Biofields & Bliss Trilogy

In a bid to present a more complete version of her work in Interdimensional Biofield Technology, metaphysical author Jasmuheen has now combined the Trilogy of the Biofields & Bliss series into one complete manual. Dealing with principles of the futuristic Higher Light Science that are also based on ancient wisdom, Book 1 - ""Four Body Fitness"" delivers a free, non-religious based lifestyle to harmonize our internal & external energy flows so that we can experience our full physical, emotional, mental and spiritual potential. Book 2 - ""Co-creating Paradise"" takes this to the family and community levels while Book 3 - ""The Madonna Frequency' Planetary Peace Program"" looks at very specific global projects to eliminate war and violence and address basic human rights and bring peace & prosperity to all in our world.

The Bliss of Brazil & the Second Coming

In the heart of the Amazons I found the greatest inner teacher I have ever known, a teacher who took me into levels of understanding and insights that allowed me to come out of the Amazon jungle with a feeling that I had been both disassembled and reborn. I invite you to keep an open mind as you journey with me through the following pages, for many issues will be raised. Two extremes will be looked at deeply - from the sacred, ritualistic use of ancient power plants among the shaman of our world, to the favelas (slums) of Rio with their drug lords, violence and the aftermath of all that prohibition delivers in such places. While we share the different ways people alter their consciousness to release the natural opiates of the mind, in the final part of this book we assess Global Drug use, startling statistics that show the ineffectiveness of prohibition and offer solutions to it all!

The Law of Love & Its Fabulous Frequency of Freedom

An extensive manual filled with powerful life transforming meditations which also details the Ancient Taoist Masters techniques for Immortality plus Futuristic Science tools of Inter-Dimensional Matrix Mechanics for Jasmuheen's Freedom from Human Limitation Agenda. This research covers freedom

from the need to age or create dis-ease; freedom from the need to take food or liquid as we learn how to create a self sustaining bio-system; freedom to express our Divine nature and all its gifts and glories ... plus tested methods for determining our personal readiness levels for these freedoms!

THE PRANA PROGRAM - Effective & Enjoyable Evolution

Everything you need to know about prana. Alternate Energy for the New Millennium, including a Program for eliminating hunger in Third World countries. Can we eliminate all health & hunger challenges on our planet? Is there a way of satiating everyone's physical, emotional, mental and spiritual hungers and do it in a way that creates peace and harmony in our world? After over a decade of experiential research in the field of alternate nourishment utilizing chi or prana - also known as cosmic particles - Jasmuheen as leading researcher in this field, now puts forth a program to do just that. Specializing in Third World countries, THE PRANA PROGRAM e-book is an encyclopedia of 'everything you always wanted to know about prana and more'. In Question & Answer format this book covers methods of nourishing and hydrating the body using an inner energy source produced in the body to free us from our dependence on world's food resources and changing the economic status of our world.

Breatharian Pathways

Breatharian Pathways - Memories & Motivations with Jasmuheen In this book Jasmuheen finally shares her memories and motivations over many timelines, with the path of the true Breatharian. From times with Jesus, and the disciple Luke, to times in Cathar country being starved to death during the inquisition, to the life of an woman in India whose great loss revealed the Breatharian way; to dealing with Sadhus and sages in India modern day - all of this and much more Jasmuheen shares in this book as well as finally revealing the details of some of her most spectacular media trials as she continues to educate the world into this phenomena.

THE FOOD OF GODS

The Food of Gods is Jasmuheen's 18th book on metaphysical matters and her third book in the Divine Nutrition series. It is not necessary to have read the previous books on this subject which cover her personal journey and the solution for world health and world hunger issues as "The Foods of Gods" takes the pranic nourishment discussion to another level and offers simple yet powerful tools to satiate all of our hungers. Jasmuheen writes: The most important difference with our focus with Divine Nutrition is that It has the ability to feed us on all levels and that we can still benefit from increasing Its flow through our bio-system even if we continue to choose to enjoy eating. Allowing this Divinely Nutritional stream to be increased in our system means that we can be fed emotionally, mentally and spiritually and as such the techniques and guidelines shared in this book, will benefit us all by freeing us from our current personal and global emotional, mental and spiritual states of anorexia.

Rhythms of Love - Jasmuheen's Travel Journal

In this journal the reader gains insight on what life is like for someone who is in full time service with this Paradise co-creation agenda. Spending nearly half of each year on the road, living in hotel rooms, airports and seminar halls, constantly adjusting to continually changing weather patterns, all the while being nourished only by prana, Jasmuheen manages to keep herself healthy and happy regardless of the many challenges she faces for despite all of this she grows and learns and thoroughly enjoys meeting with all the beautiful light filled people that she now constantly meets in this world.

Cosmic Wanderers - Homeward Bound

peace for all. Entwining the ongoing love stories of 8tlan, Tao Lao, Rani, Tan and other well-loved characters in this series, ancient esoteric wisdoms are revealed that are so relevant to Earth today. Cosmic Colleagues - Ascended Master Messages

A selection of loving, timeless and insightful channeled messages through Jasmuheen to inspire and support all through these changing times. In this book Jasmuheen shares of her personal relationship with these ones. As Saint Germain once shared with her: The Master discerns which experience, he or she will have while dwelling in physical form in God's kingdom. The Master, through all realms of expression, creates around them in every now moment that which serves them fully in the awakened state in each now moment ...From Mother Mary: Spirit and reason go hand in hand and reason will deliver you to the embrace of spirit, for reason was birthed in spirit. Reason is like the sheep that come back home to the shepherd. Times of contemplation will allow you to make peace with all aspects of your Being; to recognize your humanness and love all parts of you without judgment. Remember that love is the only real power of lasting transformation.

PRANIC NOURISHMENT - Nutrition for the New Millennium - Living on Light Series

NEW 2012 UPDATED VERSION - Pranic Nourishment, also called Living on Light, is Jasmuheen's fourth book of metaphysical interest. It is a fascinating story of her personal journey into being physically sustained purely by Light. It also touches on physical immortality, spirituality and sexuality, new millennium relationships and mind mastery utilizing the powerful programming of Dimensional Biofield Science. Pioneering new yet ancient pathways, many are now exploring the option of neither being a meat eater, a vegetarian, a vegan, a fruitarian but rather a 'liquidarian' or an individual sustained and nourished purely by the Light of their own Divine nature. Formerly a 'state of being' reserved for, or attributed to, the Holy men, Saints or Sages of the East; the process described in this text offers a practical and spiritual alternative for those wishing to practically begin to embrace physical immortality, cease the aging process or simply 'live on Light'.

The Starseeds of Divine Matrix. Inspirational Messages from Enlightened Beings

Co-creating Paradise

Heute stirbt jeder vierte Erwachsene unnötiger Weise an einer der sieben lebensbedrohlichen Erkrankungen. Das mag daran liegen, dass zu wenig ganzheitlich orientiertes Wissen propagiert wird oder auch daran, dass für die Betroffenen einfach ihre Stunde geschlagen hat. Und falls es für sie an der Zeit ist, stellt sich die nächste Frage: Können sie dann mit Würde sterben? Sollte man es ihnen selbst überlassen, ob sie das uralte Verfahren der Selbsteuthanasie kennen und einsetzen wollen, von dem schon die Lamas in unterschiedlichsten Zeitaltern wussten? Was hat es mit dieser uralten Methode auf sich, und kann sie missbraucht werden? Wie sollen wir wissen, wo wir einfach mit unserem eigenen Tod konfrontiert sind oder nur mit einer vorübergehenden Herausforderung? Wie verhält es sich mit Spontanheilungen und Heilern wie dem brasilianischen Joao de Dios?

Vers la fin 2004, je fus diagnostiqué avec un carcinome mortel. Apr?s une opération chirurgicale et une biopsie avec des mauvaises nouvelles, j'avais le choix, soit de subir une nouvelle intervention, soit de commencer une chimiothérapie. Connue pour mon approche radicale et alternative de la vie, j'ai choisi ni l'une ni l'autre. A la place, j'ai commencé une aventure dans le domaine de la médecine alternative où j'ai découvert la nouvelle technologie radicale des rayons de lumière et des ondes sonores, des outils de diagnostic et aussi des thérapies, basés sur les Guérisons Aborigènes ancestrales, Dreamtime. Tout cela, je l'ai exploré au début de l'année 2005, pendant que j'avais décidé si je devrais rester sur terre, sachant que l'essentiel de mon travail était accompli, et que je pouvais choisir de partir.

La Guérison Harmonieuse et la voie des Immortels

Mark Minicolla's The Way of Miracles: Accessing Your Superconsciousness teaches us that we can create our own miracles every day. The Way of Miracles is an adventure for the mind and spirit that begins with the premise that miracles don't randomly happen—we create them! According to Mark Minicolla, PhD, developing our superconscious mind and recognizing the divine source that exists within each of us is what generates miracles. A wholistic physician for more than three decades, Mark used his own techniques and learnings to cure himself of a life-threatening illness. In The Way of Miracles, he shares experiences, documented research, and exercises that he provides his patients and uses himself to raise consciousness in order to cultivate the ability to heal and create miracles that have a lasting effect.

The Way of Miracles

An exploration of our fall from the pinnacle of human evolution 200,000 years ago and how we can begin our return • Explores recent neurological and psychological research on the brain and the role of plant biochemistry in human brain expansion • Explains how humanity's prehistoric diet change led to a neurodegenerative condition characterized by aggression and a fearful perception of the world • Outlines a strategy of raw foods, tantric sexuality, shamanic practices, and entheogens to reverse our

mental degeneration and restore our advanced abilities Over a period of a million years the human brain expanded at an increasingly rapid rate, and then, 200,000 years ago, the expansion abruptly stopped. Modern science has overlooked this in order to maintain that we are at the pinnacle of our evolution. However, the halt in brain expansion explains not only recently uncovered anomalies within the human brain but also the global traditions of an earthly paradise lost and of humanity's degeneration from our original state of perpetual wonder and joy. Drawing on more than 20 years of research, authors Tony Wright and Graham Gynn explore how our modern brains are performing far below their potential and how we can unlock our higher abilities and return to the euphoria of Eden. They explain how for millions of years early forest-dwelling humans were primarily consuming the hormone-rich sex organs of plants--fruit--each containing a highly complex biochemical cocktail evolved to influence DNA transcription, rapid brain development, and elevated neural and pineal gland activity. Citing recent neurological and psychological studies, the authors explain how the loss of our symbiotic fruit-based diet led to a progressive neurodegenerative condition characterized by aggressive behaviors, a fearful perception of the world, and the suppression of higher artistic, mathematical, and spiritual abilities. The authors show how many shamanic and spiritual traditions were developed to counteract our decline. They outline a strategy of raw foods, tantric sexuality, shamanic practices, and entheogen use to reverse our degeneration, restore our connection with the plant world, and regain the bliss and peace of the brain of Eden.

Return to the Brain of Eden

As the research continues to accumulate, we find that the mainstream understanding of schizophrenia and the other related psychotic disorders has lost virtually all credibility. We've learned that full recovery is not only possible, but may actually be the most common outcome given the right conditions. Furthermore, Dr. Paris Williams' own groundbreaking research, as mentioned in the New York Times, has shown that recovery often entails a profound positive transformation. In *Rethinking Madness*, Dr. Williams takes the reader step by step on a highly engaging journey of discovery, exploring how the mainstream understanding of schizophrenia has become so profoundly misguided, while crafting a much more accurate and hopeful vision. As this vision unfolds, we discover a deeper sense of appreciation for the profound wisdom and resilience that lies within all of our beings, even those we may think of as being deeply disturbed, while also coming to the unsettling realization of just how thin the boundary is between so called madness and so called sanity.

Rethinking Madness

"...a bizarre Internet phenomenon: an "immersive" online experience—part mystery, part game, part who knows what—known as both the Incunabula Papers and Ong's Hat. The Incunabula Papers/Ong's Hat was, or is, a "many-threaded, open-ended interactive narrative" that "weds an alternate history of chaos science and consciousness studies to conspiracy theories, parallel dimensions, and claims that computer-mediated environments can serve as magical tools.... the documents provoked a widespread "immersive legend-trip" in the late 1990s. Via Web forums, participants investigated the documents—manifestos—which spun up descriptions of brilliant but suppressed discoveries relating to paths that certain scientists had forged into alternate realities. Soon, those haunted dimensions existed in the minds and fantasies of Ong's Hat's many participants. That was evident as they responded to the original postings by uploading their own—all manner of reflections and artifacts: personal anecdotes, audio recordings, and videos—to augment what became "a really immersive world, and it was vast".

Just Lighten Up! is dedicated to everyone in the world who has ever had a bad day. On one such occasion I met Mobley, one of the "Lighten Up" Angels, who reminded me that life is an opportunity for us to experience joy, laughter, love, peace and harmony. Each little angel in this coloring book is demonstrating a tool we can all use to help us lighten up during the day. If we really want to be grumpy and unhappy, we can. But it is very difficult to stay that way when the Lighten Up Angels start revealing themselves in our lives. So call on these angels. Ask them to laugh and play with you, to help you

see the humor in all experiences you create. Release negative thoughts, feelings and emotions as you color these lighthearted little angel pictures. Laughter is the best "medicine," and these little angels can brighten any day!

Anti-gravity and the World Grid

This book combines perspectives from psychology, spiritual education and digital teaching pedagogies in a transnational framework to discuss the Education in Human Values Program (EHV) for child development, with a focus on silent sitting, mindfulness, meditation and story-telling as tools in the classroom. Through positive guidance in the early stages of child development using EHV tools, teachers will be better equipped to handle disciplinary issues in primary and secondary schools. These practices are also useful for the higher education community, as teachers and educators from tertiary institutions may adopt these practices in their teaching and become reflective practitioners. Topics such as teacher morale and school climate and its impact on children are discussed in relation to building resilience, reflective capacities, and inner strength (shared values) using an intrinsic and transformational approach. The discussions also include perspectives from the neurosciences. With contributions from teachers and educators from the US, South Africa, Malaysia, Australia, Hong Kong and Mauritius, this edited volume addresses the challenges, strengths and weaknesses associated with daily teaching practices in primary and secondary schools and higher education institutions. The content is relevant to policymakers and researchers in child development studies, with a particular focus on the impact of silent sitting, mindful practices, and meditation on children's self-regulation and resilience. The authors collectively espouse that silent sitting techniques can help a child to grow and discover their hidden potential, thus enhancing their social, emotional, spiritual and physical capacities.

Harmonious Healing and the Immortal's Way

THE FREEDOM MATRIX Being Source Fed with Jasmuheen - In this 8th book on the fascinating topic of human potential and Source Feeding, Jasmuheen goes into the automatic writing process to bring through many messages from the Light Beings from the Unified realms and how they used Source feeding to ascend their civilisations and planetary systems out of the zone of duality and into the Matrix of Freedom, an energy web that permeates all life. They share, "Your Earth and her people are at a point of evolution that we ourselves encountered eons ago. We too had misused our planetary resources and had found ourselves suffering great disease on physical, emotional, mental and yes even spiritual levels. However, through our journey of evolution and with the help of the sages who walked among us, we were able to transcend these states by increasing the vital life force in all. This in turn changed both our individual and planetary radiations to the degree that we were naturally magnetised into the Unified field and there we have remained. Many star systems have achieved this while others ended in total devastation annihilating the species within them - human, animal and the planet itself, thus we have watched and learned the intricacies of ascending a world. Individual, global and even universal ascension is an art and a science of which we now freely share for you are our Star Being family, long ago extended-descended from our realms. Our message is that the Freedom Matrix is within all sentient life for all to activate and enjoy when they are ready."

A Human Values Pathway for Teachers

Lynne McTaggart follows the life and work of disparate physicists who seem to be on the verge of bringing about the same type of revolution that occurred exactly a century ago when quantum theory changed the face of physics forever.

The Freedom Matrix

All of us are born with an enormous, inexhaustible strength that is being smothered, smothered, or squelched by those who are considered rulers of our soul, power, and destiny. This book is for those who have realized this and are ready to take action to free themselves from the oppression they are subjected to on a daily basis. Here, you will learn the genuine rules of nature rather than warped and horrible ones that make people "servants of God" and destroy 'God's work' in them, as this book does. As a voice from God, this book tries to reclaim the children's origin, reveal the true meaning of their existence, and explain to them the essence of things as they really are, instead of how they are presented by the powers that be-the stuffed and greedy manufacturers of an endless stream of unhealthy and unnecessary products that poison the human body and destroy the divinity inherent in each one of them. When God the Father is ready to take under his wing all those souls who have

reached such a level of spiritual development that they can break free from the shackles of modern society with its rotten laws and concepts veiled as virtue and hear the voice of their heart and their soul, this Ebook shows how one can and should act in this modern world. These are the people who are ready to lead others into a new, bright and harmonious existence filled with goodwill and infinite love, who have outgrown their "peers." If we are to construct cities of light, we need to surround ourselves with those whose genuine skills can shine for the benefit of humanity and Mother Earth in this new, revitalized era. In this book, you'll learn how to survive in a completely new environment. In order to live in peace with the environment around us, it is imperative that we elevate our vibrations to match the Earth's as it moves into a higher dimension. I am grateful to all those courageous people, despite their family and friends' disapproval, who dare to take the leap into the fifth dimension without fear of newness or the judgment of their loved ones.

Using Spirituality in Psychotherapy: The Heart Led Approach to Clinical Practice offers a means for therapists to integrate a spiritual perspective into their clinical practice. The book provides a valuable alternative to traditional forms of psychotherapy by placing an emphasis on purpose and meaning. Introducing a new spiritually-informed model, Heart Led Psychotherapy (HLP), the book uses a BioPsychoSocialSpiritual approach to treat psychological distress. When clients experience challenges, trauma or attachment difficulties, this can create blocks and restrictions which result in repeated patterns of behaviours and subsequent psychological distress. Based on the premise that everyone is on an individual life journey, HLP teaches clients to become an observer, identifying the life lesson that they are being asked to understand or experience. The model can be used whether a client has spiritual beliefs or not, enabling them to make new choices that are in keeping with their authentic selves, and to live a more fulfilled and peaceful life. Illustrated by case studies to highlight key points, and including a range of practical resource exercises and strategies, this engaging book will have wide appeal to therapists and clinicians from a variety of backgrounds.

Within all of us there is an "inner core." It is there where we can behold our own pulse, rhythmically, harmoniously blending with the divine. For many of us, this "silent core" folded in its unique rhythm, is hidden. We have yet to know of it and to experience its presence. This manual is to guide you as you seek to unfold the continuum of the eternal, divine pulse within you. Your handwriting is a "mirror" of your inner pulse. Symbolically, it reveals your attitudes, behavioral tendencies, inner resourcefulness, self-direction, and interpersonal motivations. That inner "essence" however, may not be known because of fears, anxieties, ego motivations, and self-destructive patterns. Thus there is disharmony clouding the inner rhythm. The lessons of this manual assist you in bringing into harmony and balance your modes of thinking, feelings, and willing. To involve different conscious levels, the lessons include form drawings, visualizations, reflections and affirmations, along with m

The New Age of Russia

After literally stumbling into orbs appearing as bright as light bulbs in photographs he was taking at a spiritual retreat, Dr. Klaus Heinemann immediately sensed that he was onto something profound. There was no choice but to convince himself that his notion was on solid grounds. Heinemann looked at thousands of pictures he had taken earlier, and thousands more would be taken to test the hypothesis that these light circles are nothing less than emanations from Spirit beings. Dr. Míceál Ledwith had a similar experience after the orb phenomenon was first made known to him through the teachings of

Ramtha. He began an intense and systematic study of orbs in all sort of situations, day and night, and in all sorts of atmospheric conditions, in order to discover all he could about their nature, the situations in which their presence could be most easily detected, and what implications they might have for our understanding of our own place in the cosmos. To date, he has amassed a collection of well over 100,000 images. In *The Orb Project*, Ledwith and Heinemann present their fascinating discoveries, along with practical tips that amateur digital photographers can use to photograph orbs and properly distinguish them from "false" orbs that are really dust or water particles. They offer guidelines on deciphering the orbs' various patterns, features, and characteristics, based on their extensive research. As Dr. Ledwith points out, once you develop a keen and sustained interest in photographing spirit entities, some quite interesting things begin to happen: the brain stops censoring these images, and you can begin to see with orbs with the naked eye -- in more color and detail than is visible to even a digital camera. Ledwith and Heinemann also explore communication with orbs and what their existence means to our lives. The implications of a realization that we are "surrounded by a cloud of witnesses" are enormous and incredibly hopeful for the world at large.

Jasmuheen's sixteenth book, *'DIVINE RADIANCE : On the Road with the Masters of Magic'*, describes her life with, and the modern day teachings of, these amazing beings. She writes: Somehow in the course of my life I have been blessed with both witnessing and experiencing pure Divine Radiance. When the Radiance reveals Itself we are captured by Its Splendor as we intuitively recognize Its power. It has taken me decades to discover how when Its illumination enters our energy field, our bodies become irradiated by a laser beam of such perfect sustenance that all our appetites are fulfilled. This book is my attempt to describe Its delights.

Ambassadors of Light is Jasmuheen's tenth book and the follow up to her best seller *Living on Light, Nutrition for the New Millennium*. No doubt this new work will be just as controversial as she continues to challenge the status quo and take the pranic nourishment discussion onto the global stage. In this book, Jasmuheen offers practical solutions to world health and world hunger related challenges through her Luscious Lifestyles Program and also effective ways to redirect global resources. This entails an in-depth look at global disarmament, the dissolution of prohibition, the forgiveness of Third World debt, holistic education programs, and the elimination of the need for personal pharmaceutical use through the elimination of all disease. *Ambassadors of Light* also looks at the undeniable long-term benefits of vegetarianism in relation to health and resource sustainability levels, and also at the lifestyles that those

who are now free from the need to eat food usually adopt. Jasmuheen compiles statistics from the Light Ambassadry's Global Research Project as well as the research of many others into this phenomena. This book is a collation of research, recipes, and recommendations that if adopted, will radically alter the path of humankind! Imagine a world without war or hunger or fear? Imagine a world that is disease free and unified where all life is honored? These are the dreams of the Ambassadors of Light."
