

suffering if god exists why doesnt he stop it

[#problem of evil](#) [#god and suffering](#) [#why god allows suffering](#) [#existence of god](#) [#theodicy](#)

This profound question delves into the classic 'problem of evil,' a philosophical dilemma exploring the apparent contradiction between an omnipotent, benevolent God and the prevalence of suffering in the world. It directly challenges the nature of divine intervention and compassion, questioning why, if such a deity exists, there is no cessation of pain and hardship.
