The Reader's Art

This rich introduction to the art of Virginia Woolf contains the complete texts of five short stories and eight essays, together with substantial excerpts from the longer fiction and nonfiction. An ideal volume for those encountering Woolf for the first time as well as for those already devoted to her work. Edited and with a Preface by Mitchell A. Leaska.

The Virginia Woolf Reader

"Jacob's Room is Virginia Woolf's experimental third novel, set in England as the country moves inexorably toward the outbreak of World War I. The text reprinted in this Norton Critical Edition is the first British edition produced by the Woolfs at the Hogarth Press, with the original layout and paragraph spacing." "A generous Contexts section provides extracts from Woolf's diaries and letters as well as comments on the novel from her fellow writers and friends, among them E. M. Forster and T. S. Eliot. Three of Woolf's short stories - "The Mark on the Wall," "Kew Gardens," and "An Unwritten Novel" - are included, allowing readers to trace Woolf's experimentation with the new narrative method she used in Jacob's Room. A fourth short story, "A Woman's College from Outside," was originally intended by Woolf to be Chapter 10 of Jacob's Room and is therefore also reprinted in this volume. Finally, Woolf's classic essay "Modern Novels" provides insight into her literary aesthetic and technique." ""Criticism" is divided into two sections. The first, "Contemporary Reception and Reviews," collects personal responses to Jacob's Room from Lytton Strachey and E. M. Forster as well as eleven reviews from contemporary periodicals. The second, "Critical Essays," offers insightful interpretations by Judy Little, Alex Zwerdling, Kate Flint, Kathleen Wall, and Edward L. Bishop. A Selected Bibliography is also included."--BOOK JACKET.

Art & Anger

The Common Reader' is a collection of essays by Virginia Woolf, published in two series, the first in 1925 and the second in 1932. The second series features essays on John Donne, Daniel Defoe, Dorothy Osborne, Mary Wollstonecraft, and Thomas Hardy, among others. CONTENTS: THE STRANGE ELIZABETHANS DONNE AFTER THREE CENTURIES "THE COUNTESS OF PEMBROKE'S ARCADIA" "ROBINSON CRUSOE" DOROTHY OSBORNE'S "LETTERS" SWIFT'S "JOURNAL TO STELLA" THE "SENTIMENTAL JOURNEY" LORD CHESTERFIELD'S LETTERS TO HIS SON TWO PARSONS:

JAMES WOODFORDE; JOHN SKINNER DR. BURNEY'S EVENING PARTY JACK MYTTON DE QUINCEY'S AUTOBIOGRAPHY FOUR FIGURES: COWPER AND LADY AUSTEN; BEAU BRUMMELL; MARY WOLLSTONECRAFT; DOROTHY WORDSWORTH WILLIAM HAZLITT GERALDINE AND JANE "AURORA LEIGH" THE NIECE OF AN EARL GEORGE GISSING THE NOVELS OF GEORGE MEREDITH "I AM CHRISTINA ROSSETTI" THE NOVELS OF THOMAS HARDY HOW SHOULD ONE READ A BOOK? Adeline Virginia Woolf (25 January 1882 – 28 March 1941) was an English writer, and one of the foremost modernists of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a central figure in the influential Bloomsbury Group of intellectuals.

Jacob's Room

An attempt to illuminate Virginia Woolf's aesthetic by providing an original theory regarding her use of the random frames provided by life. Her novels are shown to use windows, thresholds, mirrors and, less directly, rooms to frame scenes which chart the border between life and art.

THE COMMON READER (1935)

Adeline Virginia Woolf was an English writer, and one of the foremost modernists of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a central figure in the influential Bloomsbury Group of intellectuals. Her most famous works include the novels *Mrs Dalloway* (1925), *To the Lighthouse* (1927) and *Orlando* (1928), and the book-length essay *A Room of One's Own* (1929), with its famous dictum, "A woman must have money and a room of her own if she is to write fiction." This eBook contains 13 essays on *The Art of Fiction* by Virginia Woolf: *The Narrow Bridge of Art*. *Hours in a Library*. *Impassioned Prose*. *Life and the Novelist*. *On Rereading Meredith*. *The Anatomy of Fiction*. *Gothic Romance*. *The Supernatural in Fiction*. *Henry James's Ghost Stories*. *A Terribly Sensitive Mind*. *Women and Fiction*. *An Essay in Criticism*. *Phases of Fiction*.

Virginia Woolf: The Frames of Art and Life

As well as being one of the greatest novelists in the English language, Virginia Woolf was also a prolific essayist. In *Walter Sickert: A Conversation* (first published in 1934), Woolf argues for a close connection between the visual arts and literature and for Sickert's pre-eminence among living painters. The essay takes us behind the scenes at a dinner party among literary friends who have recently attended a Sickert exhibition. The language employed is vivid and quite unlike conventional art criticism. One, on entering the show, became all eye. I flew from colour to colour, from red to blue, from yellow to green. Colours went spirally through my body lighting a flare as if a rocket fell through the night... Another argues that Sickert's skills as a portraitist make him a great biographer... When he paints a portrait I read a life Another argues that He is more of a novelist than a biographer... He likes to set his characters in motion, to see them in action. On one thing they all agree: Sickert is probably the best painter now living in England. Since its original publication, this new edition features the original cover artwork, a charming pen-and-ink drawing by Virginia Woolf's sister, the artist Vanessa Bell.

The Art of Fiction

First delivered as a speech to schoolgirls in Kent in 1926, this enchanting short essay by the towering Modernist writer Virginia Woolf celebrates the importance of the written word. With a measured but ardent tone, Woolf weaves together thought and quote, verse and prose into a moving tract on the power literature can have over its reader, in a way which still resounds with truth today. I have sometimes dreamt, at least, that when the Day of Judgement dawns and the great conquerors and lawyers and statesmen come to receive their rewards – their crowns, their laurels, their names carved indelibly upon imperishable marble – the Almighty will turn to Peter and will say, not without a certain envy when he sees us coming with our books under our arms, "Look, these need no reward. We have nothing to give them here. They have loved reading."

Walter Sickert

Mrs. Dalloway takes place over the course of a single day in a woman's life in 1920's London. There are flowers to buy, outfits to choose, but also a visit from a past lover, and the tragic fate of a young war veteran who cannot adjust to life in post-war London. Virginia Woolf's supple and mesmerizing account of an ordinary day draws the reader into the minds, perceptions, and emotions of an astonishingly

varied and vivid cast of characters. Woolf reminds us that each day, hour, and even minute of our lives harbors the potential to transform us and those around us. Luminously beautiful, Mrs. Dalloway uses the internal monologues of the characters to tell a story of inter-war England. With this, Virginia Woolf changed the novel forever.

How Should One Read a Book?

Woolf's first novel is a haunting book, full of light and shadow. It takes Mr. and Mrs. Ambrose and their niece, Rachel, on a sea voyage from London to a resort on the South American coast. "It is a strange, tragic, inspired book whose scene is a South American land not found on any map and reached by a boat which would not float on any sea, an American land whose spiritual boundaries touch Xanadu and Atlantis" (E. M. Forster).

The Common Reader

This volume combines two books by Virginia Woolf which are among the greatest contributions to feminist literature this century. They consider the implications of the historical exclusion of women from education and from economic independence.

Mrs. Dalloway

Gathers Virginia Woolf's earliest essays, reviews, and biographical sketches and provide an introduction and background notes.

The Voyage Out

Here, in twenty-six essays, Woolf writes of English literature in its various forms, including the poetry of Donne, the novels of Defoe, Sterne, Meredith, and Hardy; Lord Chesterfield's letters and De Quincey's autobiography. She writes, too, about the life and art of women. Edited and with an Introduction by Andrew McNeillie; Index.

A Room of One's Own

The last book Virginia Woolf saw into print before her death, Roger Fry, is her one serious full-length biography. This edition is based on the text first published by the Hogarth Press in 1940, emended to include corrections Woolf requested but which were never made in the impressions printed by the Press before her death. A relatively complete typescript version of the biography survives, as part of the Berg Collection at the New York Public Library, and the results of a computer collation of this typescript with the first English edition have been taken into account by the editor in her introduction. The typescript reveals Woolf's revising and editing process in response to stylistic concerns and to the actual or anticipated reactions of her readers, including Fry's family and friends.

Critics on Virginia Woolf

'A good essay must draw its curtain round us, but it must be a curtain that shuts us in, not out.' According to Virginia Woolf, the goal of the essay 'is simply that it should give pleasure...It should lay us under a spell with its first word, and we should only wake, refreshed, with its last.' One of the best practitioners of the art she analysed so rewardingly, Woolf displayed her essay-writing skills across a wide range of subjects, with all the craftsmanship, substance, and rich allure of her novels. This selection brings together thirty of her best essays, including the famous 'Mr Bennett and Mrs Brown', a clarion call for modern fiction. She discusses the arts of writing and of reading, and the particular role and reputation of women writers. She writes movingly about her father and the art of biography, and of the London scene in the early decades of the twentieth century. Overall, these pieces are as indispensable to an understanding of this great writer as they are enchanting in their own right. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The essays of Virginia Woolf

Julia Briggs has written a chronological exploration of Woolf's life that reads her life through her books, using the novels to create a new form of biography. Each chapter is illustrated with a sample of Woolf's original manuscript.

The Second Common Reader

FOREWORD BY ALI SMITH WITH AN INTRODUCTION BY FRANCESCA WADE Who better to serve as a guide to great books and their authors than Virginia Woolf?

Roger Fry

One of the most distinguished critics and innovative authors of the twentieth century, Virginia Woolf published two novels before this collection appeared in 1921. However, it was these early stories that first earned her a reputation as a writer with "the liveliest imagination and most delicate style of her time." Influenced by Joyce, Proust, and the theories of William James, Bergson, and Freud, she strove to write a new fiction that emphasized the continuous flow of consciousness, time's passage as both a series of sequential moments and a longer flow of years and centuries, and the essential indefinability of character. Readers can discover these and other aspects of her influential style in the eight stories collected here, among them a delightful, feminist put-down of the male intellect in "A Society" and a brilliant and sensitive portrayal of nature in "Kew Gardens." Also included are "An Unwritten Novel," "The String Quartet," "A Haunted House," "Blue & Green," "The Mark on the Wall," and the title story. In recent years, Woolf's fiction, feminism, and high-minded sensibilities have earned her an ever-growing audience of readers. This splendid collection offers those readers not only the inestimable pleasures of the stories themselves, but an excellent entrée into the larger body of Woolf's work. Includes a biography of the author.

Selected Essays

Here, in twenty-six essays, Woolf writes of English literature in its various forms, including the poetry of Donne; the novels of Defoe, Sterne, Meredith, and Hardy; Lord Chesterfield's letters and De Quincey's autobiography. She writes, too, about the life and art of women. Edited and with an Introduction by Andrew McNeillie; Index.

Virginia Woolf

The last half of the twentieth century has seen the emergence of literary theory as a new discipline. As with any body of scholarship, various schools of thought exist, and sometimes conflict, within it. I.R. Makaryk has compiled a welcome guide to the field. Accessible and jargon-free, the Encyclopedia of Contemporary Literary Theory provides lucid, concise explanations of myriad approaches to literature that have arisen over the past forty years. Some 170 scholars from around the world have contributed their expertise to this volume. Their work is organized into three parts. In Part I, forty evaluative essays examine the historical and cultural context out of which new schools of and approaches to literature arose. The essays also discuss the uses and limitations of the various schools, and the key issues they address. Part II focuses on individual theorists. It provides a more detailed picture of the network of scholars not always easily pigeonholed into the categories of Part I. This second section analyses the individual achievements, as well as the influence, of specific scholars, and places them in a larger critical context. Part III deals with the vocabulary of literary theory. It identifies significant, complex terms, places them in context, and explains their origins and use. Accessibility is a key feature of the work. By avoiding jargon, providing mini-bibliographies, and cross-referencing throughout, Makaryk has provided an indispensable tool for literary theorists and historians and for all scholars and students of contemporary criticism and culture.

Genius and Ink: Virginia Woolf on How to Read

Presents a coherent and accessible historical account of the major phases of British and American Twentieth-century criticism, from 'decadent' aestheticism to feminist, deconstructionist and post-colonial theories. Special attention is given to new perspectives on Shakespearean criticism, theories of the novel and models of the literary canon. The book will help to define and account for the major developments in literary criticism during this century exploring the full diversity of critical work from major critics such as T S Eliot and F R Leavis to minor but fascinating figures and critical schools. Unlike most guides to modern literary theory, its focus is firmly on developments within the English speaking world.

Virginia Woolf - Monday Or Tuesday

Woolf began work on *The Voyage Out* by 1910 (perhaps as early as 1907) and had finished an early draft by 1912. The novel had a long and difficult gestation; it was not published until 1915, as it was written during a period in which Woolf was especially psychologically vulnerable. She suffered from periods of depression and at one point attempted suicide. The resultant work contained the seeds of all that would blossom in her later work: the innovative narrative style, the focus on feminine consciousness, sexuality and death.

The Common Reader

Taking family, friends and servants as her subjects, Woolf presents a series of impressions of the people around her. And as she describes their lives - including a piece on her nephew Julian Bell, and sketches on Lady Ottoline Morrell and Lady Strachey - she also reveals her attitudes - to her writing, war and education.

Encyclopedia of Contemporary Literary Theory

Discover Virginia Woolf's landmark essay on women's struggle for independence and creative opportunity *A Room of One's Own* is one of Virginia Woolf's most influential works and widely recognized for its extraordinary contribution to the women's movement. Based on a lecture given at Girton College, Cambridge, it is one of the great feminist polemics, ranging in its themes from Jane Austen and Charlotte Brontë to the silent fate of Shakespeare's gifted (imaginary) sister, and the effects of poverty and sexual constraint on female creativity. The work was ranked by *The Guardian* newspaper as number 45 in the 100 World's Best Non-fiction Books. Part of the bestselling Capstone series, this collectible, hard-back edition of *A Room of One's Own* includes an insightful introduction by Jessica Gildersleeve that explains the book's place in modernist literature and why it still resonates with contemporary readers. Born in 1882, Virginia Woolf was one of the most forward-thinking English writers of her time. Author of the classic novels *Mrs Dalloway* (1925) and *To the Lighthouse* (1927), she was also a prolific writer of essays, diaries, letters and biographies, and a member of the celebrated Bloomsbury Set of intellectuals and artists. Discover why *A Room of One's Own* is considered among the greatest and most influential works of female empowerment and creativity. Learn why Woolf's classic has stood the test of time. Make this attractive, high-quality hardcover edition a permanent addition to your library. Enjoy an insightful introduction by Jessica Gildersleeve, who connects the themes of the text to the concerns of today's audience. Capstone Classics brings *A Room of One's Own* to a new generation of readers who can discover how Woolf's book broke new artistic ground and advanced the position of women writers and creatives around the world.

Criticism and Literary Theory 1890 to the Present

A volume in the *Writers and Their Work* series, which draws upon recent thinking in English studies to introduce writers and their contexts. Each volume includes biographical material, an examination of recent criticism, a bibliography and a reappraisal of a major work by the writer.

The Voyage Out

This multi-authored volume focuses on Leonard and Virginia Woolf's Hogarth Press (1917-1941). Scholars from the UK and the US use previously unpublished archival materials and new methodological frameworks to explore the relationships forged by the Woolfs.

The Platform of Time

In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings, drawing on writers as diverse as Henry James, Martin Amis, Jane Austen and James Joyce. Looking at ideas such as the Intrusive Author, Suspense, the Epistolary Novel, Magic Realism and Symbolism, and illustrating each topic with a passage taken from a classic or modern novel, David Lodge makes the richness and variety of British and American fiction accessible to the general reader. He provides essential reading for students, aspiring writers and anyone who wants to understand how fiction works.

A Room of One's Own

Adeline Virginia Woolf (1882–1941) was an English writer. She is widely hailed as being among the most influential modernist authors of the 20th century and a pioneer of stream of consciousness

narration. She suffered numerous nervous breakdowns during her life primarily as a result of the deaths of family members, and it is now believed that she may have suffered from bipolar disorder. In 1941, Woolf drowned herself in the River Ouse at Lewes, aged 59. She produced a large corpus of work during her lifetime including novels, short stories, essays and more. She also wrote a large number of biographies concerning prominent writers of her time, the best of which are contained within this volume. A fantastic collection of essays and biographies perfect for students of English Literature and other lovers of the written word. Contents include: "Virginia Woolf", "The Common Reader", "Harriette Wilson", "'I Am Christina Rossetti'", "Lord Chesterfield's Letters to his Son", "De Quincey's Autobiography", "Roger Fry", "Dorothy Osbourne's 'Letters'", "The Art of Biography", "The Humane Art", "Sara Coleridge", "Madame de Sevigne" and "Personalities". Other notable works by this author include: "To the Lighthouse" (1927), "Orlando" (1928), and "A Room of One's Own" (1929). Read & Co. Great Essays is proudly publishing this brand new collection of classic essays now complete with a specially-commissioned new biography of the author.

Virginia Woolf

A Room of One's Own is a very clear example of how creative thinkers connect and present things in novel ways. Based on the text of a talk given by Virginia Woolf at an all-female Cambridge college, Room considers the subject of 'women and fiction.' Woolf's approach is to ask why, in the early 20th century, literary history presented so few examples of canonically 'great' women writers. The common prejudices of the time suggested this was caused by (and proof of) women's creative and intellectual inferiority to men. Woolf argued instead that it was to do with a very simple fact: across the centuries, male-dominated society had systematically prevented women from having the educational opportunities, private spaces and economic independence to produce great art. At a time when 'art' was commonly considered to be a province of the mind that had no relation to economic circumstances, this was a novel proposal. More novel, though, was Woolf's manner of arguing and proving her contentions: through a fictional account of the limits placed on even the most privileged women in everyday existence. An impressive early example of cultural materialism, A Room of One's Own is an exemplary encapsulation of creative thinking.

Leonard and Virginia Woolf, The Hogarth Press and the Networks of Modernism

Forty-eight essays from the literary and biographical writings. Selected, edited, and with a Preface by Mary Lyon.

The Art of Fiction

'I shall never forget the day I wrote "The Mark on the Wall" - all in a flash, as if flying, after being kept stone breaking for months. "The Unwritten Novel" was the great discovery, however. That - again in one second - showed me how I could embody all my deposit of experience in a shape that fitted it... I saw, branching out of the tunnel I made, when I discovered that method of approach, Jacob's Room, Mrs Dalloway etc - How I trembled with excitement.' The thrill Woolf got from these stories is readily apparent to the reader. She wrote them in defiance of convention, with a heady feeling of liberation and with a clear sense that she was breaking new ground. Indeed, if she had not made her bold and experimental forays into the short story in the period leading up to the publication of Jacob's Room (1922), it seems certain that her arrival as a great modernist novelist would have been delayed. Quirky, unrestrained, disturbing and surprising, many of these stories, particularly the early ones, are essential to an understanding of Woolf's development as a writer. She thought some of her short fiction might be 'unprintable' but, happily, she was mistaken.

The Art of Biography - A Collection of Essays

Woolf's third novel published in 1922 centers around the life of Jacob Flanders. In an innovative style, Jacob is presented to the reader entirely through impressions of the other characters including the repressed upper-middle-class Clara Durrant and the uninhibited young art student Florinda. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously

hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

An Analysis of Virginia Woolf's A Room of One's Own

The 'Common Reader' is a collection of essays by Virginia Woolf, published in two series, the first in 1925 and the second in 1932. The title indicates Woolf's intention that her essays be read by the educated but non-scholarly "common reader," who examines books for personal enjoyment. Woolf outlines her literary philosophy in the introductory essay to the first series, "The Common Reader," and in the concluding essay to the second series, "How Should One Read a Book?" The first series includes essays on Geoffrey Chaucer, Michel de Montaigne, Jane Austen, George Eliot, and Joseph Conrad, as well as discussions of the Greek language and the modern essay. The second series features essays on John Donne, Daniel Defoe, Dorothy Osborne, Mary Wollstonecraft, and Thomas Hardy, among others.

Books and Portraits

A Handbook on Woolf's achievements as an innovative novelist and pioneering feminist theorist. It studies her life, her works, her relationships with other writers, her professional career, and themes in her work including among others feminism, sexuality, education, and class.

Leave the Letters Till We're Dead

'Memoirs of a Novelist' is a collection of five of Virginia Woolf's earliest stories. In them, she explores the role of women in society, and begins to perfect the stylistic form that would go on to define her later writing.

The Mark on the Wall and Other Short Fiction

Recycling Virginia Woolf in Contemporary Art and Literature examines Woolf's life and oeuvre from the perspective of recycling and provides answers to essential questions such as: Why do artists and writers recycle Woolf's texts and introduce them into new circuits of meaning? Why do they perpetuate her iconic figure in literature, art and popular culture? What does this practice of recycling tell us about the endurance of her oeuvre on the current literary, artistic and cultural scene and what does it tell us about our current modes of production and consumption of art and literature? This volume offers theoretical definitions of the concept of recycling applied to a multitude of specific case studies. The reasons why Woolf's work and authorial figure lend themselves so well to the notion of recycling are manifold: first, Woolf was a recycler herself and had a personal theory and practice of recycling; second, her work continues to be a prolific compost that is used in various ways by contemporary writers and artists; finally, since Woolf has left the original literary sphere to permeate popular culture, the limits of what has been recycled have expanded in unexpected ways. These essays explore today's trends of fabricating new, original artefacts with Woolf's work, which thus remains completely relevant to our contemporary needs and beliefs
