It's a skill and like any skill, it can be learned.

Do you need to be more articulate and speak more clearly at work?

What is "articulation"?

What does your posture have to do with good articulation and speaking clearly?

How to position your head (and chin) to speak clearly, without hindrance.

Why you shouldn't lift your chin too much.

Benefits of recording yourself in a natural conversation.

You need to slow down your speech to speak clearly.

Using the pause to think before you speak.

Why keeping your sentences short and simple is important.

How filler words can lead to unclear speech.

Why you need to check in with your audience.

Study speakers you admire + example from movie Working Girl

Being more articulate and speaking clearly is a skill you can learn.
