[#romantic poetry](#) [#love through words](#) [#forbidden love poems](#) [#poetic expression of love](#) [#longing in poetry](#)

Embark on a journey into the world of romantic poetry, where profound love finds its voice purely through words, even when the beloved's touch is forbidden. This exploration delves into the deep emotional landscape of loving intensely through verse, crafting poems that speak to the heart's yearning and the enduring power of expression when physical intimacy is denied. Discover the art of conveying passion and devotion through the eloquent language of the soul.

To The Love of My Life Spoken Word Poetry - To The Love of My Life Spoken Word Poetry by Mel's Thoughts 1,174,120 views 6 years ago 1 minute, 33 seconds - A **love poem**, I decided to write from

a guy's perspective. Something **that**, just came to mind after listening to **love**, songs. Enjoy!

Soft hands, a warm smile

Maybe we're not molded into a picture perfect Hollywood couple

But the imperfections and the struggles we face together

Are what make us stronger and show us that this love is worth fighting for

I came across you and felt a love I never felt and do not want to lose

Maybe I stumble across my words and fail at times when you need me by your side

The fated red string between us is our connection

And the proof of how we are meant to be

In the words of Edgar Allan Poe
