Horrible Histories: Woeful Second World War

If you ever hear old folk moaning on about the world today, just remind them how woeful things were in World War II. When Hitler's horrid army were goose-stepping round the globe, nearly everything in Europe was totally AWFUL! Read on to discover... * The dreadful truth about Dad's Army * What happened when an elephant got loose in the blackout * Who made a meal out of maggots * Which smelly soldiers were sniffed out by their enemies * Why wearing white knickers could kill you What with doodlebug bombs dropping out of the sky and sweet rationing driving kids (and teachers) mad, life in the Second World War was truly wicked. So from snow-bound cities under siege to fly-infested jungle trenches, and from rotten rationing recipes to awful invasions, discover all the dire details about the worst war EVER!

The woeful Second World War [audio book]

It's history with the nasty bits left in! Want to know: * Who made a meal out of maggots? * Which smelly soldiers were sniffed out by their enemies? * Why white knickers could kill you? Discover all the foul facts about the Woeful Second World War *- all the gore and more!

The Woeful Second World War

Readers can discover all the foul facts about the FRIGHTFUL FIRST WORLD WAR, including what the 'Fat King' did with food scraps and dead horses, how sniffing your own pee could save your life in a gas attack and why a pair of old socks gave away top German secrets. With a bold, accessible new look and a heap of extra-horrible bits, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans. Revised by the author to make HORRIBLE HISTORIES more accessible to young readers. www.horrible-histories.co.uk

Horrible Histories: Frightful First World War

Do your grandparents moan on about what life was like in the war? Want to know if they're telling the terrible truth? Read on to explore the horrible hardships the Blitzed Brits suffered while bombs dropped out of the sky! Find out what really happened in Dad's Army! See how to make a rude noise with a gas mask! Learn why the Brits ate chicken-fruit, sinkers and nutty! Faint at the thought of spending seven years without TV! Plus there's heaps of spiffing slang, foul food facts about rotten rationing, awful evacuation tales, and the terrible truth about London's bloodthirsty blackout murders! So there's plenty of gore - and much more.

Horrible Histories: The Blitzed Brits

Readers can discover all the foul facts about the MEASLY MIDDLE AGES, including why chickens had their bottoms shaved, a genuine jester's joke and what ten-year-old treacle was used for. Revised by the author to make Horrible Histories more accessible to young readers.

Horrible Histories: Rotten Romans

The horrors and hardships of the First World War were meant to last a mere four months...but ground on for four grim years. Of all the history in the world, this war -- known as the Great War -- was perhaps the most horrible. With timelines, quizzes, and lots of information about all the nasty bits from gruesome gas to lovely lice, Frightful First World War tells it like it really was in a way that will engage young readers. Since the very first Horrible History book was published in 1993, history books for children have never been the same. The appeal of all things wicked, weird and woeful has proven to be huge and the series is a bestseller around the world.

Frightful First World War

Giving you the brutal facts about how Britannia ruled the waves - from infamous antics in India to dreadful deeds down under. Read about savage slavers, rotten rebels and nasty natives, go for victory with Queen Victoria's quick eastern quiz, and meet the horrid heroes of the British Empire.

The Barmy British Empire

Sail back to a vicious time with fearsome seafaring Viking warriors with big boats, big shields and enormous ginger beards. Readers can discover all the foul facts about the Vicious Vikings, including Viking gods in wedding dresses, corpses on trial and Death by booby-trapped statues. With a bold, accessible new look, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans. Revised by the author and illustrated throughout to make Horrible Histories more accessible to young readers.

Horrible Histories: Vicious Vikings (New Edition)

Top 50 Kings and Queens is packed full of foul facts and loathsome lists all about our ruthless rulers. Filled with new material, this pocket-sized guide to rotten royalty has all the trademark Horrible Histories humour. With full-colour layouts and new illustrations from Martin Brown, it's perfect for fans of the series and new readers alike.

Horrible Histories: Top 50 Kings and Queens

The history book which shows you monarchs as they really were - mad, menacing and murderous! Find out which king died after falling off the toilet, why people thought King John was a werewolf, and why Queen Anne's feet were covered in garlic. Packed with treacherous treason, evil executions and savage struggles for the throne, this is royal history with the nasty bits left in!

Horrible Histories Special: Cruel Kings and Mean Queens

The Woeful Second World War tells you the foul facts about the worst war ever - from snow-bound cities under siege and fly-infested jungle trenches to Mrs Higginbottom's house two doors down, nowhere was safe. Want to know who made a meal out of maggots? Which smelly soldiers were sniffed out by their enemies? Why white knickers could kill you? Read on for outrageous rumours that everybody believed and wicked weapons that nobody would believe. Find out about 80-year-olds who lied to join 'Dad's Army' and 12-year-olds who died defending Berlin to the bitter end. History has never been so horrible! With a bold new cover look and a heap of extra horrible bits at the back of the book, each best-selling title is sure to be a huge hit with yet another generation of Terry Deary fans.

Horrible Histories: Woeful Second World War

Discover all the foul facts about the history of flight in this brand new Horrible Histories book. From the prisoners who were sent up on kites and the brave but foolish failures who jumped from a height on home-made wings to the first real successes. A seriously horrible historical read with all the gore and more.

Up in the Air

Discover all the foul facts about the Angry Aztecs, including why the Aztecs liked to eat scum, when the world is going to end and their horrible habit of drinking live toads in wine. With a bold, accessible new look and revised by the author, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

Horrible Histories: Angry Aztecs

It's history with the nasty bits left in! Want to know: Why burglars were scared of bogies? Which poet said he ate an ape? How a snick fadger might kiddy-nap your spangle? Discover all the foul facts about the Villainous Victorians - all the gore and more!

Villainous Victorians

Discover all the foul facts about the Smashing Saxons, including who got cow pats as Christmas presents, why wearing a pig on your head is lucky and how to make a dead Saxon happy. With a bold, accessible new look and revised by the author, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

Horrible Histories: Smashing Saxons (New Edition)

An illustrated, humorous introduction to world history with a emphasis on violence and villains.

The Wicked History of the World

Evacuee - a real-life World War Two story is the author's own true story of her evacuation to the countryside during WWII. Beautifully told, readers aged 7+ will engage with this vivid account of her journey from war-torn London and how her escape from the Blitz changed her life for ever.

The Potato Book

Readers can discover all the foul facts about WICKED WORDS, including how to be very rude ... without anybody knowing, some murky Medieval jokes and what to say if someone calls you mundungus, hackum or Jabbernowl. With a heap of extra-horrible bits, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

Evacuee - a Real-Life World War Two Story

Prepare to discover the most utterly unbelievable REAL facts about WWII . . . Did you know that onions were given as birthday presents in WWII? Or that exploding camel dung was used as a weapon? Could a leaky toilet force a submarine crew to abandon ship? This is history like you've never known it before! Ask yourself . . . Would you eat squirrel tail soup, cow's udders, or a carrot on a stick? Could you share 12.7cm of bathwater with your WHOLE family - for your weekly wash? If you were a spy, which gadgets and inventions would you choose? From flying tanks to Operation Toenail, read about the daring, tragic and heroic events that shaped one of the most influential conflicts in modern times. With a bold design and colourful illustrations, picture the most amazing, and unbelievable, facts from this world-changing time. Puffin and IWM (Imperial War Museums) are proud to be working together to educate and inspire young readers with tales from the past. Puffin know that stories can take you anywhere. As one of the most beloved children's publishers, we aim to fire every young imagination. Uncovering people's experiences during wartime, from the First World War to the present day, IWM is a family of five museums (IWM London, Churchill War Rooms, HMS Belfast, IWM North, and IWM Duxford).

Horrible Histories Special: Wicked Words

All the most horrible facts about the Gorgeous Georgians ready for readers to uncover, including their sneaky schemes for hiding personal hygiene problems and the schoolchildren who went to war with

their teachers. Refreshed with a fantastic new design for 2016, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

Utterly Unbelievable: WWII in Facts

Discover why words rule in this wicked book of them! Find out why they say the pen is mightier than the sword! Terry Deary runs riot through the horrible history of the English language in a book to leave you (and your teacher) speechless.

Gorgeous Georgians

Horribly Hilarious Joke Book is full of hundreds of horribly hilarious historical jokes and illustrations in one laugh-out-loud book. A must-have book for any Horrible Histories fan, you'll literally laugh your head off at this comical collection of nasty bits.

Horrible Histories Special: Wicked Words

Revealed! All the cut-throat facts about Celtic Britain with history's most horrible headlines: Celts edition. Jump into Celtic life with Terry Deary, the master of making history fun. Discover why Celtic warriors fought without any kit on, how they preserved their enemy's brains once they'd won the fight and why it was perfectly normal to laugh at funerals. It's all in Horrible Histories: Cut-Throat Celts: fully illustrated throughout and packed with hair-raising stories - with all the horribly hilarious bits included with a fresh take on the classic Horrible Histories style, perfect for fans old and new the perfect series for anyone looking for a fun and informative read Horrible Histories has been entertaining children and families for generations with books, TV, stage show, magazines, games and 2019's brilliantly funny Horrible Histories: the Movie - Rotten Romans. Get your history right here and collect the whole horrible lot. Read all about it!

The Only Place for Us

Leeds United's Elland Road home is full of intrigue, character and formidable acoustics, yet it started life as a barren and featureless patch of land surrounded by coalfields. *The Only Place For Us* is the fascinating history of the stadium and its changing local environment, revealing the background stories behind Elland Road's most famous features and characters, and the astonishing events it has witnessed. Along the way there have been fires and gypsy curses mixed with cherished memories including the diamond floodlights, the West Stand façade and escapee pantomime horses. Using forensic research, insiders' insights, archive photographs and fans' memories, Jon Howe retraces a historical journey full of tragedy, nostalgia and improbable innovation, to show how Leeds United's home ground became one of Europe's most feared football grounds. Through triumph and adversity, neglect and redevelopment, Elland Road has emerged as a prominent, modern stadium that's still alive with history. This is its unique story.

Don Revie: The Biography

THE LIFE AND TIMES OF DON REVIE – ONE OF THE MOST COMPLEX AND CONTROVERSIAL MEN EVER TO GRACE THE GAME OF FOOTBALL 'Engrossing' - Sunday Times 'Impeccably researched... As a life and times, Evans's account is immaculate.' – Jonathan Liew, New Statesman 'A poignant and engrossing read... a well-crafted biography.' – FourFourTwo 'Thoroughly researched and engagingly written, this superb biography sheds new light on one of the most controversial, enigmatic figures in football history' – Leo McKinstry, journalist, historian and award-winning author 'Excellent' – Johnny Giles, Leeds United legend 'Essential reading' Ryan Sabey, the Sun Whenever the greatest managers the game has ever produced are mentioned, names like Busby, Shankly, Paisley and Ferguson trip off the tongue. Despite dominating the game in the late 1960s and '70s there is one name missing: Don Revie, the former Leeds United and England manager. Revie was one of the most complex and controversial men ever to grace the game of football. As a player, he was crowned Footballer of the Year and credited with creating the modern centre-forward. As a manager, he took a Leeds United side languishing in the lower half of the second division and turned them into not only league champions, but one of the most dominant sides in the country. As England manager, Revie lost the magic touch and became increasingly indecisive. After three years in the role and fearing the sack, Revie became the first man to walk out on England. Then came the backlash. Revie was branded a traitor and banned from the game for 10 years, and the press declared open season on the manager. Accused of offering bribes to throw matches, his reputation was destroyed. Shunned by the football establishment, he died just 12 years after walking out on England. Revie's death, at the age of 61, robbed him of the opportunity ever to rebuild his reputation as one of the most important figures ever seen in English football. The life and times of this multifaceted, enigmatic, pioneering football man have

still never been fully explored and explained in detail before. Featuring new interviews with Johnny Giles, Kevin Keegan, Norman Hunter, Eddie Gray, Allan Clarke, Joe Jordan, Gordon McQueen, Malcolm Macdonald and members of the Revie family, this long-overdue biography reveals how today's football owes so much to Don Revie. --- Shortlisted for THE SUNDAY TIMES Sports Book Awards 2022 'A no-holds-barred insight that convinces the reader that Don Revie stands amongst the giants of English football.' -Lord Mann 'Meticulously researched and expertly crafted exploration' - Jeff Powell, Daily Mail 'A superb read'. - Alex Montgomery, Chief football writer and former Chairman of the Football Writers Association

Illustrated London News

The definitive account of Leeds United's first century.

100 Years of Leeds United

The fourth Jackson Brodie novel: literary crime from the prizewinning number-one bestselling author of Big Sky and Transcription. 'Crime has given Atkinson the freedom to write an ambitious, panoramic work, full of excitement, colour and compassion' Sunday Times A day like any other for security chief Tracy Waterhouse, until she makes a shocking impulse purchase. That one moment of madness is all it takes for Tracy's humdrum world to be turned upside down, the tedium of everyday life replaced by fear and danger at every turn. Witnesses to Tracy's outrageous exchange in the Merrion Centre in Leeds are Tilly, an elderly actress teetering on the brink of her own disaster, and Jackson Brodie, who has returned to his home county in search of someone else's roots. All three characters learn that the past is never history and that no good deed goes unpunished.

The Illustrated London News

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Lamp [ed. by T.E. Bradley].

The National Bestseller "Focused and persuasive... Bray's book is many things: the first English-language transnational history of antifa, a how-to for would-be activists, and a record of advice from anti-Fascist organizers past and present."—THE NEW YORKER "Insurgent activist movements need spokesmen, intellectuals and apologists, and for the moment Mark Bray is filling in as all three... The book's most enlightening contribution is on the history of anti-fascist efforts over the past century, but its most relevant for today is its justification for stifling speech and clobbering white supremacists."—Carlos Lozada, THE WASHINGTON POST "[Bray's] analysis is methodical, and clearly informed by both his historical training and 15 years of organizing, which included Occupy Wall Street... Antifa: The Anti-Fascist Handbook couldn't have emerged at a more opportune time. Bray's arguments are incisive and cohesive, and his consistent refusal to back down from principle makes the book a crucial intervention in our political moment."—SAN FRANCISCO CHRONICLE In the wake of tragic events in Charlottesville, VA, and Donald Trump's initial refusal to denounce the white nationalists behind it all, the "antifa" opposition movement is suddenly appearing everywhere. But what is it, precisely? And where did it come from? As long as there has been fascism, there has been anti-fascism — also known as "antifa." Born out of resistance to Mussolini and Hitler in Europe during the 1920s and '30s, the antifa movement has suddenly burst into the headlines amidst opposition to the Trump administration and the alt-right. They could be seen in news reports, often clad all in black with balaclavas covering their faces, demonstrating at the presidential inauguration, and on California college campuses protesting far-right speakers, and most recently, on the streets of Charlottesville, VA, protecting, among others, a group of ministers including Cornel West from neo-Nazi violence. (West would later tell reporters, "The anti-fascists saved our lives.") Simply, antifa aims to deny fascists the opportunity to promote their oppressive politics, and to protect tolerant communities from acts of violence promulgated by fascists. Critics say shutting down political adversaries is anti-democratic; antifa adherents argue that the horrors of fascism must never be allowed the slightest chance to triumph again. In a smart and gripping investigation, historian and former Occupy Wall Street organizer Mark Bray provides a detailed survey of the full history of anti-fascism from its origins to the present day — the first transnational history of postwar anti-fascism in English. Based on interviews with anti-fascists from around the world,

Antifa details the tactics of the movement and the philosophy behind it, offering insight into the growing but little-understood resistance fighting back against fascism in all its guises.

English Mechanic and Mirror of Science

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

English Mechanic and Mirror of Science and Art

A weekly review of politics, literature, theology, and art.

The Saturday Review of Politics, Literature, Science and Art

vols. for 1945- include: Shows of tomorrow annual ed.

English Mechanic and World of Science

In 1978 Julian Richer, then aged just nineteen, opened his first shop near London Bridge. For over twenty years this shop has been listed in the Guinness Book of Records as having the highest sales per square foot of any retail outlet in the world, and the company as a whole, with its fifty-three stores nationwide and huge online presence, has become Britain's favourite retailer of TV and hi-fi equipment. What lies behind this extraordinary success? For Julian, the answer is simple: throughout his career he has focussed relentlessly on putting people – both staff and customers – right at the centre of his business. And in *The Richer Way*, he offers a supremely practical guide to how others can follow suit. He explains how to motivate employees and measure their progress. He establishes how to balance company discipline with individual autonomy. He explores what 'customer service' should really involve. Above all, he points the way to creating an open, friendly and flexible culture that will not only attract the best people but also offer the greatest chance of business success. Packed with straightforward, common-sense advice, *The Richer Way* will prove essential reading for all organisations, whatever their nature and size.
