

questions and answers in attitude surveys experiments on question form wording and context by schuman howard presser stanley published by sage publications inc 1996

[#attitude surveys](#) [#question form wording](#) [#survey methodology](#) [#Schuman Presser](#) [#context effects](#)

This influential book by Schuman and Presser, published by Sage in 1996, meticulously explores the impact of question form, wording, and context on attitude surveys. Through insightful experiments, it offers critical understanding into how subtle variations can shape responses and data, providing essential guidance for researchers and practitioners in survey design and interpretation.

Each research document undergoes review to maintain quality and credibility.
