On Angel Wings

"I bring you news of great joy. For tonight, in Bethlehem, a child has been born, a savior who is Christ the Lord." When the shepherds are invited to follow the star to visit the child, one young boy is told to stay and mind the flock. But the Angel Gabriel returns for him, taking the boy on a magical, memorable flight to be the first to witness the Christmas miracle. With a gently wry narration by Michael Morpurgo and expressive illustrations by the extraordinary Quentin Blake, this inviting, uplifting story is destined to become a holiday tradition.

On Angels' Wings: My Flight from Trauma to Grace

This extraordinary powerful story of Gloria's journey from darkness into light is one of hope, resilience and the unrelenting power of the human spirit to survive .It's June 1960 and in middle class suburban NZ, a child was born into sex slavery. For the first sixteen years of her life Gloria suffered horrendous sexual, physical, and psychological abuse at the hands of her father, with no one to protect her. From the underworld of her father's paedophile ring to the groups he trafficked her to, she found an inner strength and a light that shone so brightly, her mind was the one thing that could not be destroyed. Experienced through the eyes of a child, on Angels' Wings will forever highlight the way we deal with child abuse, shining a light on this darkness, and challenging us not to assume that every child is safe. One voice speaking out is all it takes to save a life.

Angel Wings: New Friends

Pulling the Wings Off Angels is a madcap adventure brimming with the ethical quandaries and sardonic wit of *The Good Place* by World Fantasy Award-winning author K. J. Parker. Long ago, a wealthy man stole an angel and hid her in a chapel, where she remains imprisoned to this day. That's the legend, anyway. A clerical student who's racked up gambling debts to a local gangster is given an ultimatum—deliver the angel his grandfather kidnapped, or forfeit various body parts in payment. And so begins a whirlwind theological paradox—with the student at its center—in which the stakes are the necessity of God, the existence of destiny—and the nature of angels. Also by K. J. Parker *Inside Man* *Prosper's Demon* *The Devil You Know* *The Last Witness* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pulling the Wings Off Angels

This is the true story of a young girl in Brazil who saw and heard her Guardian Angel during most of her life. The book is filled with real-life anecdotes which are edifying, moving and often humorous. Cecy Cony (1900-1939) tells story after story of how her Guardian Angel (whom she calls her "New Friend") kept her from lying, stealing, revenge, immodesty, etc.--and from watching certain movies. Shows the innocence and holiness that children are capable of. Impr.

Under Angel Wings

Once there was a beautiful little angel who lived in heaven. Her name is Gabriella. She lived there with a host of other little angels. They loved living in heaven as there was so much love from their master.

How the Little Angel Got Her Wings

Angels Earn Their Wings is the story of the last little angel in Heaven to earn her wings. Created with many challenges in her life, little Stubby (as the other angels call her) is finally presented with her own assigned Heroic Deed. When she says "yes," God's smile lights up the night sky! Join our tiny angel as she struggles against her many challenges and the obstacles placed before her by Foxy Fox. With the help of new found friends, all of whom have their own imperfections and strengths, our little angel earns her wings of love! This book is written on two levels: The first is a clever, entertaining and beautifully illustrated story for all, especially those who face challenge. The second level is for caregivers, parents, siblings, extended family members, friends, schoolmates, co-workers and all other segments of society who encounter persons of challenge. Each will find purpose and gain understanding that what the world calls disability is really fullness; God has purpose for individuals who face challenge.

On Wings of Angels

Most everyone believes in angels, even the kind we cannot see. Some believe that not all angels have wings. Some angels can be a friend, a pastor, or a total stranger. Sometimes an angel can be just a smile or newspaper article we read.

Angels Earn Their Wings

[Deborah has] a gift that enables [her] to see the important connections between people who care for one another, and then translate those observations into beautiful imagery. . . . This will be an inspirational guide for caregivers something that is so very needed. Dr. Paul Raia, PhD, Former Vice President of Clinical Services, The Alzheimers Association, Massachusetts/New Hampshire Chapter Proceeds from the sale of this book go to the Alzheimers Association to fund research for a cure.

On the Wings of Angels

Do Christians, Jews, and Muslims all pray to the same God? Is it okay to be mad at God? Did Adam have a belly button? We all have questions, even if we don't know how to find answers. Over the last 30 years, Today in the Word from the Moody Bible Institute has taken questions from people all around the world and published a few of them each month with answers from reliable Bible experts. Do Angels Really Have Wings? is a collection of the most repeated, most intriguing questions (with a few lighthearted ones too). These questions are then answered by trusted Christian voices like Don Cole, Mike Kellogg, and Rosalie de Rosset. Whether you're curious about Christianity or have been in the church since you were in diapers, this book is a great place to start exploring some of your own questions about God, life, and the Bible.

On Angels' Wings

"Are guilt, grief, or resentment holding you back from living a joyful life? Are there events or people in your life that you have been unable to make peace with? Are you overwhelmed with fear, doubt, or insecurity? Miraculous changes are possible through one powerful practice: forgiveness... how the Angels and Ascended Masters can enable you to release difficult emotions and heal from challenging experiences."--

Do Angels Really Have Wings?

In this Renegade Angels novella from the #1 New York Times bestselling author of the Crossfire series, a powerful angel breaks all the rules by falling for the mortal whose life she's saved... Chained in the dark, Trevor Descansos endures pain and terror as vampires slowly drain the life from him. He finds mercy in Sentinel Siobhán, a beautiful avenging angel with lethal wings. She draws Trevor from the depths of hell, wrapping him in the softness of the same feathers that she wielded like blades to cut down his tormentors. Ageless and eternal, Siobhán has seen too much to be surprised by anything, but the mortal she finds in the pit of a vampire den shakes her to the core. Broken and near death, his ravaged masculine beauty stirs the heart she hadn't realized she possessed. Though she's tasked with eradicating the vampire disease sweeping across her world, she nurses Trevor back to health, healing him even as he awakens a forbidden longing. But the true test has yet to come. Siobhán faces an even darker fate than Trevor's, as she falls from grace into mortal love...

On the Wings of Angels

The story of two teenagers destined to be lovers but conspired against the stars, and two angels who are given the task of bringing them together

Black Wings Has My Angel

For God, we fight; all angels have heard the command. Troy Decker has heard it from his parents countless times. All he wants in life is a chance to prove himself and be granted his scepter the first gift angels receive in their war against Lucifer. Standing in his way is fallen angel Kyle Downey, who used to be best friends with Troy's parents but is now on a quest to destroy all that is good in the world.

Wings of Forgiveness

When it looks as though sports day will be cancelled due to a blockage in the school's water supply, Ella tries to find a way to save sports day and earn her sapphire halo in the process.

A Caress of Wings

More than 200 years ago privateers and spies roamed the Long Island shores. As a child, Heather Adams grew up on the East end of the island, daydreaming about these events. The result is her premier novel, *On Angels Wings*. She now resides in Delaware, where she writes full time. Star crossed lovers, Duke Monroe Enderby who fancies himself an adventurer like his hero Odysseus, and Angela Anderson, an equally adventuresome girl, find themselves on opposite sides of the Atlantic, separated by scorned servant Polly. Monroe begins his own twenty year Odyssey before he can be reunited with his beloved. In 1755 Angela Anderson's father dies and turns her life upside down. After finding that she is a lord's bastard and then being sold to a brothel, she leaves her home and meets Duke Monroe Enderby. He marries her unbeknownst to all but a blind man of God and after becoming pregnant with Monroe's child, Angela decides to leave Enderby Hall to protect Monroe's family name. Helped by scheming servant Polly who covets Monroe for herself, Angela escapes to Gray Corners, a solitary place where all noblemen send their pregnant mistresses. After spending ten heartbroken years there, she and her son Weylin travel to America where the Revolutionary War is getting ready to break out. Her troubles really begin when the British plot to kidnap her in an attempt to stop her son from helping the Sons of Liberty! Actual history is interwoven to give *On Angels Wings* an adventuresome spirit as well as the romance that three continents, two wars and twenty years cannot kill.

In *New Friends*, Ella sets off on an adventure to Rainbow's End, a magical place and home to the Forgotten Flower. Will Ella's flair for trouble prevent her from earning her wings? In *Birthday Surprise*, Ella tries to cheer up homesick Jess with a magical glitter bomb. But her plan backfires, and Ella ends up destroying a priceless statue at school instead. Will Ella's surprise get her expelled from Angel Academy? In *Secrets and Sapphires*, an injured magical bunny shows up at school, and it's up to Ella to take responsibility for it. But could caring for the bunny give her the halo points she needs to join her friends in gaining a sapphire halo? And in *Rainbows and Halos*, it's sports day at Angel Academy, but when the school's water supply is blocked it looks like it might be canceled. Can Ella step in to save the day?

Rainbows and Halos

Angel Wings Sparkling Collection Books 1-4 (Boxed Set)

Two angels—Gabriel and Lucifer—face each other in battle in a “story of arrogance, spite, and betrayal [with] a truly epic feel” (Kirkus Reviews). Written from the two opposing perspectives of Gabriel and Lucifer, *War of Wings* follows their paths and love stories as they face a violent war that leads to the fall of one-third of the angels from Heaven. Gabriel, the archangel, loves life, but there is one thing in Heaven that he cannot tolerate: perfection. Lucifer, God’s highest cherubim angel and “perfect image of beauty,” stands alone in the hierarchy leading praise, worship, music, and laughter in the hope that one day he will be promoted to God's equal. *War of Wings* is a fast-paced journey of two battling angels yearning for change. Their destinies emerge from triumph, failure, love, and heartbreak, as they discover that even in Heaven, decisions always have consequences. “McElroy follows in John Milton’s footsteps in this slick, contemporary recreation of the war for heaven.... He writes confidently—sometimes brilliantly.”—Kirkus Reviews

Angel Wings: Rainbows and Halos

Despite poverty, violence, and despair, there are angels among us, walking the streets of New York City. For Panja Jurgens's thought-provoking photo essay, New Yorkers of every stripe strapped on a pair of pure white wings and, if only for a moment, transcended their own realities to imagine the possibilities of world peace. Some put their hopes into poetic words; others revealed their feelings through gestures and poses. Photographed in a wide variety of locations long before September 11, the images portray firefighters, nurses, artists, veterans, bikers, clerics, children, immigrants: a cross section of the peoples and cultures that make the city unique. Jurgens could not have picked a more appropriate, promise-filled place. A meditation by popular German rock star Udo Lindenberg introduces the 105 duotone photographs.

With Angel's Wings

This book examines the role of angels in medieval and Renaissance art and religion from Dante to the Counter-Reformation.

Sammael's Wings

With fierce candor and an unflinching eye, the highly praised author of *Push* journeys through the harsh realities of African American existence to find the "door to the possibility of now." The heroes that emerge from these forty-seven vigorous poems confront the agony of betrayal as they strive in their quest for self-transformation and redemption. From the city streets to the rich landscape of dreams, each of these poems holds out the "black wings of expectation" offering the chance to emerge from the pain of the past and arrive at "the day you have been waiting for/when you would finally begin to live." At turns alarming and inspiring, the raw lyrics and piercing wisdom of *Black Wings & Blind Angels* remind us of Sapphire's place as a unique and fearless voice.

Brush of an Angel's Wing

The angel was even more beautiful than before ... Angelica sat on a hand-carved chest in Johnny's foyer, and even though Johnny was told to look but not touch, he couldn't resist, and he picked her up. The angel fell from his small hands, and with a loud crash, her wings broke into a million pieces all over the floor. God, however, does a miraculous work. Johnny's story is one that teaches the importance of obedience but also brings home the lesson that when God repairs us, we are even more beautiful than before.

Under angel wings;.

In the remote North York Moors of England, young Thomas pursues the conquest of Magnus, an 800-year-old kingdom and island castle that harbors secrets dating back to the days of King Arthur and Merlin. To win Magnus, however, is only the beginning of Thomas' quest, one that will unearth ancient secrets, test his fragile faith, and place him squarely against an evil conspiracy that has ruled the land for centuries. In the year A.D. 1312, an orphan named Thomas believes that by leaving the monks who raised him, he is also leaving God. His vowed goal is to reconquer Magnus, an oppressed earldom, savagely taken twenty years earlier. First, however, he must save a knight from the gallows. Complicating his new army of one are two others rescued at the the same time -- a mute slave girl and a scoundrel pickpocket. During his almost impossible attempt at victory, Thomas discovers it may only be the first battle against the dark conspiracy behind Magnus.

War of Wings

For Troy Decker, the world of angels has always been a familiar mystery. Robes, halos, and wings have filled his dreams since he was old enough to crawl. But it wasn't until the last year that he truly felt like he was one of God's chosen angels. He'd thought only a miracle would allow him to receive his scepter. And he was one hundred percent correct. When God granted Troy his scepter, he never dreamed it would be for saving one of his closest friends. But with many things in his angel life, Troy had to sit back and trust in his faith. Not only in God, but in himself and his family and friends. Unfortunately, peace rarely finds Troy. With his first gift from God in hand, he must concentrate on the second gift. The robes of an angel - granted for an act of sacrifice. Hindering his progress is a former friend of his parents, Kyle Downey. Kyle is the leader of a group of fallen angels and his sinister plans for Troy bring howling demons and monsters stampeding into the War for Sins. Can Troy follow the path God has set in front of him? How will he know what to sacrifice to receive the precious gift? And why, more than anything else in the world, does Kyle Downey want Troy to fall?

I Have An Angel In Heaven

Angels touched Martin's heart in 2003 when he had an opportunity to take part in angel therapy courses in Ireland together with his wife, Mai-Liis. She is also an illustrator of Angel's Diary. In 2008, Angel's Diary was first published in the Estonian language. Author didn't know then about the difficulties ahead, but the presence of God's angels has made it possible to endure the challenging times and sorrow. He wishes that we would be aware that angels are always with us. Angels love us without judging us, in light as in darkness, because their ultimate wish is to help and guide us to the understanding that we are one whole. That we deserve forgiveness as we should forgive everyone else. We are love. Only love is everlasting. Angels strive to pass this on to all humans. This message only needs to be recognized, put into words, and passed on.

Soon after Forenica's assignment, Angela's family suffers an unexpected crisis, which threatens to destroy her marriage and to snuff out her faith. As the situation grows more desperate, Angela also struggles to hold on to her wayward teenage daughter. Angel's Notebook

"For twenty years I've read spiritual books. I'm more hopeful and encouraged by your book than I've been in years. Thank you for giving us self-empowering prayers connecting us directly to God." Gail McGraw, AZ. "We, the Diamond/Heart Angels, wish to send our greetings and great admiration to Earth and everyone. We have been partnering with human beings from the beginning. The love we feel in our hearts for you is universal. Look around; you will notice subtle changes occurring in your thoughts and in your lives. In each atom of your being, miracles are available for everyone now. Look for the good in all and everything, and you will know yourselves in WEness as manifest GodLove." Through visions, and Q&A, Book Two of Symbols is a continuing teaching from the Diamond/Heart Angels. While absorbing their love into our being, each of us is being asked to hold LOVE thoughts for others, sharing their GodLove outwardly with others in a continuous spiral of co-creation with God's Heavenly Angels and ourselves. They said, "Become part of the love we send you, absorb it, and extend it to all, according to God's will for the greater good of all."
