Make Sure You Demonstrate The Following COMPETENCIES During Your BAND 7 Interview

I was attending an inter-departmental meeting to discuss NHS Trust policy and the strategic vision moving forward.

Having spent lots of time researching the role and the department, I would need a significant range of skills, qualities and experience.

The most important things to concentrate on are the delivery of the NHS Trust's values, the competencies and responsibilities within the job description, and also ensuring all staff I would be responsible for are inspired and motivated to do their jobs to the best of the abilities
First and foremost, change is a very important aspect of the NHS and it is important everyone understands it, and more importantly, how to embrace it positively.
