Romans

Paul was the most influential figure in the early Christian church. In this epistle, written to the founders of the church in Rome, he sets out some of his ideas on the importance of faith in overcoming mankind's innate sinfulness and in obtaining redemption. With an introduction by Ruth Rendell.

The Epistle to the Romans

Paul's letter to the Romans has been called "the quintessence and perfection of saving doctrine." Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament, Romans deals with many issues that are basic to Christian theology and practice. In this volume respected New Testament scholar Douglas J. Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today. Based on the English text but bringing into the discussion the underlying Greek at every point, this commentary focuses both on theological meaning and on contemporary significance. Moo contributes to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between Jews and Gentiles in the people of God. He also critically interacts with "the new perspective on Paul," highlights Romans's emphasis on "practical divinity," and traces the theme of gospel throughout the epistle. - Publisher.

The Epistle to the Romans

Named one of Church Times's Best Christian Books This volume provides a much-needed English translation of the sixth edition of what is considered the fundamental text for fully understanding Barthianism. Barth--who remains a powerful influence on European and American theology--argues that the modern Christian preacher and theologian face the same basic problems that confronted Paul. Assessing the whole Protestant argument in relation to modern attitudes and problems, he focuses on topics such as Biblical exegesis; the interrelationship between theology, the Church, and religious experience; the relevance of the truth of the Bible to culture; and what preachers should preach.

The Epistle to the Romans

This highly anticipated commentary on the Greek text of Romans by veteran New Testament scholar Richard Longenecker provides solid scholarship and innovative solutions to long-standing interpretive problems. Critical, exegetical, and constructive, yet pastoral in its application, Longenecker's monumental work on Romans sets a course for the future that will promote a better understanding of this most famous of Paul's letters and a more relevant contextualization of its message.

Commentary on the Epistle to the Romans, Books 1-5

No description available

A Preface to Romans

Bryan approaches St. Paul's letter to the Romans with a number of aims in view. First, he wants to show which literary type or genre would have been seen by Paul's contemporaries as being exemplified in the letter. He also attempts to determine what we can surmise of Paul's attitude and approach to the Jewish bible. The study involves discussion of and comparison with other literature from Paul's time, place and milieu --- including other writings attributed to Paul.

Commentary on the Epistle to the Romans

Excerpt from The Epistle to the Romans: With Notes Critical and Practical Of the three great writers flourishing at the close of the second century - Irenaeus, Clement of Alexandria, and Tertullian - I find that, in an index of quotations I have now before me, Irenaeus quotes this Epistle alone above 70 times, Clement of Alexandria 114 times, and Tertullian 142 (and this in an index to only a part of his works). This Epistle is also cited in the letter of the Churches of Lyons and Vienna, in the words (quoting from the letter as given in Eusebius), These coming in close contact endured every Species of reproach and torture. Esteeming what was deemed great but little, they hastened to Christ, showing in reality that the sufferings of this time are not worthy to be compared with the glory that shall be revealed in us. St. Paul's Epistle to the Romans

Commentary on the Epistle to the Romans was first published in 1835 and, after several editors, was completely rewritten by Hodge in 1864. This last revised edition has since become a standard resource for teachers, pastors, and educated laypersons. Hodge's introductory material, chapter analyses, and verse-by-verse exposition provide — even after more than one hundred years — solid, relevant instruction for today's students of the Bible.

The Epistle ... to the Romans

It is the aim of the present book to fix attention, not so much on the incidental puzzles of the Epistle, as on its main intention. What are the principles of Christianity as Paul here presents them? How does he apply them to the needs of his time? How can we give effect to them in our world today, which is so different from that of Paul and yet, in many respects, so like it? The Epistle to the Romans, for all its wrappings of ancient thought and language, is essentially a modern book, and only when we so read it can we apprehend its true message. - Preface.

The Epistle to the Romans

Careful scholarship and spiritual insight characterize this enduring commentary on Romans, generally considered to be Paul's most profound letter. In The Epistle to the Romans John Murray offers an exposition of Romans deeply penetrating in its elucidation of the text yet accessible to scholars, pastors, and students alike. In his introduction to the commentary proper, Murray discusses the authorship, occasion, purpose, and contents of Romans and provides important background information on the church at Rome. Murray then provides a verse-by-verse exposition of the text that takes into account key problems that have emerged in the older and newer literature. In ten appendices that close the volume Murray gives special attention to themes and scholarly debates that are essential for a full-orbed understanding of Romans -- the meaning of justification, the relation of Isaiah 53:11 to the message of Romans, Karl Barth on Romans 5, the interpretation of the "weak brother" in Romans 14, and more. This combined edition of Murray's original two-volume work, formerly published as part of the New International Commentary on the New Testament series, will hold continued value as a scholarly resource in the study of Romans for years to come.

Commentary on the Epistle to the Romans

Reprint of the original, first published in 1859. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

St. Paul's Epistle to the Romans

In this now-classic commentary, first published in 1988 in the Pillar New Testament Commentary series, noted biblical scholar Leon Morris unravels Romans and the complexities of faith and interpretation associated with the epistle. In his introduction Morris deals with matters of authorship, destination,

date, occasion, and contents in a brief but helpful way. The commentary proper consists of careful verse-by-verse exposition of the text along with full and informative footnotes. Though he interacts considerably with the immense body of literature on Romans, Morris's approach to the study of the epistle remains clearly his own. His thorough exegesis enables readers to understand Romans as one of the greatest and most spiritually significant books in the Bible.

Paul's Epistle to the Romans

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

A Commentary on the Epistle to the Romans

Despite its importance and the frequent references made to it by modern scholars, this commentary has never before been translated into English in its entirety. This volume, which includes an extensive introduction, fills this gap, thus providing a needed contribution to medieval scholarship.

Epistle to the Romans

This inductive Bible study focuses on a message for the early Christian church in the city of Rome, carefully examining the apostle Paul's concerns for believers. This in-depth 23-week study takes a close look at the theology presented by Paul and investigates the practical guidelines for those who are in a relationship with Christ.

The Epistle to the Romans

Since its appearance nearly 35 years ago, Black's New Testament Commentary Series has been hailed by both scholars and pastors for its insightful interpretations and reliable commentary. Each book in the series includes: an insightful introduction to the important historical, literary, and theological issues; key terms and phrases from the translation highlighted in the commentary where they are discussed; explanations of special Greek or foreign terms; references to important primary and secondary literature; and a Scripture index. C. K. Barrett's exegetical prowess, evidenced most distinctly in his volumes on the First and Second Epistles to the Corinthians, also in the Black's series, has long been appreciated in the world of biblical studies. Now, in his long-awaited, newly revised, verse-by-verse exposition of "The Epistle to the Romans" Barrett further enhances our understanding of the book of Romans, early Christianity, the apostle Paul and his theology, and the New Testament. This revised edition has been reworked, updated, and retypeset, and the inclusion of an index of ancient sources further adds to its usefulness. A master of thoroughness, historical backgrounds, and ancient languages, Barrett offers insights for scholars, ministers, students, and anyone who wants to know more about Paul's Epistle to the Romans.

The Epistle to the Romans

Paul's Letter to the Romans may well be the most influential book in Christian history. In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator, judge, and redeemer of the world. Valuable "additional notes" on important theological themes and difficult texts -- such as Paul's discussion of same-sex relationships, the salvation of "all Israel," and the woman Junia, who was "well known among the apostles" -- further connect Romans to contemporary issues. Throughout his commentary Kruse expertly guides readers through the plethora of interpretations of Romans, providing a reliable exposition of this foundational epistle.

Holy Bible (NIV)

In this volume, leading scholars in the study of Romans invite students and nonspecialists to engage this text and thus come to a more complete understanding of both the letter and Paul's theology. The contributors include interpreters with different understandings of Romans so that readers see a range of interpretations of central issues in the study of the text. Each essay includes a short review of different positions on a topic and an argument for the author's position, set out in clear, nontechnical terms, making the volume an ideal classroom tool. The contributors are A. Andrew Das, James D. G. Dunn, Victor Paul Furnish, Joel B. Green, A. Katherine Grieb, Caroline Johnson Hodge, L. Ann Jervis, E.

Elizabeth Johnson, Sylvia C. Keesmaat, Rodrigo J. Morales, Mark D. Nanos, Jerry L. Sumney, and Francis Watson.

The Epistle of Paul to the Romans

Excerpt from Epistle to the Romans: A Commentary Logical and Historical I. The origin OF the roman church is historically obscure. There is no record, and little from which a record can be constructed, either of the date of its beginning or of the agent or agents of its founding. When the Epistle to the Romans was written the church had already a world-wide reputation (i. But little can be inferred from this as to the length of time which the church had already existed. In five years it might have become known throughout the whole world. The Thessa Ionian church in less than a year after Paul's first Visit was widely known; for Paul writes them from Corinth (a.d. 52 or 53) In every place your faith to Godward is Spread abroad; so that we need not to speak anything (i Thess. I. That the Roman church was not much if any older than the earlier Gentile churches is probable. It was a Gentile Church. It is not easy to conceive how such a one could have come into existence before the church in Antioch in Syria (acts xi. 19 many years after Pente cost. And this first Gentile church did not get its authority to be strictly such until after the council in Jerusalem (a.d. The matter and the spirit of the Epistle to the Romans show that the latter were thoroughly settled on the question of their right to be just what they were - a Gentile church, grounded on'faith in Christ. N ow who made them such? Who was qualified to teach them that in Christ there was no distinction between Jew and Gentile, a doctrine that was not promulgated before Peter's visit to the household of Cornelius (acts and that did not gain authoritative recognition until a good while (acts xv.) afterward? It seems almost necessary to believe that the Roman church was founded by teachers from some of the Gentile centers, and that, too, after such teachers had come to clear vision of the intent of the gospel for Gentiles as such, and that they could be saved as Gentiles. The Gentile character of the church is now pretty generally admitted, and this admission makes necessary the other, that its founders must have been men of Paul's way of presenting the gospel. Commentary on the Epistle to the Romans

Sound and gracious Charles Spurgeon The study of inspired words is, when soberly pursued, a direct aid to spiritual profit; and a work of this description would be seriously defective, if in its construction this feature were entirely wanting. While, therefore, it holds an entirely subordinate place, there will be found, it is hoped, in the notes to this edition, a sufficient amount of verbal criticism to satisfy the fair demands of educated Christians. But it is better to offend a critic, than to disappoint a hungering soul. My desire is the profit of God's saints. Arthur Pridham

The Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative, trustworthy men. Containing over 22,000 pages and 95,000 entries, it is one of the largest and best-selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence-Jones and utilized more than 100 authors over a 30-year span. When reading this commentary, it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries, the first being that it gives an exposition, or verse-by-verse, annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle

declared, "This commentary bids fair to take a conspicuous place among the ever-multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange, and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher: first by giving him a critical and exegetical exposition of the text of Scripture, and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained." The print edition of this set typically retails for more than \$1,000 making the current offered price a very good bargain. Due to its size, it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua Volume 2 Judges to 2 Kings Volume 3 1 Chronicles to Job Volume 4 Psalms to Song of Songs Volume 5 Isaiah to Daniel Volume 6 Hosea to Malachi Volume 7 Matthew to John Volume 8 Act to Philippians Volume 9 Colossians to Revelation The footnotes have been placed in line with the text with each footnote number enclosed in red brackets (i.e.: []) and the text in green. There is also a linked table of contents at the beginning of each volume for ease of navigation. Key Features * Over 22,000 pages with more than 95,000 entries * One of the largest and exhaustive commentary sets of its kind * Contributions from over 100 authors * Expositions—with thorough verse-by-verse commentary of each verse of the Bible * Homiletics—with the framework or overall look of the text * Homilies—four to six sample sermons from various authors * Detailed information on Biblical customs * Historical and geographical information * Translations of key Hebrew and Greek words All 23 Volumes of the printed version are included in these nine volumes.

Excerpt from book: HOMILIES BY VARIOUS AUTHORS. Yers. 1?9.?A fulfilled and an unfulfilled prophecy. These verses would supply us with other material for thought. They present to us: 1. Christian workers patiently and conscientiously proceeding with their mission (vers. 1, 2). 2. Christian advocates employing the weapon which was prepared for their use (vcr. 3). 3. Christian labourers reaping a blessed spiritual harvest (ver. 4). 4. Faithful followers of the Lord partaking of his sufferings (vcrs. 5?9). But we rather find here? I. A Great Prophecy Fulfilled. Alleging that Christ must needs have suffered, etc. (ver. 3); i.e. must needs have so done in order that the Scriptures (ver. 2) might be fulfilled (see Luke xxiv. 26, 46). The death of the Messiah was the realization of (1) the predictions contained iu the Jewish sacrifices (the sin offerings

and trespass offerings, and notably the offering of the goat on the great Day of Atonement; the Passover lamb, etc.); and of (2) such predictions in word as those contained in the fifty-third chapter of Isaiah. The Law must have remained fatally incomplete and prophecy unfulfilled if the Christ had not suffered as Jesus of Nazareth did suffer, if he had not died the death which he underwent. In the crucified Nazarene the greatest of all prophecies had been fulfilled. II. An Unconscious Prophecy To Be Fulfilled. The language of the complainants (ver. 6) was unintentionally prophetic. They indeed stated, hyperbolically, as something already accomplished, that which the ambassadors of Christ are engaged in doing. But they indicated, truly and graphically, what the gospel of his grace is doing; it is turning the world upside down. We may put the facts thus to our minds: 1. The Pulpit Commentary, Ed by H D M Spence and J S Exell Nt

Baptist pastor Charles Haddon Spurgeon is remembered today as the Prince of Preachers. But in addition to his sermons, he regularly reading a Bible passage before his message and gave a verse-by-verse exposition, rich in gospel insight and wisdom for the Christian life. === Sample: Romans 8:1-3 === Romans 8 Some people talk about “getting out of the 7th chapter, into the 8th.” But who made this into an eighth chapter? Certainly, the Holy Spirit did not. There are no chapters in the Epistle as he inspired Paul to write it, the whole of it runs straight on without a break: “Therein therefore now no condemnation”—while struggling, fighting, warring, contending— 1. There is therefore now no condemnation to them which are in Christ Jesus, “No condemnation”: that is the beginning of the chapter. No separation: that is the end of the chapter. And all between is full of grace and truth. What a banquet this chapter has often proved to the souls of God’s hungry servants! May it be so now as we read it. No condemnation even now. Many doubts, but no condemnation. Many chastisements, but no condemnation. Even frowns from the Father’s face apparently, but no condemnation. And this is not a bare statement, but an inference from powerful arguments. There is no condemnation; that is gone, and gone for ever. Not only is part of it removed, but the whole of it is gone: “There is therefore now no condemnation to them which are in Christ Jesus.” This is their legal status before God—in Christ Jesus, without condemnation; and this is their character: Who walk not after the flesh, but after the Spirit. This is the distinctive mark of a man in Christ Jesus. He does not let the flesh govern him, but the Spirit. The spiritual nature has come to the front, and the flesh must go to the back. The Spirit of the living God has entered into him, and become the master-power of his life. He walks “not after the flesh, but after the Spirit.” 2. For the law of the spirit of life in Christ Jesus hath made me free from the law of sin and death. “Hath made me free”—that is, the real “I” of which he wrote a little while before—the true man himself: “The law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death.’ I have broken its bonds, I am a free man. Contending against its usurpation, I have escaped from under its yoke, and I shall yet tread sin under my feet, and God shall bruise even Satan himself under my feet shortly.” Sin and death cannot govern me—cannot condemn me—cannot destroy me. Another law has come in. The Spirit of life in Christ Jesus has brought me into another kingdom wherein I cannot be affected, so as to condemn me, by the law of sin and death. I am not the bond-slave of it; I am the enemy of it; I am free from it, fighting against it, struggling like a free man against one who would bring him into captivity; but even though I sometime feel as if I were a captive, I know I am not, I am free. Dr. Chalmers has a remarkable sermon upon “The Expulsive Power of a New Affection;” and it is this new affection for Christ, which is the accompaniment of the new life in Christ, which expels the old forces

that used to hold us under bondage to sin and death. 3. For what the law could not do, in that it was weak through the flesh, The law of God was a good law, a just and holy law. It was weak, not in itself, for, verily, if righteousness could have been by any law, it would have been by the law of God. But it was weak through our flesh. We could not keep it. We could not fulfill the conditions of life laid down under it.

Church Pulpit Commentary

The Pulpit Commentary was first published between 1880 and 1919 and is a highly respected work written by conservative, trustworthy men. Containing over 22,000 pages and 95,000 entries, it is one of the largest and best-selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence-Jones and utilized more than 100 authors over a 30-year span. When reading this commentary, it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries, the first being that it gives an exposition, or verse-by-verse, annotation of each verse in the Bible. The second element is that it explores the framework of the text, the homiletics. Finally, it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle declared, "This commentary bids fair to take a conspicuous place among the ever-multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange, and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher: first by giving him a critical and exegetical exposition of the text of Scripture, and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained." The print edition of this set typically retails for more than \$1,000 making the current offered price a very good bargain. Due to its size, it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua Volume 2 Judges to 2 Kings Volume 3 1 Chronicles to Job Volume 4 Psalms to Song of Songs Volume 5 Isaiah to Daniel Volume 6 Hosea to Malachi Volume 7 Matthew to John Volume 8 Act to Philippians Volume 9 Colossians to Revelation The footnotes have been placed in line with the text with each footnote number enclosed in red brackets (i.e.: []) and the text in green. Suggestive Commentary on St. Paul's Epistle to the Romans

The doctrine of predestination is an important starting point for the study of Christian theology thought from a Reformed theological perspective. This doctrine is essential because it is one of the central themes from the Bible that has been the reason for many debates among many theologians in the history of the church. Despite the different views held by mainline Protestant theologians like Martin Luther, John Calvin, and Jacobus Arminius, this book points to Scripture as the basis for Reformed soteriology. It uses the tools of biblical interpretation to show how the entire Bible addresses the doctrine of predestination so that theology students, pastors, Bible teachers, and anyone interested in Christian theology will better understand predestination from a Reformed perspective toward an effective ministry today.
