Stand Strong

In Stand Strong Nick Vujicic gives you strategies for developing a “bully defense system” so you can handle bullies of all kinds, by building your strength from the inside out. With no arms, no legs, and no defense, Nick Vujicic has experienced bullying of all kinds for being “different.” He knows what it feels like to be picked on and pushed around. But Nick learned that he doesn’t have to play the bully’s game—and neither do you. No bully can define who you are, and in Stand Strong, Nick shows how you too can overcome and rise above bullying. Find out how to: - Turn being bullied into a great opportunity (yes, really!) - Create a safety zone within yourself - Establish strong values that no bully can shake - Deal with cyber bullies - Develop a spiritual foundation to stay strong against bullying - Monitor your emotions and control your response to them - Help others who are being bullied Are you facing the unwanted attention of a bully? You can stand up to the challenge, because you have greater power over your feelings and your life than you may think! Just ask Nick--the man with no arms or legs...and “a ridiculously good life.”

Unstoppable

New York Times bestseller Being unstoppable is about believing and achieving. It’s about having faith in yourself, your talents and your purpose and, most of all, in God’s great love and His divine plan for your life. Millions around the world recognize the smiling face and inspirational message of Nick Vujicic. Despite being born without arms or legs, Nick’s challenges have not kept him from enjoying great adventures, a fulfilling and meaningful career, and loving relationships. Nick has overcome trials and hardships by focusing on the promises that he was created for a unique and specific purpose, that his life has value and is a gift to others, and that no matter the despair and hard times in life, God is always present. Nick credits his success in life to the power that is unleashed when faith takes action. But how does that happen? In Unstoppable Nick addresses adversity and difficult circumstances that many people face today, including: • Personal crises • Relationship issues • Career and job challenges • Health and disability concerns • Self-destructive thoughts, emotions, and addictions • Bullying, persecution, cruelty, and intolerance • Balance in body, mind, heart, and spirit • Service to others Through stories from his own life and the experiences of many others, Nick explains how anyone wanting a “ridiculously good life” can respond to these issues and more to become unstoppable. What’s standing in your way? Are you ready to become unstoppable?

Be the Hands and Feet

Nothing in life is as exciting and satisfying as introducing Jesus to people who have never met him. New York Times bestselling author and world-renowned motivational speaker Nick Vujicic is known worldwide as the man without arms and legs who personifies a "can do" spirit. Now in greater detail, he explains how the example of Jesus Christ motivates him to travel and speak broadly because the "good news" of the Gospel is just too good to keep quiet! Although the world has so many problems, no challenge is too great for the God who promises to move mountains. Using compelling stories from his own experience, Nick shares the heart of his message, the motivation behind all he does, and something that he believes the world needs now more than ever before: A faith in Jesus Christ that moves people to act and make the world a better place.

Limitless

Born without arms or legs, Nick Vujicic overcame his disability to find a rich and independent life that is a model for anyone seeking authentic contentment. The author of the best selling books *Life Without Limits* and *Unstoppable*, Nick now offers succinct insights and encouragement to anyone - regardless of circumstances. This attractive book - ideal for gift giving, includes 50 inspirational devotions to help readers face life with hope, confidence, and courage. Topics include faith, personal crises, relationships, career and job challenges, anger, health and disability concerns, self - esteem, responding to intolerance, finding balance, the power of dreams and many others. Nick has proven that even the most intimidating challenges need not prevent a limitless life.

Love Without Limits

It Doesn't Take a Perfect Person to Find a Perfect Love Even though he was born without arms or legs, Nick Vujicic created a "ridiculously good life." But after dating disappointments and a failed relationship, he reached his mid-twenties worried that he would never find a woman to love him and share his life. Then Nick met Kanae and everything changed. But even with undeniable chemistry, they would have to navigate twists and turns worthy of a romantic comedy before becoming "one" in marriage. In *Love Without Limits* Nick and Kanae tell how they improbably found each other, fell in love, and then fought to overcome skepticism from others about their relationship. Filled with practical insights that will benefit any couple, this inspiring book describes a godly courtship and the early years of the Vujicics' marriage and parenting journey. Above all, *Love Without Limits* is an inspiring reminder that when Christ is at the center of a relationship--even with serious challenges--true love will triumph. *** "Despite my optimism about other parts of life, I decided that love in this world had limits after all. I'd become convinced that no woman would want to marry such an obviously imperfect man as me..." As a boy growing up in Australia, Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick's life. On the other side of the world, Kanae Miyahara—a girl growing up in Mexico--saw dysfunction sadly separate her family. She wondered if a loving, lasting marriage was even possible. Later, when Nick realized that God had a purpose for him, his life took on new meaning. But after a long-term relationship ended in heartache, would he ever find someone to marry? Kanae experienced relationships based on superficial attraction, but she longed to find a mate with strong character and faith—a man who would be a godly husband and father. When Nick and Kanae met in the most amazing way, they realized that God—the ultimate Matchmaker-- had used even their discouraging and painful experiences to prepare them for each other...for the love of their life.

Your Life Without Limits

"I do believe my life has no limits, and I want you to feel the same way about your life, no matter what your challenges may be." --Nick Vujicic *You Can't Control What Happens to You... But You Can Control How You Will Respond!* As a teenager Nick Vujicic wondered how he ever could have a "normal life." Born without arms and legs, Nick questioned how he would finish school, find a job, enjoy relationships, and not be a burden to others. He even contemplated suicide before realizing that his challenges did not need to limit his life. In *Your Life Without Limits*, Nick tells why circumstances should not rule your life and how hope changes everything for the better. Look for Nick Vujicic's inspiring, full-length books *Life Without Limits* and *Unstoppable*.

The Power of Unstoppable Faith

"People often ask me how I stay positive and where I find the strength to overcome my disabilities? My answer, always, is 'I pray for God's help and then exercise unstoppable faith.'" —Nick Vujicic *Become*

Unstoppable Millions around the world recognize the smiling face and inspirational messages of Nick Vujicic. Born without arms or legs, Nick has not allowed his physical challenges to keep him from enjoying great adventures, a meaningful career, and loving relationships. In this inspirational booklet, Nick offers his keys to a fulfilled life that's powered by a faith that cannot be stopped. Raising the Perfectly Imperfect Child

'You may lack limbs, but don't let that define what you can or can't do.' That's the life-changing advice Boris Vujicic spoke to his son, Nick, who was born without arms or legs. With the help of his parents, Nick has become an internationally-known inspirational speaker, a best-selling author, the founder of the non-profit organization Life Without Limbs and, most importantly, a loving and responsible husband and father himself. Told from the perspective of a father who at times questioned God and his own worthiness, this book addresses the unique challenges of raising a special needs child. Through their stories, Boris offers practical advice and encouragement for all parents facing a 'new normal' when raising a special needs or unique child. With transparency and tenderness, he addresses the spiritual, emotional and financial challenges, as well as offering insight on how to equip a child for happiness and success in life. Raising the Perfectly Imperfect Child is the inspiring, powerfully transparent story of how two unprepared and overwhelmed parents overcame their grief, fears, and badly shaken faith to raise such an accomplished, faith-filled and perfectly imperfect son.

Stand Strong (Cover Baru)

TAK ADA PENINDAS YANG BISA MENDEFINISIKAN SIAPA DIRIMU SESUNGGUHNYA . Nick telah merasakan penindasan dalam segala bentuknya karena dia ÒberbedaÓ. Namun, dia belajar bahwa dia tak perlu ikut serta dalam permainan itu, begitu juga engkau. Dalam Stand Strong dia memberikan berbagai strategi untuk membangun Òsistem pertahanan terhadap penindasanÓ agar kau bisa mengatasi dan mengalahkan berbagai jenis penindasan dengan membangun kekuatan dari dalam dirimu. Temukan cara untuk: ¥ Mengubah keadaan tertindas menjadi suatu kesempatan besar (ya, sungguh!). ¥ Menciptakan zona aman dalam dirimu sendiri. ¥ Menetapkan nilai-nilai teguh yang tak dapat digoyahkan oleh siapa pun. ¥ Menghadapi penindasan di dunia maya. ¥ Membangun fondasi spiritual agar kau bisa tetap teguh berdiri menghadapi penindasan. ¥ Mengelola emosi dan mengendalikan responsmu terhadapnya. ¥ Membantu orang lain yang sedang tertindas. Apakah kau sedang menghadapi penindasan? Kau bisa bangkit dan mengatasinya, sebab kau memiliki kuasa atas perasaan dan hidupmu, lebih dari yang bisa kaubayangkan! Sama seperti NickÑpria yang tidak memiliki tangan dan kaki, tapi memiliki Óhidup yang luar biasa asyikÓ. NI CK VUJICIC adalah penulis terlaris internasional versi New York Times, penginjil, pembicara motivasi, dan pemimpin organisasi nirlaba Life Without Limbs. Dia telah menginspirasi jutaan orang di seluruh dunia, berbicara di depan orang dari segala usia mengenai cara untuk mengatasi berbagai rintangan, meraih impian, serta tak pernah menyerah. Kunjungi situsnya di www.NickVujicic.com.

Have the Relationship You Want

A step-by-step guide for women to tranforming your love life practically overnight.

Essential Works of Charles Spurgeon

Here's strong Bible teaching that's fun to read! This 1,400-page collection of the best of Charles Spurgeon provides a wonderful overview to the man called "The Prince of Preachers." The Baptist minister spoke to thousands each week in nineteenth-century London, and his sermons and books still have a fresh, encouraging, and challenging power. Featuring scores of Spurgeon's sermons, plus complete books like All of Grace and John Ploughman's Talks, The Essential Works of Charles Spurgeon has been lightly updated for ease of reading. This beautiful hardback is a must-have for under \$25.

Thriving at College

Going to college can be exciting, anxiety inducing, and expensive! You want your child to get the most out of their college experience—what advice do you give? Thriving at College by Alex Chediak is the perfect gift for a college student or a soon-to-be college student. Filled with wisdom and practical advice from a seasoned college professor and student mentor, Thriving at College covers the ten

most common mistakes that college students make—and how to avoid them! Alex leaves no stone unturned—he discusses everything from choosing a major and discerning one's vocation to balancing academics and fun, from cultivating relationships with peers and professors to helping students figure out what to do with their summers. Most importantly, this book will help students not only keep their faith but build a vibrant faith and become the person God created them to be.

The Hand You Hold: Stories by Women with Beautiful Experiences of Trusting God.

Trust issues! We all have them, and sadly, our world today helps propagate our fear of trusting anyone especially after disappointment. But there is a God, and He can be trusted beyond all doubt and above all reason. In *The Hand You Hold*, from *The Trust Chronicles* series, there are first hand accounts of trials, disappointment, pain, and even death. But they are more than just stories written by women about trust issues. They are stories of a journey of trust and hope in the living God through personal encounters borne out of a relationship with Him. These women who have shared from the core of their hearts have been stretched taut by excruciating experiences and have learned to grab hold of God's hand. Read, laugh, cringe, cry, be inspired, encouraged and, hopefully, find your own way to the throne of grace where there is always help in time of need. The way out of doubt, despair, confusion, and hopelessness is in the arms of the One who can be trusted; God whose HAND you should hold.

Life Without Limits

ECPA BESTSELLER—Over one million copies sold! • What Would Your Life be Like if Anything Were Possible? Born without arms or legs, Nick Vujicic overcame his disabilities to live an independent, rich, fulfilling, and “ridiculously good” life while serving as a role model for anyone seeking true happiness. Now an internationally successful motivational speaker, Nick eagerly spreads his message: the most important goal is to find your life's purpose and to never give up, despite whatever difficulties or seemingly impossible odds stand in your way. Nick tells the story of his physical disabilities and the emotional battle he endured while learning to deal with them as a child, teen, and young adult. “For the longest, loneliest time, I wondered if there was anyone on earth like me, and whether there was any purpose to my life other than pain and humiliation.” Nick shares how his faith in God has been his major source of strength, and he explains that once he found a sense of purpose—inspiring others to better their lives and the world around them—he found the confidence to build a rewarding and productive life without limits. Let Nick inspire you to start living your own life without limits. Nick offers practical advice for realizing a life of fulfillment and happiness by building trust in others, developing supportive relationships, and gaining strength for the journey. He encourages the reader by showing how he learned to accept what he could not control and focus instead on what he could. Includes a Life Without Limits Personal Action Plan to help anyone determine their unique path to a successful life.

The Survival Guide to Bullying

NEW, updated edition! Written by a teenager, this kid-friendly, inspiring book is filled with advice, tips, and strategies for how to deal with bullying. NEW, updated edition! Written by a teenager who was bullied throughout middle school and high school, this kid-friendly book offers a fresh and relatable perspective on bullying. Along the way, the author offers guidance as well as different strategies that helped her get through even the toughest of days. *The Survival Guide to Bullying* covers everything from cyber bullying to how to deal with fear and how to create the life you dream of having. From inspiring “roems” (rap poems), survival tips, personal stories, and quick quizzes, this book will light the way to a brighter future. This updated edition also features new, never-before-seen content including a chapter about how to talk to parents, an epilogue, and an exclusive Q&A with the author.

What It Takes To Thrive: Techniques For Severe Trauma And Stress Recovery

This book deals with all aspects of severe trauma and stress recovery. It offers tools and techniques to manage triggers, flashbacks or intrusive thoughts, helping survivors of severe trauma and stress to regain control of their lives. The techniques and advice described here are organised into six sections: Triggers; Flashbacks; Unwelcome Thoughts; Dealing with the Lows; Disturbed Sleep; and Living Life to the Full: Meaning and Purpose in Life. Readers can refer to each section and experiment with methods that work best for them. This is a useful guide for survivors of severe trauma and stress, psychotherapists, social workers, counsellors, welfare workers and volunteers in the field. I will be recommending this book to the people I work with as it explains so much, so simply and in bite size chunks." Steve Flatt Director Psychological Therapies Unit, Liverpool, UK "This book serves as a compendium of immediately applicable tools to use with people who have experienced trauma. A beginning practitioner will be able to act as a seasoned therapist using this book and the experienced trauma clinician will find it a highly practical reminder of what works and perhaps get a few new ideas." Stephen M Langer, PhD Director, Northwest Brief Therapy Training Center, Olympia, WA USA faculty, International Trauma Treatment Program, USA "As a family therapist, this book will not sit on my bookshelf: It will be in my hands and on my mind for a long time, with the best hope of it influencing my practice. As a trainer in Solution Focused Practice, John Henden's book contributes many very useful and concrete tools and techniques for people suffering from severe trauma and stress. The book is set to be included in my education program at the Danish Solution Focused Institute." Anne-Marie Wulf Managing Director, Solutionsbywulf; and Chair of Danish Solution Focused Institute, Denmark "A thoroughly practical and helpful read. The information contained enables one to take immediate and action. We u

Jake, Reinvented

There is a mysterious new student at Fitzgerald High, Jake Garret. He seems to have it all figured out. He looks like he just stepped off the cover of the J. Crew catalog, he is the best kicker the football team has ever had, and best of all, he hosts the party to go to every Friday night. All the guys want to be like him and all the girls want to date him, but Jake only has eyes for Didi, the girlfriend of alpha male and quarterback, Todd Buckley . As Jake's friend Rick gets to know him, he at first admires him, then starts to like him, but soon grows to fear for him as he learns Jake's dangerous secret. From beloved young adult author Gordon Korman, comes a new look at age-old themes about popularity, acceptance, and human nature.

Unipreneur

Unipreneur, written in easy-to-read conversational style, is a How-To for big dreamers who want to pursue their Passion while at the same time, increase positive, reciprocal relationships with loved ones who don't share their Vision. Use the author's experience, failure, and success as a launch pad for your own sky-rocketing journey.

Culturally Diverse Counseling

Culturally Diverse Counseling: Theory and Practice adopts a unique strengths-based approach in teaching students to focus on the positive attributes of individual clients and incorporate those strengths, along with other essential cultural considerations, into their diagnosis and treatment. With an emphasis on strengths as recommended in the 2017 multicultural guidelines set forth by the American Psychological Association (APA), this comprehensive text includes considerations for clinical practice with twelve groups, including older adults, immigrants and refugees, clients with disabilities, and multiracial clients. Each chapter includes practical guidelines for counselors, including opportunities for students to identify and curb their own implicit and explicit biases. A final chapter on social class, social justice, intersectionality, and privilege reminds readers of the various factors they must consider when working with clients of all backgrounds.

Rachel's Tears

Presents the life of the high school student killed in the Columbine High School shooting, with reminiscences by her parents, siblings, and schoolmates, along with excerpts from her diaries in which she affirms her Christian faith.

Attitude Is Everything

Millions of people around the world recognise the smiling face and inspirational message of Nick Vujicic. Although he was born without arms or legs, Nick's challenges have not kept him from enjoying great adventures, a fulfilling and meaningful career, and loving relationships. Nick has overcome trials and hardships by focusing on the promise that he was created for a unique and specific purpose, that his life has value and that, no matter the despair and hard times in life, God is always present. Nick credits his success in life to the power that is unleashed when faith takes action. *Attitude is Everything* is the complete story of gutsy Nick Vujicic, an amazing 31 - year - old Aussie who is now an internationally successful inspirational speaker and author. Including all three of Nick's bestselling books - *Life Without Limits*, *Unstoppable* and *Limitless* - *Attitude is Everything* is packed full of wisdom, testimonials of his faith and laugh - out - loud humour.

Raising Happiness

What do we wish most for our children? Next to being healthy, we want them to be happy, of course! Fortunately, a wide array of scientific studies show that happiness is a learned behavior, a muscle we can help our children build and maintain. Drawing on what psychology, sociology, and neuroscience have proven about confidence, gratefulness, and optimism, and using her own chaotic and often hilarious real-world adventures as a mom to demonstrate do's and don'ts in action, Christine Carter, Ph.D, executive director of UC Berkeley's Greater Good Science Center, boils the process down to 10 simple happiness-inducing steps. With great wit, wisdom, and compassion, Carter covers the day-to-day pressure points of parenting—how best to discipline, get kids to school and activities on time, and get dinner on the table—as well as the more elusive issues of helping children build healthy friendships and develop emotional intelligence. In these 10 key steps, she helps you interact confidently and consistently with your kids to foster the skills, habits, and mindsets that will set the stage for positive emotions now and into their adolescence and beyond. Inside you will discover • the best way avoid raising a brat—changing bad habits into good ones • tips on how to change your kids' attitude into gratitude • the trap of trying to be perfect—and how to stay clear of its pitfalls • the right way to praise kids—and why too much of the wrong kind can be just as bad as not enough • the spirit of kindness—how to raise kind, compassionate, and loving children • strategies for inspiring kids to do boring (but necessary) tasks—and become more self-motivated in the process Complete with a series of “try this” tips, secrets, and strategies, *Raising Happiness* is a one-of-a-kind resource that will help you instill joy in your kids—and, in the process, become more joyful yourself.

X-Class English Question Bank

Complete Study of all the Sections along with Summative & Formative Assessments. Complete Explanation of all the chapters of Tex Book along with the Complete Answers of all their Questions. For Complete practice of the examination, sample Question Paper included. Additional Glossary & Similar Type Question Paper included.

For The Love of Family

The family institution must be preserved at all cost. In an age where there is so much decay in the society accompanied by all forms of vices, it is indeed time for the family to be restructured, This book is a compilation of different writings that take a critical look at the family structure as well as the values we need to uphold and pass on to the next generation. *For the Love of Family* reawakens the love for a solid family institution which will in turn affect the very fabric of the society. It touches on our relationships within the nuclear and extended family, friends, neighbours and roles to everyone building a healthy family structure. This book elaborates on solid marital union, proper child care, family time, bonding and the need to look out for one another despite weaknesses and challenges.

Brainchild

The 21st century is a challenging era and the competition is unyielding. As parents, we feel an urgency to prepare our children to face this world. We are constantly seeking the best schools, activities,

and programs in the hope that they will give our children that extra leg-up in life. We believe that if we want our children to thrive in this world, we must prepare them with every resource available to us. In our eagerness to provide everything our children might need, we have lost sight of the basic fundamentals that they require to flourish. Like planning a house to weather the storm, we must ensure that our children's foundations are strong. However, in our haste to cover every avenue that promises an advantage, we have unwittingly compromised that foundation. It's time to review what is working and what isn't. Supported by case studies and scientific research findings, Brainchild provides keen insights on how to nurture children to reach their full potential.

We're All Freaking Out (and Why We Don't Need To)

Free yourself from anxiety by discovering and applying principles given by God to lead us away from panic and toward peace. "These pages will feel like a lifeline for the anxious, overwhelmed, and burned out."—Jennie Allen, New York Times bestselling author of *Get Out of Your Head* If you've ever felt overwhelmed by panic, fear, worry, or anxiety, you're not alone. A part of the human experience often involves anxious feelings that paralyze us, keep us up at night, rob us of our ability to live in the moment, and pretty much suck the life out of us. But this doesn't have to be the case. You can stop freaking out. Sound too good to be true? It is true. In fact, it's a promise from God himself. At least 366 times, the Bible commands us to not fear. God loves us and doesn't want us to be ruled by anxiety. Not surprisingly, most people don't understand what the Bible actually teaches about anxiety, fear, and worry. Consider this book a practical resource to help you connect the dots between your anxiety and what God has to say about defeating it. As you are about to discover, you really can stop freaking out.

A Companion to Communication Skill in English

THE BOOK This is an excellent handbook as well as a guide for learning, practising, improving and developing the skills necessary for English pronunciation. Divided into two Parts, the book in Part I—Sound System in English—explains how to pronounce vowel and consonant sounds correctly so that there is least confusion in the listener's mind. Part II—Accent Patterns in English—describes word and sentence stress and suggests the most common and important tips for proper and correct pronunciation. The lessons provided in this book are simple and easy to practise and can serve as an instructional manual and ideal practice material in the language laboratories. **KEY FEATURES** Gives well-planned lessons to practise IPA sounds. Provides a large number of lessons for practice. Contains an audio CD which will help the students practise pronouncing the words correctly. This accessible and highly practical book is intended for the undergraduate students of different streams. It can also be of considerable help to plus two level students to improve and develop their pronunciation. Besides, professionals working in different fields should find this book extremely useful in their real-world scenario. **An Expert Comment:** We Indians have our own problem of speaking English with the influence of our mother tongue. Can this be changed? I think not! Therefore, what is important is when an English word is spoken, it should be pronounced in a manner that can be understood correctly by the listener. That is what Mr. Jitendra has so successfully done in this book. I am happy to commend this book to all the readers. —DR. R.K. PATNAIK Former Vice Chancellor, The ICFAI University, Tripura

Nick Vujicic

Born without arms or legs, Nick Vujicic (1982-) overcame tremendous physical and emotional challenges as he grew up. Rather than shrink back from trouble or give up in times of trial, this bold Australian pursued a life filled with exploration of what he could do. Now a world-renowned speaker and author, he encourages others to see themselves as precious to God and to live without limits. Nick's example of Christian character is an inspiration to everyone who feels weighed down by the challenges of disabilities, mistreatment, feelings of inferiority, and more. Children, parents, and teachers love the adventurous Christian Heroes Then & Now biographies and unit study curriculum guides. Now Heroes for Young Readers introduces younger children to the lives of Christian heroes!

Money Secrets of the Rich

Burley found that the books on money either went one of two ways. They were either too technical that once you were done reading them, you had to do a bunch of research in order to even begin, or they were very motivational but didn't tell you what to actually do. Money Secrets Of The Rich strives to be a book that does both.

Prayers for Oppa

A compact, meaningful prayer tool geared toward the East Asian entertainment industry, *Prayers for Oppa* contains 20 devotionals on topics of interest to performers: Giving an outdoor concert on a rainy night? Check out Performance Safety. Feeling pressure due to the expectations of others? Flip to Discouragement. Wondering if you're presenting yourself to the public in a way that brings God glory? Find what you need in the Fan Service and Image sections. Each devotional includes prayers and applicable Bible verses for fans as well as for performers: Is your favorite performer sick or injured? Turn to the Healing section. Are they going through a tough time in their career? Go to Difficulty Getting Work. Want to support them in their efforts to share their faith? Try Social Media, Sharing God with Others or Taking a Stand. With its emphasis on cultivating a strong relationship with God through prayer and reading the Bible, *Prayers for Oppa* offers performers and fans a more meaningful connection with one another and with God.

50 People Every Christian Should Know

Christians in the twenty-first century need encouragement and inspiration to lead lives that honor God. When faith is weak or the pressures of the world seem overwhelming, remembering the great men and women of the past can inspire us to renewed strength and purpose. Our spiritual struggles are not new, and the stories of those who have gone before us can help lead the way to our own victories. *50 People Every Christian Should Know* gives a glimpse into the lives of such people as Charles H. Spurgeon, G. Campbell Morgan, A. W. Tozer, Fanny Crosby, Amy Carmichael, Jonathan Edwards, James Hudson Taylor, and many more. Combining the stories of fifty of these faithful men and women, beloved author Warren W. Wiersbe offers today's readers inspiration and encouragement in life's uncertain journey.

Positive Psychotherapy

For over a century the focus of psychotherapy has been on what ails us, with the therapeutic process resting upon the assumption that unearthing past traumas, correcting faulty thinking, and restoring dysfunctional relationships is curative. But something important has been overlooked: the positives. Shouldn't making us happier, better people be explicit goals of therapy? *Positive Psychotherapy: Workbook* guides readers through a session-by-session therapeutic approach based on the principles of positive psychology, an exciting new area of study examining the factors that enable us to flourish. This workbook, designed to be used in conjunction with the accompanying clinician's manual, first explains what exactly positive psychotherapy is, exploring the important concepts of character strengths. What follows are 15 positive psychotherapy sessions, each complete with lessons, guidelines, skills, and worksheets for practicing positive psychology skills learned in session. Those interested in improving well-being through psychotherapy will find in *Positive Psychotherapy* a refreshing complement to other approaches, endowing readers with a sense of purpose and meaning that many have found lacking in more traditional therapies.

The Bully Vaccine

"This book is designed to act as a vaccine against bullies, jerks, and other obnoxious people. By preparing for them in advance, you can effectively inoculate yourself against the worst of their behavior. Yes, they will still be obnoxious, but you won't be as annoyed and upset by their behavior, and that is at least something" -- p. [4] of cover.

No More Faking Fine

Scripture reveals a God who meets us where we are, not where we pretend to be. *No More Faking Fine* is your invitation to get honest with God through the life-giving language of lament. If you've ever been given empty clichés during challenging times, you know how painful it is to be misunderstood by well-meaning people. When life hurts, we often feel pressure--from others and ourselves--to keep it together, suck it up, or pray it away. But Scripture reveals a God who lovingly invites us to give honest voice to our emotions when life hits hard. For most of her life, Esther Fleece Allen believed she could bypass the painful emotions of her broken past by shutting them down altogether. She was known as an achiever and an overcomer on the fast track to success. But in silencing her pain, she robbed herself of the opportunity to be healed. Maybe you've done the same. Esther's journey into healing began when she discovered that God has given us a real-world way to deal with raw emotions and an alternative to the coping mechanisms that end up causing more pain. It's called lament--the gut-level, honest prayer

that God never ignores, never silences, and never wastes. *No More Faking Fine* is your permission to lament, taking you on a journey down the unexpected pathway to true intimacy with God. Drawing from careful biblical study and hard-won insight, Esther reveals how to use God's own language to come closer to him as he leads us through our pain to the light on the other side, teaching you that: We are robbing ourselves of a divine mystery and a divine intimacy when we pretend to have it all together. God does not expect us to be perfect; instead, he meets us where we are. There is hope beyond your heartache, disappointment, and grief. Like Esther, you'll soon find that when one person stops faking fine, it gives everyone else permission to do the same.

Just 18 Summers

Winner of the 2014 CLASS Reunion Kudos Book Award, fiction category. After the tragic death of Butch Browning's wife, Jenny, four families begin to realize how precious—and fleeting—their time together is. Each is at a different stage in life: Butch is facing single parenthood. The O'Reillys are expecting their first child. The Andersons are approaching an empty nest, and the Buckleys are so focused on providing their children with everything that they've forgotten what they truly need. With just eighteen summers before their children are grown, how do they make the most of that time when life so often gets in the way? As summer flies by, each of these parents must learn about guilt and grace . . . and when to hold on to their kids and when to let go.

Poems of Feeling

Combining both the theory and practice of strengths-based therapy, Elsie Jones-Smith introduces current and future practitioners to the modern approach of practice—presenting a model for treatment as well as demonstrations in clinical practice across a variety of settings. This highly effective form of therapy supports the idea that clients know best about what has worked and has not worked in their lives, helps them discover positive and effective solutions through their own experiences, and allows therapists to engage their clients in their own therapy. Drawing from cutting-edge research in neuroscience, positive emotions, empowerment, and change, *Strengths-Based Therapy* helps readers understand how to get their clients engaged as active participants in treatment.

Strengths-Based Therapy

31-day devotional by Nick Vujicic and *Life Without Limbs*

31 Days to a Hope Inspired Life

Aimless Love is Billy Collins' first compilation of poems in twelve years, and a wonderful successor to his first, the bestselling *Taking Off Emily Dickinson's Clothes*. *Aimless Love* presents more than fifty new poems together with generous selections from his four previous books. No poet writing today communicates so directly and effectively, and no living poet has managed to both enrich the tapestry of contemporary poetry and expand it so dramatically: his poems appeal to readers and live audiences across the globe, and have been translated into more than a dozen languages. By turns playful, ironic and serious, Collins's poetry unearths the wonder in the everyday: in his own words, his poems 'begin in Kansas and end in Oz'. Weaving the themes of love, loss, joy and poetry itself, these poems showcase the best work of this 'poet of plenitude, irony, and Augustan grace'.

Aimless Love

What is your one thing? The entrepreneur, thought leader, and best-selling author of *Called to Create* offers a refreshing invitation: stop trying to do it all so you can thrive in your unique, God-given work. "A compelling case for embracing our vocational limits and choosing to do our one thing well."—Emily P. Freeman, *Wall Street Journal* best-selling author of *The Next Right Thing* Imagine how different your life would be if you spent your time doing the very thing that brings you the greatest joy. It's possible, but most people spend their days making incremental advances on numerous tasks, competent at many things but exceptional at none. That's because for too long we've believed the lie that more activity, more jobs, and more responsibility equals greater effectiveness. In short, we are becoming a society of "jacks-and-jills-of-all-trades and masters of none." But what if you could shift your focus from too many things to one? In this thought-provoking book, you'll discover the exponential power of pursuing a singular craft. Through practical principles, Jordan Raynor provides straightforward steps for finding and thriving in your calling. He also highlights more than a dozen real-life examples of high-impact

individuals who have chosen to focus on and excel in their unique gifting, including: • Chronicles of Narnia author C. S. Lewis • Enron whistle-blower Sherron Watkins • TV legend Mister Rogers • Dallas Mavericks CEO Cynthia Marshall • Reality TV star Chip Gaines • NFL Hall of Fame coach Tony Dungy • Biblical figures, a teacher, a pilot, a banker, and world-class entrepreneurs Too many of us are overwhelmed, overcommitted, and overstressed. This book offers a better way—the path to becoming a master of one!

Perspectives On Gandhian Thought

Gandhian Thought Can Be Evaluated In Two Perspectives. One Is What Gandhi Basically Stands For. He Distrusted Industrialism And Had The Courage To Decry Industrialization With Mass Production Even When It Was At Its Peak. In That Spirit Gandhian View Of Human Society Is An Alternative To Modern Industrial Society. In The Other Perspective, Gandhian Thought Is Evaluated In Terms Of The Needs And Requirements Of The Existing Society And An Attempt Is Made To Reinterpret It To Suit Those Requirements. In This Endeavour, The Basic Spirit Of Gandhian Ideals, Very Often, Is Sacrificed Or Compromised. The Present Book Gandhian Theory Of Social Reconstruction Analyses Gandhian Thought In The First Perspective And Thereby Provides A Rational And Viable Framework Of Post-Industrial Human Society After Gandhian Ideals. It First Establishes That There Is The Need To Find An Alternative To Industrial Society And That The Alternative Could Be Based On Spirituality. The Concept Of Spirituality Is Discussed Here In Secular And Sociological Terms Avoiding All Jargons Of Various Religions And Philosophy. Further, The Book Propounds A New Unconventional Classification Of Human Motivation Encompassing The Entire Gamut Of Motivational Urge. It Also Introduces The Concept Of Soul Force As A New Dimension To The Realms Of Theory And Practice Of Social Reconstruction. This Is Based On The Awakening Of The Soul To Its Potential Or Force That Gives Strength To The Individual At Least To Uphold One's Dignity And Self-Respect Which Are Being Violated In The Present Society Whether Of The West Or Of The East. For Creating And Sustaining Soul Force, This Theory Provides Appropriate Instruments And Methods. The Book Also Outlines The Constitution Of A Non-Violent Society Incorporating Such Ingredients As May Lead To The Emergence Of A Non-Violent And Spiritual Social Order. The Book Then Goes On To Discuss The Method Of Non-Violent Action In The Manner Of A Process As A Gandhian Technique For Conflict Resolution, Fighting Against Social Injustice And Exploitation And Rebuilding The New Society. One May Ridicule The Theory As Utopian. But The Goals Should Always Be Set On The Highest Side Even Though They May Never Be Realized In Their Completeness. One Should Constantly Try To Reach Them As High As Possible To The Best Of One's Capacity. The Goals Should Never Be Set On The Lower Level. This Book Opens Up Many New Vistas For Research And Joins The Current Debate In Political And Economic Fields On Social Reconstruction Going On Since The Second World War And More So After The Collapse Of Communism In Soviet Russia And The 9/11 Events That Have Agitated The Human Conscience.

Perspectives In Gandhian Thought

If there is only one book about Mohandas Karamchand Gandhi that you need to read today, make Gandhian Thought, New World, New Dimensions by Ravindra Kumar be the book. There are many Gandhian scholars around the world but Kumar is peerless. What sets Kumar apart from the other scholars is that like Gandhi he is Indian, and he understands the culture and customs behind the teachings and the philosophy. One can never study Gandhi and try to separate him from his ethnology. He is a noteworthy researcher. Kumar's interpretation of Gandhi and his ideas is outstanding. Kumar, an educator who has authored over a hundred books, has emerged as one of the great thinkers of our time, and a leading Gandhian scholar. In this book he articulates on Satyagraha, the Sustainable Culture of Peace and how the Gandhian philosophy applies in current international conflicts, Sudan, Myanmar, Iraq, Iran, and other countries. The book also addresses the fundamental question, is Gandhi relevant today? This book should be a required reading for all individuals who are interested in peace and the Gandhian theory. This book is a necessary read.

Education Comparative Study Of Gandhi And Freire

Gandhian Thought and Communication: Rethinking the Mahatma in the Media Age looks at Gandhian thought and contributions from an interdisciplinary communication perspective. It explores the Mahatma as a public intellectual and communicator. It studies Gandhi's unique communication techniques to connect with the masses and the way he used and appropriated myth, metaphors and symbols to communicate his ideas related to modernity and nationalism. The book examines how Gandhian ideas have been tested and the implications derived. This book also studies the contemporary relevance of

Gandhian thought by looking at various popular media representations to open up the possibilities of rethinking and recasting Gandhi in the present context.

Perspectives on Gandhian Thought

Dr Roy focuses on the nature of the predicament of modern man, tracing its roots from the perspectives of history and philosophy. He identifies man's basic problem as the modern tendency to emphasize the augmentation of fortune as the necessary prop to the development of human personality, and as the determining factor of the man-man and man-nature relationship.

Gandhian Theory of Social Reconstruction

This book maps the genesis and development of Gandhi's idea of non-violence. It traces the evolution of the message of peace from its first expressions in South Africa to Gandhi's later campaigns against British rule in India, most prominently the Salt March campaign of 1930. It argues that Gandhi's blueprint for change must be adopted in the present, as the world craters on the precipice of catastrophic climate change, and the threat of nuclear war hangs over our heads. A timely book for uncertain times, this work is a reminder of the value of peace in the 21st century. It will be of great interest to readers, scholars and researchers of peace and conflict studies, politics, philosophy, history and South Asian studies.

Philosophy of Vinoba Bhave

An indispensable book that focuses attention on the various dimensions of peace and non-violence as Gandhi perceived them with a deep understanding of the political backdrop, human dilemmas and social dynamics of contemporary India. The Gandhian perspective

Gandhi's Social Philosophy: Perspective and Relevance

Mahatma Gandhi holds an eminent position in the history of ethics and its application to contemporary concerns. This book brings together in one harmonious whole three systems of thoughts on ethics Indian, Western and Gandhian. It shows how Gandhi, drawing from the other two traditions, made a creative contribution of his own in making ethics richer and more relevant than ever before.

New Perspective in Gandhian Philosophy

The papers presented in this volume is an important collection written by various experts and sheds light on different dimensions of Gandhian thought. The book is divided into seven parts. The first part contains seven articles on Gandhi's idea on theory of politics. The second part contains four articles on Gandhi's ideas on religion and metaphysics. The third part contains three articles on Gandhi's economic ideas. The fourth part contains three articles on comparative analysis of Gandhi with Marx, Thoreau and other thinkers. The fifth part contains five articles which provide insight into Gandhi's ideas on nationalism and internationalism. Part six contains four articles which explain Gandhi's ideas on women, law, Harijans and vegetarianism. Part seven contains six articles viz. Gandhi's way; the Inner voice and Gandhi-coming back from West to East are highly illuminating.

Gandhian Thought

This book seeks to examine and explain the curious and important nexus between religion and politics in the light of the political philosophies of Tilak and Gandhi. It was Tilak and then Gandhi who stirred the masses and brought in a new awareness that pushed the society forward. No wonder, Tilak was dubbed as the father of the Indian unrest. Contrarily, Gandhi the father of the nation declared his Hinduism included all that he knew to be best in Islam, Christianity, Buddhism and Zoroastrianism. Exhibiting moral courage, he strove for Hindu-Muslim unity, convinced that ultimately both religions were true and valid and were complementary to each other.

Gandhian Perspectives

This book presents a comprehensive analysis of ethics as a conceptual framework and as a guide to action in tackling the problems of modernizing societies. It examines the relevance of Gandhian approach to current issues like environmental crisis, social justice, and equity and harmony in society.

Gandhian Thought and Communication

A tour de force in understanding the failure of democracy in providing human well-being. Has democracy ended human suffering, a task that the political system set out for itself? Or is democracy incompatible with modernity and, therefore, fails to achieve human well-being? If so, are we left with any option? The book asks these acutely political questions and states emphatically that democracy has failed to ensure the well-being of humanity as a whole. Further, it tries to answer this by exploring the Gandhian alternative to modernism and democracy in contemporary times. In the words of the authors themselves, 'We are aware that in a world divided into a number of ideological camps, the way out suggested in this book will invite ridicule and accusation of orthodoxy. However, the truth has to be told, no matter what the reaction'.

Self and Society

Gandhian Engagement with Capital: Perspectives of J C Kumarappa comprehensively presents the Gandhian ideas on economic development and political economy. Within this larger context, it focuses on the towering contributions of J C Kumarappa, the pioneer of the Gandhian model of economic development, and describes, from his standpoint, how the moral and political dispositions of Gandhism amount to a critique of capitalism. The book also covers in detail the major facets of Kumarappa's contribution to Gandhism: developing a non-mechanized, non-capitalist model of industrialization; presenting the holistic development approach; reflecting on the role of the state in facilitating a village-centric economy; and exploring the role of religion in developing the moral foundation of the Gandhian political economy. These reflect the historical context of Kumarappa's scholarship and his deep understanding of the various dimensions of Gandhian thought. The book highlights the debates within Gandhism and imparts a nuanced understanding of other Gandhian thinkers. Further, it presents several discourses in modern Indian political thought by analysing the interplay of narratives.

New Perspectives on Gandhi

Dietmar Rothermund was attracted by Gandhi's life and thought ever since he heard about him. A historian trained in the tradition of critical analysis, Rothermund initially distrusted the biographical approach in his writings on India. However, he ultimately returned to Gandhi, read all the volumes of his Collected Works and wrote a comprehensive biography in German in 1989. He planned to publish an English version too. With the recent publication of books by Judith Brown and B.R. Nanda, another comprehensive biography in English, however, appeared a superfluous exercise. But after a study of these books, the author feels that his interpretation of Gandhi's thought and action differs from theirs in many respects. He has, therefore, restricted himself to An Essay in Political Biography in which he highlights points considered to be essential by him. In doing so he also aims at offering a biography which would stand on its own. Gandhi said, 'My life is my message'. This should encourage everybody to study that life. In fact, the greatness of Gandhi can only be appreciated if one sees him in the context of his times, on the horns of dilemmas, in the usual human quandary of having to make decisions based on limited information. This book is an attempt to understand Gandhi in the above perspective.

Mahatma Gandhi

Branded As The 'Second-Sex' Since Time Immemorial, Women Have Always Been Degraded To A Secondary Role In Society. However, With The Spread Of Education And Awareness, Conflicts Came Into Being, Often Leading To Mass Public Agitations And Displays Of Anger And Wrath. Some Of Them Related To Female Emancipation, Franchise Rights, Equality And Equal Opportunities To Work And Livelihood. This Book Has Been Planned Against This Background, Endeavouring To Explain The Rise Of Women'S Conflicts And Attempts To Resolve Them In Terms Of Contemporary Social And Political Theory. Such An Attempt Has Been Long Overdue As The Complexities Of The Culture And Society Of Modern Times Has Led To More Tensions Between The Sexes Than A Sense Of Stability. Mahatma Gandhi Had Realised The Importance Of Women Power And Their Role In Shaping The Path Of History And Progress. He Spared No Effort To Drive Home The Fact That Women Were Equal In All Respects To Men And Could Shoulder Responsibilities With Equal Skill And Capability. The Contributors To This Volume Have Dealt At Length With Various Aspects Of Gandhian Thought In This Respect, Especially His Concern For Women, Conflict Resolution And Culture And Have Approached The Subject With Academic Enthusiasm. There Is No Doubt That This Book Will Be Useful For Students, Researchers And Teachers Of Political Science, History, Philosophy, Sociology, Gandhian Thought And Peace And Women'S Studies.

Dimensions of Peace and Nonviolence

This book interrogates several strands of Gandhian design, articulations, methods and ideals, through five sections. These include Theoretical Perspectives, Peace and World Order, Revolutionary Experiments, National Integration and Gandhi in Chinese Discourses. The authors seek to provide answers to questions as: Were Gandhian ideas utopian? What is the contemporary relevance of Gandhi? Do his ideas share convergence with theory in world politics and international relations? What was his role in forging national integration? How did his ideologies and experiments with truth resonate with countries as China? The writings also underline that being averse to individualism, for Gandhi it was the realm of societal interests which were significant, encompassing the good of humanity, dignity of labor and village-centric development. Development paradigms and health related challenges are articulated in the book to underline the significance of Gandhi's vision of 'Leave no one behind' to create an egalitarian society with respect and tolerance. The book presents the essential humility and simplicity of Gandhi. This book is a must read for those who seek to understand Gandhi in a way that is candid and inclusive. It's a book that conceals nothing and does not shy away from presenting debates on Gandhi. Moreover, it is a factual account, with contributors having relied extensively on archival materials, essays and an extensive review of literature. Hence, the book is replete with pertinent documentation and scholarship and makes a significant value-addition in the literature on Gandhi.

Ethics for our Times

Gandhian Engagement with Capital: Perspectives of J C Kumarappa comprehensively presents the Gandhian ideas on economic development and political economy. Within this larger context, it focuses on the towering contributions of J C Kumarappa, the pioneer of the Gandhian model of economic development, and describes, from his standpoint, how the moral and political dispositions of Gandhism amount to a critique of capitalism. The book also covers in detail the major facets of Kumarappa's contribution to Gandhism: developing a non-mechanized, non-capitalist model of industrialization; presenting the holistic development approach; reflecting on the role of the state in facilitating a village-centric economy; and exploring the role of religion in developing the moral foundation of the Gandhian political economy. These reflect the historical context of Kumarappa's scholarship and his deep understanding of the various dimensions of Gandhian thought. The book highlights the debates within Gandhism and imparts a nuanced understanding of other Gandhian thinkers. Further, it presents several discourses in modern Indian political thought by analysing the interplay of narratives.

New Dimensions and Perspectives in Gandhism

This book reflects on the significance of duties in creating an egalitarian society by collating and contextualizing the relevant literature. It particularly focuses on an appreciation of Gandhi's views on duty to showcase how they remain pertinent to create a cohesive, responsible and value-based society in the present right-dominated world. A viable solution to the current real world problems could be found in exploring the philosophy on duties and the book provides relevant literature in this regard. It undertakes jurisprudential analysis of duty in a rights-dominated world, identifying the gaps in realising the potential of duty to address the critical issues of the present times. It argues that enforcement of rights depends heavily on the observance of duties and proposes coherence in right-duty relationship. Gandhian thought on duty recognises duty as a precursor of rights and emphasises that the observance of duties guarantees the enforcement of rights. The relevance of duties and Gandhian thoughts on the same is not restricted to India but transcends borders with profound appeal. Gandhian thoughts have become even more relevant in the current times to examine the situation of COVID-19 pandemic, racial discrimination (BLM), environmental crises, digital divide, health care and medical care crises, refugee and migrant labour problems and it can offer promising solutions based on the nuances of social solidarity, self realisation of duties/responsibilities, local governance, compassion and humanity.

Peace, Non-violence and World Order

This book engages a multidisciplinary approach to understand Gandhi in addressing specific contemporary societal issues. The issues highlighted in the book through thirteen distinct, yet interrelated, themes offer solutions to the societal challenges through the prism of Gandhian thought process. This edited book explores how ideas Gandhi expressed over a century ago can be applied today to issues from the UN's Sustainable Development Goals to peaceful resolution of conflicts. In particular, it looks at the contemporary societies' critical issues and offers solutions through the prism of Gandhian ideas. Written in an accessible style, this book reintroduces Gandhi to today's audiences in relevant terms.

All Men Are Brothers

Gandhi (1869-1948) was one of the few men in history to fight simultaneously on moral, religious, political, social, economic, and cultural fronts. During his time as a lawyer in South Africa he developed his strategy of non-violence: the idea of opposing unjust laws by non-violent protest, which he made the basis of his successful struggle against British rule in India. In this Very Short Introduction to Gandhi's life and thought, Bhikhu Parekh outlines both Gandhi's major philosophical insights and the limitations of his thought. He looks at Gandhi's cosmocentric anthropology, his spiritual view of politics, his unique form of liberal communitarianism, and his theories of oppression, non-violent action, and active citizenship. He also considers how the success of Gandhi's principles was limited by his lack of coherent theories of evil, and of state and power, and how his hostility to modern civilization impeded his appreciation of its complexity. Gandhi's life and thought has had an enormous impact both within and outside India, and he continues to be widely revered, as one of the greatest moral and political leaders of the twentieth century. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Tilak and Gandhi

This book presents an interpretation of Gandhi's political philosophy, and how he strove to connect it with the four goals of life (purushartha). Anthony Parel argues that Gandhi's aim was the restoration of harmony and the removal of any opposition between the spiritual and the temporal, the political and the ethical.

Ethics For Our Times

Notwithstanding his contributions to religion, nonviolence, civil rights, and civil disobedience, among other areas, Gandhi's most significant contribution is that as a political philosopher. While he is not often treated as such, Gandhi was, as Anthony J. Parel argues, a political philosopher *sui generis*, both in his philosophical method of constant self-criticism and his framework of philosophical analysis. Gandhi wrote daily on politics, but he did so as an activist; political philosophy was to him not just a way of understanding truths of political phenomena but was directly related to understanding those truths in action. If realized in action these truths would give rise to new political institutions, which in turn would create a corresponding peaceful political and social order. Parel dubs this order Pax Gandhiana. The main contention of Pax Gandhiana is that peace cannot be achieved by politics alone. Peace requires the confluence of the canonical ends of life: politics and economics (artha), ethics (dharma), forms of pleasure (kama), and the pursuit of spiritual transcendence (moksha). Modern political philosophy isolates politics from the other three ends, but Gandhi's originality, according to Parel, lies in the way that he brings all four together. In fact Gandhi's political philosophy is relevant not only to India but also to the rest of the world: it is a new type of sovereignty that harmonizes the interest of individual states with the community of states. Arguing against scholars who dispute a theoretical unity in Gandhi's writings, Parel suggests that Gandhi is the preeminent non-western political philosopher, and in this book he seeks to identify the conceptual framework of Gandhi's political philosophy, the Pax Gandhiana.

Essays on Modernism, Democracy and Well-Being

In this edited book, we provide foundational tenets of Gandhian perspective, and present examples of social organizations that are aiming to insulate themselves by adopting community and village-centered approaches to restructuring socially-embedded economic activities that align with Gandhian principles. These cases highlight the relevance of Gandhi's thoughts in the field of social entrepreneurship. We

examine key principles such as Sarvodaya (the welfare of all), Antodaya (the upliftment of the weakest), self-sufficiency, self-reliance, Nai Talim (holistic education), and Trusteeship. We explore how social organizations implement these principles to promote resilience and well-being at the community level. The COVID-19 pandemic revealed unsustainable practices in the world, including disrupted supply chains, contagious effects of integrated global economy that ignore the local self-reliance, and unsustainable internal displacement that make cities dependent on rural labor and rural population dependent on urban areas for jobs. These issues show that there are systemic problems with how our society and market are structured. The traditional way of development that focuses on profit maximization and unlimited wants has caused problems like inequality, resource depletion, and disproportionate wealth accumulation. Unlimited growth in a limited world has led us to social, economic, and ecological crises. However, degrowth, as an approach has been criticized for wanting to go back to pre-industrial times. In this context, Gandhi's ideas offer alternatives. Gandhi promotes moderation in how market activities are structured and how individual consumption practices are followed. This can help reduce the negative impact of economic activities on people and the planet, and move towards a more structured and inclusive economy.

Gandhian Engagement with Capital

Unconditional Equality examines Mahatma Gandhi's critique of liberal ideas of freedom and equality and his own practice of a freedom and equality organized around religion. It reconceives satyagraha (passive resistance) as a politics that strives for the absolute equality of all beings. Liberal traditions usually affirm an abstract equality centered on some form of autonomy, the Kantian term for the everyday sovereignty that rational beings exercise by granting themselves universal law. But for Gandhi, such equality is an "equality of sword"—profoundly violent not only because it excludes those presumed to lack reason (such as animals or the colonized) but also because those included lose the power to love (which requires the surrender of autonomy or, more broadly, sovereignty). Gandhi professes instead a politics organized around dharma, or religion. For him, there can be "no politics without religion." This religion involves self-surrender, a freely offered surrender of autonomy and everyday sovereignty. For Gandhi, the "religion that stays in all religions" is satyagraha—the agraha (insistence) on or of satya (being or truth). Ajay Skaria argues that, conceptually, satyagraha insists on equality without exception of all humans, animals, and things. This cannot be understood in terms of sovereignty: it must be an equality of the minor.

Mahatma Gandhi

This book identifies and analyses the political economy elements in Gandhi's thought; evaluating the spiritual and ontological basis of Gandhian political economy, and examining the contemporary relevance of Gandhian political economy both in terms of alternative types of heterodox political economy and in terms of policy. The book presents a groundbreaking step in the creation of a new 'Gandhian' political economy.

Manifesto for a Peaceful World Order

Drawn from the full range of Gandhi's published work--books, articles, broadcasts, interviews, letters--this superb selection illuminates his thinking on religion and spirituality, on society and its problems, on politics and British rule, and on non-violence and civil disobedience.

Gandhian Perspectives on Population and Development

The essays centered on Gandhian philosophy collected in this book reflect on contemporary global issues and explore peaceful ways to address them. It is based on the premise that the Gandhian method of nonviolence can be an effective tool for conflict resolution and global peace.
