Nemesis

She was the wife of the Western Roman Emperor. She was the daughter of the Eastern Roman Emperor. She had wealth and power beyond compare. Everything should have been easy. But she lived during the tumultuous final years of the Roman Empire when violence and upheaval threatened from every side. The Shadows of Nemesis unveils the story of Licinia Eudocia. Based on the real-life, historic figure and actual events, it tells the epic tale of her heroic struggle against tyrants, traitors, barbarians, and kings. A naïve girl of sixteen when she wed Emperor Valentinian III, young Licinia Eudocia found herself part of a strange family whose sinister motives endangered her husband and threatened his power. In her effort to save him, she became the target of a vengeful sister, a scheming mother, and the vilest servant the world has ever seen. Over the course of her seventeen years on the throne, she prevailed against a barbarian onslaught, stood up to a merciless usurper, and went face-to-face with Atilla the Hun. Hers is a remarkable story of trial and achievement, aided at every turn by a mysterious amulet whose power and meaning lie just beyond her reach. The Shadows of Nemesis is a saga of romance?violence?intrigue?betrayal?and the limitless possibilities of redemption.

The Shadows of Nemesis

Time tends to run out in The All, the magical city where the sisters Arya and Lily live. The All is ruled by Gorvak and his council, and they can install time back into their little world. It has happened before. This time, however, something worse has happened. The All's magic supply has dwindled and stopped replenishing. Gorvak tells Arya and Lily that it is Bilark, a shadow warper, who is behind the crime of the city. Arya and Lily believe him, but then they see something. So does the rest of The All, but the rest of The All doesn't follow the signs. They see this, and their lives are changed forever, as they side with the 'enemy' . . .

Shadow Nemesis

When word finally reaches him that his sister and her family have died a horrid death at the hands of a cattle baron and his craven cowhands, Taggart McBain comes down off the mountain with bear traps, a double barrel coach gun, two LeMats, and a Winchester. He's on the hunt. When the task is done and blood soaks the Nemesis, NV desert, he receives a shock--his sister is still alive. Now, with posters on every trail in Idaho and Montana territories, and a killer's price on his head, he's on the prowl. What he finds is an equal shock, but not so much as to those who hunt him. When the hunter becomes the hunted, there's pure hell to pay.

Ryan and Anne Haggerty (Domain Of The Scorpion) now have a son - a stockbroker and Gulf War veteran - and a daughter Katie who is about the graduate from college. Shortly after an old enemy of Ryan's known as The Scorpion resurfaces, Katie is abducted by an Arab prince. This narrative takes the reader to the Emirates, Cyprus, and Central America.

The Shadow of Nemesis

The incredible return to the New York Times bestselling world of the Night Angel, where master assassin Kylar Stern embarks on a new adventure as the High King Logan Gyre calls on him to save his kingdom and the hope of peace. "Weeks has been showing other fantasy authors how it's done for over fifteen years." — Peter V. Brett, author of *The Desert Prince* "Weeks is a giant of the genre." — Nicholas Eames, author of *Kings of the Wyld* After the war that cost him so much, Kylar Stern is broken and alone. He's determined not to kill again, but an impending amnesty will pardon the one murderer he can't let walk free. He promises himself this is the last time. One last hit to tie up the loose ends of his old, lost life. But Kylar's best — and maybe only — friend, the High King Logan Gyre, needs him. To protect a fragile peace, Logan's new kingdom, and the king's twin sons, he needs Kylar to secure a powerful magical artifact that was unearthed during the war. With rumors that a ka'kari may be found, adversaries both old and new are on the hunt. And if Kylar has learned anything, it's that ancient magics are better left in the hands of those he can trust. If he does the job right, he won't need to kill at all. This isn't an assassination — it's a heist. But some jobs are too hard for an easy conscience, and some enemies are so powerful the only answer lies in the shadows. "Weeks writes in an inescapably engaging style. Breathlessly high stakes, terrible missteps, and unexpected revelations keep the story humming along at a breakneck pace." — Andrea Stewart, author of *The Bone Shard Daughter* For more from Brent Weeks, check out: *The Ka'kari Codex* *The Night Angel Trilogy* *The Way of Shadows* *Shadow's Edge* *Beyond the Shadows* *The Kylar Chronicles* *Night Angel Nemesis* *The Night Angel Trilogy: 10th Anniversary Edition* *Night Angel: The Complete Trilogy (omnibus)* *Perfect Shadow: A Night Angel Novella* *The Way of Shadows: The Graphic Novel* *Lightbringer* *The Black Prism* *The Blinding Knife* *The Broken Eye* *The Blood Mirror* *The Burning White*

Night Angel Nemesis

Book thirteen in the New York Times bestselling series After the horrors of Istvaan V, Horus declares outright war against the Imperium. In the shadows of the Emperor's Palace, powerful figures convene. Their plan is to send a team of assassins to execute the arch-traitor Horus and end the war for the galaxy of mankind before it's even begun. But what they cannot know is that Horus and his dark allies have already embarked on an equally sinister plan of their own.

Nemesis

The first book in a new crime series - Ram wakes up in a corridor with no memory of who he is - Then the doors open near him and he is confronted by the body of a dying man trying to tell him something.

The Nemesis of Faith ; Shadows of the Clouds

For Caillen Dagan, a defiant soldier of fortune, survival isn't a right: it's a brutal daily battle. Moving through the Ichidaian universe like a wraith, his brushes with the law and death are legendary. But when an act of rare heroism reveals his hidden birthright, he's forced into a world much more dangerous and cold-hearted than the bloody streets where he was raised - one of obscene wealth and lethal politics. Ferocious and determined, Desideria serves as an official bodyguard for her queen. Born of questionable genetics, she will do anything to prove herself worthy of the weapons she carries and the position she's won by combat. But when she uncovers a ruthless plot to assassinate the queen and overthrow her country's government, Desideria is caught in the crossfire. With assassination contracts out on both of them, Caillen and Desideria must learn to fight together or die alone. And if they fail, their governments will fall into the hands of an unimaginable evil.

Into the Shadows

"In the final book in the Diabolic trilogy, Nemesis must choose between love and justice as she watches her once-idealistic husband ravage the galaxy through his tyrannical rule"--

Born Of Shadows

An eternal shadow looms over the honored house of Tal'Realta. A dark guardian with a heart cast in ice and a bond that not even Heaven can break, stands vigilant beside his young master. But is he a curse or a blessing in disguise? A crime of passion set in motion the events that upset the delicate balance of power across the country of Alontenia, and now, the world will have to face its final judgement. A war between angels and demons has been waged, but only the Nemesis, a creature of all worlds and

none, can settle the score and decide the fate of all who dwell under the Solarian sun. Come forth, O' Breaker of Worlds, for the cycle has begun.

The Nemesis

Until death do us part. When Ardis and Wendel abandon the battlefields of Prussia and Austria-Hungary, they expect anonymity in America. Perhaps assassins and bloodshed will be no more than a distant nightmare. But not even the bustle of New York City offers them peace. Together, they must fight to escape the shadows of their pasts, and avoid a far more terrible future. Faced with a nemesis, one question remains. How far would you go to save the one you love?

Specters of Nemesis

SYNOPSIS - THE NEMESIS OF THE WORLDS After a long period of wars and famines, peace has finally come to the Kingdoms of the Central Lands. Following the defeat of their King, the demons and half-bloods have retreated to the Wastelands, under the leadership of the Queen and the children of their dead King. The Humans and Elves live quietly, attempting to reconstruct what was lost, unaware that the greatest threat that ever hung over them, a very different evil to anything they have ever known, waits patiently for the right moment to make a move. Five young boys, divided by race but united by destiny, must embark on a difficult task. To successfully accomplish this mission, they must come to understand and accept the meaning of friendship, sorrow and sacrifice, but will that be enough?....Please note well! The Nemesis Program (Ben Hope, Book 9)

Seattle twins Lenny and Cassie find themselves outmatched in a deadly game of shades and shadows perpetrated by old time nemesis Night Shadow who threatens to replace Cassie as the new Queen of the Whelfs. Since a new whelf queen can only be chosen during the Long Night contest, which is still nearly a year away, Cassie attempts to discover the covert plans of the tricky shadow whelf. This only leads to more mischief and threats that could destroy the lives of important members of her family. When Lenny and Jenna are caught in a floor collapse during the renovation of his castle, they suddenly vanish leaving perplexing clues behind. Cassy must discover Night Shadow's secret and rescue Lenny and Jenna or else accept defeat, the queenship and the ultimate respect of the whelfs. . . . the biggest "fault" in Erickson's tale is that we become so close to his characters that we don't want their story to end . . . -USReview on The Wizer Fair The aspects of the magical devices are constantly changing, giving the book a pleasantly challenging "puzzle" aspect . . . The Nemesis of the Worlds

Ram has cheated death - four times. Who is so desperate to kill him? And why? On the run, Ram finds himself on desolate moorland. He knows he is being stalked, but this time by something less than human . . . Ram is rescued by the seemingly generous and kind William and Mary. But his relief fades to suspicion and fear when, on learning he has no memory, they insist on calling him Noel. Ram is full of doubt. He has no memory of who he is, but he knows he is not Noel - doesn't he? And odd memories start to surface. Memories of guns, rifles, explosions. Strange phrases seem to ring bells. Why does Ram feel in his gut that his secret past is not just vitally important to him, but could have even global significance? Macphail brilliantly sets the clues and racks up the tension in the second of this four-part instalment about Ram and his deadly opponent, the Dark Man. As the series evolves it will be revealed that there is a global terrorist coup being plotted and Ram - unknowingly - holds the secret and the ability to prevent it. Will he realise in time - or will the Dark Man get to him first?

A Game of Shades and Shadows

In a bygone era, criminals owned the city but there were those willing to put on a costume to fight evil and corruption. Avenging the death of love ones, they fight in the night for those who cannot defend themselves. The Nightmare put on his mask to settle the score for his chauffeur's murdered daughter. The Pink Reaper donned her costume and gadgets to bring her uncle's killers to justice.. And Nemesis, the daughter of night herself, fights both the evil in this world and her own missing memory. Together and separately they battle for those the system has forgotten or is simply powerless to stop, that is until Zeus, the king of the gods who stole Nemesis's memories, come back to finish the job and destroy anyone who dares stand in his way.

Nemesis

The razor-sharp first novel in the Night Angel trilogy, from international bestseller Brent Weeks The perfect killer has no friends. Only targets. For Durzo Blint, assassination is an art. And he is the city's most accomplished artist, his talents required from alleyway to courtly boudoir. For Azoth, survival is precarious. Something you never take for granted. As a guild rat, he's grown up in the slums, and learned the hard way to judge people quickly - and to take risks. Risks like apprenticing himself to Durzo Blint. But to be accepted, Azoth must turn his back on his old life and embrace a new identity and name. As Kylar Stern, he must learn to navigate the assassins' world of dangerous politics and strange magics - and cultivate a flair for death. 'Brent Weeks is so good it's beginning to tick me off' Peter V. Brett 'Weeks has a style of immediacy and detail that pulls the reader relentlessly into the story. He doesn't allow you to look away' Robin Hobb 'I was mesmerised from start to finish. From the Shadows

Cassy lives with her granny, until the night that she hears strange footsteps coming into their flat. The next morning, she is packed off to her mum's - a squat in London that her beautiful, simple mother shares with a couple of actors. Cassy does her best to throw herself into her mother's life, even agreeing to take part in their travelling show called 'Wolf'. But she can't ever get rid of the feeling that something is following her, and something bad is going to happen. Her fear grows as time passes, until Cassy knows she must face up to her past: who her father is, why he left and where he has gone. What she doesn't know is that some questions are better left unanswered...

The Way Of Shadows

Selected as one of FEARNET.com's Best Books of 2012. The conclusion to the award-winning Timmy Quinn series. "We no longer need the sun to cast our shadows, for we have become them." For over twenty years Tim Quinn has lived in the shadow of death. Now, the Curtain has come down and the dead no longer need him to facilitate their vengeance. As the air turns amber, the shadows deepen, and murderous revenants begin to stalk the streets, Tim and the woman he loves must race to find Peregrine, the man they believe responsible for the sundering of the veil between the living and the dead. While the sins of the past intertwine with the present and vicious entities old and new arise to claim dominion, Tim must learn the secrets of The Stage and uncover the genesis of those who created it before The Stage becomes all there is. But just as there are enemies in Tim's dark new world, so too are there allies: The Conduits, people possessed of similar gifts who share a common goal: to find and destroy Peregrine before Peregrine destroys them all. In the final battle, Tim will fight not only for the woman he loves and the life she carries within her, but for the very fate of mankind. It is a battle that will transcend realms, cost lives, and at last bring Tim Quinn face to face with his nemesis. NEMESIS is the epic novel-length conclusion of the acclaimed Timmy Quinn series, which began in 2004 with the Bram Stoker Award-winning novella THE TURTLE BOY.

Wolf

One of the great intellectual achievements of the 20th century, Joseph Campbell's The Hero with a Thousand Faces is an elaborate articulation of the monomyth: the narrative pattern underlying countless stories from the most ancient myths and legends to the films and television series of today. The monomyth's fundamental storyline, in Campbell's words, sees "the hero venture forth from the

world of the common day into a region of supernatural wonder: fabulous forces are there encountered and a decisive victory is won: the hero comes back from this mysterious adventure with the power to bestow boons to his fellow man." Campbell asserted that the hero is each of us--thus the monomyth's endurance as a compelling plot structure. This study examines the monomyth in the context of Campbell's *The Hero* and discusses the use of this versatile narrative in 26 films and two television shows produced between 1960 and 2009, including the initial *Star Wars* trilogy (1977-1983), *The Time Machine* (1960), *Logan's Run* (1976), *Escape from New York* (1981), *Tron* (1982), *The Terminator* (1984), *The Matrix* (1999), the first 11 *Star Trek* films (1979-2009), and the Sci Fi Channel's miniseries *Frank Herbert's Dune* (2000) and *Frank Herbert's Children of Dune* (2003).

Nemesis: The Death of Timmy Quinn

The deadliest monsters are the ones lurking in the shadows. The ones you least expect to strike. Victor Morales took something from me and I was back to orchestrate his downfall. Everything was going according to plan until the man I left seven years ago was hired to protect me, again.

The Monomyth in American Science Fiction Films

As Aelio heads north, the shadow of his nemesis hangs over him. Up there, far from the land of his childhood, he'll have to compete in the most dangerous race of his life. This is the only way for him to truly bring glory to his name... and to carry out his revenge...

Nemesis

The fate of humanity once again hangs in the balance. The Guardian defeats his old enemies, but peace is short-lived. A shrouded nemesis from his past steps out of the shadows, jeopardizing the future of mankind. In a cat and mouse game, The Baron has his hands full tracking his deadly foe. They know him intimately but he knows little about them. Ignorance could prove deadly for humanity's protector as he investigates clues left behind by his adversary. But he underestimates their advanced technology and viciousness. While The Baron follows the bread crumbs left by his enemies, his wife discovers the pain-wracked depths of his past. She sees her husband in a new light and ponders life without him. The realization leads her to a life-changing decision. Lives will change when the shadows fade. The Baron will never be the same.

Gloria Victis - Tome 3 - 3. Nemesis

The Quest for the Holy Grail has begun. Three teenagers, Gerard, Ailis, and Newt, have earned a place on the Quest alongside the Knights of the Round Table. But they are not the only ones seeking this treasured cup. King Arthur's sinister half sister, Morgain le Fay, wants the Grail for herself. To make sure she doesn't fail, she has summoned help from someone more evil and powerful than she—the Shadow Companion. But what Morgain doesn't know is that the Shadow Companion has come with a secret agenda. Now it is more important than ever for Gerard, Ailis, and Newt to recover the Holy Grail . . . before a dark power gets it first.

Shadows of the Past

Even if it takes an eternity, he will make amends. Weakest link When an old friend from graduate school contacts Fred for help with her job at a top scientific facility, Fred feels a mixture of dread about renewing ties to her past and wistfulness for the quiet life she might have led entrenched in her research. But the night they are supposed to meet, her friend is gunned down, the seemingly innocent victim of a mob hit gone wrong. Fred is inconsolable. Although Angel and the others want to help, they have been called upon to solve a rash of murders among a group of wizards. These wizards are the only ones preventing an apocalyptic breach of the walls separating our reality from other, more-deadly worlds. Fred decides to leave the investigation and take her friend's place as a researcher in order to uncover the truth behind her murder. But when the worlds of scientific research and the supernatural collide, Fred may be the only one who can solve the case and stop the coming apocalypse.

Grail Quest #3: The Shadow Companion

The action-packed second book in the Night Angel series, from international bestseller Brent Weeks - an astonishing and epic tale of magic, violence and revenge. Kylar has rejected the assassin's life. In the wake of the Godking's violent coup, both his master and his closest friend are dead. His friend was

Logan Gyre, heir to Cenaria's throne, but few of the ruling class survive to mourn his loss. So Kylar is starting over: new city, new companions, and new profession. But when he learns that Logan might be alive, trapped and in hiding, Kylar faces an impossible choice. He could give up the way of shadows forever, and find peace with his young family. Or Kylar could succumb to his flair for destruction, the years of training, to save his friend and his country - and lose all he holds precious. Nemesis

The nail-biting third novel in the Night Angel series, from international bestseller Brent Weeks - an astonishing and epic tale of magic, violence and revenge. A new queen has usurped the throne and is leading Cenaria into disaster. The country has become a broken realm with a threadbare army, little food, and no hope. Kylar Stern plans to reinstate his closest friend Logan as King, but can he really get away with murder? In the north, the Godking's death has thrown Khalidor into civil war. To gain the upper hand, one faction attempts to raise the goddess Khali herself. But they are playing with volatile powers, and trigger conflict on a vast scale. Seven armies will converge to save - or destroy - an entire continent. Kylar has finally learnt the bitter cost of immortality, and is faced with a task only he can complete. To save his friends, and perhaps his enemies, he must assassinate a goddess. Failure will doom the south. Success will cost him everything he's ever loved. Blood and Steel

The latest action-packed instalment of a bestselling paranormal cozy mystery series. When one of Lily's friends is in trouble, she'll do whatever she can to help, even if it means risking her life. When one of Beren's ex-girlfriends is killed in a hit-and-run accident, the team is quickly on the case. It doesn't take long for them to realise it wasn't an accident. What's worse is that all the evidence points to Beren. Chad is happy to jump on the throw-Beren-in-Jail bandwagon, and he tries to thwart Angelica, James, Lily and the gang at every turn. His behaviour is beyond frustrating and could mean Beren spends the rest of his life locked up. While the good witches at the PIB do their best to untangle the mystery,

they might have to face the fact that Beren is guilty. Loathe to believe their kind friend is capable of such a cold-hearted murder, they continue to dig for clues, and it's not long before Liv and Lily are in grave danger. Can they get themselves out of the mess this time, or have they finally run out of luck? And will Chad and the directors get what they desire—the demise of Angelica, her supportive friends, and the PIB? One thing's for sure—if Chad gets his way, the world as Lily knows it will be gone forever....
