The Digger's Game

Jerry "Digger" Doherty is an ex-con and proprietor of a workingman's Boston bar, who supplements his income with the occasional "odd job," like stealing live checks and picking up hot goods. His brother's a priest, his wife's a nag, and he's got a deadly appetite for martinis and gambling. But when the Digger looses eighteen grand in borrowed money on a trip to Vegas, he quickly finds himself in the sights of mob loneshark "the Greek," who will have to make the Digger pay up one way or another. Luckily—if you call it luck—the Digger has been let in on a little job that can turn his gambling debt into a profit, as long as he can pull it off without getting killed.

End Games

When an advance scout for an American film company disappears, Aurelio Zen's most recent assignment in remote Calabria becomes anything but routine. Despite a savage attack that has scared the locals silent, Zen is determined to expose the truth. To make matters more complicated, a group of dangerous strangers, led by a rich, single-minded American have arrived to uncover another local mystery—buried treasure—and they will stop at nothing to achieve their goal. What ensues is a fiendishly suspenseful case that only Aurelio Zen could stumble into and only Michael Dibdin could have created: a wild thriller that takes us deep into a remote region of Italy and the darkest corners of human nature.

The Digger's Game

A riveting George V. Higgins masterpiece about Jerry Doherty and his trip to Vegas that puts him eighteen grand in the hole. Jerry Digger Doherty is an ex-con and proprietor of a workingman's Boston bar, who supplements his income with the occasional odd job, like stealing live checks or picking up hot goods. His brother's a priest, his wife's a nag, and he has a deadly appetite for martinis and gambling. On a trip to Vegas, the Digger finds himself in the sights of a loan shark known as the Greek. Luckily—if you call it luck--the Digger has been let in on a little job that can turn his gambling debt into a profit, if only he can pull it off without getting himself killed.

Ripley's Game

Miami crime scene investigator--and a serial killer dedicated to eliminating evil people--Dexter Morgan confronts his ultimate adversary, a sinister enemy that even terrifies Dexter's inner monster, and must use his sharpest investigative talents to find and destroy his enemy, as well as to understand his own dark soul. Reprint. 100,000 first printing.

Dexter in the Dark

FROM THE BESTSELLING AUTHOR OF THE CARTEL. Frankie Machianno, a hard-working entrepreneur, passionate lover, part-time surf bum, and full-time dad, is a pillar of his waterfront community—and a retired hit man. Once better known as Frankie Machine, he was a brutally efficient killer. Now someone from his past wants him dead, and after a botched attempt on his life, Frankie sets out to find his potential killers. However, the list of suspects is longer than the California coastline. With the mob on

his heels and the cops on his tail, Frankie hatches a plan to protect his family, save his life, and escape the mob forever. Then things get really complicated.

The Black Lizard Anthology of Crime Fiction

Originally published under the title: Cogan's trade (New York: Knopf, 1974).

The Winter of Frankie Machine

'Higgins...has arranged the conventions of the crime novel into something new: oblique, bleak and often graveyard funny' THE SUNDAY TIMES When the tenants of Jerry Fein's dilapidated buildings refuse to pay the rent on account of the rats, Jerry drafts in arsonist Leo Proctor to take care of the problem. After all, the place is insured and the fire marshall's back is turned, so what could go wrong?

Killing Them Softly

A crime masterpiece brought back into print - and transformed into the major film, Killing Them Softly, starring Brad Pitt. Jackie Cogan doesn't advertise what he does. But when the New England mob have a mess they need cleared up, they know who to call. Markie Trattman runs a high-stakes card-game under their protection. When the game gets raided by a couple of no-name hoodlums, Jackie's out of pocket. Unless of course he set up the heist himself. Either way the mob's got a problem. To restore credibility and keep things running smooth, they need to find out who's behind the heist - and then justice must be seen to be done. Which is where Jackie comes in. The trouble is, this is one game with a lot of players, including an out-of-town hitman, a sleazy attorney, a professional dog-stealer, and enough hoods, hangers-on and high-rollers to really make Jackie earn his dough. Filmed as Killing Them Softly.

The Rat on Fire

When rich boy Peter Jamieson's fiancée suddenly breaks their engagement, Peter hires private detective Lew Archer to investigate the woman's mysterious French lover.

Cogan's Trade

Gathers stories by Robert Block, Lawrence Block, Max Collins, Joe Gores, Ed McBain, Mickey Spillane, Donald Westlake, and Bill Pronzini

Black Money

A riveting, blistering hot novel about the shady side of the law and the business side of the Boston underworld by the one and only George V. Higgins. Jerry Fein is a small-time lawyer, occasional booking agent, and full-time slumlord. But he's nobody's fool. So when the tenants of his dilapidated buildings refuse to pay rent because of rats, Jerry knows just the man to help him—Leo Proctor, a professional arsonist, who can make a fire marshal look the other way for a little cash. But the heat is on over at the police station as well, and a couple of cops are suddenly feeling pressure from their superiors to produce, and something has got to give. Full of hardnosed cops and lawyers a little too familiar with both sides of the law, The Rat on Fire is another Higgins masterpiece and an unflinching portrait of the Boston crime world.

The Second Black Lizard Anthology of Crime Fiction

Meet Hap and Leonard, the unlikely detective duo now on screen in the highly praised series starring James Purefoy, Michael K. Williams and Christina Hendricks. Hap and Leonard return in this incredible, mad-dash thriller, loaded with crack addicts, a serial killer, and a serious body count. Leonard is still nursing the injuries he sustained in the duo's latest escapade when he learns that his uncle Chester has passed. Hap is of course going to be there for his best friend, but when the two of them clean up Uncle Chester's dilapidated house, they uncover a dark little secret beneath the house's rotting floorboards: a small skeleton buried in a trunk. Hap wants to call the police. Leonard, being a black man in East Texas, persuades him this is not a good idea, and together they set out to clear Chester's name on their own. The only things standing in their way are a houseful of felons, a vicious killer, and possibly themselves.

The Rat on Fire

Fast-talking, hard-living politicians, priests, smugglers and thieves play the game of the Boston streets in George V. Higgins' *The Patriot Game*. Federal agent Pete Riordan is as tough as they come; he's six-foot-four with a bad knee and a mean temper, but his commitment to his job is beyond exemplary. When he is called upon to find the man delivering arms to the I.R.A. he takes to with gusto. Little did he know it'd be such a guessing game; bar proprietor Digger Doherty is rumored to have leads, and convicted killer Mikey-Magro serving time in Walpole certainly knows more than he lets on. But no one is coming forward and time is running out, and why is Mikey-Magro being released from jail prematurely anyway? Teeming with unlikely characters and fiery dialogue that propel the plot to break-neck speed, *The Patriot Game* is nothing short of a George V. Higgins masterpiece.

Mucho Mojo

When Tom Lord, a sheriff's deputy, accidentally kills Aaron McBride, he realizes that either the law or McBride's partners will be after him

Dead and Gone.

Now a Major Motion Picture Starring Brad Pitt Jackie Cogan is an enforcer for the mob. When a high-stakes card game is heisted by unknown hoodlums, Cogan is called in to "handle" the problem. Moving expertly and ruthlessly among a variety of criminal hacks, hangers-on, and bigger-time crooks—a classic cast of misfits animated by Higgins's hilarious, cracklingly authentic dialogue—Cogan gets to the root of the problem and, with five consecutive shots from a Smith & Wesson thirty-eight Police Special, restores order to his corner of the underworld.

The Patriot Game

Pat Cosgrove was a convict in the state's vilest prison, and Doc Luther gave him his freedom. Cosgrove had never been loved, and Luther gave him two mistresses—one of them the beautiful Mrs. Luther. Cosgrove owed Luther his life . . . and now Luther was going to collect.

The Transgressors

Gripping and entertaining, George V. Higgins delivers a compelling and uncomfortably realistic account of the way society and the law really function. It's been a decade since the turbulent 60s and policeman John Richards still has to deal with a handful of leftover student radicals who continue to terrorize the Boston streets. In an effort to convict them once and for all, he liaises with ambitious lawyer Terry Gleason. Matters culminate one crisp Sunday morning when the students decide to rob the Friary, a pub in downtown Boston well-established as a site of drug-trafficking. Seven civilians are left dead in what comes to be called the Friary massacre. The trial proves nightmarish and unpredictable, not unlike the decade it took Richards and Gleason to apprehend the culprits in the first place. In a heart-stopping rendition of cops and robbers, *Outlaws* proves that in the Boston demimonde nothing is as it seems.

Killing Them Softly (Cogan's Trade Movie Tie-in Edition)

A hard-hitting, tour de force tale of the mob and the man who makes sure their rules are the only rules, by the American master of crime George V. Higgins. Jackie Cogan is an enforcer, and when the mob's rules get broken, Cogan is called in to take care of business. This time a high-stakes card game has been held up by an unknown gang of thugs. Calculating, ruthless, businesslike, and with a shrewd sense of other people's weaknesses, Cogan plies his trade, moving among a variety of hoods, hangers-on, and big-timers, tracking those responsible, and returning "law and order" to the lawless Boston underworld. Combining remarkable wit, crackling dialogue, and a singular ability to show criminal life as it is lived, George V. Higgins builds an incredible story of crime to an unforgettable climax.

Recoil

The characters truly speak for themselves in George V. Higgins' chilling tour de force about deceit, blackmail and the importance of paying one's dues. Ultimate recidivist Earl Beale has learnt little from his early release from jail and narrow escape from being drafted, seemingly nothing can cure him of his criminal ways. Obsessed by money, and with a keen eye for scheming, he's the kind of car salesman

no one can trust. When suddenly some unfinished business from his past catches up with him, it's dubitable whether he's going to successfully extricate himself from this one. A witty yet stinging tale of the dangers of putting money and self-interest above everything else, *Trust* is about a man with no scruples.

Outlaws

In his final novel George V. Higgins provides us with yet another searing and enthralling dissection of the Boston underworld. Arthur McKeach and Nick Cistaro are notorious, especially to the Boston police department. Their reputations precede them as orchestrators of extortion, theft, fraud, bribery, assault and even murder. But for thirty two years, both have managed to elude the authorities. A profitable "arrangement" with the FBI, negotiated some thirty years previously, has kept them comfortably unindicted and free to monopolize Boston's crime scene for all too long. In this thrilling, fast-paced George V. Higgins classic, the intricate channels of crime and American law enforcement turn out to be inextricably and precariously linked. Inspired by a true story, *At End of Day* frames a vivid and timelessly authentic narrative that has implications far beyond its pages.

Cogan's Trade

Doc McCoy knows everything there is to know about pulling off the perfect bank job. But there are some things he has forgotten--such as a partner who is not only treacherous but insane and a wife who is still an amateur. Worst of all, McCoy has forgotten that when the crime is big and bloody enough, there is no such thing as a clean getaway.

Trust

The daughter of Hap Collins' lady friend has been forced into prostitution. Hap and Leonard set out to bring her home.

At End of Day

Krimi.

The Getaway

A winding tale of suspicion and intrigue, George V. Higgins skillfully recounts the story of elusive Short Joey Mossi. When detective sergeant Harry Dell'Appa went into enforced exile in the Berkshires to put an end to an ill-fated office romance, he didn't expect to be called back to Boston so soon. But desperate times...so the saying goes, and head detective Brian Dennison is keen for Short Joey Mossi, a suspected mob exterminator, to be arrested once and for all. Dell'Appa is called in to assist detective Bob Brennan, an old rival of his, who despite knowing all there is to know about Mossi, has never apprehended him. The plot thickens and Dell'Appa learns time and time again of the primacy of Bomber's Law: they always "do it for the money". In *Bomber's Law*, Higgins operates on a captivating policy of "partial disclosure", leaving the reader to piece together the plot, morsel by morsel.

Rumble Tumble

Someone is giving away hundreds of millions of dollars. Police Inspector Flynn races from Texas to Las Vegas, from Massachusetts to Russia, to find the culprit before the spending wrecks the nation's economy.

Mucho Mojo

A young woman is brutally murdered on a remote mountain road. A young construction worker, Yuichi, is on the run - but is he guilty? This is the dark heart of Japan; a world of seedy sex hotels and decaying seaside towns; a world of loneliness, violence and desperation. As the police close in on Yuichi and his new lover, the stories of the victim, the murderer and their families are uncovered. But these men and women are never what they appear to be...

Bomber's Law

Is Manuela Aloe a gift from heaven or the girlfriend from hell? From the moment Britt Rainstar starts seeing the curvaceous heiress, he finds himself menaced by vicious dogs, stalked by pistol-packing skeletons, and attacked by an unseen assailant in a hospital lobby. Couldn't Manny just send flowers?

The Buck Passes Flynn

The classic novel from "America's best crime novelist" (Time), with a new introduction by Dennis Lehane George V. Higgins's seminal crime novel is a down-and-dirty tale of thieves, mobsters, and cops on the mean streets of Boston. When small-time gunrunner Eddie Coyle is convicted on a felony, he's looking at three years in the pen--that is, unless he sells out one of his big-fish clients to the DA. But which of the many hoods, gunmen, and executioners whom he calls his friends should he send up the river? Told almost entirely in crackling dialogue by a vivid cast of lowlifes and detectives, *The Friends of Eddie Coyle* is one of the greatest crime novels ever written. "The best crime novel ever written--makes *The Maltese Falcon* read like *Nancy Drew*." -- Elmore Leonard

Villain

The PRIZE-WINNING BESTSELLER, now a major BBC1 DRAMA SERIES starring Thomasin McKenzie, Sian Clifford and James McArdle, directed by BAFTA award-winning John Crowley. 'Dazzling, witty, moving, joyful, mournful, profound... one of the best novels I've read this century' Gillian Flynn, bestselling author of *GONE GIRL* 'A box of delights ... it grips the reader's imagination on the first page and never lets go.' HILARY MANTEL, author of *THE MIRROR AND THE LIGHT*

What if you had the chance to live your life again and again, until you finally got it right? During a snowstorm in England in 1910, a baby is born and dies before she can take her first breath. During a snowstorm in England in 1910, the same baby is born and lives to tell the tale. What if there were second chances? And third chances? In fact an infinite number of chances to live your life? Would you eventually be able to save the world from its own inevitable destiny? And would you even want to? *Life After Life* follows Ursula Todd as she lives through the turbulent events of the last century again and again. With wit and compassion, Kate Atkinson finds warmth even in life's bleakest moments, and shows an extraordinary ability to evoke the past. Here she is at her most profound and inventive, in a novel that celebrates the best and worst of ourselves. 'Merging family saga with a fluid sense of time and an extraordinarily vivid sense of history at its most human level. A dizzying and dazzling tour de force' Daily Mail 'Absolutely brilliant...it reminded me a bit of her first book *Behind the Scenes at the Museum*, which is one of my most favourite books ever.' Marian Keyes, author of *Rachel, Again* 'An exceptional writer' Guardian '[A] magnificently tender and humane novel' Observer 'A ferociously clever writer...a big, bold novel that is enthralling, entertaining' New Statesman 'Exceptionally captivating' New York Times 'Truly brilliant...Think of Audrey Niffenegger's *The Time Traveler's Wife* or David Nicholl's *One Day*.. a rare book that you want to start again the minute you have finished.' The Times

The Rip-off

The great Raymond Chandler once noted that "the detective or mystery story . . . has become so thoroughly explored that the real problem for a writer now is to avoid writing a mystery while appearing to do so." And that is precisely what the contributors in this masterful anthology have accomplished. For in *The Vintage Book of Classic Crime*, Michael Dibdin has assembled fifty-four of the most stylish, original and subversive examples of the literature of murder. Whether written by eminent practitioners such as James M. Cain or Dashiell Hammett, or distinguished "amateurs" like Ernest Hemingway or Franz Kafka, the stories, essays, and novel excerpts in this volume push past their genre's familiar conventions to explore what makes crime CRIME. Suspenseful and exhilarating, hard-boiled and high art, the result is a dazzling gallery of murder that reveals how daring and controversial crime writing can be. Contributors and stories include: James M. Cain, "The Postman Always Rings Twice"; Raymond Chandler, "Pick-up on Noon Street"; Anton Chekhov, "The Shooting Party"; Umberto Eco; William Faulkner, "Smoke"; Dashiell Hammett, "The Glass Key"; Ernest Hemingway, "The Killers"; George V. Higgins, "Trust"; Patricia Highsmith, "Strangers on a Train"; P.D. James and T.A. Critchley, "The Maul and the Pear Tree"; James Joyce; Franz Kafka; Elmore Leonard; Walter Mosley, "A Red Death"; Edgar Allan Poe, "The Tell-tale Heart"; Georges Simenon, "Maigret's Memoirs"; Isaac Bashevis Singer, "Under the Knife"; Julian Symons, "The Man Who Killed Himself"; Barbara Vine, "A Dark-Adapted Eye"; James Thurber; Oscar Wilde, "The Picture of Dorian Gray"; and Emile Zola, "Therese Raquin."

The Friends of Eddie Coyle

The Noir Atlantic follows the influence of African American author Chester Himes on francophone African crime fiction.

Life After Life

A masterwork of crime and black comedy, George V. Higgins is in his element as he spell-bindingly recounts lawyer Jerry Kennedy's more fragrant cases. Keen to take some time off, Jerry Kennedy plans a short holiday en famille at Green Harbor, his eclectic clients don't get the memo however. His drive-by clientele, the car thieves, pimps, drug dealers and boatyard mechanics are diverse in all respects but one, persistence. Matters come to a head when a midnight intruder breaks into Kennedy's home, knife drawn and determination blaring in his eyes. In deciphering the imposter's intentions, Jerry's qualities of honesty, responsibility and downright hard work are seriously put to the test. Brimming with a bevy of bimbos, bent cops and bad actors, Kennedy for the Defense shows us the Boston crooks-and-cops world through an attorney's eyes.

The Vintage Book of Classic Crime

"Two guys with guts and a go-to-hell-with-you-Jack regard for consequences have about three chances in ten of pulling off a big, well-planned smash-and-grab. If one of them can shoot like me . . . the odds are a damn sight better." In the course of his line of business, the man who calls himself Roy Martin has robbed a bank in Phoenix, killed three men, and caught a bullet in his arm. Safety--and one half of \$178,000--awaits him on the other side of the country. All that separates "Martin" from his destination are two thousand treacherous miles and three lethal temptations: to trust the wrong friend, to love the right woman, and to start believing that a man like himself can ever be safe. The Name of the Game is Death combines a narrative as taut as a hangman's rope with chillingly authentic insights into the psychology of casual murder.

The Noir Atlantic

At the dusk of the twenty-first century, Welsh technophobe Huw is one of the billion or so hominids left on Earth, living in a preserve at the bottom of a gravity well. The rest have emigrated, uploading their consciousness to a vast cloud that fogs the inner solar system with a dust of molecular machinery, and occasionally spams Earth with plans for cataclysmically disruptive technologies. Wary of anything more sophisticated than his bicycle, Huw jumps at the chance to attend tech jury service and defend the Earth from the scum of the post-singularity patent office. But his long-awaited stint is cut short when he becomes infected with an itchy technovirus, and unwittingly becomes the last hope of the entire universe.

Kennedy for the Defense

On two remote islands off the coast of Maine, the local lobstermen have fought savagely for generations over the fishing rights to the ocean waters between them. Young Ruth Thomas is born into this feud, the daughter of one of the greediest lobstermen in Maine. Eighteen years old, as smart as a whip, and irredeemably unromantic, Ruth returns home from boarding school determined to throw her education overboard and join the 'stern-men'. As the feud escalates, she helps work the lobster boats, brushes up on her profanity, and eventually falls for a handsome young lobsterman. A funny, sparkling novel of unlikely friendships and family ties, Stern Men captures a feisty American spirit through this unforgettable heroine who is destined for greatness despite herself. Stern Men was a New York Times Notable Book.

The Name of the Game is Death

DEAVER. DANGEROUSLY GOOD. 9am, 31st December. A man gets onto the packed escalator of a metro station and fires a silenced machine gun through a paper bag. He escapes without being spotted in the chaos that follows. A note is delivered to the mayor of Washington, D.C., demanding \$20 million, or the writer will instruct the gunman to strike again, at 4 pm, 8 pm and midnight. The mayor decides to pay up. But then a man is killed in a hit and run accident - and his fingerprints match the ones on the note. With the brains behind the operation dead, there's no way of stopping the gunman killing again, and again, and again... The only evidence the FBI have is the note. And Parker Kincaid, forensic document expert, is the only man who can stop the killer. But he's running out of time... 'Deaver is a

terrific storyteller, and he takes the reader on a rollercoaster of suspense, violence and mystery' Daily Telegraph

Rapture of the Nerds

The Godfather, Corleone Family, Mario Puzo, Italian Mafia, Organized Crime

The Family Corleone, a fictional Sicilian-American mafia family at the heart of Mario Puzo's 'The Godfather' series, embodies power, loyalty, and the complex dynamics of organized crime in post-war America. Their story explores the themes of family, tradition, and the corrupting influence of power, leaving a lasting impact on popular culture and our understanding of the mafia underworld.
