The Angel Band

The daughter of widowed British shock rocker Eddie "Maddman" Maddox, seventeen-year-old Ashley, an aspiring musician herself, is desperate to escape her father's roving Rapunzel's tower and come off the road. Determined to experience a normal life before the last of her childhood slips away, she finally snips Eddie's parental puppet strings, leaving him holding an empty line for three days. Citing ancestral ties to the area, she devises a plan to persuade Eddie to plant her in the city of Annapolis, Maryland, in the States. There she finds love and cultivates a circle of best mates, who soon dub her "Moxie," with whom she begins to launch her own music career. Moxie, however, is harboring a fatal flaw, which will shave years off her life. When the inevitable happens at the starting gate of her career, her friends conspire with her closest mate in England to attempt the unheard of: hang her fallen star. Slowly, Moxie's earthly allies begin to realize that though everyone must die, not everyone lies down-entirely, that is. Follow this amazing and thought-provoking story as unlikely worlds collide in an effort to hang the grim reaper in effigy on his own front porch.

The Angel Band: a Christmas Musical Based on Luke 2:1-20

Following a trail of breadcrumbs that Lisa's dearly departed cousin, Ashley, showed her in a dream, she heads to America to search for Ashley's unpublished missing songs, only to discover that Glen, her allegedly deceased heart-throb, is still alive! However, she's fighting unfounded guilt stemming from the fact that he was Ashley's husband, and tries her best to keep him in the 'friend-zone', (totally unaware that her late cousin sent her to Annapolis for that very purpose). Volume 3 quickly develops into a romantic comedy, as the star-crossed duo keep attempting in vain to keep things platonic. In the midst of trying to maintain her 'make nice, not love' policy with Glen, Lisa joins forces with Glen and the rest of Ashley's former bandmates to try and find that missing music. Even as the search continues, they begin making plans to form a combined musical tour de force to win Ashley the fame and recognition that she was denied due to her untimely end. Meanwhile, more clues concerning the identity and whereabouts of Ashley's mysterious Aussie friend, Dahlia, begin to surface, and Libbet begins to make some progress in her obsession to have a two-way conversation with Ashley in order to get some answers about her still-unsolved murder. Eventually, Glen's taunting message to Moxie's killers, (from the Tarantella concert footage), finally reaches them in New Zealand, and they send someone to Annapolis to look into things. Finally, all the dominos begin to fall when the FBI apprises New Scotland Yard of their presence in Annapolis. Justice proves to own a sense of humor, as the FBI and the Yard set up a sting for the killers, as well as that hangman's noose for the grim reaper, as well...

Angel of the Band (vol 3)

TWINKLE AND THE ALL-STAR ANGEL BAND, DIRECTOR

A Band of Angels

Acclaimed author Ibi Kaslik takes readers backstage with up-and-coming Montreal band The Angel Riots on their American tour. The band's story unfolds through the eyes of Jim, a small-town violin prodigy who struggles with her past as well as her present; and Rize, an emotionally charged trombone player who is stuck playing sidekick to his best friend, charismatic lead singer Jules. As the band's popularity mounts, the pressures of road-life and success begin to complicate relationships and The Angel Riots' chaotic world threatens to implode. Dark and dazzling, this novel will firmly establish Kaslik's reputation as a young literary talent.

Twinkle and the All-Star Angel Band

Despite a Frank Maddox ordered communication blackout between Lisa and the Band, both sides manage to pick up the pieces after the plane crash that took Ashley's life and begin to prepare for a tour de force to win Ashley the fame and recognition which she was denied. Volume 2 follows Lisa's journey from a starry-eyed child prodigy to an adult, battle-scarred, whetstone-sharpened artist in her own right. Meanwhile, across the Atlantic, Glen and the band shift gears and begin to align themselves with the new direction which Ashley wanted to take upon completion of their ill-fated tour. Just as Lisa

prepares to go join them, her dying father, (Frank), tosses one last joker on the table. unaware that Ashley is keeping abreast of his every move. Even as all this is going on, the sound leaves breaking under the feet of Ashley's Aussie mate, Dahlia, can be heard at the edge of the lawn, so to speak. Who exactly is she? And why is she remaining in the shadows?

Verzweifelt sucht er nach einem Weg, Ivy zu warnen. Doch der Mörder schmiedet bereits neue Pläne. Ein Wettlauf gegen die Zeit beginnt ... Weil Ivys Mutter erneut geheiratet hat, muss Ivy nun mit ihr in die Villa ihres Stiefvaters und dessen Sohnes ziehen. In solchen Notsituationen erbittet Ivy meist die Hilfe der Engel. Amantha Starr, born and raised by a doting father on a Kentucky plantation in the years before the Civil War, is the heroine of this powerfully dramatic novel. At her father's death Amantha learns that her mother was a slave and that she, too, is to be sold into servitude. What follows is a vast panorama of one of the most turbulent periods of American History as seen through the eyes of star-crossed young woman. Amantha soon finds herself in New Orleans, where she spends the war years with Hamish Bond, a slave trader. At war's end, she marries Tobias Sears, a Union officer and Emersonian idealist. Despite sporadic periods of contentment, Amantha finds life with Tobias trying, and she is haunted still by her tangled past. "Oh, who am I?" she asks at the beginning of the novel. Only after many years, after achieving a hard-won wisdom and maturity, does she begin to understand that question. Band of Angels puts on ready display Robert Penn Warren's prodigious gifts. First published in 1955, it is one of the most searing and vivid fictional accounts of the Civil War era ever written.

Plastic Angel

The Angels roared out of the 1970s with multi-platinum albums, hits and record-breaking tours. The band was formed by the trio of Rick and John Brewster and Doc Neeson. Songs from their classic albums are as pertinent today as they were when they were released, thanks to John and Rick, the genius songwriting team, who, together with Doc, generated some of the greatest rock ever produced in this country. During the 2000s the Brewsters and Doc fell out and legal battles ensued. Eventually they settled differences and reformed, but Doc was ill and died in 2014. The Angels have since risen phoenix-like, with Screaming Jets front-man Dave Gleeson on vocals. With the Brewsters' twin-guitar attack in full flight and passion and ambitions reignited, they are once again at the top of the rock 'n' roll greasy pole. New albums, sell-out tours, rock festivals with thousands singing every song and roaring the infamous chant during the evergreen 'Am I Ever Gonna See Your Face Again'. Over the past two years they've regaled long-time associate Bob Yates with the inside story, warts and all. The result is the definitive book about one of Australia's most iconic rock bands. Special Bonus Feature: a video of an acoustic live version of No Secrets performed by Rick and John Brewster filmed in July 2017 is located in this eBook after the picture section.

Band of Angels is mainly about three individuals—John Wesley Thomas, a pastor; Jason McLeod, a husband and father; and Thirkiel, a leader of a Band of Angels of the Heavenly Host. The pastor tries desperately to impart what the Bible teaches and The Lord Jesus, has left here, on what is necessary for each Christian to live forever in Heaven, in the Kingdom of God. Through many teachings each Sunday, the pastor goes into the depths of the Word of God. Jason's upbringing did not teach him what it actually meant to be a Christian, only that to him, it was enough for him to be called himself a Christian by going to church every Sunday and believing that Mary had a Son named Jesus, who was the Christ. Thirkiel, is an Angel of the Heavenly Host! He is the leader of the Band of Angels whose headquarters was in the attic of the pastor's church, unknown and unseen by the pastor and the congregation. Jason finally learns what it really means to be a born-again believer one day too late.

Massive world tours. Over a hundred million albums sold. Groupies galore. Every day is a party for Viper and the guys of TBD, the biggest rock band in the world. But it all comes to a screeching halt when the lead singer walks out of the studio one day and never comes back. Ear-blistering vocals. Butchered lyrics. Fame chasers. After months of lackluster auditions, Viper, the lead guitarist and resident bad boy of the group, is ready to find solace in the bottom of a bottle. Time's running out and the pressure's on to find a new singer, but it isn't until an angel walks through the door that the band's prayers are answered. Charismatic. Talented. Magic behind the mic. Halo is everything they've been looking for. With a voice to match his stunning good looks, it isn't long before Viper's taking notice. But there are several reasons this is a bad idea: 1. Interpersonal relationships in the band are discouraged 2. Viper has already broken rule #1-big mistake 3. Halo is straight Too bad Viper's body isn't listening to his head-at least not the one on his shoulders. But you can't fake chemistry, not onstage and certainly not off it, and Viper and Halo? They have it in spades. As both men try to resist the fire blazing between them, and the band is forced to reinvent themselves, it'll be a complicated rise back to the top. But from the ashes of what was, something beautiful is born. Something better. And when the world finally sees Halo stretch his wings, they'll discover what it's like to fall for an angel.
