Asian Temple

The coloring pages in this book have been created from professional photographs. To color them, simply color over the shades of gray for a unique experience that results in your own masterpiece that looks like a painting. Perfect for both the novice colorist and the experienced colorist! The grayscale shading will show through your transparent pigments for beautiful results. Color over the gray, matching light and dark tones to reveal lifelike shading. Saturate the grayscale with heavy color, use the lightest of touches or simply let it be. Flood the page with vibrant brights or allow a softer color palette to emerge. As the colorist, you are free to immerse yourself in the space between black and white and explore the many shades of your imagination. The complex gray tones add variance and depth to your art, taking your adult coloring to the next level, resulting in pictures you'll be proud to share. It may appear a bit intimidating, but these grayscale coloring books are surprisingly simple. Just let the gray guide you when deciding where and how dark or light to color. Your image will come to life with amazing detail and realism. You will be amazed at the result! Creative Haven Japanese Designs Coloring Book

These ready-to-color illustrations perfectly capture the timeless beauty of traditional Japanese art and design. Thirty-one intricate illustrations draw inspiration from kimono and fabric patterns, Ukiyo-e and Edo period paintings and woodblock prints, lanterns and parasols, Shoji screens and window latticework, vintage matchbox art, and more. Pages are perforated and printed on one side only for easy removal and display. Specially designed for experienced colorists, Japanese Designs and other Creative Haven® adult coloring books offer an escape to a world of inspiration and artistic fulfillment. Each title is also an effective and fun-filled way to relax and reduce stress.

Asian Beauty

The coloring pages in this book have been created from professional photographs purchased from a reliable source. To color them, simply color over the shades of gray for a unique experience that results in your own masterpiece that looks like a painting. Perfect for both the novice colorist and the experienced colorist! The grayscale shading will show through your transparent pigments for beautiful results. Color over the gray, matching light and dark tones to reveal lifelike shading. Saturate the grayscale with heavy color, use the lightest of touches or simply let it be. Flood the page with vibrant brights or allow a softer color palette to emerge. As the colorist, you are free to immerse yourself in the space between black and white, explore the many shades of your imagination. The complex gray tones add variance and depth to your art, taking your adult coloring to the next level, resulting in pictures you'll be proud to share. It may appear a bit intimidating, but these grayscale coloring books are surprisingly simple. Just let the gray guide you when deciding where and how dark or light to color. Your image will come to life with great detail and realism. You will be amazed at the result! Features: * Full size (8.5"x 11"), white 60lb. paper * 50 single-sided grayscale images to color * Printed on medium weight paper * Fun & rewarding for all skill levels
