'An outstanding page-turner . . . historical fiction at its absolute best' - Alison Weir 'An engaging heroine . . . and Borman's depiction of Villiers, with all his ruthless charisma, is striking' - The Sunday Times Frances Gorges has happiness within her grasp. of an angel and the cunning heart of a devil. Soon James is besotted by this charismatic new lover. Former favourites are crushed with scheming and lies. Thomas's life is made a misery and Frances is back under suspicion as Villiers plots to marry her friend Katherine Manners and seize her fortune. Appalled at the courtier's greed and the King's weakness, Frances finds herself drawn back to her old friend Sir Walter Raleigh and his last, desperate plot to see a Catholic monarch on the throne. And then her troubles really begin . . . 'Unexpected twists and turns with every page . . . masterfully crafted' - Nicola Tallis 'Lots of fascinating detail and insight into James's backstabbing court . . . enjoyable' - The Times 'Lush, wholly convincing and utterly gripping. The Fallen Angel Man

People are suffering here in America and abroad. Global warming, mass conflicts, increased domestic and foreign murders, governmental corruptions, starving nations, global wars coupled with global warming, the consciousness of the men attempting to turn into women, and the consciousness of the woman falling from her place to be as a man, all of these are threats against our survival of tomorrow. Wars are now fought with computerized drones overseas. Drugs, gangs, killings, police shooting coupled with political protection are ravishing the land of equal rights under the symbol of the eagle. These are biblical signs of the realities of the problems and conditions that should tell us all something is very wrong. The major questions are, can the human race avoid self-destruction? And if so, does our salvation rest in relying on a higher power to insure future generations have a world that's worth living in under the laws of man? For too long we the human family have collectively functioned like lost children, but, some as prodigal sons, even as fallen angels. However, our earthly existence isn't random coincidences, for it is not, all of these conditions of the man that's upon this earth are a one chance to learn and understand what it is to live in equality under the original orders and commandments of God the creator and those of Jesus Christ the savior of all men. Personally, I believe that God is humanity's best hope for survival. The book's title *The Fallen Angel Man – Egairram, Not Marriage*, essentially refers to mankind's disconnect from his creator. Within its pages you see vivid examples of, among other things, our moral decadences, and I'd dare say that only a willingly blind person would fail to see the consequences all around us from a severed spiritual bond. So whether you believe in divine solutions, or you prefer a more "common sense" approach to fixing society's problems in playing eternal death roulette, feel free to criticize these books. Even disagree with some of the subject material as presented. These books explain the fallen consciousness of the man and that of those of the billions of rebellious and fallen angels that turned against the perfect laws and orders of God. But, don't be surprised to find the pages inside stroking your curiosity to read on into these six volumes. A.M. Brown II

Edgar Award Finalist: The hunt for a vanished singer leads a detective into the depths of the occult in this "terrific" novel (Stephen King). Big-band frontman Johnny Favorite was singing for the troops when a Luftwaffe fighter squadron strafed the bandstand, killing the crowd and leaving the singer near death. The army returned him to a private hospital in upstate New York, leaving him to live out his days as a vegetable while the world forgot him. But Louis Cyphre never forgets. Cyphre had a contract with the singer, stipulating payment upon Johnny's death—payment that will be denied as long as Johnny clings to life. When Cyphre hires private investigator Harry Angel to find Johnny at the hospital, Angel learns that the singer has disappeared. It is no ordinary missing-person's case. Everyone he questions dies soon after, as Angel's investigation ensnares him in a bizarre tangle of black magic, carnival freaks, and grisly voodoo. When the sinister Louis Cyphre begins appearing in Angel's dreams, the detective fears for his life, his sanity, and his soul. *Falling Angel* was the basis for the Alan Parker film *Angel Heart*, starring Mickey Rourke, Robert De Niro, and Lisa Bonet. This ebook features an illustrated biography of William Hjortsberg including rare photos from the author's personal collection.

The Fallen Angel

Discusses the figure of the unchaste woman in a wide range of fiction written between 1835 and 1880, including serious novels by Dickens, Mrs. Gaskell, and George Eliot; popular novels that provided light reading for middle-class women; sensational fiction; propaganda for social reform; and stories in cheap periodicals which reached a different and far wider audience than either serious or popular novels. During these years, some women were struggling to become women, instead of the angels of purity that sentimental morality had made of them. The sexual woman, the whore, the mistress, the runaway wife, the seduced or fallen innocent, all attracted a cluster of ideas about the differences between women and men, about the power structure in sexual relationships, and about women's place in the social and moral world. In considering these topics, this book traces women and illuminates differences in the fiction writer for different social classes. -- Publisher description

The Fallen Angel

The Fallen Angel is the ninth in the Nic Costa series, David Hewson's detective novels of love and death in the Eternal City. When British academic Malise Gabriel falls to his death from a Rome apartment, detective Nic Costa rapidly comes to realize that there is much more to the accident than he had first thought. It also becomes apparent that Malise's family – mysterious and tragic daughter Mina, stoic wife Cecilia and troubled son Robert – may be keeping vital information hidden. Nic becomes obsessed with the case, and is especially intrigued by Mina's story which seems to be linked with the sixteenth century-legend of a young Italian noblewoman, Beatrice Cenci. As the investigation deepens, Rome's dark and seedy side is uncovered, revealing a web of deceit, treachery and corruption. Costa realizes that the key to the truth lies with the Gabriels. Why are they so unwilling to co-operate, and who, or what, is the reason for their silence?

The Fallen Angel

They say that when you die, you either go to Heaven or Hell. But the harsh reality was there is only Hell. Before the fall of Heaven, if a demon had spent a hundred years in Hell, it could finally pass through to Eden, the paradise dimension. As time went on, the demons grew envious of the angels and attacked Heaven, imprisoning the Saints, the guardians of the gates, and overthrew their land, forcing Hell to become the destiny of everyone, regardless of how you behaved when you were alive. Before their defeat, the Queen of Heaven cast a curse upon the land, locking the gates of Eden forever and made it so that only the Fallen Angel could reopen them. Seraphina is nearing the end of her demon days. No one had passed into Eden since the Hadean War and it was becoming difficult to find enough souls to claim. If she did not move up the ranks soon, she would disappear into Oblivion, the dimension of the Forgotten. Those who reached Oblivion never came back, forced to watch as everyone they loved lost all memory of them. While delivering her first fresh soul in months to the Keepers of the Vault, Seraphina stumbles upon a Saint. Can an insignificant thief of the underworld unite with a handsome, divine guardian to find the Fallen Angel and restore the balance of the Afterlife? Or will Hell be the only option for the deceased?

Fallen Angel, Part 1

After narrowly surviving his last operation, Gabriel Allon, the wayward son of Israeli intelligence, has taken refuge behind the walls of the Vatican, where he is restoring one of Caravaggio's greatest masterpieces. But early one morning he is summoned to St. Peter's Basilica by Monsignor Luigi Donati, the all-powerful private secretary to His Holiness Pope Paul VII. The body of a beautiful woman lies broken beneath Michelangelo's magnificent dome. The Vatican police suspect suicide, though Gabriel believes otherwise. So, it seems, does Donati. But the monsignor is fearful that a public inquiry might inflict another scandal on the Church, and so he calls upon Gabriel to quietly pursue the truth—with one caveat. "Rule number one at the Vatican," Donati said. "Don't ask too many questions." Gabriel learns that the dead woman had uncovered a dangerous secret—a secret that threatens a global criminal enterprise that is looting timeless treasures of antiquity and selling them to the highest bidder. But there is more to this network than just greed. A mysterious operative is plotting an act of sabotage that will plunge the world into a conflict of apocalyptic proportions. . . . An intoxicating blend of art, intrigue, and history, The Fallen Angel moves swiftly from the cloistered chambers of the Vatican to the glamorous ski slopes of St. Moritz to the graceful avenues of Berlin and Vienna—and, finally, to a shocking climax beneath the world's most sacred and contested parcel of land. Each setting in this extraordinary novel is rendered with the care of an Old Master, as are the spies, lovers, priests, and thieves who inhabit its pages. It is a story of faith and of the destructive power of secrets—and an all too timely reminder that those who cannot remember the past are condemned to repeat it.

The Macks divert our gaze from our contemporary red-faced, cloven-hoofed misrepresentation of demons to remind us of the ancient roles demons were originally assigned to play. From the Tommyknockers of North American mountain mines to the South African Mbulu that waits in the river for lone travelers, *A Field Guide to Demons* classifies these creatures by their domains--water, mountain, forest--rather than in alphabetical or cultural order, dishing out antique and contemporary lore on these most misunderstood of spirits. *A Field Guide to Demons* melds folklore and mythology; maintains a surprisingly evenhanded view of demons; and reveals their role as the necessary challenger to

established order, the antagonist--without which there could be no hero--and the darkness through which goodness shines brightest. --Brian Patterson

The City of Falling Angels

Already a great historian, Tracy Borman proves with this thrilling debut novel that she is also a born storyteller. As she helps to nurse the dying Queen Elizabeth, Frances Gorges longs for the fields and ancient woods of her parents' Hampshire estate, where she has learned to use the flowers and herbs to become a much-loved healer. Frances is happy to stay in her beloved countryside when the new King arrives from Scotland, bringing change, fear and suspicion. His court may be shockingly decadent, but James's religion is Puritan, intolerant of all the old ways; he has already put to death many men for treason and women for witchcraft. So when her ambitious uncle forcibly brings Frances to court, she is trapped in a claustrophobic world of intrigue and betrayal - and a ready target for the twisted scheming of Lord Cecil, the King's first minister. Surrounded by mortal dangers, Frances finds happiness only with the precocious young Princess Elizabeth, and Tom Wintour, the one courtier she can trust. Or can she?
