Building on... Achievement in Year 9 English works well as a stand alone homework book but it is best teamed with its accompanying textbook *How to... Achieve in Year 9 English*. It will help teachers to quickly and effectively set useful homework, capitalising on the teaching, rather than using isolated activities and 'busy' work that has little relevance to your course of study. Each unit has several focuses. One relates to the basic skills of English while the second focuses on aspects of language and its uses. Students should be able to complete each unit within an hour.
