"Your life isn't over." My dad says this. "I mean, YOUR life isn't over. Beyond the kids. You'll go on living, doing things. This isn't it." I know, I assure him. I have the kids. They need me. They're my life now. "OK," he replies, then grunts—more of a brief hum. He only hums when he thinks I'm full of shit. Shockingly

single. Amy Biancolli's life went off script more dramatically than most after her husband of twenty years jumped off the roof of a parking garage. Left with three children, a three-story house, and a pile of knotty psychological complications, Amy realizes the flooding dishwasher, dead car battery, rapidly growing lawn, basement sump pump, and broken doorknob aren't going to fix themselves. She also realizes that "figuring shit out" means accepting the horrors that came her way, rolling with them, slogging through them, helping others through theirs, and working her way through life with love and laughter. Amy Biancolli is an author and journalist whose column appears in the Albany Times Union. Before that, Amy served as film critic for the Houston Chronicle where her reviews, published around the country, won her the 2007 Comment and Criticism Award from the Texas Associated Press Managing Editors Association. Biancolli is the author of *House of Holy Fools: A Family Portrait in Six Cracked Parts*, which earned her Albany Author of the Year. Amy lives in Albany, New York, with her three children.

This book is not a how-to-guide. It won't tell you how to get your baby to sleep, how to deal with toddler tantrums, how to be a good parent, a cool parent or even a renegade parent. It is a book about parenting that contains absolutely no useful advice whatsoever. Instead it shares beautifully honest anecdotes and illustrations from the parenting frontline that demonstrate it is perfectly possible to love your children with the whole of your heart whilst finding them incredibly irritating at the same time. From pregnancy to starting school, *Hurrah For Gin* takes you through the exciting, frustrating, infuriating and wonderful whirlwind of parenthood, offering solidarity and a friendly hug after a tough day. Best served with gin.

Kendra Adachi, the creator of the Lazy Genius movement, invites you to live well by your own definition and equips you to be a genius about what matters and lazy about what doesn't. The Christian Union

A real book for real parents, this title offers a unique and hysterical way to commemorate those decidedly "non"-Kodak moments that compose the better part of the newborn experience.

The Christian Union

"There's so much to learn and so much to know. It's good to keep moving forward. And yet whatever we have is, in a very profound way, absolutely complete and always enough."—Kyogen Carlson Kyogen Carlson (1948–2014) was a Soto Zen priest whose writings, teachings, and commitment to interfaith dialogue supported and inspired countless Buddhist, Christian, and other spiritual practitioners. Set to the rhythm of the seasons, *You Are Still Here* is the first published collection of Carlson's dharma talks. It illuminates key elements of contemporary Zen practice, such as the experience of zazen meditation, the pitfalls and intimacies of the teacher-student relationship and of sangha life, the role of community in personal practice, and the importance of interfaith dialogue reaching across political lines. Carlson's teachings also underscore his commitment to lay Buddhist practice and women's lineages, both significant contributions to American Buddhism. The beautifully distilled talks have been carefully edited and introduced by Sallie Jiko Tisdale, a respected writer, teacher, and Dharma heir to Carlson. Her masterful presentation highlights the significance of these illuminating teachings, while preserving Carlson's distinct style of authenticity, humor, and conviction on the Zen path.
