What if your focus shifted from the things you weren't getting right toward making one good change a week? In these 52 devotions, Cleere Cherry encourages you to be intentional about renewing your mind without attempting to be perfect or set unrealistic expectations. Just think: what if you let the word grace seep into your everyday life for seven straight days. You wrote it on post-it notes and put them on your fridge, in your car, at your desk, by your bed. The entire week you focused on responding to every situation with grace, no matter what. You think, "I can't believe he just cut me off." Then you think "remem-

Hope for Each Day

We all fear that the depression will never lift, the disappointment will never stop, the pain will never leave. Here in the pits, surrounded by steep walls, we wonder if our gray skies will ever brighten. Though these unprecedented and challenging times may bring a load of uncertainty and fear that feels too heavy to bear, God gives us this promise: *You'll Get Through This*. In *You'll Get Through This*, pastor and New York Times bestselling author Max Lucado traces the story of Joseph as told in the book of Genesis. The Bible tells us that Joseph was tossed into a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed. Yet Joseph's story is proof that we can flourish even in this broken world. On his darkest days, Joseph may have thought that the sun would never shine again, but God ultimately used these hardships for a greater purpose. Whether you find yourself in the pit of financial downturn, job loss, health crisis, or relationship stresses, God has a plan and a path forward designed just for you. Max reminds readers God doesn't promise that getting through trials will be quick or painless, but he does use our mess for good. In this book, Max will help you: Find comfort in the knowledge that you are God's child and God cares deeply for you Remember that God is near you and has never left you Look for hope in each hardship that you face Lean on your loving community in challenging times Take courage that God will restore even the most painful circumstances and use them for good Each copy of *You'll Get Through This* includes thoughtful questions for reflection designed to give you a chance to dive deeper into the hard yet hopeful story of Joseph's perseverance. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20: what Satan intends for evil, God redeems for good.

When the world's problems loom large and your ordinary life stretches you thin, it is still possible to be a difference-maker--one small, intentional, extravagant act of kindness at a time. Women of Courage

The perfect book for anyone with a Netflix account and a library card. "Smart, sharp, and hilarious, Slaughterhouse 90210 is the perfect pick-me-up and never-put-me-down book." - Jami Attenburg, bestselling author of *The Middlesteins* Slaughterhouse 90210 pairs literature's greatest lines with pop culture's best moments. In 2009, Maris Kreizman wanted to combine her fierce love for pop culture with a lifelong passion for reading, and so the blog Slaughterhouse 90210 was born. By matching poignant passages from literature with popular moments from television, film, and real life, Maris' work instantly caught the attention (and adoration) of thousands. And it's easy to see why. Slaughterhouse 90210 is subversively brilliant, finding the depth in the shallows of reality television, and the levity in Lahiri. A picture of Taylor Swift is paired with Joan Didion's quote, "Above all, she is the girl who 'feels things'. The girl ever wounded, ever young." Tony Soprano tenderly hugs his teenage son, accompanied by a line from *Middlemarch* about, "The patches of hardness and tenderness [that] lie side by side in men's dispositions." The images and quotes complement and deepen one another in surprising, profound, and tender ways. With over 150 color photographs from some of popular culture's most iconic moments, Kreizman shows why comparing Walter White to Faust makes sense in our celebrity obsessed, tv crazed society.
