Romeo and Juliet

The tragedy of Romeo and juliet - the greatest love story ever.

Commission Narratives

Commission Narratives is based on the author's doctoral dissertation in Groningen (2002). The monograph offers the first overarching, comparative treatment of commission narratives in the canonical and apocryphal Acts of the Apostles, analysing them in their ancient literary setting. Following a survey of this widespread narrative theme in the cultural environment of early Christianity, Czachesz establishes

a threefold social typology of divine commission (institutional, prophetic and philosophical) and explores the occurrences of the three types in the canonical and apocryphal Acts. The central chapters of the book provide a close reading of the textual evidence, investigating intertextual relations, the function of commission in the narrative structure, and the biographical models of self-definition that commission stories offered to the ancient readers in their changing social and ecclesiastical environments. Based on this textual analysis, Czachesz makes new proposals about the reconstruction, Sitz im Leben and dating of several apocryphal Acts. Finally, he examines the synchronic structure of commission, showing that the variety of commission narratives emerges from a constant set of motifs that are generated by interactions among the characters.

Romeo and Juliet

Romeo and Juliet is one of the greatest plays ever written--but let's face it..if you don't understand it, then you are not alone. If you have struggled in the past reading Shakespeare, then we can help you out. Our books and apps have been used and trusted by millions of students worldwide. Plain and Simple English books, let you see both the original and the modern text (modern text is underneath in italics)--so you can enjoy Shakespeare, but have help if you get stuck on a passage.

Twelfth Night, Or, What You Will

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

Romeo and Juliet In Plain and Simple English

In Romeo and Juliet, Shakespeare creates a violent world, in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers' final union in death seems almost inevitable. And yet, this play set in an extraordinary world has become the quintessential story of young love. In part because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of Romeo and Juliet from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -Freshly edited text based on the best early printed version of the play -Newly revised explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An up-to-date annotated guide to further reading Essay by Gail Kern Paster The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit Folger.edu.

Catalog of Copyright Entries. Third Series

A cutting-edge and comprehensive reassessment of the theories, practices and archival evidence that shape editorial approaches to Shakespeare's texts.

Romeo and Juliet Folger Shakespeare Library

A full edition of the first quarto of Romeo and Juliet (1597), with helpful commentary.

G.K. Hall Bibliographic Guide to Dance

A Liverpudlian West Side Story, Blood Brothers is the story of twin brothers separated at birth because their mother cannot afford to keep them both. One of them is given away to wealthy Mrs Lyons and they grow up as friends in ignorance of their fraternity until the inevitable quarrel unleashes a blood-bath. Blood Brothers was first performed at the Liverpool Playhouse in 1983 and subsequently transferred to the Lyric Theatre, London. It was revived in the West End in 1988 for a long-running production and opened on Broadway in 1993.

Shakespeare and Textual Studies

Millions of people do not read for one reason: they do not have access to text. But mobile phones and cellular networks are transforming a scarce resource into an abundant one. Drawing on the analysis of over 4,000 surveys collected in seven developing countries and corresponding qualitative interviews, this report paints a detailed picture of who reads books and stories on mobile devices and why. The findings illuminate, for the first time, the habits, beliefs and profiles of mobile readers in developing countries. This information points to strategies to expand mobile reading and, by extension, the educational and socio-economic benefits associated with increased reading. Mobile technology can advance literacy and learning in underserved communities around the world. This report shows how.

The First Quarto of Romeo and Juliet

This volume explores the multiple connections between the two most canonical authors in English, Jane Austen and William Shakespeare. The collection reflects on the historical, literary, critical and filmic links between the authors and their fates. Considering the implications of the popular cult of Austen and Shakespeare, the essays are interdisciplinary and comparative: ranging from Austen's and Shakespeare's biographies to their presence in the modern vampire saga *Twilight*, passing by Shakespearean echoes in Austen's novels and the authors' afterlives on the improv stage, in wartime cinema, modern biopics and crime fiction. The volume concludes with an account of the Exhibition "Will & Jane" at the Folger Shakespeare Library, which literally brought the two authors together in the autumn of 2016. Collectively, the essays mark and celebrate what we have called the long-standing "love affair" between William Shakespeare and Jane Austen—over 200 years and counting.

CD-ROMs in Print

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Blood Brothers

Python for Everybody is designed to introduce students to programming and software development through the lens of exploring data. You can think of the Python programming language as your tool to solve data problems that are beyond the capability of a spreadsheet. Python is an easy to use and easy to learn programming language that is freely available on Macintosh, Windows, or Linux computers. So once you learn Python you can use it for the rest of your career without needing to purchase any software. This book uses the Python 3 language. The earlier Python 2 version of this book is titled "Python for Informatics: Exploring Information". There are free downloadable electronic copies of this book in various formats and supporting materials for the book at www.pythonlearn.com. The course materials are available to you under a Creative Commons License so you can adapt them to teach your own Python course.

Audiovisual Materials

Teaching guides and lesson plans designed to make classic literature engaging and relevant to today's students! This comprehensive book of lesson plans, projects, discussion questions, reproducible worksheets, and more provides teachers with everything they need to engage middle- and high-school students in the study of Shakespeare's *Romeo and Juliet*. Each SparkTeach Guide includes: * Dozens of lessons and contextual "Real Life Lens" discussion prompts * "Big Idea Question" prompts, activities, and projects that explore the work's key themes * Poetics lesson plans * Film comparative lesson plans * Exercises in studying the play's use of metaphor, simile, personification, and motifs * Lesson plans for differentiated instruction * Reproducible worksheets and lesson assessments that build reading, vocabulary, and comprehension skills * Answer keys * Student rubrics There are also tips for class planning and management, ideas for personalizing content, Common Core references, and more,

making this the perfect resource to engage students in literature study that's meaningful, exciting, and above all, FUN.

Reading in the mobile era

Eat, Pray, Love (from a man's perspective) meets Under the Tuscan Sun—a fresh, heartwarming story about a man who travels to Verona, where he answers letters addressed to Shakespeare's Juliet, all in an attempt to understand heartbreak, to heal and to find love again. In fair Verona where we lay our scene... When Glenn Dixon is spurned by love, he does something unusual. He travels to Verona, Italy, to become a scribe of Juliet, Shakespeare's fictional character, all in an attempt to understand his heartbreak. Once there, he volunteers to answer the thousands of letters that arrive addressed to Juliet, letters sent from lovelorn people all over the world who long to understand the mysteries of the human heart. Glenn's journey takes him deep into the charming community of Verona, where he learns the traditions of the townspeople and becomes involved in unravelling the truth behind Romeo and Juliet—Did these star-crossed lovers actually exist? Did they live in Verona? Why have they remained at the forefront of hearts and minds for centuries? And what can they teach us about love? At the same time, we learn about Claire, Glenn's unrequited love, the source of his heartbreak. Was she truly his soul's match, or was she, like Rosalind in Shakespeare's classic play, a mere infatuation who pales in comparison the moment his real Juliet enters his life? When Glenn returns home to Canada and resumes his duties as a Grade 10 English teacher, he undertakes a lively reading of Romeo and Juliet with his students, engaging them in passions past and present. But in an intriguing reversal of fate and fortune, his students—along with an old friend—instruct the teacher on the true meaning of love, loss, and moving on. An enthralling tale of modern-day love steeped in the romantic traditions of eras past, this is a memoir that will warm your heart.

English Too ESL Workbook

Described by the TLS as 'a formidable bibliographical achievement ... destined to become a key reference work for Shakespeareans', Shakespeare in Print is now issued in a revised and expanded edition offering a wealth of new material, including a chapter which maps the history of digital editions from the earliest computer-generated texts to the very latest digital resources. Murphy's narrative offers a masterful overview of the history of Shakespeare publishing and editing, teasing out the greater cultural significance of the ways in which the plays and poems have been disseminated and received over the centuries from Shakespeare's time to our own. The opening chapters have been completely rewritten to offer close engagement with the careers of the network of publishers and printers who first brought Shakespeare to print, additional material has been added to all chapters, and the chronological appendix has been updated and expanded.

Jane Austen and William Shakespeare

Do you feel the soul of another calling to you? Do you know in your heart that your destiny and his were meant to merge in the cosmos? We can help you find him. When Romiette Cappelle and her best friend, Destiny, decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine, they're not sure what they're getting into. But Destiny, a self-proclaimed psychic, assures Romi that for \$44.99 plus shipping and handling, it's the only way they're ever going to find out who their soul mates really are. If nothing else, maybe Romi will get some insight into that recurring dream she's been having about fire and water. But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague, a boy she's just met in the "cosmos" of an Internet chat room. It turns out they go to the same high school, not to mention having almost the same names as Shakespeare's famous lovers! Sweet-scented dreams of Julio have almost overtaken Romi's nightmares... ..when suddenly they return, but this time in real life. It seems the Devildogs, a local gang, violently oppose the relationship of Romiette and Julio. Soon they find themselves haunted by the purple-clad shadows of the gang, and the fire and water of Romiette's dream merge in ways more terrifying -- and ultimately more affirming -- than even Destiny could have foreseen.

"Mum says it's for our own protection. London's just getting too dangerous." It's 1941. Hitler's ruthless Luftwaffe has already started its deadly bombing raids across London. So, when cousins Sam and Lily are evacuated north to a sleepy seaside hamlet, they hope that they'll find safety. Instead, the two children encounter local hostility, a shifty character sending messages in a secretive code, and a treacherous plot. Can Sam, Lily and their new friends crack the code before hundreds are killed? Romeo and Juliet

This comprehensive guide will prepare candidates for the test in all 50 states. It includes four complete practice exams, a real estate refresher course and complete math review, as well as a real estate terms glossary with over 900 terms, and expert test-prep tips.

Python for Everybody

The only things librarians seem to encounter more often than acronyms are strings of jargon and arcane technical phrases—and there are so many floating around that even just reading an article in a professional journal can bewilder experienced librarians, to say nothing of those new to the profession! Featuring thousands of revised and brand new entries, the fourth edition of ALA Glossary of Library and Information Science presents a thorough yet concise guide to the specific words that describe the materials, processes and systems relevant to the field of librarianship. A panel of experts from across the LIS world have thoroughly updated the glossary to include the latest technology- and internet-related terms, covering metadata, licensing, electronic resources, instruction, assessment, readers' advisory, and electronic workflow. This book will become an essential part of every library's and librarian's reference collection and will also be a blessing for LIS students and recent graduates.

Knights and Dragons, Unite!

Acclaimed English teacher Andrew Bruff sets out to explain everything you need to know in order to understand 'Romeo and Juliet'. This guide contains the entire original text, line by line translation into modern English, and scene by scene analysis.

SparkTeach Romeo and Juliet

Shakespeare and Emotion devotes sustained attention to the emotions as a novel way of exploring Shakespeare's works in their original contexts. A variety of disciplinary approaches drawn from literary, theatrical, historical, cultural and film studies brings the recent upsurge of interest in affect into conversation with some of the most urgent debates in Shakespeare studies. The volume provides both a comprehensive account of the current state of scholarship and a speculative forum for new research. Its chapters outline some important contexts for understanding Shakespeare's creativity through an emotional lens – from religion, rhetoric, and medicine, to language, acting and Bollywood – and offer a range of case studies which reveal particular emotions at work. Considering emotional and passionate experience as an animating and sometimes alienating force within the plays and poems, the volume

highlights the continuing importance of Shakespeare today: for our sense of who we are and who we might become.

Juliet's Answer

Kathryn Barker's *Waking Romeo* is a spectacularly genre-bending retelling of *Romeo & Juliet* asking the big questions about true love, fate, and time travel Year: 2083. Location: London. Mission: Wake Romeo. It's the end of the world. Literally. Time travel is possible, but only forward. And only a handful of families choose to remain in the "now," living off of the scraps left behind. Among them are eighteen-year-old Juliet and the love of her life, Romeo. But things are far from rosy for Jules. Romeo lies in a coma and Jules is estranged from her friends and family, dealing with the very real fallout of their wild romance. Then a mysterious time traveler, Ellis, impossibly arrives from the future with a mission that makes Juliet question everything she knows about life and love. Can Jules wake Romeo—and rewrite her future?

Shakespeare in Print

Barron's AP English Language and Composition, sixth edition version offers complete overview of the AP test and practice exams as the print edition.
