Caesar's Commentaries on the Gallic war

The Commentaries on the Gallic War is Julius Caesar's firsthand account of the Gallic Wars, written as a third-person narrative. In it Caesar describes the battles and intrigues that took place in the nine years he spent fighting the Germanic peoples and Celtic peoples in Gaul that opposed Roman conquest. The Gallic Wars were a series of military campaigns waged by the Roman proconsul Julius Caesar against several Gallic tribes. Rome's war against the Gallic tribes lasted from 58 BC to 50 BC and culminated in the decisive Battle of Alesia in 52 BC, in which a complete Roman victory resulted in the expansion of the Roman Republic over the whole of Gaul (mainly present-day France and Belgium).

The Gallic War

This book is a selection of twenty-four passages from books I-VII of Julius Caesar's Gallic War, including the descriptions of the Britons, Druids and Germans. For each passage there is an English preface which places the passage in its context and discusses matters of importance raised by the passage. Endnotes with references to primary and secondary sources empower students to read further should they wish to do so. To facilitate reading of the Latin, for each passage there is a running vocabulary with grammatical notes and explanations. There is also a general introduction to the book as a whole, which contains sections on the nature of Caesar's Commentarii and Commentarius as a literary form, the time of composition and publication of the Commentarii, Caesar's Gallic commands and the nomenclature of Gaul.

Selections from Julius Caesar's Gallic War

The Gallic Wars is one of the earliest examples of a military science manual, detailing arms technology, tactical maneuvers, battlefield politics, espionage, intelligence and even the role played by luck in ground and sea campaigns.

The Gallic Wars

"The Commentaries on the Gallic War" is Julius Caesar's firsthand account of the Gallic Wars, written as a third-person narrative. In it Caesar describes the battles and intrigues that took place in the nine years he spent fighting the Germanic peoples and Celtic peoples in Gaul that opposed Roman conquest. The Gallic Wars were a series of military campaigns waged by the Roman proconsul Julius Caesar against several Gallic tribes. Rome's war against the Gallic tribes lasted from 58 BC to 50 BC and culminated in the decisive Battle of Alesia in 52 BC, in which a complete Roman victory resulted in the expansion of the Roman Republic over the whole of Gaul (mainly present-day France and Belgium). "The Commentaries on the Civil War" is an account written by Julius Caesar of his war against Gnaeus Pompeius and the Senate. It covers the events of 49-48 BC, from shortly before Caesar's invasion of Italy to Pompey's defeat at the Battle of Pharsalus and flight to Egypt with Caesar in pursuit. It closes with Pompey assassinated, Caesar attempting to mediate rival claims to the Egyptian throne, and the beginning of the Alexandrian War.

The Gallic War & The Civil War

This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. "The Commentaries on the Gallic War" is Julius Caesar's firsthand account of the Gallic Wars, written as a third-person narrative. It closes with Pompey assassinated, Caesar attempting to mediate rival claims to the Egyptian throne, and the beginning of the Alexandrian War.

The Commentaries of C. Julius Caesar

The Commentaries on the Gallic Wars (or, in Latin, "Commentarii de Bello Galli") is an account of Julius Caesar on the Gallic Campaigns in the West.

Caesar: The Gallic War & The Civil War

The Commentaries of Caesar on the Gallic War, Books 1-8 Presented in a new format featuring both Latin and English, with new vocabulary presented in line as it's encountered. Each Latin paragraph is displayed with its English translation on the facing page, making this an easy and enjoyable read for students and enthusiasts alike. Read the chronicle of Rome's military campaigns resulting in the permanent conquest of Gaul, written by the hand of the conqueror himself. In 58 BC, Julius Caesar set his armies against Rome's perennial enemies and at last achieved a victory that resulted in the expansion of the empire over the whole of modern day France. At the expedition's conclusion, he set the story down in this epic, which continues to delight readers into the modern age.

Commentaries on the Gallic Wars

"Julius Caesar was one of the most ambitious and successful politicians of the late Roman Republic and his short but bloody conquest of the Celtic tribes led to the establishment of the Roman province of Gaul (modern France). Caesar's commentaries on his Gallic Wars provide us with the most detailed surviving eye-witness account of a campaign from antiquity. Kate Gilliver makes use of this account and other surviving evidence to consider the importance of the Gallic Wars in the context of the collapse of the Roman Republic and its slide toward civil war."--Bloomsbury Publishing.

The Gallic Wars (Latin and English)

The Commentaries on the Gallic War is Julius Caesar's firsthand account of the Gallic Wars, written as a third-person narrative. In it Caesar describes the battles and intrigues that took place in the nine years he spent fighting the Germanic peoples and Celtic peoples in Gaul that opposed Roman conquest. The Gallic Wars were a series of military campaigns waged by the Roman proconsul Julius Caesar against several Gallic tribes. Rome's war against the Gallic tribes lasted from 58 BC to 50 BC and culminated

in the decisive Battle of Alesia in 52 BC, in which a complete Roman victory resulted in the expansion of the Roman Republic over the whole of Gaul (mainly present-day France and Belgium).

The Commentaries of C. Julius Caesar

*Includes pictures. *Includes excerpts from Caesar's own commentaries about the Gallic Wars. *Includes a bibliography for further reading. "As the action was carried on in sight of all, neither a brave nor cowardly act could be concealed; both the desire of praise and the fear of ignominy, urged on each party to valor. After fighting from noon almost to sunset, without victory inclining in favor of either, the Germans, on one side, made a charge against the enemy in a compact body, and drove them back; and, when they were put to flight, the archers were surrounded and cut to pieces. In other parts, likewise, our men pursued to the camp the retreating enemy, and did not give them an opportunity of rallying..." - Caesar, *De Bello Gallico* The Gallic Wars, the series of campaigns waged by Julius Caesar on behalf of the Roman Senate between 58-50 BC, were among the defining conflicts of the Roman era. Not only was the expansion of the Republic's domains unprecedented (especially when considering it was undertaken under the auspices of a single general), it had a profound cultural impact on Rome itself as well. The Roman Republic, so dynamic in the wake of the destruction of their ancient enemy, Carthage, had recently suffered a series of dramatic upheavals; from the great slave rebellion of Spartacus to the brutal and bloody struggle for power of Marius and Sulla. Rome had been shaken to its very core, and a victory was essential both to replenish the dwindling national coffers and to instill in the people a sense of civic pride and a certainty in the supremacy of the Republic. Quite simply, in terms of scale, the Gallic Wars were unmatched by anything the Roman Republic had witnessed since the Punic Wars. By the end of the campaigns, ancient historians estimated that more than a million people had died, and still more displaced or enslaved. Even by the more conservative estimates of modern historians, a casualty count in the hundreds of thousands appears possible. Either way, the war was a cataclysm, involving tens of thousands of combatants, and it also marked the greatest displays of skill by one of the greatest battlefield generals history has ever known. Caesar's successful campaigns in Gaul have become the stuff of military legend, in part because he had the foresight to document them himself. Caesar himself wrote a famous firsthand account of the Gallic Wars, apparently from notes he had kept during the campaigns, and he wrote *Commentarii de Bello Gallico* (Commentaries on the Gallic War) in the third person. Caesar's account described the campaigning and the battles, all as part of a propaganda campaign to win the popularity of the Roman people. As a result, he left out inconvenient facts, including how much of a fortune he made plundering, but the work still remains popular today, and it is still used to teach Latin. The Gallic Wars: The Campaigns That Made Julius Caesar a Roman Legend comprehensively looks at the campaigns that subdued Gaul and led to Caesar's conquest not just of the European continent but of Rome itself. Along with pictures, you will learn about the Gallic Wars like never before, in no time at all.

C. Julius Caesar's commentaries on the Gallic war

This translation aims to reflect the purity of Caesar's Latin while preserving the pace and flow of his momentous narrative of the conquest of Gaul and the first Roman invasions of Britain and Germany. The introduction includes a survey of Caesar's role and reputation in later thought.

The first book of C. Julius Cæsar's commentaries on the Gallic war, with tr. and notes

The Roman leader's memoirs recount his campaigns against the Gallic tribes conducted between 58 and 50 B.C.

Caesar's Gallic war

The Civil War is Caesar's masterly account of the celebrated conflict between himself and his great rival Pompey, from the crossing of the Rubicon in January 49 B.C. to Pompey's death and the start of the Alexandrian War in the autumn of the following year. This new translation is the most fully annotated edition available, and also includes accounts of the Alexandrian War, the African War, and the Spanish War by other hands.

Caesar's Gallic Wars

Julius Caesar's account of the Gallic Wars, in which he led Rome's forces against the Germanic and Celtic peoples to expand Roman territory into Gaul. Known for Caesar's direct style of prose, the work is

mainstay of historical and Latin instruction. This version was translated from the Latin by W.A. McDevitte and W.S. Bohn

The Commentaries of C. Julius Caesar

"The full Latin text of all eight books of Julius Caesar's commentary on the Gallic War. The books, written as a third-person narrative, detail the battles and intrigues of Caesar's nine year campaign to conquer Gaul"--Cover.

The Gallic War

"Imagine a book about an unnecessary war written by the ruthless general of an occupying army - a vivid and dramatic propaganda piece that forces the reader to identify with the conquerors and that is designed, like the war itself, to fuel the limitless political ambitions of the author. Could such a campaign autobiography ever be a great work of literature - perhaps even one of the greatest? It would be easy to think not, but such a book exists -and it helped transform Julius Caesar from a politician on the make into the Caesar of legend. This remarkable new translation of Caesar's famous but underappreciated War for Gaul captures, like never before in English, the gripping and powerfully concise style of the future emperor's dispatches from the front lines in what are today France, Belgium, Germany, and Switzerland. While letting Caesar tell his battle stories in his own way, distinguished classicist James O'Donnell also fills in the rest of the story in a substantial introduction and notes that together explain why Gaul is the "best bad man's book ever written"--A great book in which a genuinely bad person offers a bald-faced, amoral description of just how bad he has been. Complete with a chronology, a map of Gaul, suggestions for further reading, and an index, this feature-rich edition captures the forceful austerity of a troubling yet magnificent classic - a book that, as O'Donnell says, 'gets war exactly right and morals exactly wrong.'" -- Front jacket flap

The Gallic Wars

"Pompetti and Tarek have produced a visually intoxicating work whose sense of grandeur is difficult not to get swept up in." - A Place to Hang Your Cape Based on Julius Caesar's influential work "Commentaries on the Gallic War"

Caesar's Commentaries on the Gallic War

A detailed, fully illustrated overview of Julius Caesar's Gallic Wars, one of the most important conflicts of the ancient world. Julius Caesar was one of the most ambitious and successful politicians of the late Roman Republic and his short but bloody conquest of the Celtic tribes led to the establishment of the Roman province of Gaul (modern France). Caesar's commentaries on his Gallic Wars provide us with the most detailed surviving eye-witness account of a campaign from antiquity. In this book, respected Roman military historian Kate Gilliver makes use of this account and other surviving evidence to consider the importance of the Gallic Wars in the context of the collapse of the Roman Republic and its slide toward civil war. Updated and revised for the new edition, with full-colour maps and new images throughout, this accessible introduction provides an important reference resource for the academic or student reader as well as those with a general interest in the ancient world.

The Gallic War

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Caesar's Gallic War, Book 1

First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

The Conquest of Gaul

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

The Civil War

The Landmark Julius Caesar is the definitive edition of the five works that chronicle the military campaigns of Julius Caesar. Together, these five narratives present a comprehensive picture of military and political developments leading to the collapse of the Roman republic and the advent of the Roman Empire. The Gallic War is Caesar's own account of his two invasions of Britain and of conquering most of what is today France, Belgium, and Switzerland. The Civil War describes the conflict in the following year which, after the death of his chief rival, Pompey, and the defeat of Pompey's heirs and supporters, resulted in Caesar's emergence as the sole power in Rome. Accompanying Caesar's own commentaries are three short but essential additional works, known to us as the Alexandrian War, the African War, and the Spanish War. These were written by three unknown authors who were clearly eyewitnesses and probably Roman officers. Caesar's clear and direct prose provides a riveting depiction of ancient warfare and, not incidentally, a persuasive portrait for the Roman people (and for us) of Caesar himself as a brilliant, moderate, and effective leader—an image that was key to his final success. Kurt A. Raaflaub's masterful translation skillfully brings out the clarity and elegance of Caesar's style, and this, together with such Landmark features as maps, detailed annotations, appendices, and illustrations, will provide every reader from lay person to scholar with a rewarding and enjoyable experience. (With 2-color text, maps, and illustrations throughout; web essays available at <http://www.thelandmarkcaesar.com>)

C. Julius Caesar's Commentaries on the Gallic war

The two great commentaries of Julius Caesar - the Gallic War and the Civil War - are united in this superb hardcover edition. The commentaries were devised by Julius Caesar as a means of gaining support amongst the plebs, securing his position against his cunning political enemies in Rome. The Gallic War details both the battles and the merits of imperialist expansion: together with fierce accounts of bloody warfare, we hear arguments for the advantageous nature of conquest in terms of gaining cultural influence and new resources. Caesar's Civil War offers his perspective on the chaos which engulfed Rome following the conclusion of the Gallic campaigns. The factional conflict, wherein Caesar was pitted against his former friend and ally Pompey, lasted five years and was the precursor to the creation of the Roman Empire. Translated to English by classics scholar W. A. McDevitte, this version of Caesar's Commentaries remains as authoritative and well-regarded today as when first published in 1915.

Commentaries on the Gallic War

A new translation that captures the gripping power of one of the greatest war stories ever told—Julius Caesar's pitiless account of his brutal campaign to conquer Gaul. Imagine a book about an unnecessary war written by the ruthless general of an occupying army—a vivid and dramatic propaganda piece that forces the reader to identify with the conquerors and that is designed, like the war itself, to fuel the limitless political ambitions of the author. Could such a campaign autobiography ever be a great work of literature—perhaps even one of the greatest? It would be easy to think not, but such a book exists—and it helped transform Julius Caesar from a politician on the make into the Caesar of legend. This remarkable new translation of Caesar's famous but underappreciated *War for Gaul* captures, like never before in English, the gripping and powerfully concise style of the future emperor's dispatches from the front lines in what are today France, Belgium, Germany, and Switzerland. While letting Caesar tell his battle stories in his own way, distinguished classicist James O'Donnell also fills in the rest of the story in a substantial introduction and notes that together explain why Gaul is the "best bad man's book ever written"—a great book in which a genuinely bad person offers a bald-faced, amoral description of just how bad he has been. Complete with a chronology, a map of Gaul, suggestions for further reading, and an index, this feature-rich edition captures the forceful austerity of a troubling yet magnificent classic—a book that, as O'Donnell says, "gets war exactly right and morals exactly wrong."

Simply Latin - The Gallic War

The Gallic War, published on the eve of the civil war which led to the end of the Roman Republic, is an autobiographical account written by one of the most famous figures of European history. On one level a straightforward narrative of the campaigns Caesar fought against the Gauls, Germans and Britons, it also serves a deeper political purpose, revealing him as a commander of breathtaking flair, courage and persistence - a man of the people, a man without rival. This new translation reflects the purity of Caesar's Latin while preserving the pace and flow of his momentous narrative of the conquest of Gaul and the first Roman invasions of Britain and Germany. The introduction includes a survey of Caesar's role and reputation in later thought, while detailed notes, maps, a table of dates, and glossary make this the most useful edition available. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
