The Shoe Princess's Guide to the Galaxy

Overwhelmed by the realities of first-time motherhood and disillusioned with the corporate world, Jane trades in her Manolos for nappies, nipple shields and the foot spread of a yeti: a lifestyle choice her man-eating girlfriend, Rachel, thinks is taking retro chic just one step too far. Unlike the lovely Liz, who'd give anything to be in Jane's pram shoes. Desperate to reconnect with the outside world, Jane finds salvation in her local New Mothers Group, a nonagenarian neighbour, and a royal duo of bloggers dedicated to shoes and behind-the-scenes celebrity gossip. Meanwhile, her unlucky-in-love best friend, Fi, thinks she's found THE one – Marco. Should Jane be concerned that Marco is a handsome, intelligent, Italian shoe designer with a passion for teaching his craft to bored housewives? Or that her work-focussed husband is spending increasingly long hours at the office ... A heart-warming and timeless tale of the transition from career-girl to new mum, The Shoe Princess's Guide to the Galaxy is a sassy and sparkling debut about one modern woman's attempts to put her best foot forward.

Princess Mirror-Belle and the Magic Shoes

Magically mischievous Mirror-Belle is back and ready to sweep Ellen off on more exciting and hilarious escapades in this hilarious book.

Holly Farb and the Princess of the Galaxy

Kidnapped by alien pirates, Holly Farb must face bounty hunters, giant worms, perky holograms, and more as she tries to find the real princess and get home before her big test.

A Beginner's Guide to Ruling the Galaxy

A brilliantly funny story of what happens when a galactic princess moves in next door and almost brings about the end of the world. Exciting new fiction from the bestselling, award-winning author of *My Brother is a Superhero*. Gavin's got a new neighbour and she's really annoying. Niki follows him everywhere, bosses him about, and doesn't care that her parents will obliterate Earth with their galactic warships if she doesn't stop running away from them. Can Niki and Gavin sort out the alien despots (aka Mum and Dad) and save the planet? Possibly. Will they become friends along the way? Doubtful... 'David Solomons represents the best in contemporary comic writing for children' -- Guardian A hilarious new story from the author of *My Brother is a Superhero*, winner of the Waterstones Children's Book Prize and the British Book Industry Awards Children's Book of the Year. Perfect for fans of David Baddiel and David Walliams. Read the *My Brother is a Superhero* series: *My Brother is a Superhero* *My Gym Teacher is an Alien Overlord* *My Evil Twin is a Supervillain* *My Arch-Enemy is a Brain in a Jar* *My Cousin is a Time-Traveller*

The Barefoot Princess and Her Many Shoes

Princess Bella would never wear shoes. No matter how hard her mother, the Queen, tried. The Queen just could not convince Bella that she should be like the other princesses, who doted over and wore many shoes. Frustrated, the Queen sent a decree throughout the kingdom stating that the man who found the princess a pair of shoes she would wear, the princess would marry him. Come see the many exotic, strange, and outright crazy shoes Princess Bella encounters. Learn what shoe finally wins Princess Bella's heart!

If the Shoe Fits

Cinderella, Sleeping Beauty, Snow White, and Rapunzel face friendship struggles, wacky families, their first ball, and Frog Identification class during their first year of Princess School. With her feet bare, those glass slippers don't fit, and her second hand gown splattered with mud, thanks, evil stepsisters, Ella's first day of Princess School is off to a lousy start. If she can only find her fairy godmother before the first class begins, Ella is sure she'll put things right. But her fairy godmother is off at a convention and Ella is on her own, she'll have to get through the first weeks of Princess School without any bobbity-boo. Ella is terrified until she meets silly Snow, spunky Rapunzel, and beautiful, sheltered Rose.

The Bad Boys Guide To The Galaxy

Take me to your leader. Come to think of it, just take me. Planet Nerak was perfect until an expedition to Earth brought back an unwanted guest. Enter one talented Nerakian named Lara, sent on a special fact-finding mission in the vast region called Texas. Fortunately, police officer Sam Jones has offered to help. Unfortunately, Sam's skill at sex is quite distracting. . . Crazy, that's what Sam is. What sane man would voluntarily isolate himself in the Texas woods with an alien, not to mention a female one with a superiority complex, legs that won't quit, and a penchant for walking around buck naked? And when Lara wastes no time getting into his bed, he goes where no man has gone before. Of course, when you're from Texas, nothing--not even an entire planet--is going to stop you from getting what you want.

The British National Bibliography

The Little Princess is determined not to put anything on her feet, until the Maid shows her a special box. The gleaming red shoes inside are too wonderful for words. Now the Little Princess is so proud of her new party pumps, she refuses to take them off!

I Want My New Shoes!

Enchanted meets BMX in this hilarious, spellbinding adventure! Trust me, the fairy tales have it so wrong. Dingy towers and wicked step-mums are the least of my worries: it's the boredom that will kill me. Thank the good goblin I discovered BMX. If it wasn't for BMX, nothing would have changed ...

Princess BMX

Bags are the ultimate fashion accessory -- providing instant glamour with no dieting involved! From a glitzy evening bag, just big enough to carry a lipstick, to a trusty everyday bag, we simply cannot live without them. A testament to the magical powers of bags, this delightful little book brings together Emma Bowd's irreverent writing style with a collection of stunning photographs.

Disney Princess: A Magical Pop-Up World

The Prince and the Pauper gets a Geekerella-style makeover in this witty and heartfelt novel for those who believe in the magic of fandom—now with an excerpt from Bookish and the Beast. Imogen Lovelace is an ordinary fangirl on an impossible mission: to save her favorite Starfield character, Princess Amara, from being killed off. On the other hand, the actress who plays Amara wouldn't mind being axed. Jessica Stone doesn't even like being part of the Starfield franchise—and she's desperate to leave the intense scrutiny of fandom behind. Though Imogen and Jess have nothing in common, they do look strangely similar to one another—and a case of mistaken identity at ExcelsiCon sets off a chain of events that will change both of their lives. When the script for the Starfield sequel leaks, with all signs pointing to Jess, she and Imogen must trade places to find the person responsible. The deal: Imogen will play Jess at her signings and panels, and Jess will help Imogen's best friend run their booth. But as these "princesses" race to find the script leaker—in each other's shoes—they're up against more than they bargained for. From the darker side of fandom to unexpected crushes, Imogen and Jess must find a way to rescue themselves from their own expectations...and redefine what it means to live happily ever after.

DVD & Video Guide 2004

The Geek Feminist Revolution is a collection of essays by double Hugo Award-winning essayist and fantasy novelist Kameron Hurley. The book collects dozens of Hurley's essays on feminism, geek culture, and her experiences and insights as a genre writer, including "We Have Always Fought," which won the 2013 Hugo for Best Related Work. The Geek Feminist Revolution will also feature several entirely new essays written specifically for this volume. Unapologetically outspoken, Hurley has contributed essays to The Atlantic, Locus, Tor.com, and others on the rise of women in genre, her passion for SF/F, and the diversification of publishing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Galaxy

In this irresistibly funny follow-up to the breakout bestseller *Darth Vader and Son*, Vader—Sith Lord and leader of the Galactic Empire—now faces the trials, joys, and mood swings of raising his daughter Leia as she grows from a sweet little girl into a rebellious teenager. Smart and funny illustrations by artist Jeffrey Brown give classic Star Wars moments a twist by bringing these iconic family relations together under one roof. From tea parties to teaching Leia how to fly a TIE fighter, regulating the time she spends talking with friends via R2-D2's hologram, and making sure Leia doesn't leave the house wearing only the a skirted metal bikini, Vader's parenting skills are put hilariously to the test. Plus, this is the fixed-format version, which looks almost identical to the print edition.

Mad about Bags

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Total Traveler Guide to Worldwide Cruising

A New York Times bestseller for the last three years in a row, Leonard Maltin's comprehensive film guide remains the biggest, best, and most authoritative in the field. The 2008 edition features more than 300 new entries, a completely updated index of leading actors and directors, Leonard's personal list of "Fifty More Films You May Have Missed," and sources for buying and renting DVDs.

The Princess and the Fangirl

'One of the greatest achievements in comedy. A work of staggering genius' - David Walliams An international phenomenon and pop-culture classic, *The Hitchhiker's Guide to the Galaxy* has been a radio show, TV series, novel, stage play, comic book and film. Following the galactic (mis)adventures of Arthur Dent, *Hitchhiker's* in its various incarnations has captured the imaginations of curious minds around the world . . . It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed, in large friendly letters, with the words: DON'T PANIC. The weekend has only just begun . . . This 42nd Anniversary Edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. Continue Arthur Dent's intergalactic adventures in the rest of the trilogy with five parts: *The Restaurant at the End of the Universe*, *Life, the Universe and Everything*, *So Long*, and *Thanks for All the Fish*, and *Mostly Harmless*.

The Geek Feminist Revolution

Presents brief reviews of more than nineteen thousand films and other videos that are available at rental stores and through mail order, arranged alphabetically by title; also includes actor and director indexes.

Vader's Little Princess

New York Magazine

A QUICK AND EASY RENTER'S GUIDE TO HELP YOU FIND VIDEOS, ORGANIZED JUST LIKE YOUR VIDEO STORE! You'll be watching movies like the experts with this fact-packed video guide to more than 16,000 films. Organized by category to make your decision easier, this bestselling encyclopedia is unique in its comprehensive coverage and user-friendliness. From Five Stars to Turkey, the ratings help you preview the perfect movie for you! * * * Indexed by director, star, title, and Oscar winners! * * * In the full-title index, all four- and five-star movies are indicated by an *, and all new entries are highlighted for easy identification. * * * Special sections on family, foreign, and documentary films! * * * More offbeat and obscure films than any other guide, with serials, B-Westerns, horror movies, repackaged TV series, and made-for-TV movies! * * * "The best all-around volume." --Newsday

Quill & Quire

Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "Hitchhiker fans rejoice! . . . [Here's] more of the same zany nonsensical mayhem."—The New York Times Book Review It's easy to get disheartened when your planet has been blown up and the woman you love has vanished due to a misunderstanding about space/time. However, instead of being disheartened, Arthur Dent makes the terrible mistake of starting to enjoy life a bit—and immediately all hell breaks loose. Hell takes a number of forms: there's the standard Ford Prefect version, in the shape of an all-new edition of The Hitchhiker's Guide to the Galaxy, and a totally unexpected manifestation in the form of a teenage girl who startles Arthur Dent by being his daughter when he didn't even know he had one. Can Arthur save the Earth from total multidimensional obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter, Random, from herself? Of course not. He never works out exactly what is going on. Will you? "Douglas Adams is a terrific satirist. . . . He is anything but harmless."—The Washington Post Book World

Leonard Maltin's Movie Guide 2008

Reviews thousands of movies and rates each film according to a five-star rating system, and features cross-indexing by title, director, and cast.

The Hollywood Reporter

Rates more than 17,000 movies on video. Cross-indexed by director and star. More than 800 new entries.

Xenophobe's Guide to the Greeks

A guide to understanding the Greeks which takes an insightful, irreverent look at their character and attitudes "Xenophobia: an irrational fear of foreigners, probably justified, always understandable." "Xenophobe's Guides: an irreverent look at the beliefs and foibles of nations, almost guaranteed to cure Xenophobia." Individuality is the chief feature that characterizes the Greeks, which precludes any attempt to box and label them as a people. After that comes their temperament which flourishes uninhibited throughout their waking hours. This is probably why the ancient sages saw fit to carve their maxims "Nothing in excess" and "Know thyself" on the portals of the Delphic Oracle in an attempt to persuade their fellow Greeks to curb their emotions they were not heeded then any more than they are now."

The Xenophobe's Guide to the Greeks

Highlights the unique character and behavior of the nation. Frank, irreverent, funny--almost guaranteed to cure Xenophobia.

Greek for Xenophobes

A humorous approach to Greek that shows you can easily master the lingo simply by speaking plain English. Essential phrases will trip off your tongue, including gems such as 'Is your son going to play bouzouki music all night?', 'Are you insured for damages?', and 'I am not related to the Elgins--I only took a pebble as a memento!'

The Xenophobe's Guide to the Germans

A guide to understanding the Germans that uncovers their insecurities and gently dispels even the most ingrained prejudices.

The Xenophobe's Guide to the Albanians

What makes the Albanians ALBANIAN: A witty guide to the airs and affectations that affirm the Albanian attitude. - See more at: <http://www.xenophobes.com/the-Albanians/#sthash.dhnOHBuj.dpuf>

The Xenophobe's Guide to the Dutch

A guide to understanding the Dutch that goes beyond the tulips and windmills to reveal their real personality and peculiarities.

The Xenophobe's Guide to the Danes

A guide to understanding the Danes that highlights their character and behaviour with warmth and wit.

The Xenophobe's Guide to the English

A guide to understanding the English that gets beyond the stiff upper lip and reveals their true spirit and character.

The Xenophobe's Guide to the Belgians

A guide to understanding the Belgians, best known for their fine chocolate, which reveals a humorous and insightful view of the people.

The Xenophobe's Guide to the Swiss

A guide to understanding the Swiss that reveals a nation of people who are anything but the cuckoo clock-making, yodelling stereotypes generally portrayed.

The Xenophobe's Guide to the Russians

A guide to understanding the Russians which goes behind the curtain of bearishness to reveal their soft underbelly.

The Demons of Athens

The narrator of the book starts a journey of discovery around the meaning of home, in a diary form, with a trip to Athens in the midst of the economic and social implosion of the country. He fuses fiction, reportage and autobiography in an attempt to illustrate the social collapse of Greece after 2009 and its subsequent lack of creative imagination. The book consists of brief snapshots based on episodes that take place in Athens, ranging from people eating rotten food in garbage bins, to contemporary political discussions at the Greek Parliament and the representation of the struggle of ordinary people to make their living. "This is a courageous, angry and powerful book, in which like James Joyce, Vrasidas Karalis can be said to have written 'a chapter in the moral history of my race'." -Nicholas Murray, British biographer, poet and journalist

Modern Greece

Modern Greece: A History since 1821 is a chronological account of the political, economic, social, and cultural history of Greece, from the birth of the Greek state in 1821 to 2008 by two leading authorities. Pioneering and wide-ranging study of modern Greece, which incorporates the most recent Greek scholarship Sets the history of modern Greece within the context of a broad geo-political framework Includes detailed portraits of leading Greek politicians Provides in-depth considerations on the profound economic and social changes that have occurred as a result of Greece's EU membership

The Xenophobe's Guide to the Estonians

A guide to understanding the Estonians which dispels or confirms preconceived prejudices with humor and insight.

The Xenophobe's Guide to the Icelanders

A guide to understanding the Poles that displays their true character with perception and affection.

International Business Etiquette

Concise, to-the-point advice about the best ways to conduct business through Europe International Business Etiquette: Europe shares the do's and don'ts of interacting with individuals in every country throughout Europe. Each of the 25 country-specific chapters begins with a summary of statistics. What follows are countless tips about what to do and when to do it, whether you are interacting with your international client for the first time or the fourth time. Each chapter closes with "Whatever you Do...Don't" tips for avoiding the most commonly made faux pas for both business and leisure travelers. Topics Include: Business attire and business card etiquette. Business entertaining/dining and conversation. Gestures, public manners, and gift-giving. Meeting and seating etiquette. The importance of punctuality. Tips on proper gratuities and toasting etiquette. What to do when you are invited to a home. Women in business.

Greece: the Modern Sequel

A guide to understanding the Swedes that takes the chill out of their cool exterior and reveals the warmth of their inner selves.

The Xenophobe's Guide to the Swedes

A guide to understanding the Austrians that delves into the cultural curiosities and peculiar characteristics of this land-locked nation.

The Xenophobe's Guide to the Austrians

A guide to understanding the Irish that unravels their idiosyncracies and national characteristics.

The Xenophobe's Guide to the Irish

This is one of a series of guides designed to tell the truth about other nations, using sweeping generalizations and observations as a base, detailing what to expect and how to cope with it. The guides try to explain why things are done the way they are and they try to allay the feelings of trepidation with which the xenophobe approaches new territory. This particular book looks at the Russians.

The Xenophobe's Guide to the Russians

A guide to understanding the Japanese which goes beyond the etiquette to uncover the real nature of the people of the rising sun.

Higher Education Management and Development in Central, Southern and Eastern Europe

People, A Global Agenda discusses the social impact of global transformations. A collaborative effort of more than fifty thinkers from countries throughout the world, the book contains specific proposals intended to address several of the major problems afflicting virtually every country today. The crises confronted by the contributors include poverty, unemployment, and social disintegration. Part One examines the need for a shift in our understanding of security from a political to a human sense of the term. Contributors devise strategies for improving human living conditions, and propose new frameworks of development cooperation and new patterns of global governance in order to enhance human security. Part Two highlights the impact of poverty in political, economic, social, and environmental terms. The character of unemployment, under-employment, low-productive employment, and the new phenomenon of jobless growth at the turn of the 21st century forms the heart of Part Three. The selections seek to delineate measures, at both the state and market level, for the expansion of productive employment and sustainable livelihoods, and for the role of new technology in this endeavor. Part Four examines the causes and impacts of the world's social disintegration and inequality, and advocates means by which social cohesion and justice can be enhanced.

The Xenophobe's Guide to the Japanese

Highlights the unique character and behavior of the nation. Frank, irreverent, funny--almost guaranteed to cure Xenophobia.

XENOPHOBE'S GUIDE TO THE ENGLISH

All roads lead to Czechia. The Czechs seem to believe that the Earth is the center of the Universe, Europe is the centre of the Earth, and Czechia is at the centre of Europe. Reality Czechs. The ability to put up with a situation adjusting as needs must has been elevated to an art form. Chuckling Czechs. Czech humor is distinguished by mad screams, breast and thigh slapping, and uncontrollable braying. Top of the Czech list. The Czechs would like to be seen as the cauldron in which all that's good from West and East melts; and if not the best, then at least one of the top nations in the world.

Hellenic Temples and Christian Churches

A guide to understanding the Americans which dispels or confirms preconceived prejudices with humour and insight.

The Xenophobe's Guide to the Danes

The guidebook has a long and distinguished history, going back to Biblical times and encompassing major cultural and social changes that have witnessed the transformation of travel. This book presents a journey through centuries of travel writing.

The Xenophobe's Guide to the Czechs

Told in a series of original essays with practical sidebar information, 100 Places in Greece Every Woman Should Go is for all lovers of Greece and the Greek way of life. Like all great travel writing, this volume goes beyond the guidebook and offers insight not only about where to go but why to go there. A combination of keen travel advice, memoir and meditations on the glories of Greece, 100 Places in Greece Every Woman Should Go is an indispensable companion, a must-have in your carry-on for the flight to Athens. Author Amanda Summer draws on a quarter century of traveling and living in Greece to lead you through the country as an insider would, to reveal the vineyards, cooking classes, archaeological treasures and contemplative hikes from Athens to Zakynthos, the Peloponnese to Crete. Along the way, she tells the stories of fascinating Greek women of myth and history and the places they influenced. These 100 stories capture art, culture, food, history and style with jaunts through the cities, the islands, and the interior backcountry. From sexy to mythological, from spiritual to romantic, 100 Places in Greece Every Woman Should Go is for the smart and curious traveler who wants to see Greece, her way.

The Xenophobe's Guide to the Americans

This collective study examines the transformation (metamorphosis) that Greece has experienced over the course of the 20th century by exploring its gradual evolution into a consolidated democracy,

an advanced economy in the Eurozone and a balanced partner in the EU and NATO promoting a stabilizing role in southeastern Europe. The book examines the variables contributing to the profiling of contemporary Greece, emphasizing the conceptual inertia bedevilling the studies of Greece in recent years by focusing on the elements that indicated the slow pace in the country's modernization. In conclusion, there is a need for Greece's constant commitment to functional adjustments regarding the country's economic, political and strategic priorities in order to promote effectively the role of regional stabilizer acting in concert with NATO and EU partners.

Worth the Detour

A thorough and insightful introduction to not only the essentials but the essence of Greek history and culture and its legacy.

The Persian Expedition

100 Places in Greece Every Woman Should Go
