Children's Gospel Story-sermons

Excerpt from Children's Gospel Story-Sermons These are Story Sermons. They are not stories and must not be so judged. Some times they tag a moral to a tale. They are not sermons and must not be tested by the one, two, three method of the classroom or the pulpit. Simplicity has been aimed at but the great central doctrines of the Christian faith have not been neglected. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. CHILDRENS STORY-SERMONS

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

The Conversion of Children - Scholar's Choice Edition

The kindly reception given to the two preceding volumes, "Children's Story Sermons" and "Children's Missionary Story Sermons," together with the persuasive insistence of the children and their friends, have led to the publication of this volume of "Children's Gospel Story Sermons." During the past few years there has been an encouraging increase in the publication of religious literature for children. It is impossible to exaggerate the value and importance of meeting a need that is obvious to all who think. The danger is that those who attempt to meet the need may miss the mark. These are Story Sermons. They are not stories and must not be so judged. Sometimes they "tag a moral to a tale." They are not sermons and must not be tested by the one, two, three method of the classroom or the pulpit. Simplicity has been aimed at but the great central doctrines of the Christian faith have not been neglected. Sir James Barrie in "The Little Minister" says that the first question always asked of the child in his day was not, "What is your name?" but "What are you going to be?" and that one child in every family replied, "A minister." If this volume succeeds in interesting one outstanding boy to become a minister who will preach better Story Sermons than these, the purpose of this book will have been secured, H. T. K.
