Welcome to this interview training tutorial!

First and foremost, I am totally dedicated to patient care and find this element of the role the most rewarding. I am naturally a caring person and enjoy being in a role where I get the opportunity to make a difference through both the treatment and care provide, and also through educating patients to lead better lives.

The first aspect of dealing with the stress of the nursing job is to understand exactly what is involved in the role, the environment you will be working in, and also the situation most patients will find themselves in
