Packed with learning exercises and fun activities, the Angry Birds Playground: Atlas will transform kids into explorers and leave them wanting more adventure.

Vikings

Explore the history of Ellis Island, one of the most recognized landmarks in American history. Kids will learn about its early history as a Mohegan island and rest spot for fishermen through its time as a famous immigration station to today's museum. The level 3 text provides accessible, yet wide-ranging, information for independent readers.

Angry Birds Playground: Atlas

"Over 1,111 answers to everything"--Cover.

National Geographic Readers: Ellis Island

A collection of fun and surprising facts about our world.

National Geographic Kids Why Not?

"Facts, pictures and information about dogs for young children"--

Weird But True! 5

It was 2:00 A.M. on April 15, 1912, in the middle of the icy Atlantic Ocean. Eventeen year- old Jack Thayer stood on the slanted deck of the RMS Titanic and weighed his options—Jump, or die, he thought. The huge ship had just struck an iceberg and was taking on water. Making matters worse, all the lifeboats were full. Jack closed his eyes for a moment. Suddenly, a noise like a train crash startled him. This was it—the Titanic was going down! Titanic's Passengers and Crew is a compilation of compelling stories about the people aboard the luxurious—and supposedly unsinkable—ship. From wealthy first-class passengers like Jack Thayer to third-class travelers and crew, readers will meet and learn the harrowing tales of some of the most noteworthy people on the ship. Large-format color images,

maps, and fact boxes bring the fear and panic the passengers and crew faced into clear, terrifying focus. Titanic's Passengers and Crew is part of Bearport's Titanica series.

Woof!

From pyramids and mummies to pharaohs and gods, kids will learn all about the history and culture of this fascinating land.

Titanic's Passengers and Crew

"Biography of Buzz Aldrin for beginner readers"--
