You Drive Me Crazy

From the editors of the successful anthologies "The Hell With Love" and "Kiss Off" comes a third collection of poetry celebrating commitment, passion, and everlasting love. They've helped people mend their broken hearts in The Hell With Love and guided them toward independence and fulfillment in Kiss Off. Now, editors Mary D. Esselman and Elizabeth Ash Vélez are back with their third collection of poems to help readers jumpstart the passion in their relationships, brush off the inertia of everyday life, and celebrate love. While retaining the trademark wit and sassiness the editors are known for, YOU DRIVE ME CRAZY: Love Poems for Real Life takes readers on an achingly beautiful journey through the entire spectrum of the heart, with poems that memorialize the blush of first love, lust, loss, doubt, rediscovery, and everlasting love by such masters of verse as Louise Gluck and Pablo Neruda, among others.

You Drive Me Crazy

The tender, touching novel from the Sunday Times bestselling author of Sunny Days and Sea Breezes The last place Anna Terry expects to fall in love is in the waiting room of her divorce lawyer's office, but that's where she meets Nick Diamond . . . Anna's first marriage ended before her pregnancy was over, and her second husband has disappeared, leaving her penniless and with two children. Nick's luck hasn't been any better: his wife has run off with another man and his business is in chaos. When Anna gets a job as Nick's secretary, what starts as a mild flirtation soon accelerates into overdrive - and then their ex-partners show up . . . Over the years, Sylvia Plath has come to inhabit a contested area of cultural production with other ambiguous authors between the highbrow, the middlebrow, and the popular. *Claiming Sylvia Plath* is a critical and comprehensive reception study of what has been written about Plath from 1960 to 2010. Academic and popular interest in her seems incessant, verging on a public obsession. The story of Sylvia Plath is not only the story of a writer and her texts, but also of the readers who have tried to make sense of her life and work. A religious tone and a rhetoric of accountability dominate among the devoted. Questing for the real or true Sylvia, they share a sense of possessiveness towards outsiders or those who deviate from what they see as a correct approach to the poet. In order to offer a new and more nuanced perspective on Plath's public image, the reception has been organized into interpretive communities composed of critics, feminists, biographers, psychologists, and friends. Pertinent questions are raised about how the poet functions as an exemplary figure, and how – and by whom – she is used to further theories, politics, careers, and a number of other causes. Ethical issues and rhetorical strategies consequently loom high in *Claiming Sylvia Plath*. The book may be employed both as a guide to the massive body of Plath literature and as a history of a changing critical doxa. Why Sylvia Plath has been serviceable to so many and open to colonization is another way of asking why she keeps on fascinating all kinds of readers worldwide. *Claiming Sylvia Plath* suggests a host of possible answers. It includes an extensive Plath bibliography.

The World Is Charged: Poetic Engagements with Gerard Manley Hopkins is the first book to demonstrate the centrality of Gerard Manley Hopkins as an influence among contemporary poets.

The World Is Charged

When it comes to Poetry, you might ask: What's In A Word? Well Beloved, a word is the most powerful weapon that has ever existed in the entire universe, and a Word is so so powerful and invincible that even God, The Creator, had to use it to speak: Let There Be Light. And then continue on to create the entire universe, including you and me. On top of that, you have been told many times that you were given the power over life and death in the tongue, where everything you speak takes power over life and death, not only in your life but in the life of everyone you speak your words to. Such as a child who you tell that he or she is worthless, and that kid ends up growing up with self-esteem issues. Or a grown up whom you verbally abuse, and that person ends up having psychological problems long after you are gone. So as you are starting to realize, the power of words is invincible, and just imagine if you USE WORDS TO SPEAK LOVE IN YOUR RELATIONSHIP.. <https://www.JamesDazouloute.net/> For More...

ELLEgirl

A grumpy boss and a sunshiney mess of an employee forced on a cross-country road trip... what could possibly go wrong? Elliot James is a mess. All she wants is to find her dream job... and actually keep it, but her crippling anxiety disorder always seems to get in the way. Benjamin Williams is content. He's got all he needs in his business, and he's not looking for any complications — no matter how beautiful one like Elliot may be. Fumbling her way into her first big break, Elliot lands a job at Benjamin's company and will have to fight for her seat at the table... especially after almost killing someone on the first day. Her wild idea to expand their portfolio with Instagram Influencers and her accidental airplane freakout, lands Elliot and her grumpy boss, Benjamin, on the No Fly list. In a mad rush to seal the deal, they'll have to take their business trip on the road... let's just hope they can both make it home in one piece. Author's Note: Grumpy/Sunshine. Opposites attract. Slow burn. Workplace.

Roadtrip. Boss/Employee. Overprotective hero. Tortured hero. Hot-mess heroine who always seems to find trouble. Major squad-goal vibes. Laugh out loud, zany, feel-good read.

Today's young women are smart, educated, career-oriented, and maybe a little bit fashion-obsessed. So where does the spiritual life fit in? With InStyle magazine on one nightstand, and Julian of Norwich on the other, author Donna Freitas has her finger on the pulse of a new generation of women and understands the spiritual issues that most concern them. Drawing on the stories of popular heroines such as Bridget Jones and Carrie Bradshaw, *Becoming a Goddess of Inner Poise* illustrates how our life choices can have a profoundly spiritual dimension—in the bedroom, the boardroom, the beach, and at Barney's. Freitas combines wisdom from a variety of spiritual traditions and with a generous dash of humor, giving modern women a new model for the spiritual journey.

Drive Me Crazy

Book Summary In this book the author doesn't give you tales of desire and delight, love and lust, or pain and pleasure instead he presents to you some of his favorite poems in an attempt to show the world that he's not just a one trick pony and to prove that he brings more to the table than just love stories. He also brings you over a hundred poems about love, life through his eyes, and poems about himself. Each poem is totally different than the previous one so he cordially invites you to sit down, relax, and enjoy this little twist on life and love from the author's perspective.

Becoming a Goddess of Inner Poise

Sacred poetry from twelve mystics and saints, rendered brilliantly by Daniel Ladinsky, beloved interpreter of verses by the fourteenth-century Persian poet Hafiz One of 6 Books Oprah Loves to Give as Gifts During the Holidays "All kinds of beautiful poetry." –Hoda Kotb In this luminous collection, Daniel Ladinsky—best known for his bestselling interpretations of the great Sufi poet Hafiz—brings together the timeless work of twelve of the world's finest spiritual writers, six from the East and six from the West. Once again, Ladinsky reveals his talent for creating profound and playful renditions of classic poems for a modern audience. Rumi's joyous, ecstatic love poems; St. Francis's loving observations of nature through the eyes of Catholicism; Kabir's wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa's sensual verse; and the mystical, healing words of Sufi poet Hafiz—these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Tukaram are all "love poems by God" from writers considered "conduits of the divine." Together, they form a spiritual treasure to cherish always.

MUMBO JUMBO... I LOVE YOU A Poignant Poetry Book About Love and Life- Life is a collection of moments, both big and small, that shape who we are and who we become. These moments come in

all forms, from joy to pain, love to loss, and everything in between. They are the threads that make up the tapestry of our lives, weaving together to create a unique and complex story. Just like any good story, it has highs, lows, and unexpected plot twists. But through it all, we must learn to find meaning and beauty in every moment. For it is in these moments that we discover who we truly are, and with his latest work, "Mumbo Jumbo... I Love You," Poet and Author Kewayne Wadley presents a mesmerizing collection of poetry that celebrates the profound beauty of life, love, and self. The Intricate and Diverse Essence of Love- From the passionate yearning of "Nothing Left" to the whimsical expression of "Lost the Remote Again!"

Love Poems from God

FOREVER SENTIMENTAL is a about the deeply emotional and inner feelings that are often felt, but unspoken in romantic relationships. It is a book that addresses and captures the love that most people want and desire , but seldomly ever find in real life. It is a book that allows readers to enhance their expressions of love in a beautiful and rememberable manner. FOREVER SENTIMENTAL is a body heart-felt living words. It was written for the Hopeless Romantic, the sensitive soul, the avid reader, or just someone who wishes to spice up their love life with smoothe moves and lasting memories.

Mumbo Jumbo... I Love You

The following is a complete collection of poetry I've written starting with my first poem in 1992 to the last poem I've written in 2010. Every poem I could find that was penned by my hand is in this book. I have poured my heart and soul out in these pages. Enjoy.

Short Funny Love Poems

Because there are no speed limits in life If there's one thing mystery novelist Maggie Dufrane knows, it's this: Laughter through tears is the Southern way. At least that's what her spitfire mama, aka the Mississippi queen of drama, says. But now the indomitable matriarch is ailing. And reliable Maggie-the-family-chauffeur is moving back in to fix thingsagain. Then Maggie's life takes another sharp turn. Her older sister, Jean, drops a shocker, screeching (as always), "What are we going to do?" Jean is terrified. Maggie is exasperated. And Mama's convinced it's the best gossip she's heard all year. But can Maggie tear a page from Mama's book of living large, step back and let her family tackle their own problems for once? Maybe there's a god of second chances after all.

Love Unleashed

This heart-wrenching collection of poems expresses the anger, hurt, depression of loss - asking why, analysing rifts and striving for explanation.

The Heart Speaks through Poetry

From the bestselling authors of *The Hell with Love*, a fierce, funny, touching collection that takes the sting out of "aging while female."

Forever Sentimental

The author writes about love in it's purest form. This collection of poetry is from a man's soul describing his unending passion and burning desire for the woman of his dreams. Read as he vividly describes his feelings for a woman of such beauty and character she must be an angel. So enchanting are his tales of passion that your heart will skip beats as you turn to each selection of poetry. You will be left breathless with each passage.

Beautifully Crazy

This particular collection of poetry stems from the seemingly perfect relationships to those with trials and tribulations. Inspiration came from personal relationships and relationships of others.

Driving Me Crazy

The book is dedicated to all those in love And especially the one that I love. Written by Dave Courtney-Shore Should you like a poem written for yourself or a loved one.

How Did This Happen?

'Love Uncontrolled' is Manju S M's first poetry collection. The collection contains heart-melting poems based on several relatable life experiences. The poems ooze love and depict the beauty and the complexity of love using several scientific concepts like diffusion, latent heat, catalyst, etc., throwing a different light on both science and love.

For the Love of a Woman

She Drove Me Crazy takes readers on a wild and emotional ride. Filled with honesty and raw emotion, this poetry novel hits you where it hurts, and it does so eloquently with style and grace. It is evident that the writers have experienced great anguish. However, this novel is not a sob story in the least bit. It is the story of two humans troubled by bereavement, fighting to overcome the madness their minds are stricken with, dealing with their sorrows in the best way that they know how- writing. Through poetry, these authors have coped, transforming their pain into beautiful expressions. It is through these expressions that they have allowed us into their lives and experiences, granted us access to some of the painful lessons that they have learned, and reminded us that emotions and hard times are indeed an inevitable part of the human experience. Though we are sometimes blinded by our situations, She Drove Me Crazy serves as proof that we can recover, and return from the depths of our insanity.

Scattered Thoughts of Unpromising Romance

When It Comes to Real Love is a collection of poems that offers a view of real-life experiences combining emotions and beauty with honesty. Author Sheremirah Jones captures the sheer happiness, sadness, and wistfulness of love; she offers an honest look at love for better or worse. The poems evoke the gentle longing that comes from first love and the understanding that increases as love grows. She sees the hope of love of all types, from children, friends, as well as lovers. When It Comes to Real Love offers poems that speak to our very souls and take us on an emotional roller coaster of discovery of the way that we perceive and experience love. I Need to Be I need to be where the beautiful things are. Where flowers flow and water ripples. Where old plan leaves catch the wind breeze. Where everything is quiet and at a stand still. I need to be there is meditation. I need to be where things feel alive. Where things talk but don't actually have lips. But you can just vibe there conversation is happening. A place where love is so strong it's what you look like. This place is a feel good place. A restraint from all evil.

Blindsided By His Betrayal: Surviving the Shock of Your Husband's Infidelity

Your husband cheated on you, and now you don't recognize yourself. You feel crazy. You are NOT crazy! You are having a normal reaction to being blindsided by your husband's betrayal! Your reactions are completely rational and expected responses to such a painful experience. You're hurting, this book can help. Dr. Caroline Madden, infidelity expert and licensed marriage therapist describes: *12 Actions that will help you get back to the woman you were *Posttraumatic Affair Syndrome (PTAS) *7 Actions you want to take but should NOT (as They May Backfire Horribly) *Understand the thoughts that plague you *The stupid things your husband says and why he says it This book is geared towards helping you deal with your tumultuous emotions so that you make better, more rational decisions.

After a Good Man Cheats:

This book is a practical action plan that will walk you through the first stages after your wife has discovered your infidelity. You'll learn the things your wife is going to feel, say, and do, giving you the following: * Insight into what she is thinking and why this is so hard for her to get over * Practical advice so you know exactly what to do at this important stage * Actual scripts so you know what to say in response to very specific situations * Clear explanations as to why certain words and actions you think will be helpful might be making this worse * Two self-administered quizzes to help you determine why you cheated so that you can get a better understanding of what triggered your affair. Included at the appropriate points are scripts of what to say and why you need to say those words at that time. Do not just memorize these words and parrot them back to your wife. You have already lost her trust; if you start using words you don't normally use, you'll sound like you're faking it. You will want to translate the scripts into your own natural wording, using the meaning of each script as a launching pad for productive, healing dialogue with your wife. Also, other these other questions are answered: * She doesn't know. I feel guilty. Should I tell her the truth? * We aren't married yet? How does that impact recovering from the affair? * I didn't have a physical relationship with my Affair Partner, why is my wife so upset? * What is an Emotional Affair?

Fool Me Once: Should I Take Back My Cheating Husband?

You always said if your man cheated, you'd leave him so fast his head would spin. But now that it's happened it's not so black and white, is it? Caroline Madden, MFT is an affair recovery specialist. She has over a decade of experience in helping couples challenged by infidelity in marriage and teaching women how to survive their husband's affair. In Fool Me Once, she shares the criteria she uses to determine if a man is truly remorseful and determined to save his marriage or if he will continue to cheat and hurt you. Here is some of the information she shares: * 5 Things That Look Suspiciously Like Your Spouse is Still Cheating (But He Probably Isn't) * 5 Signs You Should Consider Giving Him A Chance to Rebuild Trust & Intimacy After infidelity * 7 Signs He is Going to Cheat Again (And You Will Be Hurt Again) Infidelity is traumatic, and you need to take time to assess the situation. Fool Me Once will give you the tools you need to evaluate your relationship. It will help you determine whether you should trust your husband or not and decide if your marriage is worth saving. Don't Make a Decision Now That You'll Regret Later ! As they say "Fool me once, shame on you. Fool me twice, shame on me." Infidelity, Divorce Advice, Affairs In Marriage, affair recovery

Blindsided and Betrayed

The former wife of a once-prominent pastor shares her story of crushing betrayal and her grace-filled journey to recovery.

Blindsided

Guide dog trainer Lenae McIntyre left the high-speed world of television news writing behind, and now she helps other visually impaired people adjust to life with their canine companions. She teaches her students and their dogs to trust each other, but a past betrayal and the determination to be self-sufficient and independent keep her from trusting her heart to see love. Cara Bradley compensates for her family's shallow celebrity lifestyle by devoting her life to helping others, while keeping to the background. She reluctantly commits to a year of puppy walking a four-legged whirlwind named Pickwick so she can film regular segments for a local news program while helping promote the McIntyre Training Center, but she is unprepared for the changes that the driven and aloof Lenae will bring to her life. Blindsided by love, can Lenae and Cara learn to trust and guide each other toward a new vision for their future?

Mrs. Fletcher

Now an HBO series starring Kathryn Hahn! "Light, zingy, and laugh-out-loud funny" (People), the New York Times bestselling novel about sex, love, and identity as seen through the eyes of a middle-aged woman and her college freshman son. A forty-six-year-old divorcee whose beloved only child has just left for college, Eve Fletcher is struggling to adjust to her empty nest. One night she receives a text from an anonymous number that says, "U R my MILF!" Over the months that follow, that message comes to obsess Eve. While leading her all-too-placid life—serving as Executive Director of the local senior center and taking a community college course on Gender and Society—Eve can't curtail her own interest in a porn website that features the erotic exploits of ordinary, middle-aged women like herself. Before long, Eve's online fixations begin to spill over into real life, revealing new romantic possibilities that threaten to upend her quiet suburban existence. Meanwhile, miles away at the state college, Eve's son Brendan—a jock and aspiring frat boy—discovers that his new campus isn't nearly as welcoming to his hard-partying lifestyle as he had imagined. Only a few weeks into his freshman year, Brendan is floundering in a college environment that challenges his white-dude privilege and shames him for his outmoded, chauvinistic ideas of sex. As the New England autumn turns cold, both mother and son find themselves enmeshed in morally fraught situations that come to a head on one fateful November night. "The sweetest and most charming novel about pornography addiction and the harrowing issues of sexual consent that you will probably ever read" (The New York Times Book Review), Mrs. Fletcher is a timeless examination of sexuality, identity, parenthood, and the big clarifying mistakes people can make when they're no longer sure of who they are or where they belong. "Tom Perrotta's latest might just be his best" (NPR).

Hope After Betrayal

Meg is a lantern guiding women through the twists and turns along this pain-filled path. --Lynn Marie Cherry, speaker and author of *Keep Walking: 40 Days to Hope and Freedom After Betrayal* Meg Wilson watched her world fall apart when her husband confessed to years of sexual addiction. She has intimate knowledge of the devastation that follows--and she has come through the other side. In her groundbreaking *Hope After Betrayal*, Meg provides reassuring counsel, compassionate insight, and wise direction. By sharing her story, talking to other women who've been in a similar situation, and turning to Scripture, Wilson has helped countless readers through the steps to recovery--and shows how you can follow that same path out of the darkness. This newly revised and expanded edition includes new lessons Meg has learned over the last decade. A compelling final chapter by Meg's husband sheds further light on the difficult road to healing from sexual addiction, and a thoughtful new appendix addresses the effect sexual addiction has on children in the home. *Hope After Betrayal* is a strong and sure lifeline that thousands of women will reach for in a drowning moment. Meg offers careful, clear direction and encouragement in each chapter while unveiling the truth about sexual addiction...This valuable tool should be required reading for every wife and every mother of sons." --Robin Jones Gunn, best-selling author of the *Sisterchicks* Series

John Through Old Testament Eyes

A New Testament commentary steeped in the Old Testament *Through Old Testament Eyes* is a new kind of commentary series that illuminates the Old Testament backgrounds, allusions, patterns, and references saturating the New Testament. These links were second nature to the New Testament authors and their audiences, but today's readers often cannot see them. Bible teachers, preachers, and students committed to understanding Scripture will gain insight through these rich Old Testament

connections, which clarify puzzling passages and explain others in fresh ways. In *John Through Old Testament Eyes*, Karen Jobes reveals how the Old Testament background of the Gospel of John extends far beyond quotes of Old Testament scripture or mention of Old Testament characters. Jobes discusses the history, rituals, images, metaphors, and symbols from the Old Testament that give meaning to John's teaching about Jesus--his nature and identity, his message and mission--and about those who believe in him. Avoiding overly technical discussions and interpretive debates to concentrate on Old Testament influences, volumes in the *Through Old Testament Eyes* series combine rigorous, focused New Testament scholarship with deep respect for the entire biblical text.

Melville and the Idea of Blackness

Freeburg analyzes how Melville grapples with realities of racial difference in nineteenth-century America by examining 'blackness' in Melville's fiction.

Blindsided by God

It took thirty years to build Peter's faith, but only three months to knock it down. When Peter Chin moved his family into an inner-city neighborhood to plant a church, he was sure he was doing what God wanted. But in the span of a few months his family experienced a heartbreaking miscarriage, a break-in at their home, a breast cancer diagnosis, and the termination of their health insurance. Why would God allow these things to happen? But God had one more surprise prepared for the Chins: a child, conceived in the most unlikely and dangerous of circumstances, through whom Peter would realize that although God's ways were wild and strange, they were always good. Filled with twists and turns, deep insights, and surprising humor, *Blindsided by God* explores the reality of suffering, the mystery of God's ways, and why, even in the darkest times, there's always reason for hope.

The General's Wife

I thought I had one of the most secure marriages anyone could have. My husband was rich and successful; he was a retired major general in the army. His career and doing what made him happy were what the two of us aimed for. I had withstood bullying, scoffing, belittling, and "military dressing downs" for thirty-nine years. I told no one about this man's behavior. I had double knee surgery, and this man whom I loved and whom I put first in my life was out breaking windows in his car, cursing me, and telling me he was leaving me at 2:30 a.m. "I'm leaving you because you clean too much, you take care of business too much, and you don't watch sports. But the disaster to this marriage were your knees." He left me and moved in with his ex-wife from forty-two years ago. Years of plotting, lies, planning, and betrayals by him, his ex-wife, and his three grown children had been in the making. Lies, betrayals, deceptions, and leading a double life—things I found out about after thirty-nine years of marriage. Before he left, he told me he had been deceptive to me from the day he married me, and he was a rogue. I was totally blindsided by the evil plans he and his family were conspiring against me. This is my story of survival.

Faking it with the Football Star

When Rose, the sultry lead singer of the Haunted Hellions, finds herself jilted in the neon haze of Las Vegas, the spotlight she's accustomed to becomes blinding. With the press swarming like vultures outside her hotel, a chance rescue arrives in the form of Travis—a dashing football star with his own scores to settle. Battling the relentless paparazzi, their paths collide in a serendipitous play. Travis, eager to escape his overbearing mother's matrimonial machinations, proposes a wild play: a fake marriage to Rose. It's a Hail Mary pass to deflect his mother's intentions and give Rose the safe haven she desperately needs. But what starts as a strategic maneuver quickly spirals into a complex duet of passion and pride, touchdowns and tunes. Can a rockstar with a broken heart and a footballer with a game plan find love amid the glittering chaos of Las Vegas? Or will their pasts tackle their chances before the final whistle? Dive into a world where love's melody dances with the rhythm of heartbeat, and every play is a chance at forever. ⚡

Long Dark Road

In this gripping account of the murder of James Byrd, Jr., and its aftermath, Ainslie builds an unprecedented psychological profile of Bill King that provides the fullest possible explanation of how a man who was not raised in a racist family could end up on death row for viciously killing a black man.

The Phoenix Conspiracy

On the surface, the galaxy seems peaceful. Humankind prospers from the Capital World to the far reaches of the Corridor. But to those who can see the signs, it's clear something is wrong. Long, dark fingers are pulling strings inside the military, making clandestine deals with enemy states to fulfill a dark design. Calvin is an intelligence agent working for the Imperial government. He's young, his methods are unorthodox, but he gets results. So when a former military hero steals a warship and threatens to start a war, Calvin is sent to eliminate him. But as he chases his prey across the stars, he realizes they are both pawns in a shadowy chess game that shakes kingdoms, divides empires, and threatens civilization everywhere. And if he is to uncover the mystery and expose the conspiracy he must confront—and embrace—the darkest elements of the galaxy and throw himself and everyone he loves into the line of fire.

Alpha's Guardian

This is book 2 of Alpha's Guardian. One last assignment then I can finally find my mate. I have no idea why this alpha is so important but the committee has granted him the best security in existence, me. I'm not your average wolf, in fact, my kind are often beaten and belittled, but by some divine intervention, I had been raised from a lowly omega pup to the ultimate weapon and protection for the werewolf world. I protect the future, the strongest and only the most important of the wolves. I am the Alpha's Guardian. Of course, on the day I am to receive a Guardian, the rogues find a hole in our defenses. We have been spread thin and even though Guardians are reserved for the highest of Alphas I am being bequeathed one. What would normally be an honor feels like a slap in the face when she shows up, this woman who claims she was sent to protect me. Female warriors are heard of sure, but a female guardian? This must be a joke and I refuse to be laughed at.

Forged Futures

Lana's barely surviving the loss of her husband when Tribe member Lucas offers protection from the Landsliders, but in each other, they might uncover a chance to heal. Joe Ganzorig, Mackey Kendricks' right hand shaman, has appeared in Ricketts Glen again, and Lucas Diaz is on the job. Except this time, the Landsliders are targeting the recently widowed Lana Bennett. Turns out her husband's murder hadn't been accidental—he was involved in the Landsliders and stole an anti-shifter bomb from the big boss himself. The Landsliders want it back, and they won't stop their attacks until their device is delivered. Lucas volunteers to keep her safe while they search for the device, needing to protect this wry, stunning woman who's still standing even after everything she's weathered. Despite the distance they each try to keep, both Lucas and Lana can't deny the scorching attraction between them. However, with the constant reminders of Lana's husband and the Landsliders increasing their threats by the day, these newfound feelings could expire before they ignite. And if the Landsliders find the device before them, none of the shifters will stand a chance at survival.

Tribal Spirits

FROM POPULAR ROMANCE AUTHOR KATHERINE MCINTYRE Emotional, dark and deadly...5 full and shiny stars. ~ Archeolibrarian Tribal Spirits &— the complete box set 1 - Forged Alliances Sierra and Dax's alliance is already rocky. He's a cocky wiseass, and she doesn't put up with bullshit. So, when a mating bond appears between them, it threatens to send them both running. 2 - Forged Decisions When Finn falls for Navi, a member of the East Coast Tribe, he'll have to choose between the pack and family who saved him and the unforgettable woman who's made her mark. 3 - Forged Contracts When Jer kisses his best friend Raven, the feelings they've been avoiding surface—including secrets from the past that might destroy them both. 4 - Forged Futures Lana's barely surviving the loss of her husband when Tribe member Lucas offers protection from the Landsliders, but in each other, they might uncover a chance to heal. 5 - Forged Redemption The sparks of Ally and Drew's old relationship ignite, but their broken pasts and a final fight against Mackey Kendricks threaten any hope of a future. Mackey Kendricks is a Tribe member gone rogue, one of the immensely powerful individuals imbued with the original shifter animals by the shamans themselves. All that power, and he's using it to tear the region apart, abusing his abilities. When he starts meddling in the Red Rock and Silver Springs territory, they step up to the fight, assisted by the East Coast Tribe who have come to clean up their brethren's mess. However, Mackey's breaking every rule of a fair fight by the claw and fang and gaining allies through the region like wildfire, a threat the Tribe needs to stop at once, before he spirals out of control.

Only Lily

A second chance for a Wounded Veteran and a Hollywood Starlet. LILY Men have fawned over me since I learned to bat my eyelashes. I was two. What no one knows is that I still have my V-card. (I keep it in my Hermès handbag.) I was saving it for Bo Abernathy. Until the numbnutz betrayed me. Yes, the high-maintenance beauty-queen-turned-Hollywood starlet is a reject. Now I'm back for revenge. BO She's back. A spoiled brat who's never heard the word no. Who dumped me just before I deployed. I'm back too, worse for the wear, but alive. She plans to marry a big-shot, douchecanoe? That's not my business. At least not until I kidnap her. Only Lily is a Steamy, Small town, Second chance, ex-Military, Enemies to lovers SHORT Romance.

Annie Lane has heard it all — from marital hardships to workplace disputes, family turmoil to household annoyances — and she has been trusted for decades to give thoughtful, helpful advice. No problem is too big or too small for her tackle with her reliable honesty and wit. In her second anthology, Annie takes on the topic of infidelity from every angle: the ones who cheat, the ones who are cheated on, the ones who are confided in and the ones affected by the fallout. Relationships are messy. There are no one-size-fits-all solutions. Let Annie give you the compassion you crave and the candor you probably need to push you in the right direction.

How Can I Forgive My Cheating Partner?

One of the world's top experts on betrayal looks at why we often can't see it right in front of our faces. If the cover-up is worse than the crime, blindness to betrayal can be worse than the betrayal itself. Whether the betrayer is an unfaithful spouse, an abusive authority figure, an unfair boss, or a corrupt institution, we often refuse to see the truth in order to protect ourselves. This book explores the fascinating phenomenon of how and why we ignore or deny betrayal, and what we can gain by transforming "betrayal blindness" into insight. Explains the psychological phenomenon of "betrayal blindness"

Blind to Betrayal

When a vengeful parolee begins to murder their fellow officers, police officers Jane Candiotti and Kenny Marks must put their own plans aside to save their friends and end the madman's rampage.

Blindsided

Guys Like Me introduces us to five ordinary veterans from different generations who have done extraordinary work as peace activists. Michael A. Messner reveals how the horror and trauma of the battlefield motivated onetime warriors to reconcile with former enemies, crusade for justice, and heal themselves and others.

Guys Like Me

A go-to guide on how to confront, heal from, and ultimately thrive after the devastation of betrayal by a partner's compulsive sexual or other addictive behavior. The first book specifically for partners affected by addictive behavior that addresses, in detail, how to identify, create, and maintain boundaries as a vital component of self-care and an indispensable tool for healing and growth. Through working the 5-Step Boundary Solution partners will gain clarity; reduce the chaos inherent in relationships impacted by sex addiction; feel more empowered and in control of their lives; discover whether or not their relationship with the addict is salvageable. Vicki Tidwell Palmer is a Licensed Clinical Social Worker (LCSW), Certified Sex Addiction Therapist (CSAT), and Somatic Experiencing Practitioner (SEP) in private practice in Houston, Texas. She is the author of the blog for partners Survival Strategies for Partners of Sex Addicts.

Moving Beyond Betrayal

KISMET'S KISS is a two-time RWA Golden Heart(r) Finalist and a winner of the Duel on the Delta, Molly, and Put Your Heart in a Book contests. In the desert realm of Kad, a deadly epidemic strikes the palace of Sultan Kuramos. Only a magical healer from an enemy land has the skill to save his royal household, but Kuramos never imagined the healer would be a woman. Healer Varene finds her own surprises in Kad. She expects the sultan's arrogance, but not his courage or his selfless care of the ill--or the possibility that the epidemic is the curse of a vengeful goddess. Kuramos's culture condemns Varene's mystical talents. Her presence triggers an insurrection, yet as he and the healer toil for a cure, he loses his heart to her. She falls for him as well, but how can she relinquish her homeland and her principles--especially when he already has a harem and his family may be cursed? Reviews: "Kismet's Kiss is a must-read for all fantasy romance lovers." --The Romance Reviews "Magic, passion, and intrigue--Kismet's Kiss has it all! Cate Rowan's uniquely compelling fantasy debut is set in a fascinating and fully realized world where danger lurks in every shadow. Rowan is definitely an author to watch!" --Alyssa Day, New York Times bestselling author "Kismet's Kiss is a magical, exhilarating, sensual delight. Lush exotic world building, riveting storyline, and strong personable characters set the stage for a rich and captivating story." --Smexy Books "A wonderful Arabian Nights story laced with humor and scheming with intriguing twists." --Robin D. Owens, RITA-winning author of Heart Thief and Guardian of Honor "...Envelops the reader in a lush, exotic world of silk and sherbet, scimitars and precious stones... Kismet's Kiss delivers an exhilarating reading experience." --SciFiGuy.ca "Kismet's Kiss is a k-i-s-s-a-b-l-e read filled with magic, intrigue and romance!" --Cheryl's Book Nook "...A harem fantasy brimming with desire, enchantment and betrayal... I highly recommend Kismet's Kiss to all readers who enjoy a touch of magic with their romance." --The Romance Studio "Kismet's Kiss is a lush, inviting, immersive gem of a book. No one who loves being swept away by a great story should miss this!" --Kendra Leigh Castle, author of Renegade Angel and Call of the Highland Moon "Kismet's Kiss is a compelling tale of love and duty set amid the clash of cultures. A thoroughly enjoyable adventure!" --Jana Oliver, author of the Time Rovers series and The Demon Trapper's Daughter "Kismet's Kiss has everything a reader of fantasy could ask for--suspense, action, incredible world-building and magic. What captured me most was a romance so exquisitely crafted that it kept me up all night, devouring every word until the very last page. This story is a one-sitting read to be savored again and again!" --Shelby Reed, author of Midnight Rose and The Fifth Favor

Kismet's Kiss

Cheated on... Battered by emotion... You don't know where to turn. You feel betrayed, devastated, embarrassed, angry, and completely heartbroken. You ask yourself, "How can I stop infidelity from ruining my life?" "How do I cope with this nightmare? You don't realize there is a roadmap that explains what you are going through. That roadmap is Cheating in a Nutshell. Knowledge is Power and Understanding is Liberating. Whatever shade of infidelity you're dealing with, it is powerfully painful – and the feelings that come with it are hardly ever simple. Understanding your pain will change your way of thinking almost immediately. This book is for you if: --You just learned your partner cheated on you --You have been staying with a cheating partner --You were betrayed in a past relationship and seek a deeper understanding of your feelings In Cheating in a Nutshell, Wayne and Tamara Mitchell explain the source of your pain. There is a way out of this darkness, and the first step is to understand the structure of this awful experience. "The focus is on the betrayed, not the cheater, and if you've been cheated on, I agree with other reviewers: This is the best book, the only one you need." – Reader Review It's never too late to understand why you feel as you do. Read Cheating in a Nutshell.

Cheating in a Nutshell

THE REVEALING, DEFINING ACCOUNT OF THE DARK NETWORK THAT BROKE OUR COUNTRY. 'An exceptional broadcaster' - Guardian | 'Consistently, forensically, brilliant' - Emily Maitlis Something has gone really wrong in Britain. Our economy has tanked, our freedoms are shrinking, and social divisions are growing. Our politicians seem most interested in their own careers, and much of the media only make things worse. We are living in a country almost unrecognisable from the one that existed a decade ago. But whose fault is it really? Who broke Britain and how did they do it? Bold and incisive as ever, James O'Brien reveals the shady network of influence that has created a broken Britain of strikes, shortages and scandals. He maps the web connecting dark think tanks to Downing Street, the journalists involved in selling it to the public and the media bosses pushing their own agendas. Over ten chapters, each focusing on a particular person complicit in the downfall, James O'Brien reveals how a select few have conspired - sometimes by incompetence, sometimes by design - to bring Britain to its knees.

How They Broke Britain

I turn to see a rocket-propelled grenade screaming toward me. The ordinance strikes me in the side of the head, instantly blinding me in one eye and crushing the right side of my face. On September 9, 2010, while embedded with an Army unit and talking with locals in a small village in eastern Afghanistan, journalist Carmen Gentile was struck in the face by a rocket propelled grenade. Inexplicably, the grenade did not explode and Gentile survived, albeit with the right side of his face shattered and blinded in one eye. Making matters worse, his engagement was on the ropes and his fiancée absent from his bedside. *Blindsided by the Taliban* chronicles the author's numerous missteps and shortcomings while coming to terms with injury and a lost love. Inventive and unprecedented surgeries would ultimately save Gentile's face and eyesight, but the depression and trauma that followed his physical and emotional injuries proved a much harder recovery. Ultimately, Gentile would find that returning to the front lines and continuing the work he loved was the only way to become whole again. As only he can, Gentile recounts the physical and mental recovery which included staring only at the ground for a month, a battle with opiate-induced constipation and a history of drug addiction, attacks by Taliban assassins born of post-traumatic stress, the Jedi-like powers of General David Petraeus, and finding normalcy under falling mortars in an Afghan valley. The result is an unapologetic, self-deprecating, occasionally cringe-worthy, and always candid account of loss and redemption in the face of the self-doubt common to us all. *Blindsided by the Taliban* also features the author's photos from the field that depict the realities of life in Afghanistan for soldiers and civilians alike. #KissedbytheTaliban

Blindsided by the Taliban

What happens when a successful Jewish businessman is blindsided by his daughter's Christian conversion? Setting out to debunk the claims of her newfound faith, he's astonished by what he discovers, and he faces life-wrenching decisions. This updated edition features wisdom-filled words on Jewish identity.

Included on The Skimm's 2020 list of Eight Books Both You and Mom Will Love "The sleeper hit of the pandemic . . . There is no escapism like reading about a nearly middle-aged woman embarking on a glittering, global love affair with a thoughtful young sex god . . . It's electric, triumphant to read." —Vogue.com "An OMG page-turner." —Gabrielle Union Solène Marchand, the thirty-nine-year-old owner of an art gallery in Los Angeles, is reluctant to take her daughter, Isabelle, to meet her favorite boy band. But since her divorce, she's more eager than ever to be close to Isabelle. The last thing Solène expects is to make a connection with one of the members of the world-famous August Moon. But Hayes Campbell is clever, winning, confident, and posh, and the attraction is immediate. That he is all of twenty years old further complicates things. What begins as a series of clandestine trysts quickly evolves into a passionate and genuine relationship. It is a journey that spans continents as Solène and Hayes navigate each other's worlds: from stadium tours to international art fairs to secluded hideaways in Paris and Miami. For Solène, it is a reclaiming of self, as well as a rediscovery of happiness and love. When Solène and Hayes' romance becomes a viral sensation, and both she and her daughter become the target of rabid fans and an insatiable media, Solène must face how her romantic life has impacted the lives of those she cares about most.

Blind Sided: Book 4 of the Irish End Games

This volume provides an in-depth examination of the video game *Death Stranding*, focusing on the game's exploration of ruin, nostalgia, and atonement as its primary symbolic, narrative, and mechanical language. Offering the first close examination of *Death Stranding*'s narrative, the book also incorporates a strong foundation in game studies, most especially related to the concepts of immersion and embodiment. The focus of the book lies in considering how *Death Stranding* expands on the themes of ruin, longing, and the need for connection, and whether a reconciliation—on a community level, national level, or even global level—might be possible. This book will appeal to scholars in a variety of disciplines in the Humanities and the Social Sciences, from video game studies and media studies to English, history, philosophy, and popular culture.

The Idea of You

Countermeasure: Bytes of Life and Bits of Life are tie-in/sideline series to the Countermeasure Series novels. Countermeasure: Bytes of Life Volume 2 Boxed set includes: *Blindsided*, *Lost to Rapture*, and *Christmas Wish*. NOTE: These short stories and novellas give the readers glimpses into the day-to-day life of the Countermeasure characters. They are voyeuristic glimpses into their married life, proof that the heat of romance begins with I do. These short stories and novellas can be read as standalone Romantica, they are character-driven, NOT plot-driven. Please be advised that ALL shorts in these series contain MATURE content. They are NOT recommended for younger audience. Some of the events taking place in the short stories are referenced in the novels and vice-versa. Although the three series are interconnected, the short stories are not a necessary read for the unraveling of the mystery in the series, yet each book pushes boundaries in the development of their intimate relationship and that reflects in their behavior/actions in the novels. For more information about the series and how the books connect, reading order and upcoming stories, please visit the series' official website. **BLINDSIDED** There are always two sides to every story. In *BLINDSIDED*, the fifth installment of Countermeasure: Bytes of Life, you will see the events of the early morning in Vyborg through Nathan Nelson's eyes. Behind a stony facade, the CIA agent hides a troubled past, one he hasn't disclosed to anyone. When Nathan finds himself in a compromising position with Nikol Petrovna, things heat up on a grand scale. Presented with a tempting offer, Nathan has a choice to make. Will he lay his cards on the table or keep them close to his heart? **LOST TO RAPTURE** In the sixth installment of Countermeasure: Bytes of Life, it's been a year since Trevor and Cassandra Bauer tied the knot. A year filled with adventure and surprises. Now, in celebration of their first anniversary together, Trevor takes Cassandra to his hometown where memories abound. Will she help him face his demons and create new joy filled memories to enrich the existing ones? **CHRISTMAS WISH** In the seventh Byte of Life, newlyweds Stephan and Jessica Connellan are solidifying their relationship while expecting their first child. Nothing will stop Stephan from protecting the dream he's always yearned for—a family—but his concerns for Jessica and their baby's health could be more harmful than the eye can see. Jessica's joy in the new life they are creating together is crumbling. As her pregnancy progresses, Stephan appears distant, detached. Worried that their whirlwind romance is about to explode in her face, she's anxious to bridge the distance between them. Will she be able to remind him of what they have together before his promise of forever slips through her fingers?"

Longing, Ruin, and Connection in Hideo Kojima's *Death Stranding*

How much can Brian Mullaney risk to serve God and save lives--without losing his own? DSS Regional Security Officer Brian Mullaney has been tasked with an incredibly dangerous mission. When a synagogue in Jerusalem is destroyed by an explosion, burying the second key prophecy Mullaney is hunting--and the deadly box that protects it--the answers he desperately needs are also crushed. How can he discover the meaning of the centuries-old prophecy now? Why are he and the ambassador he's assigned to protect being targeted? And is there any way this lone man can thwart a nuclear arms race between three ascendant empires of the past? An otherworldly servant of evil known only as the Turk is maneuvering all three nations into an intricate dance designed to undermine prophecy about the end times. And he won't let Mullaney or anyone else get in his way. Wounded in a bloody shoot-out, pressured by his wife to come home, and mourning the death of his best friend, Mullaney doesn't need a powerful enemy. Who is he to save the Ishmael Covenant, the treaty promising peace in the Middle East? Despite angelic intervention, Mullaney wants nothing to do with his final assignment. But without him, evil will win the ultimate struggle . . . and humankind will have no hope left.

Sex and spice and cold as ice. Those are the facts I uncover about football star Lennox Hardy after a long night of martinis and bad choices. Hardly the stuff of tabloid headlines. Everyone knows the Cougars' star quarterback is a womanizing bad boy whose voicemail is practically set to "no comment." What they might not know is that the sex? Kind of disappointing. Of course, that didn't stop me from getting knocked up. But it's when I confront Lennox and discover that I'd actually slept with his identical twin brother Logan, a rising politician, that my life goes from page twelve news to a gossip columnist's wet dream. Lennox is used to cleaning up his brother's messes, and he barely blinks before he asks me to move in with him and pretend the baby is his, at least until his brother's election is over. Giving me full access to his elusive, private life and the story that will make my career. What's a reporter to do? But sharing an apartment with a brooding, private man who's sexy as sin and my raging hormones may not have been the best idea. And when the only investigating I do happens with our clothes off, I know my plan has gone seriously awry... **This is a full-length, standalone secret baby romance with a Happily Ever After. No cheating or cliffhangers!

Persian Betrayal

"Beautiful, soul-shattering, and utterly delicious." ~ Ilsa Madden-Mills, Wall Street Journal, New York Times, and USA Today bestselling author Bennett Sharp is on the run. Wanted for piracy, she fears neither God nor death nor man. Except Priest Farrell. The unfaithful, stormy-eyed libertine hunts her with terrifying possessiveness. Nothing will stop him from coming for her. Not his unforgivable betrayal. Not when she's captured by the ice-cold pirate hunter, Lord Ashley Cutler. She must escape Ashley's prison and Priest's deceit. But can she walk away from their twisted desires? Two gorgeous captains stand on opposite sides of the law. When they collide in a battle to protect her, the lines blur between enemies and lovers. Passion heats, secrets unravel, and hearts entangle until they break. Can love prevail in the sea of ruin? Contains: pirates, Caribbean, British literature, dark historical romance, American colonies, American history, Golden Age of Piracy, action and adventure, alpha male, anti-hero, dark romance

Blindsided

In June 2015, Bree Newsome scaled the flagpole in front of South Carolina's state capitol and removed the Confederate flag. The following month, the Confederate flag was permanently removed from the state capitol. Newsome is a compelling example of a twenty-first-century woman rhetor, along with bloggers, writers, politicians, activists, artists, and everyday social media users, who give new meaning to Aristotle's ubiquitous definition of rhetoric as the discovery of the "available means of persuasion." Women's persuasive acts from the first two decades of the twenty-first century include new technologies and repurposed old ones, engaged not only to persuade, but also to tell their stories, to sponsor change, and to challenge cultural forces that repress and oppress. *Persuasive Acts: Women's Rhetorics in the Twenty-First Century* gathers an expansive array of voices and texts from well-known figures including Hillary Rodham Clinton, Malala Yousafzai, Michelle Obama, Lindy West, Sonia Sotomayor, and Chimamanda Ngozi Adichie, so that readers may converse with them, and build rhetorics of their own. Editors Shari J. Stenberg and Charlotte Hogg have compiled timely and provocative rhetorics that represent critical issues and rhetorical affordances of the twenty-first century.

Sea of Ruin

A hopeful single mom moves to the Houston suburbs to start anew, only to find a new adversary in the HOA. Amelia Marsh relocates with her two young kids to a northern suburb of Houston after a brutal divorce. All she wants is a bit of normalcy for her children. The last thing she needs is to be the center of a disagreement with the HOA representative. Believe it or not, her children's garden gnome is accused of violating the association's rules. No way is Amelia backing down on this one. Gnomegate? Really? HOA President Kyle Sanders would be a good friend—or even something more—if Amelia wasn't gearing up for battle with the HOA in her determination to make her house a home and her neighborhood a community... "An excellent read and a surefire hit for those looking to beat the heat this summer." —Library Journal
