My Bible Coloring Book

God Cares for Me—A Read-to-Me Bible Story Coloring Book introduces children to the story of Paul's shipwreck on his way to Rome (found in Acts 27). Told in simple rhyming verses that children will love, this story will help young ones understand how much God cares for them and is with them in times of need. When we know how much God cares for us, we don't need to be afraid. As Isaiah 41:10 expresses it, "Do not fear, for I am with you."

Bible Coloring Book for Grown-Ups 1

The books are Christian children colouring books which can be used for Sunday schools and at home, they also help to describe words with pictures and the fun side is the colouring for the children. The one advantage about my books can be used by psychologists, that if a child has some type of problem it can be picked through the colours they use to colour in with, for example; if a child colours in with bright colours it means they are happy and are in a very secure life style, but if the colours they use are dark it could mean that the child has some problems, such as been abused or miss treated. So these books will help children in all aspects of life and set a good foundation for their futures.

Color the Psalms

The original woodcuts from the Cologne Bible (1479) taught Bible stories soon after printing began, and, at the same time, became favorites for coloring.
