What the Ten Commandments Means to Me

This book has a very interesting contrast of each of the Ten Commandments. The topics presented are in the categories of why we should follow the commandments. Like why, the benefits, psychological examples, the formation of religions. Included are some personal experiences.

What The Ten Commandments Means To Me

Working in the hospital and prison ministry, I had the opportunity to meet the country's most feared criminal. He was a cult leader with forty churches all around the country. A group of us would go to the prison every Wednesday and were allowed to have church for one hour. God used me to witness to this black, Jewish person who did not believe in Jesus but knew the Old Testament very well. He proclaimed to be their King. With the help of God and my faithful pastor who provided me with scriptures and a book entitles "Concerning Spiritual Gifts" I was able to lead him to the Lord. When he went to the hospital time after time, I was there to visit and pray for him. He experienced God's healing many times even when he was dying from a stroke, enlarged heart, diabetes, and hypertension. He had a miracle and baffled the doctors and nurses. Instead of serving 20 years, he was released after 6 years. There were other prisoners whom god has used me to pray for and they were released too. They all went to church with me. He was baptized 6 months later by the Bishop of the country. We discussed the Ten Commandments and he told me that there is no one who can keep them all. Being a spirit filled Christian on fire for the Lord, I told him, "With the help of the Holy Spirit we can keep them all." This is what inspired me to study and write this book. I come from a Muslim background, my husband from a Hindu background. I see the idols these religions worship which were made by man's hand. God made man in His image but these people made and continue to make their gods, which THEY turn back and worship (Read Isaiah 44). I tried for fifteen years to finish this book to expose the devil but I never did. I think this is the allotted time. Glory to God!

The Ten Commandments Reconsidered

Do you know the Ten Commandments? Do you know they are still as important as they ever were? The Ten Commandments are a big part of your life, even if you don't think they are. Most of the laws of man are based on the laws handed down from God that are the Ten Commandments. Without the law there is no sin, there is no breaking the law. We have to have something to base our laws on. All modern societies in the world, Christian or not, base most of their laws on these laws from God. Why are more people moving away from God and the laws of God? The problem is that society has started to change them because they don't like the laws that interfere with the things they like to do. Society is getting to the point where anything anyone wants to do is becoming ok. Many people break them and don't even think they are breaking them. It's like speeding in your car. Most people that speed are generally law abiding people that just don't think speeding is breaking the law, but it is against the law. Do you know what the Ten Commandments are? "You shall have no other God before me. (God the creator) "You shall not make any graven images to worship "You shall not take the name of the Lord in vain "Remember the Sabbath day and keep it holy "Honor your Father and Mother "You shall not murder "You shall not commit adultery "You shall not steal "You shall not bear false witness (lie) "You shall not covet your neighbors wife or any of his things Learn why we need them and why they are very relevant today.

The Ten Commandments

Today is a day of lawlessness. The spirit of our times is one of unbounded "freedom," one of casting off all restraints, despising all authority. Since God Himself is no longer feared by the majority, many no longer respect the God-ordained authority of governments, parents, church leaders, and educators. Because of abounding iniquity on every hand, the love of many professing Christians for their God and His Law has grown cold, just as Christ prophesied (Matthew 24:12) . Yet we see in Holy Scripture that the only true freedom is freedom from sin. Concerning the purpose of Christ's coming into the world, God's angel Gabriel said to Joseph, "And thou shalt call His name JESUS (that is, `JEHOVAH is Savior'): for He shall save His people from their sins" (Matthew 1:21) . The Lord Jesus said, "Ye shall know the truth, and the truth shall make you free" (John 8:32) . Free from what? Free from sin! Jesus Christ Himself is the Truth, and to know Him is to be free both from the power of reigning sin and from sin's soul-destroying consequences, not simply in the world to come but in this present life as well. The Lord Jesus Himself was well acquainted with the supreme joy of the Godward life of obedience to God's Law and freedom from sin. During His earthly walk, He was a Lawkeeper par excellence. To think, that the Second Person of the holy Trinity, Jehovah the eternal Word, the Lawgiver of Israel, was "made of a woman, made under the Law" (Galatians 4:4) for our redemption! Think on this: the salvation that has been freely given to you, simply by your having trusted in Christ's blood and righteousness, was procured by Him, your substitute, at the highest possible cost. The salvation that is "all of grace" to you was earned, "all of works, " by your Savior! And yet He obeyed every commandment with the purest delight, saying, "My meat (food) is to do the will of Him that sent Me, and to finish His work" (John 4:34). Christ could say in the words of Job (23:12), yet with far greater truthfulness, "Neither have I gone back from the commandment of His lips; I have esteemed the words of His mouth more than my necessary food." Mr. Pink's exposition of God's Moral Law is not exhaustive, for that is impossible. The Psalmist says, "I have seen the end of all perfection: but Thy commandment is exceeding broad" (Psalm 119:96). Nevertheless, Mr. Pink gets to the root of man's need. He ably demonstrates the way in which God's Spirit uses the Law: (1) in bringing men to a saving knowledge of Jesus Christ (by bringing them to the end of themselves); and (2) in producing in them an increasing "family resemblance, " a holy likeness to their Father in heaven (which is the fruit of true saving faith). If you will read this book prayerfully, then God will graciously enable you to cry out with the Psalmist, "O how love I Thy law! It is my meditation all the day" (Psalm 119:97). Pink (1890-1953) was a Baptist Preacher in England, Australia, and the United States. He is most famous for his book The Sovereignty of God. After its advent, he, assisted by his editor Mr. I. Herendeen, launched his yearly publication, Studies in the Scriptures in 1921. These continued until his death, totaling altogether 33 volumes of 288 pp. each. Most of Pink's books are taken from these yearly volumes (written monthly in 24 page format).

Ten Commandments

The Ten Commandments is an ideal Bible study resource for youth and adults. Shows both the traditional and contemporary wording of each of the 10 Commandments, a principle and the meaning of each commandment, what Jesus taught about the commandments, and why the 10 Commandments are important today. Below is an example of the information you will find in The Ten Commandments: Commandment 3 - Do Not Misuse God's Name Thou shalt not take the name of the LORD thy God in vain. Principle- God's name is holy, powerful and glorious. Meaning- God's name is holy and should be treated with respect. there is power in the LORD's name and it shouldn't be used lightly. Because God is Spirit, we know Him through what He says about Himself, to take His name in vain violates God's nature. As God's creation, everything a person says and does should be done in order to praise and glorify God. (1 Corinthians 10:31) Bible examples- When a man named Shelomith blasphemed the name of God with a curse, the Lord commanded that he be taken outside the camp and stoned to death. (Leviticus 24:10-16) Jesus was accused of blasphemy because He claimed to be God. (John 10:33) James warned believers to watch what they say because the tongue is capable of evil and poison and can easily corrupt a person. (James 3:5-9) Jesus' Teaching- Jesus said, .."every sin and blasphemy will be forgiven men, but the blasphemy against the Spirit will not be forgiven...But I tell you that men will have to give account on the day of judgment for every careless word they have spoken. For by your words, you will be acquitted, and by your words you will be condemned." (Matthew 12:31, 36, 37) Jesus said to begin praying with: "Our Father in heaven, hallowed be your name." (Matthew 6:9) Explanations: Jews and Jewish scribes would go to great measures in order to avoid saying or writing the LORD's name for fear of blasphemy. The Bible says we are to pray, heal, and baptize in Jesus' name. (Matthew 28:19, Mark 16:17, John 14:13, Acts 3:6) The Bible says that what we say is very important and it is a glimpse into who we are (James 3:9-12). God loves us and wants us to love and worship Him in whatever we are doing and at all times. God wants us to use His name; it is holy and powerful. If we can show respect for the names of our fathers, mothers, teachers and doctors, then how much more should we respect the name of our sovereign God. The Ten Commandments breaks the 10 Commandments into two main divisions: commandments about our relationship to God and commandments about our relationship to other people. This pamphlet is also a great resource on the history of the commandments and why The Ten Commandments were revolutionary for their time.

Contemplations on the Ten Commandments Vol. 1

Amid thunder, lightning, smoke, and trumpet blasts the fiery mountain trembled and quaked as Moses prepared to meet with God. The commands that Moses received were inscribed by the finger of God - the Ten Commandments - instructions to govern all mankind. So simple and yet so deep. Are these commandments even relevant in our modern society today? Aren't most of them just a bunch of archaic rules? Don't they need to be amended to address the current culture, customs, and circumstances? Do we even know what they mean exactly? For example, consider the first and second commandments; you shall have no other gods before me and you shall not make an idol and bow down and worship it. Don't they mean essentially the same thing? Once we examine these two commandments in context

with other Scripture, we discover they are not the same. What does the third commandment mean when it says we are not to take the name of the Lord in vain? It may not be what you think! How about the fourth commandment to honor the Sabbath day? When are we supposed to honor the weekly Sabbath; Saturday, Sunday, when? How do we reconcile the death penalty with the sixth commandment you shall not kill? What is the true meaning of the word covet in the tenth commandment? This booklet will guide you through the meanings of the Hebrew words that shed light on what the commandments really mean. Are they relevant today? Jesus thought so. John 14:15 If you love Me, keep My commandments.

The Ten Commandments

Are the Ten Commandments just a set of rules or are they a way of life? In this book about laws of the heart, each chapter focuses on what one of the commandments means for Christians today.

The Relevance of the Ten Commandments

This compilation of sermons on the Ten Commandments covers in detail the three uses of the Law, the application of Law and Gospel, and the details of each commandment.

The Ten Commandments

The Ten Commandments are the first direct communication between a people and God. Designed to elevate our lives above mere frantic, animal existence to the sublime levels humanity is capable or experiencing, they are the blueprint of God's expectations of us and His plan for a meaningful, just, loving, and holy life. Each commandment asserts a principle, and each principle is a moral focal point for real-life issues relating to God, family, sex, work, charity, property, speech, and thought. Written in collaboration with Rabbi Stewart Vogel, The Ten Commandments incorporates lively discussion of the Bible and the Judeo-Christian values derived from it. Filled with passion, emotion, and profound insights, it will move, enlighten, inspire, entertain, and educate you on the meaning each commandment has in our daily lives today: I am the Lord, your God, Who has taken you out of the land of Egypt, from the house of slavery. You shall not recognize the gods of others in My presence. You shall not take the Name of the Lord., your God, in vain. Remember the Sabbath day and sanctify it. Honor your Father and your Mother. You shall not murder. You shall not commit adultery. You shall not steal. You shall not bear false witness against your fellow. You shall not covet.

Expository Sermons on the Ten Commandments

1. Ten Commandments God wants to marry you - leaven and all. No matter what you've done, or where you've been, God is determined to make it right for you. The OT marriage covenant (and its Hebrew context), are used to understand some things Jesus said about his return, and about the rapture. The 10 commandments is considered from the perspective of a long line of slaves. So we get a day off? You can't kill me, or take my things, just because you're stronger than me? My human rights and dignity will be respected in our new culture? That is fantastic! 2. I am the Lord your God The Ten Commandments starts with Grace, with God giving people something that they did not earn or deserve: "I am the Lord your God"

When asked by his barber and good friend, Peter Beskendorf, for some practical guidance on how to prepare oneself for prayer, Luther responded by writing this brief treatise, first published in the spring of 1535. Are the 10 Commandments still relevant today? Do they still apply? Which ones? What do they mean in light of God's mercy revealed in Jesus? Highlighting the timelessness and goodness of God's commands, pastor Kevin DeYoung delivers critical truth about the 10 Commandments as he makes clear what they are, why we should know them, and how to apply them. This book will help you understand, obey, and delight in God's law—commandments that expose our sinfulness and reveal the glories of God's grace to us in Christ.

Thou Shalt Not Kill

Learn the story behind the ten laws that have been the guiding light of Judeo-Christian belief. Not just about Moses, whose origin story leaves open questions, this book looks back at the time when the commandments were written, how the belief in one all-powerful God set the Israelites apart from other ancient peoples, and the roles the Ten Commandments have played in Judaism, Christianity, and Islam. It also looks at what each individual commandment means and how together they form the basis of leading a moral life as well as forming a just government.

The Ten Commandments

Excerpt from *The Ten Commandments* The Discourses published in this volume were delivered in Carrs Lane Chapel, Birmingham, on successive Sunday Evenings, at the close of 1870. The practical illustrations of the eternal principles of morality which constitute the basis of the Decalogue, were suggested by the circumstances of the congregation, which contains very few professional men, not many manufacturers, but a large number of retail tradesmen, a large number of young men and women employed in retail shops, and a still larger number of working people. It has always seemed to me to be a principal part of the work of a Christian Minister not only to insist on the duty of "repentance towards God and faith in our Lord Jesus Christ," but to illustrate in detail the obligations both of private and public morality; and I have felt it right to discuss in the pulpit on the Sunday, all questions affecting the moral life of individuals or of nations, which I knew were being discussed in workshops and at dinner tables during the week. The Ten Commandments

In the contemporary church biblical teaching revolving around the Ten Commandments is inconsistent at best. Paul's statement, misunderstood, is often what Christians will run to, "for ye are not under the

law, but under grace," (Rom. 6:14). Christians often want to divorce themselves from God's holiness. They frequently do not understand how holiness in life is attached to both God's character, and God's commandments. Today's church is very happy to take Christ as Savior, in some instances, as prophet, but not so much as King. Christ says, "If a man love me, he will keep my words." The man who loves Jesus as he ought, what will the outcome be for him in this act of loving? "...and my Father will love him, and we will come unto him, and make our abode with him," (John 14:23). Union and communion with Christ are set on keeping his words. The King commands his people and he expects them to obey. This is not legalism, as if one would work for their justification, but rather, it is obedience, that one would be made more like the King in holiness. Christ says, "If ye love me, keep my commandments," (John 14:15). This work takes Christ's Ten Commandments, the commands of King Jesus, and not only expounds their basic teachings, but also how those commands apply to the life of the Christian. First considered is the relationship between the Law and the Gospel. Then each command will be considered, in both their positive and negative aspects (i.e. do not lie, also means, tell the truth). Then three concluding chapters will cover, 1) those people who count the Law of God as a "strange thing;" 2) those people who turn away from the Law and reject it; and 3) how Christ is the "end" of the Law for all believers, and what that actually means in light of his covenant work and merit. This is a practical study of how the "law of Christ" applies to every Christian both in obedience and submission to Christ the King, and for the good of their growth in holiness.

The Ten Commandments and Modern Society

Looks at the various histories of the 10 Commandments, explaining how those particular 10 laws, as opposed to others given at Mount Sinai, became the ones that Moses revealed as God's law.

Holy Bible (NIV)

As Christians, we learn the ten commandments and use them as guides to help us in our relationships with our loved ones, our neighbors, and God. God gave the ten commandments to us because He only wants what's good for us. But what do they tell us about living in today's world? How do we follow guides that were written thousands of years ago? "Living the Ten Commandments as a Catholic Today" is written to "open up" the commandments and make them understandable and relevant for our lives today. Their messages are timeless--tell the truth, respect your parents, don't commit adultery--but it's hard sometimes to put their meaning into the context of today's hectic, fast-paced world. This book brings the holy messages alive and helps us understand that the word of God lives on through our actions and reactions to the world around us. In this book, the ten commandments are viewed and explained in contemporary language through modern eyes, but the message is the same--God loves us and wants us to be happy. These guides that he gave for living a fruitful life enable us to be happy and be good neighbors, good spouses, good children, and good parents. "Living the Ten Commandments as a Catholic Today" provides an additional meditation to the originally published articles that "Bring Home the Message" of the commandments. With questions after each chapter, this book would be perfect for small groups discussions or personal reflection. View sample pages. "Paperback" Available for the Amazon Kindle:

For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness: all these come from within, and defile the man.--St. Mark vii. 21-23. THE commandment of the Lord is pure to J. the pure. It becomes the minister of Christ to speak His truth without fear of men; and I could do no worse offence against not only the Word of God, but the purity of all who hear me, if I should suppose by my silence that you have no interest in duties the most sacred to the human heart, or in evils among the gravest that eat into the social health. In that conviction I approach this subject; and I beg each Christian mind to listen, as in His presence, "who knew no sin, neither was guile found in His mouth." I shall speak of the ground of this divine command in the conscience of mankind, as the cornerstone of social order Not one among all natural laws can claim to be so widely received; and even the barbarian who kills and steals at his pleasure, has guarded the purity of the family. Our Maker has written here his witness of the essential difference between man and beast. Although I by no means accept those

ideal pictures of savage life drawn by our romancers, yet the effort of some late writers to prove our primitive state one of brutish instincts, from the habits of a few degraded tribes, is far more false to history. Indeed, it is the sad truth, as we well know in the decay of our Indian races, that civilized vice has beyond all else depraved the morals of the savage. As we look, indeed, at the early history of the past, it may seem that the...

The Ten Commandments in the Life of the Christian

Everybody knows the Ten Commandments, right? Let's see. There's something about stealing, lying, murdering...ah...but that's only three...what are the rest? More people claim to live by the Ten Commandments than seem to know what they are, let alone what they mean. And in this modern, jet-propelled, nuclear, genetic-engineered world, how important are they? Each day we make innumerable decisions about things that don't really seem earth-shattering in importance. So what if we break a promise? So what if we are married but find passion in another bed? So what if we are too focused on work, TV, or clubs to spend time with family? In *The Ten Commandments*, Dr. Laura Schlessinger, America's "Mommy" and the conscience of talk radio, reminds us that it is in everyday decisions that we give meaning to our lives or diminish it; and she shows us why adhering to the higher ideals and consistent morality found in the Commandments can create a life of greater purpose, integrity, value, and lasting joy. The Ten Commandments are the first direct communication between a people and God. Designed to elevate our lives above mere frantic, animal existence to the sublime levels humanity is capable of experiencing, they are the blueprint of God's expectations of us and His plan for a meaningful, just, loving, and holy life. Each of the Ten Commandments asserts a principle, and each principle is a moral focal point for real-life issues relating to God, family, sex, work, charity, property, speech, and thought. These principles, and the Commandments they are based upon, are as relevant today as they were in Biblical times. Written in collaboration with Rabbi Steward Vogel, *The Ten Commandments* is a modern application of God's laws, incorporating lively discussion on the Bible and the Judeo-Christian values derived from it. Filled with passion, emotion, and provocative, profound insight. The Ten Commandments will move, enlighten, inspire, educate, and entertain you. You won't be able to look at even mundane moments in your life the same way again. I am the Lord, your God, who has taken you out of the land of Egypt, from the house of slavery. Acceptance of God as the ultimate author of morality and meaning of life. You shall not recognize the gods of others in My presence. Beware of idolatry. Attaining money, power, stimulation, professional success, and accumulating possessions, while legitimate pursuits, are not the ultimate purpose of life. You shall not take the Name of the Lord, your God, in vain. How we acknowledge or deny God and godliness through our words and deeds. Remember the Sabbath day to sanctify it. Recognize the value of time by refocusing on the most important elements of life; family, obligations to others, prayer, kindness, justice, and decency. Honor your Father and your Mother. The obligation to parents reinforces the concepts of treating others responsibly in spite of sentiment or situation. You shall not murder. Each human being is the essence of uniqueness, yet equally created in God's image. Not only can a life be physically taken, but demoralization and humiliation can kill our souls. You shall not commit adultery. Sexual relations are made special and holy through a consensual marriage. The honoring of commitments provides the family stability necessary for individual growth and health, community peace, and societal welfare. You shall not steal. Respecting the property and reputation of others provides mutual safety, peace, and prosperity. You shall not bear false witness against your fellow. While we should keep far from falsehood, knowing when information could or should be shared can make the differences between destroying and helping others. You shall not covet. Desire for the possessions of others destroys relationships and leads us to violate the other Commandments.
