Telephone Tales

Reminiscent of Scheherazade and One Thousand and One Nights, Gianni Rodari's Telephone Tales is many stories within a story. Every night, a traveling father must finish a bedtime story in the time that a single coin will buy. One night, it's a carousel that adults cannot comprehend, but whose operator must be some sort of magician, the next, it's a land filled with butter men who melt in the sunshine. Awarded the Hans Christian Anderson Award in 1970, Gianni Rodari is widely considered to be Italy's most important children's author of the 20th century. Newly re-illustrated by Italian artist Valerio Vidali (The Forest), Telephone Tales entertains, while questioning and imagining other worlds.

The Neverending Story

Read the book that inspired the classic coming-of-age film before it's back onscreen in select theaters this September! From award-winning German author Michael Ende, The Neverending Story is a classic tale of one boy and the book that magically comes to life. When Bastian happens upon an old book called The Neverending Story, he's swept into the magical world of Fantastica--so much that he finds he has actually become a character in the story! And when he realizes that this mysteriously enchanted world is in great danger, he also discovers that he is the one chosen to save it. Can Bastian overcome the barrier between reality and his imagination in order to save Fantastica? "An instantaneous leap into the magical . . . Energetic, innovative, and perceptive"—The Washington Post "A trumpet blast for the imagination."—Sunday Times

Eye of the Wolf

A classic, essential read by master storyteller Daniel Pennac, with a new foreword written by Michael Morpurgo. The wolf has lost nearly everything on his journey to the zoo, including an eye and his

beloved pack. The boy too has lost much and seen many terrible things. They stand eye to eye on either side of the wolf's enclosure and, slowly, each makes his own extraordinary story known to the other...

The Catcher in the Rye

The Catcher in Rye is the ultimate novel for disaffected youth, but it's relevant to all ages. The story is told by Holden Caulfield, a seventeen-year-old dropout who has just been kicked out of his fourth school. Throughout, Holden dissects the 'phony' aspects of society, and the 'phonies' themselves- the headmaster whose affability depends on the wealth of the parents, his roommate who scores with girls using sickly-sweet affection. Lazy in style, full of slang and swear words, it's a novel whose interest and appeal comes from its observations rather than its plot intrigues (in conventional terms, there is hardly any plot at all). Salinger's style creates an effect of conversation, it is as though Holden is speaking to you personally, as though you too have seen through the pretences of the American Dream and are growing up unable to see the point of living in, or contributing to, the society around you. Written with the clarity of a boy leaving childhood, it deals with society, love, loss, and expectations without ever falling into the clutch of a cliché

White as Silence, Red as Song

Hailed as Italy's The Fault in Our Stars, this Italian bestseller is now available for the first time in English. "I was born on the first day of school, and I grew up and old in just two hundred days . . ." Sixteen-year-old Leo has a way with words, but he doesn't know it yet. He spends his time texting, polishing soccer maneuvers, and killing time with Niko and Silvia. Until a new teacher arrives and challenges him to give voice to his dreams. And so Leo is inspired to win over the red-haired beauty Beatrice. She doesn't know Leo exists, but he's convinced that his dream will come true. When Leo lands in the hospital and learns that Beatrice has been admitted too, his mission to be there for her will send him on a thrilling but heartbreaking journey. He wants to help her but doesn't know how—and his dream of love will force him to grow up fast. Having already sold over a million copies, Alessandro D'Avenia's debut novel is considered Italy's The Fault in Our Stars. Now available in English for the first time, this rich, funny, and heartwarming coming-of-age tale asks us to explore the meaning—and the cost—of friendship, and shows us what happens when suffering bursts into the world of teenagers and renders the world of adults speechless.

The Sleeping Dictionary

From an award-winning novelist, a stunning portrait of late Raj India—a sweeping saga and a love story set against a background of huge political and cultural upheaval. YOU ASK FOR MY NAME, THE REAL ONE, AND I CANNOT TELL. IT IS NOT FOR LACK OF EFFORT. In 1930, a great ocean wave blots out a Bengali village, leaving only one survivor, a young girl. As a maidservant in a British boarding school, Pom is renamed Sarah and discovers her gift for languages. Her private dreams almost die when she arrives in Kharagpur and is recruited into a secretive, decadent world. Eventually, she lands in Calcutta, renames herself Kamala, and creates a new life rich in books and friends. But although success and even love seem within reach, she remains trapped by what she is . . . and is not. As India struggles to throw off imperial rule, Kamala uses her hard-won skills—for secrecy, languages, and reading the unspoken gestures of those around her—to fight for her country's freedom and her own happiness.

The Dream Gardener. Ediz. a Colori

Inspired by the rhythms of the Periodic Table, Primo Levi assesses his life in terms of the chemical elements he associates with his past. From his birth into an Italian Jewish family through his training as a chemist, to the pain and darkness of the Holocaust and its aftermath, Levi reflects on the difficult course of his life in this heartfelt and deeply moving book.

The Periodic Table

The Atlas of Italian Amphibians and Reptiles presents the distribution, ecology and conservation status of the 37 species of amphibians and the 50 species of reptiles found in Italy. A 10x10 km UTM grid map is supplied for each species, on the basis of more than 70.000 records contributed by 900 collaborators during the Societas Herpetologica Italica survey project, started in 1994. Entries, illustrated with photos, are subdivided into the following headings: taxonomy, general distribution, comments on the

distribution map, habitat, altitudinal distribution, annual activity cycle, reproduction and status of the Italian populations. General sections on biogeography, history of herpetology in Italy, paleoherpetology and herpetological fauna of the small Italian islands are also included. Italian and English text.

Atlante degli anfibi e dei rettili d'Italia

When civil war erupts in Somalia, cousins Domenica Axad and Barni are separated and forced to flee the country. Barni manages to eke out a living in Rome, where she works as an obstetrician. Domenica wanders Europe in a painful attempt to reunite her broken family and come to terms with her past. After ten years, the two women reunite. When Domenica gives birth to a son, Barni, also known as Little Mother, is at her side. Together with the new baby, Domenica and Barni find their Somali roots and start to heal the pain they have suffered in war and exile. This powerful yet tender novel underscores the strength of women, family, and community, and draws on the tenacious yearning for a homeland that has been denied.

Little Mother

Gathers forty of the best English and American ghost stories from the genre's golden age of 1839 to 1910, including works by Charles Dickens, Bram Stoker, Harriet Beecher Stowe, and Ambrose Bierce. Original.

The Mammoth Book of Victorian and Edwardian Ghost Stories

In the second edition of *The Idea of Nature in Disney Animation*, David Whitley updates his 2008 book to reflect recent developments in Disney and Disney-Pixar animation such as the apocalyptic tale of earth's failed ecosystem, *WALL-E*. As Whitley has shown, and Disney's newest films continue to demonstrate, the messages animated films convey about the natural world are of crucial importance to their child viewers. Beginning with *Snow White*, Whitley examines a wide range of Disney's feature animations, in which images of wild nature are central to the narrative. He challenges the notion that the sentimentality of the Disney aesthetic, an oft-criticized aspect of such films as *Bambi*, *The Jungle Book*, *Pocahontas*, *Beauty and the Beast*, and *Finding Nemo*, necessarily prevents audiences from developing a critical awareness of contested environmental issues. On the contrary, even as the films communicate the central ideologies of the times in which they were produced, they also express the ambiguities and tensions that underlie these dominant values. In distinguishing among the effects produced by each film and revealing the diverse ways in which images of nature are mediated, Whitley urges us towards a more complex interpretation of the classic Disney canon and makes an important contribution to our understanding of the role popular art plays in shaping the emotions and ideas that are central to contemporary experience.

The Idea of Nature in Disney Animation

The time of Carnival represents a "wild" time at the end of winter and pointing to the beginning of a new season. It is characterized by the irruption of border figures, animal masks, characters which recall the world of the dead and which bring within themselves the germ of a vital force, of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops. This wild domain shows itself under the shapes of a contiguity between human and animal: the costumes, the masks, refer to a world in which the characteristics of the human and those of the animal are fused and intertwined. Among these figures, in particular, emerge those of the Wild Man, the human being who takes on animal-like attributes and aspects, and of the Bear, the animal that, more than all the others, gets as close as possible to the human and seems to reflect a deformed image of it. Such symbolic images come from far off times and places to tell a story that belongs to our common origins. The bear assumes attributes and functions alike in very different cultural contexts, such as the Sámi of Finland or North-American hunter-gatherers, and represents a boundary between the world of nature and the human world, between the domain of animals and the difficult construction of humanity: a process continued for centuries, perhaps millennia, and which cannot still be said complete.

Men and Bears

A charming portrait of one man's dreams and schemes, by "the greatest Italian writer of the twentieth century" (*The Guardian*). In this enchanting book of linked stories, Italo Calvino charts the disastrous schemes of an Italian peasant, an unskilled worker in a drab northern industrial city in the 1950s

and '60s, struggling to reconcile his old country habits with his current urban life. Marcovaldo has a practiced eye for spotting natural beauty and an unquenchable longing for the unspoiled rural world of his imagination. Much to the continuing puzzlement of his wife, his children, his boss, and his neighbors, he chases his dreams and gives rein to his fantasies, whether it's sleeping in the great outdoors on a park bench, following a stray cat, or trying to catch wasps. Unfortunately, the results are never quite what he anticipates. Spanning from the 1950s to the 1960s, the twenty stories in Marcovaldo are alternately comic and melancholy, farce and fantasy. Throughout, Calvino's unassuming masterpiece "conveys the sensuous, tangible qualities of life" (The New York Times).

Marcovaldo

Peter Fortune is a boy who likes to daydream. He dreams about swapping bodies with his cat and with his baby cousin, but he gets so lost he's unsure where one fantasy finishes and the next begins. Cartwheeling through these transformations, Peter eventually finds himself in an adult body experiencing the adventure of falling in love. 'As far-fetched and funny as anything by Roald Dahl' Vogue 'Perfectly judged, scary, poignant, meaningful; he makes it look easy, but this is brilliantly achieved' Guardian

The Daydreamer

"[An] excellent sequel to Stuart's Cape . . . Precocious readers looking for clever and unusual situations will not be disappointed. Hilarious." —Kirkus Reviews (starred review) Our favorite worrier is back, and Stuart is about to start third grade. As he makes his way to the first day of school, wearing the worst outfit ever, what could a first-rate worrier do but worry? Stuart worries about getting stuck in the boys' bathroom, about not having anything to show for show-and-tell, but most of all, about not making any friends. With his cape, though, Stuart is bound to have a day full of wacky adventures. "This humorous fantasy perfectly captures the child's-eye view of elementary-school life . . . Young readers are sure to identify with Stuart's persistent quest to find his place in the classroom society." —School Library Journal "[A] wryly funny mix of the real and the magical, enhanced by Matje's quirky line art." —Publishers Weekly

Stuart Goes to School

When Prince Ma La Di is ailing, his father summons Doctor Me Di Cin. The doctor prescribes a healthy dose of fresh air, but the prince refuses to leave the palace. Doctor Me Di Cin promises to find an herbal cure. Each day, he returns to the palace empty-handed but full of tantalizing news of all that he has seen. The prince is so intrigued by the reports that curiosity soon gets the best of him and outside he goes. Piet Grobler's watercolors include whimsical plants and birds drawn from Chinese folklore."

Doctor Me Di Cin

Darra is an omen of unluck: a thirteenth child. To appease the dark god, Dond, and bring good fortune to her small island community, Darra must be sacrificed at the age of thirteen - by drowning. On the eve of her final birthday, Darra begins to dream of the twin brother she has watched from afar but never met, and dares to hope that she might escape her fate . . . The scouring wind and remorseless waves which beat against Darra's island world are matched in Pam Smy's powerful, wild and emotive illustrations. The Ransom of Dond is our final story from Siobhan, and a book to be treasured.

The Ransom of Dond

All seven Chronicles are bound together in this one magnificent volume with a personal introduction by Douglas Gresham, stepson of C. S. Lewis.

The Complete Chronicles of Narnia

Halli loves the old stories from when the valley was a wild and dangerous place when the legendary heroes stood together to defeat the ancient enemy, the bloodthirsty Trows. Nowadays heroics seem a thing of the past. But when a practical joke rekindles an old blood feud, Halli spots a chance for a quest of his own.

Heroes of the Valley

Mental health services have changed completely in the UK, and the new edition of ABC of Mental Health has been thoroughly updated and revised to reflect this. Providing clear practical advice on how to recognise, diagnose and manage mental disorders successfully and safely, with sections on selecting drugs and psychological treatments, and improving compliance, ABC of Mental Health also contains information on the major categories of mental health disorders, the mental health needs of vulnerable groups (such as the elderly, children, homeless and ethnic minorities) and the psychological treatments. Fully up to date with recent mental health legislation, this new edition is as comprehensive as it is invaluable. By covering the mental health needs of special groups, this ABC equips GPs, hospital doctors, nurses, counsellors and social workers with all the information they need for the day to day management of patients with mental health problems.

ABC of Mental Health

Ending Terrorism in Italy analyses processes of disengagement from terrorism, as well as the connected issues of reconciliation, truth and justice. It examines in a critical and original way how terrorism came to an end in Italy (Part I), and the legacy it has left behind (Part II). The book interrogates a wide array of published memoirs and a considerable number of new face-to-face interviews with both former terrorists and first and second generation victims. In the last two decades, and especially in recent years, former extreme-right terrorists in Italy have started to talk about their past involvement in terrorist violence, including, for the first time, acts of violence which have for decades been considered taboo, that is to say, bomb attacks against innocent civilians. These narratives add to the perspectives offered by members of left-wing terrorist groups, such as the Red Brigades and Prima Linea. Surprisingly, these narratives have not been systematically examined, yet they form a unique and extremely rich source of first-hand testimony, providing invaluable insights into processes of youth radicalization and de-radicalization, the social re-integration of ex-terrorists, as well as personal and collective healing. Even less attention has been paid to the victims' narratives or stories. Indeed, the views and activities of the victims and their associations have been seriously neglected in the scholarly literature on terrorism, not just in Italy, but elsewhere in Europe. The book therefore examines the perspectives of the victims and relatives of victims of terrorism, who over the years have formed dedicated associations and campaigned relentlessly to obtain justice through the courts, with little or no support from the state and, especially in the case of the bombing massacres, with increasing awareness that the state played a role in thwarting the course of justice. Ending Terrorism in Italy will be of interest to historians, social scientists and policy makers as well as students of political violence and post-conflict resolution. .

Ending Terrorism in Italy

Jack, standing among the war graves, sees a face he recognizes. Suddenly, it's 1914 again and he's a young lad back in the trenches. Visions of killing and misery come to him with horrible clarity. But then Jack remembers too the incredible moment when the guns fell silent for a short time, and fighting gave way to football on the frozen ground of No-Man's-Land. This amazing story, based on true facts from the First World War, will transport readers back to the war fields of France and show that even in times of conflict and extreme sadness, there is always hope.

When the Guns Fall Silent

Ernest Jones's three-volume *The Life and Work of Sigmund Freud* was first published in the mid-1950s. This edited and abridged volume omits the portions of the trilogy that dealt principally with the technical aspects of Freud's work and is designed for the lay reader. Jones portrays Freud's childhood and adolescence; the excitement and trials of his four-year engagement to Martha Bernays; his early experiments with hypnotism and cocaine; the slow rise of his reputation and constant battles against distortion and slander; the painful defections of close associates; the years of international eminence; the onset of cancer and his stoicism in the face of an agonizing death. "One of the outstanding biographies of the age... It gives us an unmatched — and unretouched — portrait of Freud as a human being." — *The New York Times* "The definitive life of Freud and one of the great biographies of our time... Charged with intellectual excitement, it is a chronicle of heroic struggle and adventurous discovery." — *The Atlantic* "A landmark of literature, a remarkable appreciation of one of the remarkable spirits of the modern age." — *Scientific American* "Superb drama... Dr. Jones has managed to illuminate some obscure corners of Freud's first years with a thoroughness that would have astonished, and might well have dismayed, the reticent and august Freud." — *The New Yorker* "A masterpiece of contemporary

biography... The letters are also a fascinating guide to the man. From them emerges suddenly a tough, jealous, ferocious figure." — Time

The Life and Work of Sigmund Freud

A couple find themselves at a fading, grand European hotel full of eccentric and sometimes unsettling patrons in this "faultlessly elegant and quietly menacing" allegorical story that examines the significance of shifting desires and the uncertainty of reality (Garth Greenwell, author of *Cleanness*). An unnamed American couple travels to a strange, snowy European city to adopt a baby. It's a difficult journey that leaves the wife, who is struggling with cancer, desperately weak, and her husband worries that her illness will prevent the orphanage from releasing their child. On arrival, the couple checks into the cavernous and eerily deserted Borgarfjaroasysla Grand Imperial Hotel where the bar is always open and the lobby populated with an enigmatic cast of characters ranging from an ancient, flamboyant chanteuse to a debauched businessman to an enigmatic faith healer. Nothing is as it seems in this baffling, frozen world, and the more the couple struggles to claim their baby, the less they seem to know about their marriage, themselves, and life itself. For readers of Ian McEwan, Elizabeth Strout, and Iris Murdoch, *What Happens at Night* is a "masterpiece" (Edmund White) poised on the cusp of reality, told by "an elegantly acute and mysteriously beguiling writer" (Richard Eder, *The Boston Globe*).

The Vision of the Vanquished

A work powerful and pervading in its implications not only for metaphysics but also for art, political science, and the philosophy of history.

What Happens at Night

Literary Nonfiction. LGBTQIA Studies. Translated from the German by James J. Conway. Rough trade, drag kings, tea dances, sporty dykes, coded classified ads, campy nicknames, passing, outing, hustlers, beats and cruising at the YMCA--all accompanied by a wave of gay and lesbian activism. Eighties New York? No, Germany's imperial capital at the dawn of the 20th century. *BERLIN'S THIRD SEX* reveals an astonishingly diverse gay subculture years ahead of the Weimar era, with cross-dressing cabaret, all-night parties and erotic license at every level of society. Magnus Hirschfeld's 1904 report is a foundational text of modern gay identity, queer history captured by an insider, as it happened. Police, blackmailers and moral crusaders are never far, suicide is all too common, but Hirschfeld also invites us into the homes of same-sex couples to witness tranquil scenes of domesticity and devotion. *BERLIN'S THIRD SEX* formed part of the vast "Metropolis Documents" project, a visionary panorama of early 20th century urban life. This, the first part of the series to appear in English, is offered alongside an earlier Hirschfeld study of the "third sex" (the author's provisional term for gays and lesbians) as well as comprehensive notes and an informative afterword. "[*BERLIN'S THIRD SEX*] depicts a flourishing gay subculture populated by cross-dressers, drag queens, sporty dykes, blackmailers and prostitutes, who establish contact with one another via intricately coded classified ads, adopt droll nicknames such as 'Squeaky Lotte,' 'Rollmop Queen' and 'Hiddigeigei,' and generally live it up in bars and cabarets, in the Tiergarten, or at the Opera. The Rixdorf edition includes an informative afterword and helpful notes by the translator James. J. Conway."--Anna Katharina Schaffner "Hirschfeld's rhetorical strategy, which includes these appeals to sentiment, walks the line between emphasizing the similarities in behavior between homosexuals and heterosexuals (in other words, suggesting homosexuals are just like the [presumably heterosexual] reader), and relating anecdotes or characteristics that portray the former as uniquely, yet endearingly, different. That this approach has strong parallels with contemporary gay rights rhetoric suggests that there is a timeless appeal in finding reasons for empathy in order to demonstrate that 'the other' is just as human."--Tyler Langendorfer

What is Philosophy?

Developed over a ten year period at the Stanford Business School, this textbook underscores the connections between microeconomics and business. Its full-length, integrated case studies reveal how economic models can yield answers to practical problems.

Berlin's Third Sex

"Vintage gems of crime and terror by a modern master of the macabre"--Cover.

Microeconomics for Managers

When I first met Lola I was living in the countryside with my parents and brothers and sisters. Lola was lonely and ill then, but it was love at first sight, and I knew that I wanted to take care of her. A beautifully told, heart-warming story about friendship and survival, with a very surprising and satisfying ending.

A Memory of Murder

Finalist for the International Man Booker Prize, winner of the Premio Campiello, short-listed for the Independent Foreign Fiction Award upon its first English-language publication in the UK, and published to critical acclaim in fourteen languages, this mesmerizing historical novel by one of Italy's premier women writers is available in the United States for the first time. The Silent Duchess is the story of Marianna Ucrìa, the victim of a mysterious childhood trauma that has left her deaf and mute, trapped in a world of silence. In luminous language that conveys both the keen visual sight and the deep human insight possessed by her remarkable main character, Dacia Maraini captures the splendor and the corruption of Marianna's world and the strength of her unbreakable spirit.

Lola and Me

The best collection ever of Arthur C. Clarke's short fiction, including the stories on which 2001: A Space Odyssey and Childhood's End were based. The Sentinel is a magnificent retrospective showcase of Arthur C. Clarke's finest shorter fiction. Spanning four decades of writing, this book includes many gems of a genius at the height of his powers. The title piece is the story that inspired 2001. 'Guardian Angel' is a rarely anthologised work that gave birth to Childhood's End, and 'The Songs of Distant Earth' is the original version of Clarke's own favourite novel. Along with other vaulting tales of imagination are fascinating introductions telling the history of each story from conception to completion. From one of the greatest science-fiction writers of all time. The Sentinel is one of those all-too-few collections that must be read, re-read, then treasured.

The Silent Duchess

M->CREATED

The Sentinel

The New York Times bestseller - of how six bonobo apes change the lives of three humans, from master storyteller Sara Gruen, author of the international bestseller, Water for Elephants. These bonobos are no ordinary apes. Like others of their species, they are capable of reason and carrying on deep relationships - but, unlike most bonobos, they also know American Sign Language. Isabel Duncan, a scientist at the Great Ape Language Lab, doesn't understand people, but animals she gets, especially the bonobos. Isabel feels more comfortable in their world than she's ever felt among humans . . . until she meets John Thigpen, a very married reporter who braves the ever-present animal rights protesters outside the lab to see what's really going on inside. When an explosion tears apart the lab, severely injuring Isabel and 'liberating' the apes to an unknown destination, John's human interest piece turns into the story of a lifetime.

I Prelibri

This Everyman's Library edition is the only hardcover edition of Roald Dahl's stories for adults.

The Fantora Family Photographs

The Landlady is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In The Landlady, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, a young man in need of room meets a most accommodating landlady . . . The Landlady is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle) This story is also available as a Penguin digital audio download read by Tamsin Greig. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also

wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.
