WHOEVER has made a voyage up the Hudson must remember the Kaatskill Mountains. They are a dismembered branch of the great Appalachian family, and are seen away to the west of the river, swelling up to a noble height and lording it over the surrounding country. Every change of season, every change of weather, indeed, every hour of the day, produces some change in the magical hues and shapes of these mountains, and they are regarded by all the good wives, far and near, as perfect barometers. When the weather is fair and settled, they are clothed in blue and purple, and print their bold outlines on the clear evening sky; but sometimes, when the rest of the landscape is cloudless, they will gather a hood of gray vapors about their summits, which in the last rays of the setting sun will glow and light up like a crown of glory. ...

The Chronicles of Narnia

Soon to be a major motion picture from Academy Award-winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. Nightmare Alley begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd's gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carny, and he wonders how a man could fall so low. There's no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he's going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan's for the taking. At least for now.

Angry cats, scary watchdogs, and grouchy gophers are only the half of it... But then he befriends Garf, a sad and friendless boy at the camp. Though he wants desperately to be back home with his relatives, Ralph realizes that he may need to help Garf before he can help himself. Runaway Ralph is perfect for independent reading or for shared reading at home or in a classroom. This fun story is the second of a trilogy, along with *The Mouse and the Motorcycle* and *Ralph S. Anne Brontë, the youngest and most enigmatic of the Brontë sisters, remains a bestselling author nearly two centuries after her death. The brilliance of her two novels – Agnes Grey and The Tenant of Wildfell Hall – and her poetry belies the quiet, yet courageous girl who often lived in the shadows of her more celebrated sisters. Yet her writing was the most revolutionary of all the Brontës, pushing the boundaries of what was acceptable. This revealing new biography opens Anne's most private life to a new audience and shows the true nature of her relationship with her sister Charlotte.

A companion guide to THE TRIALS OF APOLLO series, set in the world of PERCY JACKSON. Camp Half-Blood FYI is the funny insider's guide to the demigod training camp in Long Island, narrated by none other than Percy Jackson himself, and other favourite characters will be heard from, too. In response to an awful camp orientation video created by the god Apollo, Percy Jackson and other residents of Camp Half-Blood answer such questions as "What is this place?" and "Do I get to keep the T-shirt?" Newbies can check out the section on the Divine Cabins, read up on Magical Landmarks, and consult the chapter of Training Arenas. But Camp Half-Blood Confidential explores much more than just the buildings and grounds. It includes info that can only be learned from those who live there. For instance, campers do not always co-exist in peace and harmony. The camp is not run with superior efficiency. Prophecies do not flow forth with great regularity. Sprinkled throughout are stories from heroes who have called Camp Half-Blood home or just passed through on their way to places unknown. Chiron himself introduces the book with a brief history of training based on his millennia of experience. And, of course, divine words of wisdom from the god Apollo himself are included, because the demigod authors would prefer not to be struck down by him, thank you very much.

Wifey

In this fabulous short story, the crown jewel of John Cheever's Pulitzer Prize-winning collection *The Stories of John Cheever*, a man agonizes about class privilege and racism, confessing to the knowledge of a terrible crime and exposing a quiet American family's darkest secrets. Wandering about the sleepy Connecticut town of his childhood, where residents lead lives of grueling boredom, a journalist reminisces about the Cabot children: Molly, a sweet girl and his first love; Geneva who pilfered her mother's diamonds from the clothesline and ran off to the Middle East; Wallace, Mr. Cabot's bastard son who lives in the tenements across the river; and the dwarf, Mrs. Cabot's child from an earlier marriage. An ebook short. A Vintage Shorts "Short Story Month" Selection.

After the Snow Falls

From acclaimed Nigerian storyteller Atinuke, the first in a series of chapter books set in contemporary West Africa introduces a little girl who has enchanted young readers. Anna Hibiscus lives in Africa, amazing Africa, with her mother and father, her twin baby brothers (Double and Trouble), and lots of extended family in a big white house with a beautiful garden in a compound in a city. Anna is never lonely—there are always cousins to play and fight with, aunties and uncles laughing and shouting, and parents and grandparents close by. Readers will happily follow as she goes on a seaside vacation, helps plan a party for Auntie Comfort from Canada (will she remember her Nigerian ways?), learns firsthand what it's really like to be a child selling oranges outside the gate, and longs to see sweet snow. Nigerian storyteller Atinuke's debut book for children and its sequels, with their charming (and abundant) gray-scale drawings by Lauren Tobia, are newly published in the US by Candlewick Press, joining other celebrated Atinuke stories in captivating young readers.

Mysteries According to Humphrey

'Poverty is a very exacting teacher and I had been taught well' The post-war urban jungle of the Glasgow tenements was the setting for Molly Weir's childhood. From sharing a pull-out bed in her mother's tiny kitchen to running in terror from the fever van, it was an upbringing that was cemented in hardship. Hunger, cold and sickness was an everyday reality and complaining was not an option. Despite the crippling poverty, there was a vivacity to the tenements that kept spirits high. Whether Molly was brushing the hair of her wizened neighbour Mrs MacKay, running to Jimmy's chip shop for a ha'penny of crimps or dancing at the annual fair, there wasn't a moment to spare for self-pity. Molly never let it get her down as she and the other urchins knew how to make do with nothing. And at the centre of her world was her fearsome but loving Grannie, whose tough, independent spirit taught Molly to rise above her pitiful surroundings and achieve her dreams.

Contents: My Man Jeeves Extricating Young Gussie Right Ho, Jeeves Jeeves is a fictional character in a series of humorous short stories and novels by P. G. Wodehouse, being the highly-competent valet of a wealthy and idle young Londoner named Bertie Wooster created in 1915. Both the name "Jeeves" and the character of Jeeves have come to be thought of as the quintessential name and nature of a valet or butler, inspiring many similar characters. The premise of the Jeeves stories is that the brilliant valet is firmly in control of his rich and foppish young employer's life. Jeeves becomes Bertie Wooster's protector and all-purpose problem solver, devising subtle plans to rescue Bertie and his friends from tiresome social obligations, demanding relatives, brushes with the law, and, above all, problems involving women. Wodehouse derives much comic effect from having Bertie, his narrator, remain blissfully unaware of Jeeves's machinations, until all is revealed at the end of the story.
