When they literally collide years later, those long-forgotten feelings come rushing back to the surface. Has too much time passed, or are the bonds of our first true love as strong as they feel when we're young, innocent, and still believe in the promise of forever? LET ME FALL Shame, secrets, and the lies we tell ourselves... In the weeks leading up to graduation, Carolyn Harris was the single-most hated member of her senior class. The girl who drove the school's golden boy to his demise. The girl who did something sordid and shameful. Exposed in a cruel and very public way, everyone said she got what she deserved. She used to be the perfect girl, the apple of her parents' eye. But a secret, once revealed, sets a devastating chain of events into motion, destroying everything and everyone in its wake. They say you can't judge a book by its cover, and Jeremy Rivers is all kinds of wrong for Carolyn on paper. He's angry, unpredictable...He's trouble. But the boy who loved her before her world fell apart loves her still, and with his help, Carolyn is going to learn that everyone—even a girl like her—deserves a happy ending. WHEN I LET YOU GO Twelve years ago I ruined my life... Lost the one girl I've ever truly loved and I've been living a lie ever since. I go home to my wife...most nights. But I'm just going through the motions, living the life I was born into, married to a girl predestined for me. It's not my wife's fault, but sometimes I can barely stand the sight

of her. Do I sound like a heartless bastard? That's exactly what I am. Go ahead and hate me if you want, but you couldn't possibly hate me more than I already hate myself. My name is Dylan Cole. It's a name synonymous with power. I am rich beyond measure, domineering, and ruthless when it comes to getting what I want. But I cannot have her. This is what happened...When I Let You Go *Critical Acclaim for Lily Foster* Let Me Heal Your Heart is a heartbreaking story of first loves and adversity that can be read as a standalone. This is an emotional roller coaster about two lost souls given a second chance to be together. Told from both protagonists' points of view, Foster allows us to see the story from a unique perspective, and the reader may be surprised where their allegiances lie. -RT Book Reviews Smart and attractive Carolyn Harris and academically-challenged football star Jeremy Rivers find their lives intertwined in a wealthy Connecticut town in this gripping tale that effectively straddles the line between young adult and romance. Both the sweetness of young love and the dark underside of high school cliques are effectively depicted by a well-developed cast of characters shadowed by tragedy but reaching for independence and happiness. While the conventional ending is never in doubt, readers will find themselves deeply engaged by Carolyn and Jeremy and the twists and turns of this genuinely engrossing story. -Publisher's Weekly, The BookLife Prize in Fiction, Let Me Fall In the fifth installment of her Let Me series, Foster (Let Me Heal Your Heart, 2015, etc.) introduces Carolyn Harris, a motivated and competent high schooler who has her entire future mapped out. She is a stellar student, a self-declared science nerd, and the kindest member of her perpetually back-stabbing group of friends. She is also dating Drew Oliver, the alpha male of the senior class. Unfortunately, Carolyn is much more interested in Jeremy Rivers, the bad boy who returns to her high school after many years at a school for students with learning disabilities. Carolyn is nervous but secretly delighted when she is asked by the school counselor to tutor Jeremy. They grow close, and Carolyn realizes that she cares more deeply for Jeremy than Drew. After she dumps Drew, Jeremy and Carolyn can be together, much to the reader's delight. As soon as it seems they couldn't possibly be happier, however, a whirlwind of disastrous events occurs. A secret from Carolyn's past emerges, and Drew commits a violent act that upends everyone's lives. Carolyn's affluent suburban community suddenly shuns her, and her long-term life plans begin unraveling. She pushes Jeremy away, determining herself unworthy of his love. The novel toggles between Carolyn's and Jeremy's alternating perspectives, allowing the reader to understand their motivations. With her character-driven plot and fast-moving storyline, Foster easily keeps readers engaged. Although the ending isn't surprising, the journey toward that resolution is fraught with unexpected twists. Foster's prose is easygoing and readable, but she still tackles weighty issues in this romantic story, ranging from bullying and sex shaming to mental illness and living with learning disabilities. An involving tale of love and redemption that will satisfy discerning fans of the new-adult genre. -Kirkus Reviews, Let Me Fall

As a therapist, she prides herself on making reasonable, conservative choices, even if a bit boring, and as part of the Big Sister Program, she has little time for anything more in her life. Blake Carter is a player. He never gets bored of conquering women, and with his sexy good looks and successful lifestyle, he has no trouble finding willing participants. When his friend and business partner dies in a tragic accident, he suddenly, desperately, wants to change his ways. The problem is, he doesn't know how to stop doing what he does best. When Blake walks into Danica's office, the attraction between them is white hot, but Danica isn't the type to give into the heat and risk her career. Danica's desire sets her on a path of self-discovery, where she begins to question every decision she's ever made. Just this once, Danica wants to indulge in the pleasures of life she's been so willingly ignoring, but with her Little Sister in turmoil and her biological sister's promiscuousness weighing heavily on her heart, she isn't sure it's the right time to set her desires free. --- In SISTERS IN BLOOM: Kaylie Snow has always been the fun, flirty, pretty sister. Now her burgeoning baby bump, hormone-infused emotions, and faltering singing career are sending her into an unexpected identity crisis. Watching her older sister, Danica, glide through a major career change

and a new relationship with the grace of a ballerina, Kaylie's insecurities rise to the forefront--and her relationship with fiancŽ Chaz Crew is caught in the crossfire. Chaz Crew has everything he's ever wanted: a lovely fiancŽe, a baby on the way, and soon, the film festival he owns will host its biggest event ever. When he's called away to woo the festival's largest sponsor--and the lover he's never admitted to having--secrets from his past turn his new life upside down. With her baby shower around the corner and her fiancŽ's big event looming, the pressure is on for Kaylie to pull herself together--and for Chaz to right his wrongs. In a few short weeks, the couple who had it all figured out will learn things about life and love that may change their minds--and their hearts. --- In SISTERS IN WHITE: Danica and Kaylie Snow are about to celebrate the biggest day of their lives--their double wedding--on an island in the Bahamas. But no wedding is complete without a little family drama. The two sisters aren't ready to face the father they haven't seen since he divorced their mother and moved away to marry his mistress, and live with Lacy, the half sister they've never met. While Danica has exchanged letters and phone calls with Lacy, Kaylie has fervently tried to pretend she doesn't exist. Lacy is sweet, fun, and nearly a mirror image of Kaylie. To make matters worse, not only is Lacy looking forward to meeting her sisters, but she idolizes them, too. As the countdown to the wedding date ticks on, their parents are playing a devious game of revenge, and there's a storm brewing over the island, threatening to cancel their perfect wedding. The sisters are about to find out if the bond of sisterhood really trumps all. --- NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR Melissa Foster is a New York Times & USA Today bestselling and award-winning author. Lovers in London - 3 Book Box Set

USA Today Bestselling Author, Lexy Timms, brings you the first three books in the Billionaire in London series in one collection! Book 1 Love is not something you protect. It's something you risk. Daniel Connor has a problem. A big one. Even though his company is a billion-dollar success in the hospitality industry, he's just opened a few new properties in the United States and is failing at every turn. He's never met a problem he couldn't solve, but this particular problem is beyond him. He needs an expert. A fixer. Enter Eleanor Sawyer, fixer extraordinaire. Though she generally only works in the US, the salary Daniel offers her—and the good looks she sees across their first meeting—are impossible for her to turn down, and she makes the journey to the UK to work with his company on their problems. But the UK isn't as easy to navigate as she expected, and when she ends up living on Daniel's property outside the city—and needing to call him every time something goes wrong—she starts to think there might be more to life in England than just fixing a company's issues. This contract was never meant to be anything but professional. The problem is, the longer Daniel and Eleanor work together, the more personal it becomes. And neither one of them is all that interested in changing it. Book 2 You have everything you need to build something bigger than yourself... Daniel Connor, owner and CEO of Connor Hotels, and Eleanor Sawyer, the fixer he hired to solve his company's problems in the American market, have come to the US to do research and get a closer view of what might be going wrong. The problem is, before they left the UK, they shared a number of adventures and one steamy kiss that left them both wanting more... and afraid to admit it. Now that they're in the US and Daniel has decided to play tourist, they're in for a few new adventures, and with all the feelings they've got bubbling under the surface, and another steamy kiss on the schedule, both are wondering whether they're going to be able to see this contract out and save the chain of hotels... or throw in the towel and make the most unprofessional move ever by admitting their feelings for one another. Book 3 Sometimes sacrifices are worth the cost. Even, or perhaps most especially, those made out of love. Eleanor Sawyer is a fixer. People pay her to fix their companies for them, and she's never met a problem she couldn't figure out. Until Daniel Connor hired her. And it's not his company she's having problems with. No, she has a plan for how to increase Connor Hotels' sales in the American market, and it's good enough that she's impressing even herself. When it comes to figure out Daniel himself, though, and those flashing eyes, smiling lips, and flirty looks... along with the occasional kiss... she's finding herself at a complete loss. She doesn't know if she wants to play along or tell him to remember who she is: just another employee. Because now she's got an even bigger problem. She's starting to fall in love with him. Can he get the job done without getting done in himself? AUTHOR'S NOTE: Texan Undercover is a fun Retro Read. It certainly was fun to write. I call it Retro because the story is set in 1998. Back in the day before WiFi, Bluetooth, blueray, and flat screen TVs became widespread. There were no smartphones, netbooks, iPods, Kindles or Wii. MP3s were relatively new and people still watched movies on VHS. Not everyone owned a computer; laptops were mainly used in the corporate world. Tablets were taken for headaches, texting pretty much didn't exist, and internet cafes were becoming popular here and abroad. MIDNIGHT MY LOVE (Book Three) Traditional Regency Romance Novel Heat Index: Sweet For years, Damien Avenall loved Alexandra Turlington like a little sister; or so he thought until she grew into a lovely and desirable young lady. The Remingtons (Books 1-3 Boxed Set) Love in Bloom Contemporary Romance Series

Discover the magic of New York Times bestseller Melissa Foster's writing, and see why millions of readers have fallen in love with the Love in Bloom big-family romance collection. This contemporary romance boxed set includes 3 full length novels: *GAME OF LOVE* *STROKE OF LOVE* *FLAMES OF LOVE* Sneak Peek, *SLOPE OF LOVE* *** In *GAME OF LOVE*... Ellie Parker is a master at building walls around her heart. In the twenty-five years she's been alive, Dex Remington has been the only person who has always believed in her and been there for her. But four years earlier, she came to Dex seeking comfort and then disappeared like a thief in the night, leaving him a broken man. Dex Remington is one of the top PC game developers in the United States. He's handsome, smart, and numb. So damn numb that he's not sure he'll ever find a reason to feel again. A chance encounter sparks intense desires in Ellie and Dex. Desires that make her want to run--and make him want to feel. A combination of lust and fear leads these young lovers down a dangerous path. Is it possible to cross a burned bridge, or are they destined to be apart forever? *** In *STROKE OF LOVE* Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way--even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault artist who wants to do nothing more than right the wrongs of the world--and love her to the ends of the earth. *** IN *FLAMES OF LOVE*... As one of New York's Finest, firefighter Cash Ryder is always prepared. When a woman's car skids off the side of a mountain during a snowstorm, he's there to rescue her. Cash is totally focused on the woman's well-being, but within minutes of getting her to safety, he realizes that he's nowhere near prepared for the heat that rolls off of sensual, smart-mouthed, and stubborn Siena Remington. As a model, Siena Remington has dated some of the wealthiest, most handsome men in the industry, and she's made peace with the idea that most men are just looking for eye candy and they wouldn't know how to romance a woman to save their lives. When she's rescued by a tall, handsome stranger, she thinks that maybe, just maybe, she's found her own real-life romantic fairy tale--until he opens his mouth and everything that comes out is gruff, ornery, and aggravatingly sexy. Thrown together during an annual firehouse calendar photo shoot, the passion between Cash and Siena sizzles, and neither one knows how to control the flames. After an evening of verbal sparring followed by a sinfully sensual night, their darkest secrets are revealed--and so is Cash's warm, romantic heart. But Siena's secret might be too much for big, strong, always-prepared Cash to handle--and Siena is forced to choose between a man who's everything she's ever dreamed of and an opportunity of a lifetime. *** The Remingtons are the third installment of the Love in Bloom Series (Voted BEST BOOK SERIES by Supportive Business Moms, UK) written by New York Times & USA Today bestselling and award-winning author Melissa Foster. The Heart of Rutherford

"All three steamy contemporary romances balance sweet and sexy moments, fierce female friendships, and SWOON-worthy men." -Eve Kasey, author of *Touched by Love* Come visit the cardiac unit at Rutherford Hospital, where three steamy romances unfold, now with bonus epilogues... *Never Date a Doctor* What's the first rule of nurse's club? Never date a doctor. Which Sasha Suvorin has no intention of doing, since she's a nurse at Rutherford Hospital by day and working on her master's degree by night. Who has time for dating, much less dating someone you work with? Bad idea much? That is, until the sexy British Dr. Caleb Thompson starts at her hospital. It doesn't help that he's exactly her type with his dark hair, blue eyes, and rockin' bod. Or that he's not your typical arrogant and bossy surgeon. But Sasha isn't easily convinced, and she soon discovers Dr. Hottie has a past that puts a stop to whatever she might have been feeling before anything starts between them. Unfortunately, working together means facing temptation. Every. Single. Day. Is Sasha strong enough to resist what might be the perfect man? And if she gives in, will Cal's past stay in the past? Sasha may be used to playing it safe, but life has a way of teaching its lessons ... one way or another. *Bad Boys Don't Make Good Boyfriends* Hospital work isn't for the faint of heart. Becca Dillon knows that, having worked as a medical assistant in the cardiac unit at Rutherford Hospital for longer than she cares to think about. What she does care to think about is having fun, gossip, and guys. Her favorite of the three. And why stick to one, when you can sample them all? That's exactly her plan when a workplace crush on a mysterious bad-boy orderly takes a steamy turn. But Vincent DeMarco is nothing like she expected, and before she knows it, she's falling hard. She wants him in ways she's never wanted anyone before, but there's something he's keeping from her. Something that's holding him back. And Becca is going to find out what. Even though she knows that bad boys don't make good boyfriends, he seems like he might be so much more. Will her quest unlock the truth? Or will it end their relationship? Either way, Becca's world is about to change. *You Can't Buy Love* Julianna Magnusson is tired of working at her thankless job as a nurse practitioner for the cardiac unit at Rutherford Hospital. Tired of having no time for her own life. But most of all, she's tired of pretending that she's happy about it. So when her boss insists she attend the annual hospital charity gala, spending money on a dress to impress a bunch of stuck-up snobs doesn't exactly sound like her idea of a good time. Still, she makes an appearance. Only to meet a handsome stranger named Noah who stops her from drunkenly confronting the man who owns the hospital about all the issues at work. Then Noah does so much more, giving her a night of passion that she'll never forget. Still, Jules has no intentions of taking it further. As timely as meeting him was, Noah is many things she'd never want in a man: Clearly elitist, arrogant, and bossy, he's nothing more than a one-night stand. Which was a great plan until he turns up at her hospital with a mind to shake things up in a way that could affect her career and her decision to write him off, igniting an epic battle between them as the chemistry that sparked the initial attraction transforms into a battle of wills. Their clash could jeopardize everything Jules has worked for — or, if she can look past her own pride, it might lead to everything she needs. In the fight between what we think we want and what life has in store for us, what wins?

The Rourkes Boxed Set Books 1-3 (Royal Romantic Comedy)

Dive into sexy, royal romantic comedy with the Rourkes! USA Today Bestselling Series! The Rourkes Boxed Set includes three full-length novels: Royal Catch, Royal Hottie, and Royal Darling. Book 1: Royal Catch Gabriel I'm the crown prince of Villroy, heir to a kingdom, bound by duty to marry and produce an heir. I expected a quiet arrangement through royal channels, instead I got a palace full of women vying for my hand. And how do they "win" this barbaric game set up by my crafty mother? By figuring out how to save the kingdom's faltering economy through a series of challenges. This undignified circus is beneath a man of my stature! Proof being that a saucy, ill-mannered woman wearing body-hugging clothes is in the lead. I could never love someone like that, let alone marry her. Anna The plan sounded simple. I pose as my friend, pick up her inheritance, and return with the cash to keep her out of jail. (Apparently, being a princess in hiding is no excuse for identity theft.) So, yeah, I'm not exactly royal. I'm an orphan, a self-made woman, and proud of it. Suddenly I'm in a battle royale with a bunch of crazy competitive women for "riches beyond our dreams." I'm in a time crunch, which means I need to win this competition fast. Only, that means winning over the judge; the smoldering hot grim-faced Gabriel. And now I find myself wanting to compete for more than just the money. But could a royal prince ever fall for a commoner like me? Book 2: Royal Hottie Phillip I never expected to be the prime target of a bachelor auction, compliments of my outrageous sister-in-law, the new queen. I don't care if the internet has turned me into a royal hottie meme, I am not a piece of meat. So when the first eager single woman arrives at the palace, I send her packing. Only the damn woman refuses to leave. Ruby Why would I want to buy a date with an arrogant rude prince? I'm here to do a job, which I desperately need, and no delusional prince is going to stand in my way. Obviously, the "royal hottie" believes the hype. So how did I end up winning the top prize in a royal bachelor auction, and what will I do with him? I can't let myself fall for a playboy. Besides, we're heading in opposite directions. He's going on an international tour for a year or more, and I absolutely have to get back to the US. Only this prince is used to getting what he wants, and now he wants me. Book 3: Royal Darling Jackson Being a rock god isn't all it's cracked up to be. It's become a soulless grind. Which is why I'm now on my mate's houseboat, far away from the spotlight, hoping to find my way back to the music. Yeah. Not gonna happen. I've just discovered a stowaway on board, and I can't believe who she is. A bloody princess? And the prim little woman won't leave the boat, so I make an offer to scare her off—a no-strings fling. Only she says yes. I say no, and she promptly locks herself in my bedroom. I swear I'm dropping her off at the next port. She's trouble wrapped in a pretty virginal package, and I know I shouldn't touch. Emma I'm a runaway bride trying to make a clean escape. But when Jackson Walker discovers me hiding on his boat—after I get over the shock of stumbling upon a rock star's hideaway—I immediately know he's exactly what I need. He's wild, rough around the edges, perfect. My family would never approve. The press would skewer us. I still want him. He's the antidote to my tightly prescribed life. But can he ever see past my title to the woman I long to be? The series continues with Royal Charmer, where Lucas meets his queen! The Rourkes Series Royal Catch (Book 1) Royal Hottie (Book 2) Royal Darling (Book 3) Royal Charmer (Book 4) Royal Player (Book 5) Royal Shark (Book 6) Rogue Prince (Book 7) Rogue Gentleman (Book 8) Rogue Rascal (Book 9) Rogue Angel (Book 10) Rogue Devil (Book 11) Rogue Beast (Book 12) Keywords: contemporary romance, romantic comedy, chick lit, funny romance, humorous romance, humorous fiction, women's fiction, royal romance, prince romance, royalty, series romance, series, romance, romantic, family life, dating, boxed set, box set, romance boxed set, anthologies, romance anthologies, steamy romance, romance series, romance books, small town romance, smart romance, hot romance, kylie gilmore romance, beach read, romcom, long romance series, royal romance, royal

This contemporary romance boxed set includes 3 full length novels: GAME OF LOVE STROKE OF LOVE FLAMES OF LOVE Sneak Peek, SLOPE OF LOVE *** In GAME OF LOVE... Ellie Parker is a master at building walls around her heart. In the twenty-five years she's been alive, Dex Remington has been the only person who has always believed in her and been there for her. But four years earlier, she came to Dex seeking comfort and then disappeared like a thief in the night, leaving him a broken man. Dex Remington is one of the top PC game developers in the United States. He's handsome, smart, and numb. So damn numb that he's not sure he'll ever find a reason to feel again. A chance encounter sparks intense desires in Ellie and Dex. Desires that make her want to run--and make him want to feel. A combination of lust and fear leads these young lovers down a dangerous path. Is it possible to cross a burned bridge, or are they destined to be apart forever? *** In STROKE OF LOVE Kate Paletto runs a volunteer program in Belize for Artists for International Aid, where she deals with self-centered artists who use the program as a means to repair their marred reputations. She loves the country, the people, and what AIA stands for, but too many diva volunteers have turned her off to press-seeking celebrities altogether and left her questioning the value of the volunteer program. When she meets incredibly handsome and charming Sage, he stirs emotions she hasn't felt for ages, even though he represents the things she despises. Laid-back artist Sage Remington escapes his wealthy lifestyle in the Big Apple for a two-week journey of self-discovery to figure out how a guy who has so much can feel so empty. When he meets ultra-organized Kate, who lives her life the way he's always dreamed of living his, the attraction is too hot to ignore, but Sage is there to figure out what's missing in his life, not to find a woman. Every look, and every late-night chat in the romantic jungle brings them closer together, but Sage can barely think past stripping away Kate's misconceptions about him. Kate fights him every step of the way--even though she finds it hard to ignore the strikingly handsome, generous-to-a-fault artist who wants to do nothing more than right the wrongs of the world--and love her to the ends of the earth. *** IN FLAMES OF LOVE... As one of New York's Finest, firefighter Cash Ryder is always prepared. When a woman's car skids off the side of a mountain during a snowstorm, he's there to rescue her. Cash is totally focused on the woman's well-being, but within minutes of getting her to safety, he realizes that he's nowhere near prepared for the heat that rolls off of sensual, smart-mouthed, and stubborn Siena Remington. As a model, Siena Remington has dated some of the wealthiest, most handsome men in the industry, and she's made peace with the idea that most men are just looking for eye candy and they wouldn't know how to romance a woman to save their lives. When she's rescued by a tall, handsome stranger, she thinks that maybe, just maybe, she's found her own real-life romantic fairy tale--until he opens his mouth and everything that comes out is gruff, ornery, and aggravatingly sexy. Thrown together during an annual firehouse calendar photo shoot, the passion between Cash and Siena sizzles, and neither one knows how to control the flames. After an evening of verbal sparring followed by a sinfully sensual night, their darkest secrets are revealed--and so is Cash's warm, romantic heart. But Siena's secret might be

too much for big, strong, always-prepared Cash to handle--and Siena is forced to choose between a man who's everything she's ever dreamed of and an opportunity of a lifetime. *** The Remingtons are the third installment of the Love in Bloom Series (Voted BEST BOOK SERIES by Supportive Business Moms, UK) written by New York Times & USA Today bestselling and award-winning author Melissa Foster. A Train Through Time Boxed Set Books 1-3

A historical time travel romance series set in and around Seattle and Montana in the early 1900s. The first three bestselling time travel romances of the Train Through Time Series are now available in a boxed set at a discounted price! Book 1: A Train Through Time Book 2: Together Forever Across Time Book 3: A Smile in Time A TRAIN THROUGH TIME: College teacher Ellie Standish thinks she's on a sleek modern train heading to a conference on women's studies in Seattle, but she awakens from a night's doze to find herself on a bizarre historical train full of late Victorian era reenactors who refuse to come out of character. When the leader of the group—one handsome, green-eyed Robert Chamberlain—finally convinces her the date is indeed 1901, a skeptical Ellie rejects any eccentric theories of time travel and presumes she is smack dab in the middle of a very interesting historical dream. She turns the directorial reins of her dream over to one smitten and willing Robert, only to realize that dreams cannot last forever. Someday, she must wake up to reality, though Ellie no longer has any idea what reality is. She only knows that Robert must play an important part in her future. But how can he...if he's only a figment of her imagination or worse yet...a man who belongs to an era long past? TOGETHER FOREVER ACROSS TIME: Stephen Sadler reluctantly attends the Seattle wedding of Robert Chamberlain to Ellie Standish, the woman who had captured his interest. There he says goodbye to the woman he thought he had fallen for. Only a few weeks later while traveling on a train, Stephen is confronted by the vision of a strange wild-haired woman in a pair of snug-fitting trousers called "jeans" who claims she doesn't know where she is or how she came to be on his train—until she sees the date on the newspaper, that is. Dani Douglas cannot travel through time! Her mother in Montana is ill, and she has to get back to her. But the crystal clear blue eyes of handsome Stephen Sadler hold her captive in 1901, and she doesn't know how to leave him...perhaps forever. Stephen realizes that Dani and Ellie have much in common, but where Ellie simply captured his interest, Dani has captured his imagination and his heart. Unlike Ellie though, Dani cannot stay, her mother is ill. Stephen doesn't know how he can let her leave him...perhaps forever. As the train hurtles back and forth across the rails, Stephen and Dani struggle to find a way to be together forever across time. A SMILE IN TIME: Annie St. John and her sister, Marie, decide that the three-day train ride from Chicago to Seattle to catch their Alaskan cruise was a bit too much, and they swear that next time, they'll fly. But "a bit too much" doesn't begin to describe what they find when they wake up from a short doze on their sleek modern train. Over a hundred years before, Rory O'Rourke heads back to Seattle from a photo shoot in Montana on the Oriental Limited. When a young woman in tight clothing called 'capris' falls into his arms, Rory finds his hands full with not one, but two young women who claim they must have traveled back in time. Rory scoffs at the idea, but his innate chivalry will not allow him to resist the pleas of the young women for help. Available Now: Finding You in Time, Book 4 of the Train Through Time Series

"You can always rely on Melissa Foster to deliver a story that's fresh, emotional and entertaining. Make sure you have all night, because once you start you won't want to stop reading. Every book's a winner!" New York Times Bestselling Author Brenda Novak This boxed set includes the first three books in the award-winning LOVE IN BLOOM series. Each book may be read alone, or for more enjoyment, read the entire LOVE IN BLOOM series in series order (Snow Sisters, The Bradens, The Remingtons, Seaside Summers, The Ryders): SISTERS IN LOVE (Snow Sisters, Book 1) SISTERS IN BLOOM (Snow Sisters, Book 2) SISTERS IN WHITE (Snow Sisters, Book 3) PLUS - Sneak Peek: LOVERS AT HEART (The Bradens, Book 1) BOOK SUMMARIES: In SISTERS IN LOVE: Danica Snow has always been the smart, practical, and appropriate sister. As a therapist, she prides herself on making reasonable, conservative choices, even if a bit boring, and as part of the Big Sister Program, she has little time for anything more in her life. Blake Carter is a player. He never gets bored of conquering women, and with his sexy good looks and successful lifestyle, he has no trouble finding willing participants. When his friend and business partner dies in a tragic accident, he suddenly, desperately, wants to change his ways. The problem is, he doesn't know how to stop doing what he does best. When Blake walks into Danica's office, the attraction between them is white hot, but Danica isn't the type to give into the heat and risk her career. Danica's desire sets her on a path of self-discovery, where she begins to question every decision she's ever made. Just this once, Danica wants to indulge in the pleasures of life she's been so willingly ignoring, but with her Little Sister in turmoil and her biological sister's promiscuousness weighing heavily on her heart, she isn't sure it's the right time to set her desires free. --- In SISTERS IN BLOOM: Kaylie Snow has always been the fun, flirty, pretty sister. Now her burgeoning baby bump, hormone-infused emotions, and faltering singing career are sending her into an unexpected identity crisis. Watching her older sister, Danica, glide through a major career change and a new relationship with the grace of a ballerina, Kaylie's insecurities rise to the forefront--and her relationship with fiancé Chaz Crew is caught in the crossfire. Chaz Crew has everything he's ever wanted: a lovely fiancée, a baby on the way, and soon, the film festival he owns will host its biggest event ever. When he's called away to woo the festival's largest sponsor--and the lover he's never admitted to

having--secrets from his past turn his new life upside down. With her baby shower around the corner and her fiancé's big event looming, the pressure is on for Kaylie to pull herself together--and for Chaz to right his wrongs. In a few short weeks, the couple who had it all figured out will learn things about life and love that may change their minds--and their hearts. --- In **SISTERS IN WHITE**: Danica and Kaylie Snow are about to celebrate the biggest day of their lives--their double wedding--on an island in the Bahamas. But no wedding is complete without a little family drama. The two sisters aren't ready to face the father they haven't seen since he divorced their mother and moved away to marry his mistress, and live with Lacy, the half sister they've never met. While Danica has exchanged letters and phone calls with Lacy, Kaylie has fervently tried to pretend she doesn't exist. Lacy is sweet, fun, and nearly a mirror image of Kaylie. To make matters worse, not only is Lacy looking forward to meeting her sisters, but she idolizes them, too. As the countdown to the wedding date ticks on, their parents are playing a devious game of revenge, and there's a storm brewing over the island, threatening to cancel their perfect wedding. The sisters are about to find out if the bond of sisterhood really trumps all. --- **NEW YORK TIMES** and **USA TODAY** BESTSELLING AUTHOR Melissa Foster is a New York Times & USA Today bestselling and award-winning author. Oil Kings Collection Books 1-3

Books 1-3 of the Oil Kings series. A widowed oil tycoon with four adult kids learns each son needs to marry before they get the oil trust money their mother left them, and they're running out of time. King's Crown I've made a promise to myself—no more women. It's not like I'm a love 'em and leave 'em kind of guy. They all know the score, and they're all looking for the same thing I am. But I have to set a better example for my grown sons, who seem to be making all the wrong decisions when it comes to their relationships. The last thing I need is to be stranded in a snowstorm with Kendall, twenty years my junior and unintentionally alluring. We're stuck in very close quarters. With no electricity. And no heat other than what we can generate... King's Ransom It was supposed to be a simple case of revenge: get to know King Tech owner and CEO Beckett King, learn his secrets, and ruin his life like he ruined my brother's. But Beckett King offers me a deal I can't refuse. Not only does he want me to pretend to be engaged to him, he needs to marry me to get his grandmother off his back. And at the end of the year, we can go our separate ways, only I'll be a whole lot richer. I won't fall for his irresistible good looks, or that aw, shucks country-boy charm he still possesses from growing up on a ranch. I'm smarter than that. He has a lesson to learn and I'm the best one to teach him. But that's the tricky thing with revenge. It doesn't always go as planned. King's Treasure I take one look at Savvy and know I could spend the rest of my life with her. The feeling is mutual...until she figures out who I am after our impromptu Vegas wedding. I didn't mean to hide my identity, and I thought a desire to get out from under the weight of familial baggage was something we had in common. But with Savvy just moments from proposing divorce, I offer her the one thing I'd been ready to walk away from: A trust fund worth millions. All Savvy has to do is stay married to me for a year and then she'll get half—except I have no intention of letting her go after 365 days. I've spent a decade running from my father's disapproval and my brothers' successes. Now I'm willing to spend a lifetime convincing the woman I love to stay put by my side. It's been two years since Annie's husband died, leaving her to build a new life. He was her soul mate and confidante. She has no desire to find a replacement, yet longs for male friendship. . . . A chance meeting with Heath turns into an offer to join the MacLaren Foundation Board. The platonic friendship that builds between Annie and Heath points to a future where each may rely on the other without the bonds a romance would entail. However, without consciously seeking it, each yearns for more Annie's acceptance of the deep, yet passionless friendship with Heath sustains her, lulling her to believe it is all she needs. At least until Heath drops a bombshell, forcing Annie to realize that what she took for friendship is actually a deep, lasting love. One she doesn't want to lose. Each must decide to settle—or fight for it all.

He is also on his way to what he hopes will be a lasting relationship and marriage with fellow pilot, Jesse Evans. Jesse has always been driven. Her graduation from the Naval Academy and acceptance into the pilot training program are all she thought she wanted—until she discovered love with Trey MacLaren Trey and Jesse's lives are filled with fast flying, friends, and the demands of their military careers. Lives each has settled into with a passion. At least until the day Trey receives a letter that could change his and Jesse's lives forever. It's been over two years since Trey has seen the woman in Pensacola. Her unexpected letter stuns him and pushes Jesse into a tailspin from which she might not pull back. . . . Each must make a choice. Will the choice Trey makes cause him to lose Jesse forever? Will she follow her heart or her head as she fights for a chance to save the love she's found? Will their independent decisions collide, forcing them to give up on a life together?

One More Day, Book Three Cameron “Cam” Sinclair is smart, driven, and dedicated, with an easygoing temperament that belies his strong will and the personal ambitions he holds close. His job as head of IT at the MacLaren Cattle Company and his work as a Search and Rescue volunteer are all he needs. At least that's what he believes until he meets fellow SAR volunteer, Lainey Devlin. Lainey is compassionate, independent, and ready to break away from her manipulative and controlling fiancé. Just as her decision is made, she's called into a major search and rescue effort, where once again, her path crosses with the intriguing, and much too handsome, Cam Sinclair. But Lainey's plans are set. An opportunity to buy a flourishing preschool in northern Arizona is her chance to make a fresh start, and nothing, not even her fierce attraction to Cam Sinclair, will impede her plans. As Lainey begins to settle into her new life, an unexpected danger arises—threats from an unknown assailant—someone who doesn't believe she belongs in Fire Mountain. The more Lainey begins to love her new home, the greater the danger becomes. Can she accept the help and protection Cam offers while ignoring her consuming desire for him? Even if Lainey accepts her attraction to Cam, will he ever be able to come to terms with his own driving ambition and allow himself to consider a different life than the one he's always pictured? A life with the one woman who offers more than he'd ever hoped to find?

Wrecked Beginnings

Author Catherine Cowles brings you an addictive small-town romance series full of protective heroes and suspenseful twists and turns. Wrecked Beginnings contains the first three standalone novels in the Wrecked series. **RECKLESS MEMORIES** I loved him before I knew what the word meant. From skinned knees to first dates and everything in between. But he was never mine to love. I settled for friendship, even though I always wanted more. That was before. Before he ripped my world apart and didn't bother sticking around to help me pick up the pieces. I knit every last shred back together all on my own. And I've all but forgotten his name. Now, he's back, and everything is torn apart once more. But he's not the only one doing the tearing this time. And there might be no stopping the person who has it out for us both. **PERFECT WRECKAGE** My past taught me to play it safe. To stay far away from handsome men who promised it all. My life was good without them. Stable, secure, predictable. But one kiss showed me that I'd been playing it safe for far too long. One night and all I wanted was more of his wildfire. One challenge and my carefully constructed walls tumbled down. Amidst the rubble, I realized there was more to this man than I ever dreamed. When everything fell apart, he showed me what it meant to stay. How to truly live. But some demons don't stay buried. The past can come knocking when you least expect. And the life he's showing me might be shorter than either of us expected... **WRECKED PALACE** One night was all it took for everything to change. From college student to guardian in a single breath. My siblings became my world. No time for date nights or romantic dreams. I traded quiet weekends for sleepless nights. Giving my all to make sure they were cared for. But Griffin had a brokenness that called to me—one that mirrored my own. Gruff and just a little bit reckless. He was the last thing I needed. But everything I wanted. Only someone isn't happy about this new life I'm building. Deciding to set fire to everything I hold close. And when the smoke clears, there might be only ashes left behind...

Indebted Series 1-3

New York Times, Wall Street Journal & USA Today Bestselling Series. Seven books in total. This edition contains the first three: **Debt Inheritance** "I own you. I have the piece of paper to prove it. It's undeniable and unbreakable. You belong to me until you've paid off your debts." Nila Weaver's family is indebted. Being the first born daughter, her life is forfeit to the first born son of the Hawks to pay for sins of ancestors past. The dark ages might have come and gone, but debts never leave. She has no choice in the matter. **First Debt:** "You say I'll never own you. If I win—you willingly give me that right. You sign not only the debt agreement, but another—one that makes me your master until your last breath is taken. You do that, and I'll give you this." Nila Weaver's family is indebted. Stolen, taken, and bound not by monsters but by an agreement written over six hundred years ago, she has no way out. **Second Debt:** "I

tried to play a game. I tried to wield deceit as perfectly as the Hawks. But when I thought I was winning, I wasn't. Jethro isn't what he seems—he's the master of duplicity. However, I refuse to let him annihilate me further." Nila Weaver has grown from naïve seamstress to full-blown fighter. Back in the day, I wanted her to be my everything. Now, a relationship isn't in the cards. She threw that chance away. But that doesn't mean we can't have fun... right? Anna was my everything. But since all it took was one stupid fight to shove her into my roommate's arms, clearly she didn't feel the same. That's all ancient history, though. I'm on the fast track to partner. I'm a different man now. She's ancient history. And still, nothing could've prepared me for seeing Anna again. All the old feelings are still there, but I won't fall again. Not now, not with her. Thanks to my buddy, now she's my neighbor. Friends with benefits? It doesn't seem like such a bad idea... Trust Me Olivia returns to New York and finds love in a coffee shop... Been burned too many times by people looking for a handout. Yeah, my wealth opens doors, but it also places a target on my back. Then I meet Olivia. Security clears her. Determines her safe. The more I get to know her, the more I want her, but just being around me places her in danger - opening her up to the crazy in my world. I'll do everything I can to keep her safe. All I need to do is figure out exactly who I can trust. Walk the Dog Delilah reluctantly agrees to dogsit for Anna, with disastrous (or maybe not so disastrous) consequences... 50 Shades of Spay: No Litters, Baby. That's the sign in front of the Chelsea Veterinary Clinic on the lower west side of Manhattan, where I'm currently standing on what is clearly another crappy Saturday morning. I'm at a vet clinic. It's not even my dog - pet sitting has gone horribly wrong. Last night is, well, fuzzy. Then in walks Dr. Herriot. Sex in scrubs. The dog will be okay. This vet: Oh, Mylanta. He. Asks. Me. Out. I love Saturday mornings.

Four years later, wealthy pilot Chase Fowler still knew her face; he'd carried it in his heart ever since their night together. But it was the face of Josie's three-year-old boy that surprised him. Chase had finally come to claim what was rightfully his in this tiny Louisiana town—and now that included his own son. But the boy wasn't the only secret between them.... "What love is . . . Worth every moment you spend reading it." Amazon Reviewer "A wonderful mix of complex problems and no easy answers in a romance

Ren and Della Boxed Set

From New York Times Bestseller, Pepper Winters, comes her most poignant tale yet. This edition contains both books: THE BOY & HIS RIBBON and THE GIRL & HER REN. The complete RIBBON DUET. "What do you do when you meet your soul mate? No wait...that's too easy. What do you do when you meet your soul mate and have to spend a lifetime loving him in secret? I'll tell you what you do. You lie." REN Ren was eight when he learned that love doesn't exist—that the one person who was supposed to adore him only cared how much he was worth. His mother sold him and for two years, he lived in terror. But then...he ran. He thought he'd run on his own. Turned out, he took something of theirs by accident and it became the one thing he never wanted and the only thing he ever needed. DELLA I was young when I fell in love with him, when he switched from my world to my everything. My parents bought him for cheap labour, just like they had with many other kids, and he had the scars to prove it. At the start, he hated me, and I could understand why. For years he was my worst enemy, fiercest protector, and dearest friend. But by the end...he loved me. The only problem was, he loved me in an entirely different way to the way I loved him. And slowly, my secret drove us apart. 6 Stars! The boy and his Ribbon...
