Student's Book + CD

Grammarway is a series of four grammar books in full colour. Designed for learners of English at beginner to intermediate level, they systematically practise and revise English grammar structures. The series can be used to supplement any main coursebook at secondary level and is suitable both for self-study and classroom use.

Grammarway 1

Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

The British National Bibliography

Grammarway. Student's Book. Ediz. Internazionale. Per Le Scuole Superiori

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Grammarway

This book provides grammar exercises for students working with a teacher. The book can be used in any order depending on the personal needs of the students and the exercises are not arranged in order of increasing difficulty, but are marked with asterisks to indicate their relative degree of difficulty.

Grammarway 3

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students

until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

Teacher's Workbook & grammar book B

Fully updated and revised, this fourth edition of Halliday's Introduction to Functional Grammar explains the principles of systemic functional grammar, enabling the reader to understand and apply them in any context. Halliday's innovative approach of engaging with grammar through discourse has become a worldwide phenomenon in linguistics. Updates to the new edition include: Recent uses of systemic functional linguistics to provide further guidance for students, scholars and researchers More on the ecology of grammar, illustrating how each major system serves to realise a semantic system A systematic indexing and classification of examples More from corpora, thus allowing for easy access to data Halliday's Introduction to Functional Grammar, Fourth Edition, is the standard reference text for systemic functional linguistics and an ideal introduction for students and scholars interested in the relation between grammar, meaning and discourse.

Welcome plus

Mission 1 and Mission 2 are specifically designed to meet the requirements of the Cambridge First Certificate in English examination or any similar examination. They effectively combine language development and extensive exam training for all five papers (Reading, Writing, Use of English, Listening and Speaking). Mission 1 is intended for intermediate learners and Mission 2 for upper-intermediate learners.

New Grammar Time

Focused on the dual aspects of access and quality, this publication discusses the role of textbooks in facilitating quality education for all. The book consists of reviews of the international perspectives as well as case studies on Brazil, Russian Federation, and Rwanda. It also documents strategies that could help to optimise procedures of textbook development, production, and evaluation; enhance textbooks' pedagogical impact; improve teachers' selection of textbooks; and raise textbook supply efficiently.

Accidence Will Happen

The series is specially designed for students from intermediate to proficiency level. Each book consists of five modules and provides systematic preparation in all four language skills - listening, speaking, reading and writing - required at these levels. The Student's Book and the Workbook are designed to be covered in approximately 100 to 120 hours of classroom work.

Mission 2 : Coursebook : Teacher's Book

Draw on Your Emotions is a bestselling resource to help people of all ages express, communicate and deal more effectively with their emotions through drawing. Built around five key themes, each section contains a simple picture exercise with clear objectives, instructions and suggestions for development. The picture activities have been carefully designed to help ease the process of both talking about feelings and exploring life choices, by trying out alternatives safely on paper. This will help to create clarity and new perspectives as a step towards positive action. Offering a broad range of exercises which can be adapted for any ability or age from middle childhood onwards, this unique book explores a range of emotions surrounding a person's important life experiences, key memories, relationships, best times, worst times and who they are as a person. This is an essential resource for therapists, educators, counsellors and anyone who engages other people in conversations that matter about their relationship to self, others and life in general. This revised and updated second edition also contains a new section on how to use the superbly emotive The Emotion Cards (9781138070981) to facilitate deeper therapeutic conversations.

Double Click 3

This series is specially designed for students from absolute beginner to pre-intermediate level. Each book consists of five modules and provides systematic preparation in all four language skills - listening, speaking, reading and writing - required at these levels. The Student's Book and the Workbook are designed to be covered in approximately 60 to 80 hours of classroom work.

CAE Practice Tests is a collection of six complete practice tests for the revised Cambridge ESOL Certificate in Advanced English examination (CAE). The tests are presented in the form that students will meet in the examination, and provide thorough, systematic exam preparation and practice. Key

Features: The six CAE tests cover the range of topics, vocabulary and structures included in the CAE syllabus. The recorded material on the accompanying audio CDs with instructions, pauses and repeats, provides genuine examination conditions for the Listening Test. The full-colour photographs and illustrations provide excellent visual material for the Speaking Test. Photocopiable sample answer sheets in both the Student's and Teacher's Books provide students with valuable practice in transferring their answers from the exam papers within the time limits of the real exam. The Teacher's Book contains all the Student's Book material with the answers overprinted, model answers for the Writing Paper, tapescripts of the recorded material, expanded versions of all six Speaking Tests with suggested answers and detailed instructions for conducting the oral part of the exam.

Double Click 2

Grammarway with answers is a series of four books for self-access study and/or classroom use. Grammarway with answers contains a full key to all the exercises and is an ideal supplement to any main coursebook of English language learning at secondary level. The two versions of Grammarway are not interchangeable.

Upstream Proficiency C2 Teachers Book

JETSTREAM is a brand new digital-age 6-level course for adult learners. Its carefully balanced pace and challenge offer a learning experience that is fun and motivating and which prepares students to use their English effectively in work and life.

Upstream advanced C1

The books consist of a collection of six complete practice tests each for the Cambridge ESOL Certificate in Advanced English (CAE) examination. The tests have been designed to reflect the exam type tasks according to the most recent CAE specifications, which were introduced in December 1999. Therefore, they provide excellent preparation for the Cambridge CAE examination as well as any other examinations at the same level.

Double Click 3

Grammarway is a series of four grammar books in full colour. Designed for learners of English at beginner to intermediate level, they systematically practise and revise English grammar structures. The series can be used to supplement any main coursebook at secondary level and is suitable both for self-study and classroom use.

Mission 1 is intended for intermediate learners and Mission 2 for upper-intermediate learners.

Draw on Your Emotions

Enterprise 1 and Enterprise 2 each consist of four modules and are designed for learners of English at early-secondary level. The course focuses on the gradual development of all four language skills - listening, reading, speaking and writing. The Student's Book and the Workbook for each level are designed to be covered in approximately 80 to 90 hours of classroom work.

Spark 2

Practical, engaging guide to helping early childhood educators understand and address the needs of English language learners.

Upstream. Pre-intermediate. Student's book. Per le Scuole superiori

The listening and reading texts are drawn from a range of authentic sources. An in-depth treatment of grammar enables students to work out grammatical rules and helps them achieve greater accuracy through a better understanding of how language works. There is a thorough skills syllabus, with all

four skills systematically developed and integrated through related tasks. There is extensive work on vocabulary, with particular emphasis on the most frequently used verbs, phrasal verbs, idioms, and compounds. Integrated pronunciation practice is provided throughout. 'Postscript' sections provide an opportunity to practise everyday English in situations (such as airports and hotels), or survival areas (such as telephones and directions). There is a particular focus on the grammar of spoken English. The topics - including homelessness, pre-nuptial agreements, and the effects of tourism - have all been chosen to appeal to adults and young adults.

Spark 1

English File Elementary Student's Book is suitable for CEFR level A1-A2 English File, third edition, provides a balance of grammar, vocabulary, pronunciation and skills to give students the right mix of language and motivation to get them talking. With lively lessons and engaging topics, classes are enjoyable and provide opportunity for students to practise and improve. Support for teachers includes a Teacher's Book with over 100 photocopiables along with extra tips and ideas. The Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook on-screen and interactive.

Double Click 3

The book provides systematic development of students' listening and speaking skills. It also offers excellent preparation for the revised Cambridge First Certificate Examination for December 2008 or any other examinations at the same level. The book is divided into two parts: Part A consists of ten complete listening tests. The recordings are based on authentic listening material and make use of various accents and sound effects. Part B consists of ten speaking tests and covers a wide variety of topics such as holidays, entertainment, etc. Each Speaking Test is preceded by a Preparing for the Speaking Test section. In this section, students are familiarised with the essential language (vocabulary, useful expressions, discourse markers, etc) and ideas necessary for the test itself. Students are also trained to organise their speech coherently and to display an appropriate variety of linguistic resources. There are also two additional Speaking Tests at the end of the book to prepare students to meet the requirements of the exam. Class Audio CDs include instructions, pauses and repeats, creating genuine exam conditions.

6 Secret Phrases That Instantly Persuade People - 6 Secret Phrases That Instantly Persuade People by Charisma on Command 2,475,585 views 6 years ago 8 minutes, 32 seconds - Persuasion. When someone is persuaded, it's amazing how positive things turn out. Some psychology on how to persuade ...

First persuasion phrase is to let them think it won't be a big deal

A person will more likely be persuaded if you bring empathy to the table

Make them see you in a positive light and work on your psychology prowess

Call them by their name

Another persuasion tactic is the use of the Yes Ladder

Use the power of "because"
