Columns.

De dikke van Daphne

De geboorte- en moederbundels van Daphne Deckers zijn al jaren verplichte kost voor iedere aanstaande moeder. Honderdduizende vrouwen herkenden in het werk van Daphne veel van hun eigen twijfels, problemen en verwachten. Geen enkele auteur wist de afgelopen jaren de gevoelens van de aanstaande moeder zo perfect te verwoorden als Daphne Deckers. De Dikke van Daphne brengt drie bestsellers bij elkaar.

Dubbel zes

Annabel Brinkmeester presteert het om op één dag alles kwijt te raken wat haar dierbaar is: de nalatenschap van haar ouders, haar relatie, zelfs haar geliefde huis aan de Orthoskade 66. Zonder de financiële hangmat waar ze jaren in heeft gelegen, moet Annabel nu écht de mouwen opstropen en een nieuwe toekomst voor zichzelf bewerkstelligen. Maar al snel raakt ze verstrikt in twee mannen én in twee identiteiten, en stapelen de problemen zich in een razend tempo op.

Liefde, lust en ellende

Columns over verliefdheid, liefde, relaties en relatieproblemen.

Vrouwen houden van mannen, mannen houden van voetbal

Wat voetbal je over je relatie kan leren. Vrouwen houden van mannen. Mannen houden van voetbal. Moeten vrouwen daarom ook van voetbal houden? Natuurlijk niet maar als ze slim zijn gebruiken ze al het goede dat het spel te bieden heeft in hun eigen voordeel. Het is een feest om naar te kijken bijvoorbeeld: modieus geklede, frisgedouchte mannen die toch Echte Kerels zijn met gespierde benen en adembenemende sixpacks. Het is verbijsterend wat voetbal met onze eigen `stoere mannen doet: voetbal kan je helpen om het `raadsel man beter te doorgronden. Ontdek hoe je voetbal op slimme

manieren kunt inzetten om dingen gedaan te krijgen: het is een wonder wat je allemaal met mannen kunt doen. Elke zin in dit boek is een voltreffer!

The Changing Faces of Populism

The book takes in a wide scope, analyzing the variety of movements referred to as "populist" in academic literature. This encompasses old-school nationalists and newer representatives of the populist radical right, as well as other semi- and anti-parliamentary organizations that challenge the system. The studies in the book will be most useful to comparative scholars, teachers, students and policymakers.

De mooiste stukken over seks

Regelmatig seksen is goed voor de conditie van je hart. Je slaapt er beter van, je leeft langer en het schijnt zelfs effectief te zijn tegen hoofdpijn. Seks is goed voor je immuunsysteem, maar te véél seks schijnt dan weer nadelig te zijn voor je afweer. Maar wat is te veel? En valt slechte seks daar ook onder? Want daar kun je goed ziek van zijn. Een universiteit in Schotland ontdekte dat mensen die regelmatig seks hebben, zeven tot dertien jaar jonger worden ingeschat. Dus laat die dure potten met antirimpel-crèmes maar in de winkel staan. Vanaf nu laat je de natuur gewoon lekker haar gang gaan! Passie, lokstof, mannen, seksles, lingeriebillboards. Dit sensuele, stoute, grappige en onthullende boekje bundelt Deckers mooiste columns over seks. Daphne Deckers is al jarenlang een van de succesvolste columnisten van Nederland en publiceert ruim tien bundels, waaronder Laat maar waaien en 111x Daphne. In 2012 debuteerde ze met de succesvolle roman Alles is zoals het zou moeten zijn, waarvan inmiddels meer dan 50.000 exemplaren zijn verkocht.

Men Are from Mars, Women Are from Venus (Edisi Kemas Kini)

Pada suatu masa dahulu, orang planet Marikh dan Venus bertemu, lalu jatuh cinta. Mereka hidup bahagia bersama kerana mereka menerima dan menghormati perbezaan masing-masing. Kemudian mereka berkahwin dan berpindah ke bumi. Pada suatu hari yang tidak disangka, mereka semua diserang penyakit amnesia, iaitu penyakit yang menyebabkan mereka terlupa bahawa mereka sebenarnya berasal dari planet yang berbeza. Menggunakan metafora ini bagi menerangkan konflik-konflik yang biasa berlaku antara lelaki dan perempuan, Dr. John Gray menjelaskan bagaimana perbezaan antara lelaki dan perempuan sering menjadi angkara dalam hubungan yang tidak bahagia. Berdasarkan pengalaman beliau memberi khidmat kaunseling kepada beribu pasangan dan individu, beliau memberi panduan bagaimana kita boleh mengatasi perbezaan dalam gaya komunikasi, keperluan emosi, dan perilaku bagi memupuk persefahaman antara lelaki dan perempuan. Men Are from Mars, Women Are from Venus berjaya membantu berjuta-juta orang lelaki dan perempuan memahami pasangan mereka dengan lebih baik. Ia adalah alat bantu yang penting dalam membentuk hubungan suami isteri yang lebih mendalam dan memuaskan.

The Love of Bob and Daphne

Jaloezie. Verdriet. Relatiestress. Herkenbaar voor elk stel dat wacht op een baby. De grote vraag is: hoe houd je hoop? In Beschuit zonder muisjes lees je hoe elf stellen omgaan met verminderde vruchtbaarheid. Kinderen krijgen is niet vanzelfsprekend. Maar soms lijkt dat wel zo als de een na de ander `zomaar zwanger wordt. Beschuit zonder muisjes beschrijft de pittige reis die je samen maakt als een zwangerschap maanden en soms jaren op zich laat wachten en je relatie onder druk kan komen te staan. Hoe blijf je vertrouwen op Gods beloften voor je leven? Hoe houd je hoop? Dit boek geeft een openhartige inblik in de levens van elf stellen die weten hoe een beschuit zonder muisjes smaakt. Het biedt herkenning en bemoediging voor wie er middenin zit en is een eyeopener voor familie, vrienden, pastoraal werkers en voorgangers.

Beschuit zonder muisjes

Wanneer Alice Dunlop haar veertigste trouwdag en zestigste verjaardag ziet naderen, beseft ze dat ze die niet voorbij wil laten gaan zonder een goed feest. Ze maakt grootse plannen en heeft al visioenen van een glorieuze familiereunie op een stralende dag in de tuin, rondom een tafel beladen met heerlijke hapjes en flessen champagne. Haar echtgenoot David is helaas minder enthousiast. Sinds zijn pensionering lijkt hij alle plezier in het leven te hebben verloren. En hij is niet de enige die niet in feeststemming is: hun vier volwassen kinderen worstelen elk met hun eigen problemen en tegenslagen, en zitten helemaal niet te wachten op een verplicht samenzijn met hun bloedverwanten.

Terwijl Alice zich op de voorbereidingen voor haar feest stort, valt de familie in rap tempo uit elkaar. En wanneer haar man eindelijk uit zijn lethargie ontwaakt, blijkt dat ook geen zegening te zijn. Zal Alice erin slagen iedereen weer nader tot elkaar te brengen?

Het tuinfeest

The first book to offer cutting-edge research that explains how the brain works when two people first meet, start to date, fall in love, and then move into long-term, real love.

Men Chase, Women Choose

The author describes his work as a psychoanalyst over a twenty-five year period, describing his efforts to guide his patients to personal insights into their behaviors and resolutions which can change their lives for the better.

The Examined Life: How We Lose and Find Ourselves

Een nieuwe spannendromantische reeks op één;;;Van de makers van Dossier K, De zaak Alzheimer, Ben X en televisieseries als Flikken, Jes en Vermist. De roman Dubbellevens is gebaseerd op de nieuwe reeks op één met een weergaloze Lucas Van den Eynde die een man met een dubbele agenda speelt. Twee vrouwen ontdekken na de dood van hun partner dat hun geliefde er een tweede, geheime relatie op nahield en komen in een eigenaardige situatie terecht. Wie heeft waar recht op? Wie kan op de begrafenis de plaats van echtgenote opeisen?

Dubbellevens (E-boek)

"Isabelle is a lonely orphan, reprimanded at every turn by her strict matron. George is a promising inventor on the cusp of a brilliant invention. Together, they find love, but can their love survive what industry has in store for them?"--Back cover.

Chester 5000 (Book 2): Isabelle and George

Drawing on mindfulness, body psychotherapy and positive psychology, focusing teaches clients how to identify their inner awareness to spur change and therapeutic progress. This guide explains how to use focusing to treat a range of issues.

Focusing in Clinical Practice: The Essence of Change

New York Times bestselling author Luanne Rice makes her dazzling YA debut with this gorgeous, unputdownable story of love, hope, and redemption. When Ruth Ann (Roo) McCabe responds to a text message while she's driving, her life as she knows it ends. The car flips, and Roo winds up in a hospital bed, paralyzed. Silent. Everyone thinks she's in a coma, but Roo has locked-in syndrome -- she can see and hear and understand everything around her, but no one knows it. She's trapped inside her own body, screaming to be heard. Mathilda (Tilly) is Roo's sister and best friend. She was the one who texted Roo and inadvertently caused the accident. Now, Tilly must grapple with her overwhelming guilt and her growing feelings for Roo's boyfriend, Newton -- the only other person who seems to get what Tilly is going through. But Tilly might be the only person who can solve the mystery of her sister's condition -- who can see through Roo's silence to the truth underneath. Somehow, through medicine or miracles, will both sisters find a way to heal?

The Secret Language of Sisters

Applying new research to sex in the animal world, the authors dispel the notion that monogamy comes naturally. As "The Myth of Monogamy" reveals, biologists have discovered that for nearly every species, cheating is the rule--for both sexes.

The Myth of Monogamy

Owen and Lee Melville arrive at a lakeside cabin for a weekend of fishing, but their plans are thrown out of whack by the arrival of two sisters who become catalysts for a tenderly funny and unsentimental look at four lives in transition.

The Melville Boys

Paul Dukach is heir apparent at Purcell & Stern, one of the last independent publishing houses in New York, whose shabby offices belie the treasures of its list. Paul remains obsessed by one dazzling writer: poet Ida Perkins, whose outsize life and audacious verse have shaped America's contemporary literary landscape, and whose longtime publisher happens to be Purcell & Stern's biggest rival. When Paul finally meets Ida, at her secluded Venetian palazzo, she entrusts him with her greatest secret – one that will change all of their lives forever.

Muse

Surrogacy is India's new form of outsourcing, as couples from all over the world hire Indian women to bear their children for a fraction of the cost of surrogacy elsewhere with little to no government oversight or regulation. In the first detailed ethnography of India's surrogacy industry, Amrita Pande visits clinics and hostels and speaks with surrogates and their families, clients, doctors, brokers, and hostel matrons in order to shed light on this burgeoning business and the experiences of the laborers within it. From recruitment to training to delivery, Pande's research focuses on how reproduction meets production in surrogacy and how this reflects characteristics of India's larger labor system. Pande's interviews prove surrogates are more than victims of disciplinary power, and she examines the strategies they deploy to retain control over their bodies and reproductive futures. While some women are coerced into the business by their families, others negotiate with clients and their clinics to gain access to technologies and networks otherwise closed to them. As surrogates, the women Pande meets get to know and make the most of advanced medical discoveries. They traverse borders and straddle relationships that test the boundaries of race, class, religion, and nationality. Those who focus on the inherent inequalities of India's surrogacy industry believe the practice should be either banned or strictly regulated. Pande instead advocates for a better understanding of this complex labor market, envisioning an international model of fair-trade surrogacy founded on openness and transparency in all business, medical, and emotional exchanges.

Wombs in Labor

A husband and wife team make the science of monogamy sexy.

Boekblad

Identical twins Dale and Joe are both talented footballers. When Dale injures himself just before an important game, Joe's asked to impersonate his brother. Suggested level: intermediate, junior secondary.

Strange Bedfellows

Barbara Taylor Bradford, the author of such international bestsellers as *The Woman in His Life*, and *Angel*, once again demonstrates her superb storytelling gifts in this electrifying novel. Television war correspondent Nicky Wells is a media super-star, courageous, beautiful, and renowned for her hard-hitting reports from the world's battlefields and trouble spots. But her life is shattered when she loses the only man she has ever truly loved, dashing English aristocrat Charles Devereux. Nicky finds solace in her work and her friendship with photographer Cleeland Donovan, and after a romantic interlude in Provence, Nicky wonders if she might finally be able to love again. But suddenly she is forced to remember Charles Devereux when she is confronted with disturbing suspicions about this remarkable man and his mysterious double life . . .

Doing the Double

From large cities to rural communities, gay men have long been impassioned pioneers as keepers of culture: rescuing and restoring decrepit buildings, revitalizing blighted neighborhoods, saving artifacts and documents of historical significance. *A Passion to Preserve* explores this authentic and complex dimension of gay men's lives by profiling early and contemporary preservationists from throughout the United States, highlighting contributions to the larger culture that gays are exceptionally inclined to make.

Remember

THE SUNDAY TIMES AND NEW YORK TIMES BESTSELLER A Guardian, Daily Telegraph, New Statesman and Daily Express Book of the Year 'Hugely, highly and happily recommended' Stephen Fry 'You should read Humankind. You'll learn a lot (I did) and you'll have good reason to feel better about the human race' Tim Harford 'The book we need right now' Daily Telegraph 'Made me see humanity from a fresh perspective' Yuval Noah Harari It's a belief that unites the left and right, psychologists and philosophers, writers and historians. It drives the headlines that surround us and the laws that touch our lives. From Machiavelli to Hobbes, Freud to Dawkins, the roots of this belief have sunk deep into Western thought. Human beings, we're taught, are by nature selfish and governed by self-interest. Humankind makes a new argument: that it is realistic, as well as revolutionary, to assume that people are good. The instinct to cooperate rather than compete, trust rather than distrust, has an evolutionary basis going right back to the beginning of Homo sapiens. By thinking the worst of others, we bring out the worst in our politics and economics too. In this major book, internationally bestselling author Rutger Bregman takes some of the world's most famous studies and events and reframes them, providing a new perspective on the last 200,000 years of human history. From the real-life Lord of the Flies to the Blitz, a Siberian fox farm to an infamous New York murder, Stanley Milgram's Yale shock machine to the Stanford prison experiment, Bregman shows how believing in human kindness and altruism can be a new way to think – and act as the foundation for achieving true change in our society. It is time for a new view of human nature.

A Passion to Preserve

The Romance of the Rose has been a controversial text since it was written in the thirteenth century. There is evidence for radically different readings as early as the first half of the fourteenth century. The text provided inspiration for both courtly and didactic poets. Some read it as a celebration of human love; others as an erudite philosophical work; still others as a satirical representation of social and sexual follies. On one hand it was praised as an edifying treatise, on the other condemned as lascivious and misogynistic. Kevin Brownlee and Sylvia Huot and the contributors to this volume—Pierre-Yves Badel, Emmanuele Baumgartner, John V. Fleming, Robert Pogue Harrison, David F. Hult, Stephen G. Nichols, Lee Patterson, Daniel Poirion, Karl D. Uitti, Dieuwke E. van der Poel, and Lori Walters—represent all the major areas of current work on the Romance of the Rose, both in American and in Europe. The volume will be of value to students and scholars of medieval literature, intellectual history, and art history.

Humankind

Few women do it, and even fewer will admit to it. But in Toni Bentley's daring and intimate memoir, she pulls back the sheets on an erotic experience that has been forbidden since the Bible.

Rethinking the Romance of the Rose

O Jerum Jerum Jerum is a purely autobiographical work. It includes a happy post-war childhood (Anzegem-Elsegem) and three miserable boarding school years in Ostend, to the glorious years as a student in Ghent, life as a nose-throat doctor in Rotterdam and Kortrijk. This is a book full of nostalgia for the wanton, vibrant student life, with all the emotions and romance that come with it. It is a touching story about those wonderful years that will never be again. The author bares his deepest emotions in a disarming and humorous way, often with a cynical and pessimistic point of view, sparing no one, not even himself. Born in Anzegem, raised in Elsegem, he has, after spending four years in Rotterdam, relocated to Kortrijk as a throat-nose specialist. He was a marathon runner, founded the street run ""Across Grijssloke,"" and published four books about it. Approaching retirement age, he reminisced on the glorious years as a student in Ghent, with this book as a result. With three plays and poems from his hand, a literary career is still in the offing...

The Surrender

2016 Reprint of 1960 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Mercedes de Acosta (1893 - 1968) was an American poet, playwright, and novelist. She was professionally unsuccessful but is known for her many lesbian affairs with famous Broadway and Hollywood personalities and numerous friendships with prominent artists of the period. De Acosta was involved in numerous lesbian relationships with Broadway's and Hollywood's elite and she did not attempt to hide her sexuality; her uncloseted existence was very rare and daring in her generation. In 1916 she began an affair with actress Alla Nazimova and later with dancer Isadora Duncan. Shortly after marrying Abram Poole in 1920, de Acosta became involved in a five-year relationship with actress

Eva Le Gallienne. Over the next decade she was involved with several famous actresses and dancers including Greta Garbo, Marlene Dietrich, Ona Munson, and Russian ballerina Tamara Platonovna Karsavina. Additional unsubstantiated rumors include affairs with Pola Negri, Eleonora Duse, Katherine Cornell, and Alice B. Toklas. In 1960, when de Acosta was seriously ill with a brain tumor and in need of money, she published her memoir, "Here Lies the Heart." In it are recounted the off stage life and lifestyles of many of the iconic figures of Hollywood in from the 1920's to 1940's.

O Jerum Jerum Jerum...

An intensely personal narrative, a feminist reveals her journey into political consciousness.

Here Lies the Heart

Hi there! It s your Higher Self, here. I know we haven t talked in a while, but I just found out about this amazing new book that you have got to read! Release yourself from the bondage of only being spiritual, and step into the Newer Age of Ultra Spirituality with this amazing new book by his Enlightenedness JP Sears, How to Be Ultra Spiritual."

Lesbian Nation

Annotation. The universal international refugee law regime that was created in the wake of the Second World War - consisting of the 1951 Convention and the 1967 Protocol Relating to the Status of Refugees, and the Statute of UNHCR - has in the course of time been changed, gradually but inexorably. The regime that is currently in place has consequently lost its original structure and consistency. In particular, it is no longer a normative continuum, and as a result, the international protection of refugees is no longer secure but dependent on contingencies. The changes in the regime exclusively concern the mandate of UNHCR. The personal and substantive scope of its activities has been extended time and again with the consent of states as represented in the UN General Assembly. As those extensions have never been (considered to be) matched by corresponding obligations on the part of states, UNHCR's world has been turned into a parallel universe. This title can be previewed in Google Books - <http://books.google.com/books?vid=ISBN9789056296391>.

How to Be Ultra Spiritual

Tripping the Bardo with Timothy Leary is a scathingly honest and breathless autobiographical memoir by Joanna Harcourt-Smith, the British Jet-Set "hippie heiress" scapegoat for Timothy Leary, the Harvard psychologist "Pied Piper" of the Sixties generation. Between 1972 and 1977, Joanna was his lover and voice to the outside world while he was in prison for three-and-a-half of those years. Tripping the Bardo is a missing piece of the Sixties puzzle. Joanna Harcourt-Smith knows. As an eyewitness, she was right at the heart of it. From the Rolling Stones and Andy Warhol to the relentless FBI harassment of the political Left, Tripping the Bardo moves at the fast pace of sex, drugs, and rock'n'roll that the Sixties were known for. The author's voice is that of a spoiled and damaged socialite but with an unrelenting sense of humor and ability to bring to life an outrageous set of characters – aristocrats and drug dealers, rockers and poets, crime lords and double agents. As Hermann Hesse said: I'm beginning to hear the teachings of my blood pulsing within me. My story isn't pleasant, it's not sweet and harmonious like invented stories; it tastes of folly and bewilderment, of madness and dream, like the life of all people who no longer want to lie to themselves.

FYI. Theory and typology of information packaging

This early work by Sigmund Freud was originally published in 1912 and we are now republishing it with a brand new introductory biography. 'On the Universal Tendency to Debasement in the Sphere of Love' is an essay on the causes of psychological impotence. Sigismund Schlomo Freud was born on 6th May 1856, in the Moravian town of PYíbor, now part of the Czech Republic. He studied a variety of subjects, including philosophy, physiology, and zoology, graduating with an MD in 1881. Freud made a huge and lasting contribution to the field of psychology with many of his methods still being used in modern psychoanalysis. He inspired much discussion on the wealth of theories he produced and the reactions to his works began a century of great psychological investigation.

UNHCR's Parallel Universe

Excerpt from Prince Ragnal: And Other Holiday Verse The royal blood leaps in her face, Her voice rings out its golden knell O Christ! Incline Thy pitying grace, And pardon this poor infidel Then, with averted, shuddering gaze. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Tripping the Bardo with Timothy Leary

Entertaining and educational, Douwe Draaisma's *Why Life Speeds Up As You Get Older* raises almost as many questions as it answers. Draaisma applies a blend of scholarship, poetic sensibility and keen observation in exploring the nature of autobiographical memory, covering subjects such as déjà-vu, near death experiences and the effect of severe trauma on memory recall, as well as human perceptions of time at different stages in life. A highly accessible and personal read, this book will not fail to touch or provoke thought in its readers.

On the Universal Tendency to Debasement in the Sphere of Love

Prince Ragnal
