

An Historical Review Of The Spanish Revolution Including Some Account Of Religion Manners And Literature In Spain With A Map

[#Spanish Revolution](#) [#Spanish History](#) [#Religion in Spain](#) [#Spanish Literature](#) [#Manners and Customs Spain](#)

This historical review delves into the complexities of the Spanish Revolution, offering a comprehensive account of the period. It provides insights into the socio-cultural landscape of Spain at the time, exploring the influence of religion, the prevailing manners and customs, and the flourishing literary scene. A map accompanies the narrative to provide geographical context and enhance understanding of the events unfolding during the revolution.

An Historical Review of the Spanish Revolution

Excerpt from An Historical Review of the Spanish Revolution: Including Some Account of Religion, Manners, and Literature, in Spain If the forbearance of some, and approbation of others, arose from a belief that the interests of my country had a greater share in urging me to incur the ordeal of criticism, than the vanity of authorship, it affords me an additional source of consolation. The tone of impartiality I have adopted now, as on every former occasion, and those modifications of opinion, suggested by a more careful examination of facts, will necessarily expose me to the censure of those, who think consistency in error to be the best criterion of virtue. Invariably actuated by a desire to promote the happiness of the greater number, I had no other course left, than the one I have pursued: satisfied, that the surest, perhaps the only way of diminishing those fatal effects, which the slavery of party and faction have, heretofore, exercised on the liberties of mankind will be found in observing the strictest impartiality towards all those who divide political society, I have never lost sight of that object in the following pages; though this path neither leads to ministerial patronage, emolument nor place, yet it is that which honour and patriotism dictate. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

An Historical Review of the Spanish Revolution

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
