

Bribery And Extortion Undermining Business Governments And Security

[#bribery and extortion](#) [#corruption impact](#) [#business integrity](#) [#government transparency](#) [#national security risks](#)

Bribery and extortion are pervasive threats that profoundly undermine the foundation of ethical business practices, cripple government integrity, and pose significant risks to global and national security. These illicit activities erode public trust, distort markets, and create an unstable environment for economic growth and societal well-being.

Educators can use these resources to enhance their classroom content.
