At the Fall of Port Arthur: or, A Young American in the Japanese Navy

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

At the Fall of Port Arthur; Or, a Young American in the Japanese Navy

Excerpt from At the Fall of Port Arthur: Or a Young American in the Japanese Navy Japanese navy and Luke follows suit. The siege and bombardment of Port Arthur are at their height, and the particulars are given of many battles both on the sea and on land leading up to the ultimate surrender of that brave Russian commander. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

At the Fall of Port Arthur

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

At the Fall of Port Arthur; Or, a Young American in the Japanese Navy - Primary Source Edition

"AT THE FALL OF PORT ARTHUR" is a complete tale in itself, but forms the third volume in a line issued under the general title of "Soldiers of Fortune Series." The story relates primarily the adventures of Larry Russell and his old-time sea chum, Luke Striker, already well known to the readers of my "Old Glory Series." Larry and Luke are aboard of their old ship, the Columbia, bound from Manila to Nagasaki, with a cargo designed for the Japanese Government. This is during the war between Russia

and Japan, and when close to the Japanese coast the schooner is sighted by a Russian warship and made a prize of war.

At the Fall of Port Arthur

"At the Fall of Port Arthur; Or, A Young American in the Japanese Navy" by Edward Stratemeyer. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. On to Peking; or, Old Glory in China

For generations, children's books provided American readers with their first impressions of Japan. Seemingly authoritative, and full of fascinating details about daily life in a distant land, these publications often presented a mixture of facts, stereotypes, and complete fabrications. This volume takes readers on a journey through nearly 200 years of American children's books depicting Japanese culture, starting with the illustrated journal of a boy who accompanied Commodore Matthew Perry on his historic voyage in the 1850s. Along the way, it traces the important role that representations of Japan played in the evolution of children's literature, including the early works of Edward Stratemeyer, who went on to create such iconic characters as Nancy Drew. It also considers how American children's books about Japan have gradually become more realistic with more Japanese-American authors entering the field, and with texts grappling with such serious subjects as internment camps and the bombing of Hiroshima and Nagasaki. Drawing from the Library of Congress's massive collection, Sybille A. Jagusch presents long passages from many different types of Japanese-themed children's books and periodicals—including travelogues, histories, rare picture books, folktale collections, and boys' adventure stories—to give readers a fascinating look at these striking texts. Published by Rutgers University Press, in association with the Library of Congress.

Japan and American Children's Books

The A to Z of the Russo-Japanese War provides considerable breadth and depth of coverage based on Japanese, Russian, and Western sources. The breadth is accomplished through a wide-ranging introduction, a detailed chronology and an extensive bibliography. The depth comes in the hundreds of entries on military and political leaders, major battles and lesser encounters, tactics and strategy as well as the weaponry and of course the causes and consequences.

The A to Z of the Russo-Japanese War

"At the Fall of Port Arthur" from Edward Stratemeyer. American publisher and writer of children's fiction (1862-1930).

The Publishers' Trade List Annual

Hector Bywater's 1925 novel discussed a hypothetical future war between Japan and the United States. The prescient work correctly predicted a number of important details about the Pacific Campaign of World War II.

At the Fall of Port Arthur

"The North Pacific" by Willis Boyd Allen. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to

forgotten or yet undiscovered gems of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Great Pacific War

"Unless I miss my guess, Luke, we are going to have a storm." "Jest what I was thinking, Larry. And when it comes I allow as how it will be putty heavy," replied Luke Striker, casting an eye to the westward, where a small dark cloud was beginning to show above the horizon. "Well, we can't expect fine weather all the time," went on Larry Russell, inspecting the cloud with equal interest. "We want some wind anyway," he added. "We are not making this return trip to Nagasaki nearly as fast as we made the trip to Manila." Luke Striker, a bronzed and weather-beaten Yankee sailor, rubbed his chin reflectively. "I was jest thinking o' the day I spied the old Columbia in Manila harbor," he said, meditatively. "Tell ye, Larry, the sight 'most struck me dumb. 'The Columbia, ' sez I to myself. An' then I thought I must be a-dreamin'. I wanted to find this ship ag'in in the worst way." "The ship certainly seems like a home to me, Luke-and I reckon she always will seem that way. I've traveled a good many miles in her, since I first struck her at Honolulu in the Hawaiian Islands," responded Larry Russell.

Backward, Turn Backward

Treasure Seekers of the Andes

The Imperial Navy of Japan is the only world-class navy in history which had a definite beginning and an equally definite end, covering a span of nearly fifty-one years. Despite its brief life, the Imperial Navy rapidly achieved the status of the world's third greatest navy, and in its last years almost won an even higher position - but instead, in the final contest, lost everything -- [Pref.].

The Last Cruise of the Spitfire

Relates the adventures of two young Americans in Korea and Manchuria during the outbreak of the great war between Russia and Japan.

Before Port Arthur in a Destroyer

The Russo-Japanese War was fought for 19 months (8 February 1904– 5 September 1905) between the empires of Japan and the Russia over the southern part of Manchuria and the Korean Peninsula. While essentially a colonial conflict, the war became a major engagement both in scale and innovation unseen until then. In recent years there has been a growing awareness that this event marks a historical juncture far more important than it was usually taken to be. This second edition of the Historical Dictionary of the Russo-Japanese War offers a major revision of the highly praised first edition, which, by all accounts, has been the standard work on this conflict in any language during the last decade. The book contains a chronology, an introduction, appendixes, and an extensive bibliography. Moreover, the dictionary section has some 800 new or fully revised cross-referenced entries on the battles, weaponry, and major personalities of the war, as well as various international events and conflicts, agreements, schemes, and projects that led to the war. This book is an excellent resource for students, researchers, and anyone wanting to know more about the Russo-Japanese War.

Trail and Trading Post

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and

possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
