Intro

A king who doesn't tolerate comments about his mouth

A happy man marries the girl he loves

A girl's patience can only be recognized by

A feather is just a delicate thing

A dog cannot eat a bone tied to a snake
A cloudy sky doesn't always cry rain
The eye of a snake is big
The day does not return
The ceiling won't stay
Aggressive tactics do not yield positive outcomes
Positive and appealing qualities draw more attention and interest
Lack of consideration for others
Running water can never jump over a hole
People who drink to drown their sorrows should be told
Challenges persist
Appearances can be deceiving
He will always see the sky
It will never change into fish
A coffin might look
Negotiate with your enemy
Many hands may be in love with one Cock
Life is Vanity
Beget Kings
