HE SAW A SCORCHED LAND OF FIERCE COLOUR

THE LIGHT BURNED THERE

CRUSTED BUILDINGS CAST THEIR SHADOWS

A BRIGHT SERPENT, A RIVER, UNCOILED ITSELF

RADIANT WITH SLIME

ON A BARE HILL, A BARE TREE SADDENED THE SKY

TO RETURN TO ITS CROSSED BOUGHS

LET ME GO THERE, HE SAID.

Awakening 290,061 views 5 years ago 6 minutes, 53 seconds - Words of Wisdom is a video series which shares the wisdom of **prophets**, sages, saints and mystics. This video focuses on Rumi, ... Born in Balkh (present-day Afghanistan). Jelaluddin Rumi (1207-1273) is one of the greatest Persian mystics and poets the world has known. His message of love speaks directly to the heart and transcends the limitations of language and the boundaries of time.

There is another language beyond language, another place beyond heaven and hell. Precious gems come from another mine, the heart draws light from another source.

How lonely it is on God's sea, with no shore in sight, and we, like ships in the night, navigate only by the grace of His light.

There is a loneliness more precious than life, there is a freedom more precious than the world.

Infinitely more precious than life and the world is that moment when one is alone with God.

Beyond belief and disbelief, lies the vast expanse of ecstasy, where the mystic lays his head on the cushion of Truth.

A platform that aims to create sparks of inspiration and wisdom in the souls of seekers of Truth.
