Miss Piggy's Guide to Life

Miss Piggy takes the reader on a tour of her art museum which houses several muppet masterworks including Gainsborough's "Green Boy."

Miss Piggys Guide to Life

More than 50 celebrities share their favourite recipes with Miss Piggy. Humorous delivery and well illustrated.

Miss Piggy's Treasury of Art Masterpieces from the Kermitage Collection

Now the goddess of romance herself tells you her secrets for getting what you want, getting rid of what you don't, and getting the most of love, life, and yourself. Move over Ellen and Sherrie, "Miss Piggy's Rules" is the only book you'll need. Spanning the entire are of relationships -- from dating through commitment and out the other side -- this guide is about discovering and landing that object of your desire, turning him into the love of your life, and dealing with him (and yourself) after he has become "the supreme scum of the universe". Divided into 3 sections, "Miss Piggy's Rules" humorous approach sets you straight on the do's and don'ts of love: -- Dating: The Beginning -- Finding and Getting Mr. Right -- The Relationship -- Getting Mr. Right's Stuff -- The Afterlife -- Getting Rid of Me. Wrong (and Getting on with Your Life!) Plus a special bonus section -- Moi's Guide to Getting Even! (Because sometimes he deserves a good deal more than goodbye.) Included are quizzes, top ten lists on such topics as what to wear and when to call collect, diagram, and charts, and "Dear Piggy\

In the Kitchen with Miss Piggy

Kermit took the media by storm with the hardcover publication of his guide to life. Now in paperback, here is the hilarious and inspirational froggy philosophy that has redefined self-help for the '90s. Includes "I'm Okay, You're a Pig\

Miss Piggy's Rules

Kermit the Frog shares the behind-the-scenes story of his climb from swamp to Hollywood, and offers advice on attaining dreams, finding love, overcoming obstacles, and other topics.

One Frog Can Make a Difference

From one of the most famous divas of our time comes *The Diva Code: Miss Piggy on Life, Love, and the 10,000 Idiotic Things Men Frogs Do*. Over her years of celebrity, Miss Piggy has gleaned, glommed, and garnered much wisdom about what's wrong with everyone else and what's right with her. Now, in the latest book from the Muppets, Miss Piggy is ready to share with vous her best advice on love, fashion, career, attitude, and her secrets of diva-dom! It's time for you to release your inner diva! Get what you deserve! And give others exactly what they deserve! Take, for example, Miss Piggy's insights on a few of the idiotic things men frogs do... HE'S JUST NOT READY TO COMMIT--You give him the pleasure of your company (plus untold hours of prep time) and in return he's not willing to commit to anything. Mention a romantic getaway, a steady and exclusive dating policy, a long-term relationship, marriage . . . and he runs for the exit! WHAT VOUS NEED TO DO: The best defense is a good offense, which means that you must never give up trying to make him commit. Remember: Never stop being offensive. HE'S STATUS OBSESSED--It's all about the label, the fancy car, the platinum-encrusted watch, the vacation place in Gstaad, and the showy perks. WHAT VOUS NEED TO DO: Give moi his number. HE'S A NARCISSIST--This guy can usually be found at the gym defining his triceps, biceps, bicuspid, you name it. And when he's not pumping iron, he's primping in front of the mirror--tweezing, conditioning, moisturizing, and otherwise invading your personal grooming space. WHAT VOUS NEED TO DO: Ask yourself if he's such a hunk that he's worth it. If so, get more mirrors. If not, dump him . . . but get more mirrors anyway. After all, narcissism isn't a bad thing if it's about vous.

Before You Leap

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

The Diva Code

Pepe the King Prawn is no ordinary shrimp. He's an entrepreneur, a raconteur, a ladies' prawn, a schemer, and a specialist at looking on the bright side of life! Known for his hilarious, uninhibited honesty and his smooth-talking way with the ladies, Pepe has finally written the book everyone has been begging him to publish. (Well, actually they wanted him to publish his little black book. But some things are priceless, okay.) From family and friendship to romance and roguery--plus everything in between--Pepe's words of wisdom will delight readers of all ages. Served up hot, fresh, and filled with wit, pith, and a dash of salsa--this is Pepe's guide to life, love, and livin' large. Pepe is a prawn for our time, guaranteed to make your life lively, hot, and very, very spicy!

Lord of the Flies

A Liverpudlian *West Side Story*, *Blood Brothers* is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. *Blood Brothers* was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

It's Hard Out Here For a Shrimp

Written for time-strapped women wanting quality, authentic experiences, "The Goddess Guide" uncovers the secrets of living an unforgettable and desirable life.

Blood Brothers

Kermit, Piggy, Gonzo, Animal, and other Muppet characters will spark the kids' interest and satisfy their curiosity about the world, the universe, and everything. Fun topics include: Records, animals, how things work, sports and games, the universe, plants and flowers, remarkable people, and other strange and interesting facts. 390 four-color illustrations and Muppet photographs to accompany each fact.

The Goddess Guide

Hadley Freeman, Guardian features writer and author of the popular 'Ask Hadley...' column, reminds the modern lady to 'Be Awesome'.

Kermit's 501 Fun Facts

A good book has the power to touch readers and provide insightful commentary into the human condition and current events. This title examines the greatest literary hits to take America by storm from the 1950s to present day.

Be Awesome: Modern Life for Modern Ladies

Featuring German-born, London-based Wolfgang Tillmans, winner of the prestigious Turner Prize, this is the catalogue of the first museum exhibition of the young photographer's works. Here, one sees in his humanistic works, Tillmans controversial approach in blurring the lines between commercial and fine art. (Harvard University Art Museum)

American Life and Best Sellers from The Catcher in the Rye to The Hunger Games

A spirited and revealing memoir by the most celebrated editor of his time After editing The Columbia Review, staging plays at Cambridge, and a stint in the greeting-card department of Macy's, Robert Gottlieb stumbled into a job at Simon and Schuster. By the time he left to run Alfred A. Knopf a dozen years later, he was the editor in chief, having discovered and edited Catch-22 and The American Way of Death, among other bestsellers. At Knopf, Gottlieb edited an astonishing list of authors, including Toni Morrison, John Cheever, Doris Lessing, John le Carré, Michael Crichton, Lauren Bacall, Katharine Graham, Robert Caro, Nora Ephron, and Bill Clinton--not to mention Bruno Bettelheim and Miss Piggy. In Avid Reader, Gottlieb writes with wit and candor about succeeding William Shawn as the editor of The New Yorker, and the challenges and satisfactions of running America's preeminent magazine. Sixty years after joining Simon and Schuster, Gottlieb is still at it--editing, anthologizing, and, to his surprise, writing. But this account of a life founded upon reading is about more than the arc of a singular career--one that also includes a lifelong involvement with the world of dance. It's about transcendent friendships and collaborations, "elective affinities" and family, psychoanalysis and Bakelite purses, the alchemical relationship between writer and editor, the glory days of publishing, and--always--the sheer exhilaration of work. Photograph of Bob Gottlieb © by Jill Krementz

Vans and the Truckin' Life

'A joyous, breezy read ... It is also beautifully written' DAILY TELEGRAPH 'Funny and self-deprecating and just as laid-back as he is on camera' INDEPENDENT 'Just like an extended edition of a brilliant Parkinson on television - engrossing and entertaining' IRISH TIMES 'I recommend it heavily. It's a wonderful book' MELVYN BRAGG * * * * * All Michael Parkinson really wanted to do was play cricket for Yorkshire and England. However, he soon realised that to be paid to watch films, football and cricket would be the best way to spend life, and he became a journalist. Television beckoned and for three decades Parkinson interviewed the movers and shakers of the late twentieth century, making his television programme the must-see event of the week. In singing with Bing Crosby, dancing with Billy Connolly, flirting with Miss Piggy and sparring with Muhammad Ali, Parkinson proved himself one of the most engaging and durable hosts in both Britain and Australia. In Parky he recalls a full life with honesty, insight and humour.

Wolfgang Tillmans

By the end of its five-year run on television, The Muppet Show had transformed its motley cast from fistfuls of felt to multi-media celebrities. Sophisticated and highly individuated, each of the Muppets embodied a conventional character type from classic television comedy. Kermit functioned as straight man to the majority of the show's jokes. Miss Piggy, the resident diva, evolved from first season chorus girl to full-fledged megastar. A Costello to Kermit's Abbot, Fozzie peddled his vaudevillian shtick to a tough audience, but his genuine sweetness made him lovable even when his jokes were lame. These essays represent the work and ideas of a global community of scholars and Muppet enthusiasts, providing a unique perspective on just how Kermit and the rest of the frogs, dogs, bears, and chickens became cultural icons with influences reaching far beyond the world of 1970s television comedy.

Avid Reader

The traditional closed rhinoplasty procedure used to produce unstable results, including the "polly beak" deformity, and has largely been replaced by open rhinoplasty, which has now become the new standard. Nevertheless, the complete release of the skin from the nasal skeleton allows for more post-operative swelling, especially if the skeleton is greatly reduced. To enhance nasal definition many surgeons find it necessary to place grafts on the skeleton. This book describes a closed operation that avoids the unstable nose tip of past procedures by preserving the elastic tissue and greatly reduces post-operative swelling. It also presents a novel technique for tip refinement, which elongates the periphery of a dome-shaped tip and a new nose splint. Based on the author's over 30 years of clinical experience and innovations, this step-by-step guide appeals to experienced surgeons wishing to expand their tools and incorporate the advanced techniques described.

Parky: My Autobiography

This book confronts readers' inner hopes and fears and shows them the way to the sense of confident well-being that only a hearty spiritual practice can afford.

D20 Girls Magazine - Summer 2013

The legendary actor and comedian shows how to set a great table, shares ideas for unforgettable celebrations, and says, "It's about fun, not perfection!" In her own words... "It's Whoopi here and I've written this book that, frankly, is the last book anyone would expect. You would never think of me as someone with the courage to say, 'You have everything you need to be fantastic in your own house, apartment, or trailer to set a great table.' Let's face it, you look at a lot of books on Entertaining and think 'I could never do this in my house, I don't have this stuff and it's not going to look like what I'm seeing.' That's not what's going to happen here! I want to show you there is great heart in setting the table. For two or four or the kids or Halloween or tea just for you. For dinners with friends or the holidays. I'm going to tell you stories about what I do when people come over and give you ideas about what you're seeing because Honey, everything in this book is what you can do in your house. You got a bodega or a 7-Eleven near you? They sell flowers. Take those bad boys and put them on your table. You got some crazy old plate from your grandmother (or a fancy silver one)? You got little kids' toys that have been annoying you forever, put them on the table too. Who's going to tell you it's wrong? Not me! I'm going to tell you it's right and I'm going to take you on a journey. And don't forget the bathroom; decorate it too, people are going to see it. It's all at your house. Come with me. I'll show you! P.S. I know the glass on the cover is broken. Accidents happen!"

Kermit Culture

Unruly women have been making a spectacle of themselves in film and on television from Mae West to Roseanne Arnold. In this groundbreaking work, Kathleen Rowe explores how the unruly woman—often a voluptuous, noisy, joke-making rebel or "woman on top"—uses humor and excess to undermine patriarchal norms and authority. At the heart of the book are detailed analyses of two highly successful unruly women—the comedian Roseanne Arnold and the Muppet Miss Piggy. Putting these two figures in a deeper cultural perspective, Rowe also examines the evolution of romantic film comedy from the classical Hollywood period to the present, showing how the comedic roles of actresses such as Katharine Hepburn, Barbara Stanwyck, and Marilyn Monroe offered an alternative, empowered image of women that differed sharply from the "suffering heroine" portrayed in classical melodramas.

Closed Rhinoplasty

A bestselling, Harvard-bred humorist plans to knock out a slapdash, quick-buck parody of a wildly successful, head-spinning, clue-laden thriller in a flagrant attempt to cash in on the publishing sensation of the decade, but the tousle-haired satirist's sleazy scheme goes awry when his two heroes -- beautiful, brilliant Sandra Damsel and brawny, brainy Professor William Franklin -- stumble on an explosive and frankly preposterous centuries-old secret that plunges them into a puzzle-packed, plot-crammed, prose-swollen Washington intrigue whose flabbergasting finale will determine the outcome of the 2004 presidential election. Cryptic praise for *The Dick Cheney Code* "1, 1!" (highest rating) -- *The Fibonacci Report* "Hysterical! Lacey shirt!" -- *Anagram Monthly* "I laughed so hard I xxxxxx in my pants!" -- *Redacter's Digest* "I bend over double! I hold my sides! I tickle my ribs! I slap my thighs!" -- *Mime Magazine* "Three syllables, sounds like: Upper arm? Broken arm? Broken bone? Radius? Humerus? HUMOROUS!" -- *Charade Magazine* "Too funny for words!" (9 letters, starting with P, ending in S) -- *Acrostic Review*

Longing for Certainty

An informative compendium of surprising ways you might die a horrible death at any moment from humor writers Henry Beard and Christopher Cerf.

The Unqualified Hostess

"Hear the dark liquor of her laughter rippling behind her sentences" in this magnetic memoir as it explores a journalist's obsession with pop culture and the difficulty of navigating relationships as a Black woman through fanfiction, feminism, and Southern mores (Saeed Jones). Pop culture is the Pandora's Box of our lives. Racism, wealth, poverty, beauty, inclusion, exclusion, and hope -- all of these intractable and unavoidable features course through the media we consume. Examining pop culture's impact on her life, Nichole Perkins takes readers on a rollicking trip through the last twenty years of music, media and the internet from the perspective of one southern Black woman. She explores her experience with mental illness and how the TV series *Frasier* served as a crutch, how her role as mistress led her to certain internet message boards that prepared her for current day social media, and what it means to figure out desire and sexuality and Prince in a world where marriage is the only acceptable goal for women. Combining her sharp wit, stellar pop culture sensibility, and trademark spirited storytelling, Nichole boldly tackles the damage done to women, especially Black women, by society's failure to confront the myths and misogyny at its heart, and her efforts to stop the various cycles that limit confidence within herself. By using her own life and loves as a unique vantage point, Nichole humorously and powerfully illuminates how to take the best pop culture has to offer and discard the harmful bits, offering a mirror into our own lives.

The Unruly Woman

In life, there is one thing we can all agree on: cookies. And there is no greater expert on this endless source of joy, warmth, and crumbs than Cookie Monster. In *The Joy of Cookies*, Cookie Monster offers deep thoughts on life, friendship, baking, and the love of cookies. He serves as our guide to all things cookie and shares how best to fully experience the joy cookies bring us. This is a book to get us through the dark times and celebrate the good times, and to help us more fully understand who we truly are as both cookie lovers and as people. It's the perfect gift for friends, family, and fellow monsters—the gift of cookies. An Imprint Book "Fans of the big blue guy will love this title, which, just like a warm chocolate chip cookie, oozes joy and happiness." —*School Library Journal* For more fun from folks who live on Sesame Street, check out Oscar the Grouch's *The Pursuit of Grouchiness* and Bert and Ernie's *The Importance of Being Ernie (and Bert)*.

The Dick Cheney Code

Just the Funny Parts is a juicy and scathingly funny insider look at how pop culture gets made. For more than thirty years, writer, producer and director Nell Scovell worked behind the scenes of iconic TV shows, including *The Simpsons*, *Late Night with David Letterman*, *Murphy Brown*, *NCIS*, *The Muppets*, and *Sabrina, the Teenage Witch*, which she created and executive produced. In 2009, Scovell gave up her behind-the-scenes status when the David Letterman sex scandal broke. Only the second woman ever to write for his show, Scovell used the moment to publicly call out the lack of gender diversity in late-night TV writers' rooms. "One of the boys" came out hard for "all of the girls." Her criticisms fueled a cultural debate. Two years later, Scovell was collaborating with Sheryl Sandberg on speeches and later on *Lean In*, which resulted in a worldwide movement. Now Scovell is opening up with this fun,

honest, and often shocking account. Scovell knows what it's like to put words in the mouths of President Barack Obama, Mark Harmon, Candice Bergen, Bob Newhart, Conan O'Brien, Alyssa Milano, and Kermit the Frog, among many others. Through her eyes, you'll sit in the Simpson writers' room... stand on the Oscar red carpet... pin a tail on Miss Piggy...bond with Star Trek's Leonard Nimoy... and experience a Stephen King-like encounter with Stephen King. Just the Funny Parts is a fast-paced account of a nerdy girl from New England who fought her way to the top of the highly-competitive, male-dominated entertainment field. The book delivers invaluable insights into the creative process and tricks for navigating a difficult workplace. It's part memoir, part how-to, and part survival story. Or, as Scovell puts it, "It's like Unbroken, but funnier and with slightly less torture."

Encyclopedia Paranoiaca

The book invites you into the private studios of seventeen of the most celebrated contemporary artists as they draw, paint, sculpt, or design an original project for readers to recreate at home. It demystifies the studio practice through the fun, accessible format of D.I.Y., leading you step-by-step through each artist's project. Eight inserts specially designed by the artists for completing their projects - from stencils to cut-outs - are included. The result can inspire people everywhere to blaze their own creative trails

Sometimes I Trip On How Happy We Could Be

Written in a clear and accessible style, with lots of examples from Anglo-American media, *Gender and the Media* offers a critical introduction to the study of gender in the media, and an up-to-date assessment of the key issues and debates. Eschewing a straightforwardly positive or negative assessment the book explores the contradictory character of contemporary gender representations, where confident expressions of girl power sit alongside reports of epidemic levels of anorexia among young women, moral panics about the impact on men of idealized representations of the 'six-pack', but near silence about the pervasive re-sexualization of women's bodies, along with a growing use of irony and playfulness that render critique extremely difficult. The book looks in depth at five areas of media - talk shows, magazines, news, advertising, and contemporary screen and paperback romances - to examine how representations of women and men are changing in the twenty-first century, partly in response to feminist, queer and anti-racist critique. *Gender and the Media* is also concerned with the theoretical tools available for analysing representations. A range of approaches from semiotics to postcolonial theory are discussed, and Gill asks how useful notions such as objectification, backlash, and positive images are for making sense of gender in today's Western media. Finally, *Gender and the Media* also raises questions about cultural politics - namely, what forms of critique and intervention are effective at a moment when ironic quotation marks seem to protect much media content from criticism and when much media content - from *Sex and the City* to revenge adverts - can be labelled postfeminist. This is a book that will be of particular interest to students and scholars in gender and media studies, as well as those in sociology and cultural studies more generally.

The Joy of Cookies

This book is designed to help readers punctuate confidently and effectively through enjoyable and illuminating lessons that draw on the words of great writers, celebrities, and historical figures. Chapters begin with quotes that exemplify good punctuation so that readers build proper punctuation skills from context. The quotations themselves are instructive and interesting, coming from notable or amusing historical and cultural figures. Brief essays illuminate the history of each punctuation mark and its rules of usage.

Just the Funny Parts

With more than 200,000 copies in print, *Latin for All Occasions* and its follow-up, *Latin for Even More Occasions*, have helped scores of readers harness the language of Caesar and Cicero. Impress your boss with Occupational Latin (*Lingua Latina Occupationi*); sell your product with Sales Latin (*Lingua Latina Mercatoria*); flirt with your classics professor with Sensual Latin (*Lingua Latina Libidinosa*); look like the hipster you are with Pop-Cultural Latin (*Lingua Latina Popularis*); survive the holidays with Familial Latin (*Lingua Latina Domestica*) and Celebrational Latin (*Lingua Latina Festiva*). It's all here, whether you're a student of the language or just want to talk like one. From cocktail-party banter to climbing the corporate ladder to online dating, *Latin for All Occasions* features dozens of handy sections, including Las Vegas Latin, Latin for Golfers, Latin for Breakups, Latin for the Politically Correct, and much, much more. In one easy-to-use volume, National Lampoon founder Henry Beard presents

hundreds of listings rendered in grammatically accurate classical Latin, with a foolproof pronunciation guide. Who says Latin is a dead language? From the comic genius who brought us X-Treme Latin comes Latin for All Occasions, guaranteed to help readers delight their friends, insult their enemies, and elevate the public discourse.

Open Studio

Newly expanded and up-to-the-minute, a bestselling guide to survival in multicultural America in the sensitive 1990s. Includes even more real and satirical definitions to help keep thought cops away. Illustrated throughout.

Gender and the Media

What am I meant to do with my life? If you don't know, you're not alone. Too many people struggle for years with that question without making any progress-all because they're not asking the right question: Who am I? In his groundbreaking book, *The Being Equation*, Erik Hardy identifies what defines each of us as human beings, exploring the subconscious filters and assumptions that block us from becoming our true selves. Discover the "truths" you picked up as a child that weren't true for you, leading you down the wrong path over and over with the same unsatisfying results. Then, step by step, tear down those barriers and reconnect with the powerful human being you were born to be. Get actionable clarity on who you are at your core, discover what you truly want, and start creating the life you were meant to live.

The Quotable Guide to Punctuation

Using the life and career of Don Simpson as a point of departure, *High Concept* takes readers on a riveting journey inside the Hollywood of the 1980s and 90s. For over two decades Simpson was Hollywood's reigning bad boy, yet through the same period he and his partner, Jerry Bruckheimer were the most successful independent producers in the Hollywood history. The revelations in *High Concept* are astounding! Through intensive research Fleming has created a dramatic tale of the rise of the key players and how the Don Simpson way became the Hollywood way. Through an interwoven narrative of the decadence and greed, hypocrisy and hysteria, profligacy and moral emptiness of the key power brokers, Fleming returns to the core concept of excess and how it continues to drive Hollywood.

The Little Virtues

Faced with the challenging stages of experiencing a loved one's illness or death, young pigs find inner peace through mindfulness activities.

Latin for All Occasions

The New York Times bestseller and "a rich brew of dystopic fantasy and deadpan goofiness" (*The Washington Post*) from the author of the Thursday Next series and *Early Riser* Welcome to Chromatica, where the societal hierarchy is strictly regulated by one's limited color perception. And Eddie Russet wants to move up. But his plans to leverage his better-than-average red perception and marry into a powerful family are quickly upended. Juggling inviolable rules, sneaky Yellows, and a risky friendship with an intriguing Grey named Jane who shows Eddie that the apparent peace of his world is as much an illusion as color itself, Eddie finds he must reckon with the cruel regime behind this gaily painted façade.
